REPORT OF CAMPBELLSVILLE COLLEGE

For many years the Administration and Trustees of Campbellsville College have dreamed of and worked toward the establishment of a four-year institution. Within the past year the State Department of Education at Frankfort helped set up the schedule for 4-year teacher training. The Board of Trustees voted unanimously to start third year work in the fall of '58 and fourth year work in '59. The General Association of Baptists in Kentucky in the meeting at Harlan last fall approved the plan of Campbellsville College and gave permission for the institution to go afield to raise sufficient funds to guarantee the project.

The Trustees of Campbellsville College launched a Fund-Raising project last March. As of the 24th of September the grand total of all gifts and pledges stand at \$246,510.30.

Within the past year this school has made steady progress in its preparation to handle an enlarged student body and expand curriculum. A little more than \$20,000.00 has been spent to date for remodeling and expansion. The Music Department has been moved into new quarters, the purchase price for which, plus improvements, was about \$9,500. Additional equipment on order and work already planned will cost an additional \$7,000.00.

The college has enrolled more than 600 students this year and added seven new members to the faculty; three have their Dr.'s Degree, the other four have Master's Degrees. The school plans to add 5 or more people with advanced degrees to its teaching staff within the next two years.

Respectfully submitted,
Marshall Black

Text: "Jesus Christ, the same yesterday, today and forever." Heb. 13:8.
The Lord Jesus Christ remaineth the same from eternity to eternity.
In the affairs of men and nations there is continual change.

Man must have something that will bear him up and sustain in all the change and decay common to the human race.

Are we alarmed today because of world conditions?

Are we apprehensive of national calamities?

Are we troubled by a sense of personal danger?

Are we disturbed about the security of our churches and the advance of the Kingdom of God?

Let us remember the Eternal Purpose of God in Christ Jesus —

I. — Our Changing World.

II. — Our Unchanging Christ.

1. Unchanging In His Character.

2. Unchanging In His Power.

3. Unchanging In His Love.

4. Unchanging In His Authority.

The morning session was adjourned with prayer by Rev. T. H. Harding, pastor of South Campbellville Baptist Church.

3. Children's Homes.

The report on Children's Homes was given by Rev. Gilbert Sapp, pastor Liberty Baptist Church. Rev. C. Ford Deusner, Supt. of Glen Dale spoke to the report.

REPORT ON CHILDREN'S HOMES

GLEN DALE

Ground was broken last fall for the building of two cottages at a cost of \$200,000. This the first building enterprise in 5 years. More is to be done as funds are provided. 247 children have been cared for in the last year. 23 have been baptized. 7 have completed high school. 1 boy received his B. A. degree at Georgetown. Last year a small profit was made from the farming operations. Looks like another good year.

PINE CREST

Pine Crest, Kentucky Baptist's newest Children's Home, is now in its second year of operation. Located two miles north of Morehead, it has carried its full capacity of forty-eight children.

Thus far seventeen counties are represented.

Pine Crest is operated as a branch of Spring Meadows with Sam Ed Bradley serving as superintendent of both Homes. Mrs. Virginia R. Fields is the Resident Director. The first year's operation has been very successful.

SPRING MEADOWS

On June 30 Spring Meadows began its 90th year. This Home is the oldest Baptist Children's Home in the South. Originally located in Louisville the Home moved to Middletown on US 60 in 1950. Sam Ed Bradley has been superintendent of the Home since 1947.

The children and staff attend five Baptist churches which prevents swamping any given church and puts the children in a more nearly

normal Sunday School and church setting. They belong to and take part in the various organizations.

These homes continue to need the help of all Baptists. They are grateful for many gifts of supplies sent in. Every dollar is needed that is received through the Cooperative Program. They need their part of "One Day's Pay" from every loyal Baptist at Thanksgiving. Above all they need the undergirding support of your intercessory prayers "before our Father's throne" in their difficult but rewarding ministry to homeless children.

Respectfully submitted

4. Relief and Annuity.

In the absence of Samuel McNeil, the report on Relief and Annuity was given by Bro. Cosby Bradshaw. Dr. D. L. Druen spoke to the report.

REPORT ON RELIEF AND ANNUITY

PROMOTION

Presently, only 34% of our Southern Baptist ministers are enrolled in the Annuity Board's protection program. The Board's Promotion Department is constantly working to enlist the thousands of others in this vital program. A study of the retirement or pension plans of other denominations reveals an important fact. In the denominations showing the greater percentage of their preachers in the protection program, the church assumes the entire financial responsibility, paying the pastor's dues as well as its own.

Out of the approximately 11,000 Southern Baptist churches now participating with their pastor in this protection program, around 36% are paying both member and church dues. It is hoped our churches will give this matter some serious thought as a possible solution to giving these other preachers and their families the protection they need through the Annuity Board's program.

KENTUCKY DATA

The May 1958 billing indicates that Kentucky has 639 pastors and 795 churches paying regularly into the retirement plans. During 1957 a total of \$73,374.54 was paid to 115 Kentucky annuitants. In addition to this, \$22,679.22 was paid in relief grants to 42 ministers and 55 widows on the Kentucky relief rolls during the year.

Churches in the Plan — Campbellsville, Good Hope, Lone Valley, Mt. Gilboa, Pikes Ridge, Pleasant Hill, Robinson Creek and Walnut Hill.

Churches not in the Plan — Elkhorn, Friendship, Liberty, Palestine, Saloma, South Campbellsville, Salem, Pirman Valley, Acton, Yuma, Raikes Hill, and Eunice.

If the pastors of these Churches, and Missions were disabled for life, would your church care for them? Or would they be added to the already burdened relief roll.

5. Western Recorder.

The report on the Western Recorder was given by Ivan Blevins.

REPORT ON WESTERN RECORDER

The Western Recorder has enjoyed the blessings of God for more than a hundred years and last year was no exception. We report with gratitude to our Lord and Kentucky Baptists a good year with even brighter prospects ahead.

We have been pleased with the reception of the paper and the kind remarks about certain changes and improvements but have been disappointed that in several instances the paper has been dropped by churches which were sending it to their families. We firmly believe that in every instance, the cost of the paper will be more than made up in increased contributions to the local and world wide program of Baptist churches.

Our present circulation is 56,579. 428 Kentucky Baptist churches used the budget plan by which the church pays for the paper to be sent to its resident families. Many more churches use the club plan where ten or more subscribe for the paper at a reduced rate. Our subscription rates remain the same. \$1.44 a year on the budget plan, \$1.80 by the club plan and \$2.25 for the individual subscriptions.

We have one recommendation. We request that the association elect or appoint a chairman of religious publications. We could work through this person both for obtaining important news of the associational events and for promoting wider circulation of the Western Recorder within the Taylor County Association.

Respectfully submitted,
Ivan G. Blevins

6. Temperance and Morals.

In the absence of William Miller the report on Temperance and Morals was read by the Clerk.

REPORT OF TEMPERANCE AND MORALS

The past year, June 1957 - June 1958, has been an exceedingly busy one for the Temperance League and we have enlarged and carried out our three-point program of offense against the liquor traffic. We are deeply indebted to the 2,500 churches throughout Kentucky which have supported our cooperative attack.

Here is a summary of our program's accomplishments through the action of your league:

1. INFORMATION BUREAU

Each Sunday, throughout the year (except the Sunday immediately before Christmas and Easter Sunday), the members of our Speakers Bureau are conducting Field Days in some part of Kentucky. Each Sunday our speakers visit in several churches. In each church where we speak we present a brief summary of the alcohol program as it exists in Kentucky and the United States. We strive to create in the people of the local church a desire to do something, individually and as a church

about the problem. More than one hundred thousand pieces of literature have been distributed in the past year.

2. LEGISLATIVE WORK.

Our record has been upheld during the 1958 session of the Kentucky General Assembly: No Legislation Favorable to the Liquor Traffic was Passed! This year a signal victory was won in Warren County and Bowling Green. There are now 87 totally dry counties in Kentucky.

We ask for your continued support for the greatest advances of Temperance movements.

Please help us pray for yet another victory in Marion County in October 1958.

"The Church could destroy the liquor traffic if it would."

Respectfully submitted,
W. E. Miller

7. State Missions and Kentucky Baptist Foundation.

The report of State Missions and Kentucky Baptist Foundation was given by Henry T. Parrott.

REPORT OF STATE MISSIONS & KY. BAPTIST FOUNDATION

Our budget for mission work in Kentucky for this year is \$475,000.00. \$385,000.00 of this amount will come from the Cooperative Program, and the remaining amount will come from designations, special offerings, and interest on trust funds. This is a large budget but the need is much greater. There is at least one million people in Kentucky above nine years of age who have never made a profession of faith in Christ.

We have 98 regular missionaries and 24 summer student workers who are working as District, City, County, and Local missionaries in 73 associations in the State. These missionaries reported last year: Preaching and teaching services — 16,796; Visits — 70,611; Tracts Distributed — 366,869; Miles Traveled — 1,339,654; Professions of Faith — 2,551; Baptisms — 1,469; Additions by Letter — 618; Rededications — 3,431.

Also included in State Missions are five other departments of work: Sunday School, Training Union, Baptist Student Union, Brotherhood, and Church Music. The total accomplishments of these workers can only be known in heaven. They are all doing a great job.

The needs are great, the task challenging and the accomplishments encouraging. Your State Mission money is being used wisely and efficiently. Let us all pray for and support State Missions.

THE KENTUCKY BAPTIST FOUNDATION: The total endowment of the Kentucky Baptist foundation is \$1,387,500.00. The interest from this fund is approximately \$60,000.00 per year, which goes to various institutions and agencies. The Foundation has grown to its present size in the past 13 years. It is continuing to grow today. May Kentucky Baptist not trust in their money, but put their money in trust.

Respectfully submitted,
Henry T. Parrott

8. Evangelism.

The report on Evangelism was given by Russell E. Dazey.

REPORT ON EVANGELISM

Earnest prayer, careful planning and intensive preparation for the '59 Simultaneous Revival Crusades, mark 1958 as a great year for evangelism. Unusual interest and concern are being shown for the '59 Crusades. The '59 Crusades offer Southern Baptists their finest opportunity in soul-winning.

Last year Kentucky Baptist Churches reported more than 24,000 baptisms. This is an increase of almost 2,000 over 1956. The many wonderful revivals that have been held during the current year, and the intense interest in evangelism indicate that Kentucky Baptists may report well over 25,000 baptisms this year.

The annual State-wide Evangelistic Conference was held in Louisville, January 13-15. As always, this was a time of great inspiration and challenge. Every pastor would be greatly helped by attending. Each church ought to send its pastor. The next conference will be held January 12-14, at the Walnut Street Baptist Church, Louisville, Kentucky.

June 1, was observed as a Baptist Day of Prayer for the '59 Simultaneous Crusades. Baptist Churches and people from six other Baptist Bodies in North America joined in this day of prayer with Southern Baptists.

An associational chairman of Evangelism has been elected in 75 of the 82 associations. More than 65 associations have voted to participate in the '59 Simultaneous Crusades, and 60 associations have elected a steering committee.

All churches are urged to participate in the Crusade. The four regions in the Western half of Kentucky will observe the date of March 15-29. The four regions in the Eastern half of Kentucky will use the date of April 12-26. Let's make 1959 a banner year in soul-winning.

The reports show that the results of evangelism in this association for the year of 1958 are 163 baptisms. There was a total of 24 revival meetings during the year.

Respectfully submitted,
R. E. Dazey

9. District Missions.

The report on District Missions was given by J. A. Parker.

REPORT ON DISTRICT MISSIONS

The Taylor County Association is proud to report on the Mission work which is being done in our Association.

The Campbellsville Church is sponsoring several Mission stations and Sunday School points, of which are the following:

Raikes Hill, with Bro. Russell Dazey as its pastor, which dedicated a new building August 3, 1958.

Yuma Mission, with Bro. Claude Munsey as pastor.

Acton Mission, of which Bro. Joseph Horsley is pastor, here a new building is being erected and will soon be in use.

Their latest mission work is the Eunice Mission with Bro. Andy McHolan as pastor, the Association is helping to support this mission.

They are also carrying on work on Sunday in the County Jail, the Judges Office, and in the Metzmer Nursing Home. The leaders of these stations are: Harlan Whitlow, E. Lee Edwards, Bro. Chester Badgett, Henry Madris, and Mrs. Thomas Miskell. They have also started two other missions which have become self-supporting churches, namely, South Campbellsville Church and Walnut Hill Church.

This great mission work has been guided by the Superintendent of New Work, Henry Madris, one of our many mission minded Deacons, and under the supervision of the Sunday School Superintendent, Mr. E. Lee Edwards. These men have been supported by 24 Deacons under the chairmanship of Lloyd Parrott, who has led the church to support the total program of the church

The Pleasant Hill Church, with Dr. D. L. Druen as pastor has also organized a New Mission, Pitman Valley Mission, with Bro. Joe Brown, as its pastor, which also is doing a very fine job. This mission was started in 1958, and has grown from 60 in Sunday School on June 1 to 91 on August 10. It also had 68 in Worship Service on June 1, with 101 on August 10. Their offering went from \$44.35 on June 1 to \$78.87 on August 10.

We just hope and pray that many of our churches and their leaders and members will get the vision as these two fine churches have, to establish other mission points in the coming year.

Respectfully submitted,
Bro. Jesse A. Parker

17. Sunday School Report.

The Sunday School report was given by Rev. Marshall Black and adopted by the Association.

REPORT ON SUNDAY SCHOOL

This has been a good year for Sunday School work in Taylor Association. Every church has a Sunday School and there are five Mission schools sponsored by churches, or the Association, for a total of 20 schools. The enrollment for the 15 church Sunday Schools in 3,760 with about 300 additional in the missions.

There were 19 Vacation Bible Schools held this year with 1,525 children enrolled. Workers from every church in the Association received training awards in our Central or Group Training Schools. Dr. W. B. Atkinson has been a tireless and successful Director of Training. Thirteen of our churches held a Bible Study week in January. Six of the churches observed a Youth Week this year.

Four of our churches: Campbellsville, Mt. Gilboa, Saloma and Good Hope, had Standard Sunday Schools this year. Taylor County was one of the six Standard Associations in Kentucky in Sunday School work for 1957-58.

The Sunday School Organization presents the following program of work for the new year:

1. That we have our one night clinic for Association Sunday School officers on September 14, 1959.
2. That we set a goal of 2,000 training awards for next year.
3. That we enlist 16 churches and missions in January Bible Study.
4. That we have a Central training school July 13-17, 1959.
5. That we increase our Sunday School enrollment by 10% next year.
6. That we enlist 8 churches or more, to observe preparation week in September 1959.
7. That we sponsor one or more new mission schools next year.
8. That we use the Association Standard as a guide in our Sunday School work.

10. That we have at least 21 Vacation Bible Schools this year.

18. Brotherhood Report.

In the absence of Dr. Roy G. Wilson the Brotherhood report was read by the Clerk. Dr. J. Chester Badgett spoke to the report.

REPORT ON BROTHERHOOD

Campbellsville and Pleasant Hill were the two Churches having organized Brotherhoods at the beginning of the year. After considerable promotional work on the part of the pastors and key laymen and with the help of our State Secretary, Mr. Sawyer, who spent ten days in the County, additional Brotherhoods were organized at Elkhorn, Palestine and Salem.

Three well attended Associational meetings were held during the year, one at Pleasant Hill, where our new State Secretary, Mr. Sawyer, gave an excellent talk on the work of Christian Men. A dinner meeting was held in the Campbellsville Church with the Hon. Bert Combs as the speaker. The August meeting was held at Pleasant Hill for all families of the entire Association. Christian Fellowship was stressed. There was a good program given after a fine picnic dinner. Other activities included a booth at the County Fair which was under the direction and supervision of the five Presidents of the Brotherhoods. Religious tracts and denominational papers were distributed and pencils were given away.

The Campbellsville Church has a very active R. A. Chapter with a membership of approximately 75 boys. Eleven boys were sent to the second annual R. A. Convention at Fort Worth, Texas. It is hoped that more interest can be developed in the other Brotherhoods. The Campbellsville Church depending upon the help of sister churches, has invited the State Brotherhood to hold its first annual convention there. This is scheduled for October 1959, and will be a very stimulating influence upon the work in this area.

Respectfully submitted,
Dr. Roy D. Wilson

20. Associational Music Work.

In the absence of Rev. William Miller the report on Music was read by Rev. D. G. Morris. Rev. Morris spoke to the report.

REPORT ON MUSIC

"Let everything that hath breath praise the Lord! Praise ye the Lord!" Thus the Psalms are concluded in the last verse of the 150th Psalm. It is a fitting text for the report of the second year of the Kentucky Baptist Church Music Department.

2,860 ENROLL IN MUSIC SCHOOLS

A total of 2,860 people enrolled in music classes taught in Baptist churches in Kentucky during the past year. The average attendance was 1,988. Representatives of 318 churches earned 1,603 music awards from the classes. Thirty-two associations received some training.

In the fifty-two hymn sings that were held by the associations, 7,761 members of 631 churches attended to experience the singing and the inspirational song sermons.

Five churches reached the standard. One reached advanced standard.

62 ASSOCIATIONS BEGIN ORGANIZATION

Sixty-two of the eighty-two associations in Kentucky had at least an Associational Music Director this year. 36 of them set up their associational music committees composed of 8 or 9 officers. Needless to say, almost 100% of the accomplishments in the associational activities, such as hymn sings, festivals and music schools, were made by the organized Associations.

We have had 3 hymn sings this year:

March 30 — Campbellsville Baptist Church — 32	\$.00
June 29 — Good Hope Baptist Church — 77	10.59
August 31 — Elkhorn Baptist Church — 67	6.49
	\$ 17.08

Only one church earned music awards, totaling 2 awards.

Please help us promote our Associational Carol Sing at Walnut Hill, November 30, 1958.

We encourage participation by every church member and especially every choir member of all our churches.

Respectfully submitted,
 Rev. William E. Miller
 Walter Nance

21. Training Union.

In the absence of Bro. Homer Kirtley, the Training Union report was read by Everett Lee and adopted. Bro. Lee spoke to the report.

REPORT ON TRAINING UNION

Baptists have a heritage of which we can be very proud. This year the aim of the Training Union has been to increase our understanding of this great heritage and thereby strengthen our convictions on beliefs which have guided Baptist growth through the years. These words of Jesus have been basic in our programs and thinking and have a more significant meaning for us now: "I sent you to reap that whercon ye bestowed no labor: other men labored, and ye are entered into their labors." (John 4:38)

Wholehearted participation in Bible reading, prayer, worship, giving, study, witnessing, and Christian fellowship is essential in genuine consecration to the Lord. Thus, Training Union becomes essential when we face the fact that no participation usually means no consecration.

"M" Night was a tremendous success in our state this year. We are happy to report that our attendance of 975 from 15 churches was the fifth

highest in the state. The "M" Night for this year, using the theme, "Thou Art the Christ," will be held at the Campbellsville Baptist Church with the attendance goal of 1,000.

We were represented in the 17-18-Year Speakers' Tournament by Tommy Badgett, and the 19-24-Year Speakers' Tournament by Jana Reynolds, who, also, represented the South Central Region at the State Convention.

We have 15 Training Unions, 14 in churches and 1 mission Training Union, with an enrollment of 1569.

During the year, most of the churches held one or more Training Union study courses and requested approximately 500 awards.

Respectfully submitted,
Homer R. Kirtley
Everett Lee

22. Woman's Missionary Union.

The W. M. U. report was given by Mrs. James Hunt and adopted by the Association. Mrs. Hunt spoke to the report.

REPORT ON WOMAN'S MISSIONARY UNION

The Woman's Missionary Union of the Taylor County Association, was organized November 18, 1957. Since then the watchword "Behold, I have set before thee an open door" has been repeated many times. Let us look now at how well we have entered open doors of opportunity and service.

Our Weeks of Prayer Offerings were: Lottie Moon Christmas Offering \$1,038.65 The Annie Armstrong Offering \$814.62. Making a total of \$1,853.27.

We have had three quarterly meetings which have always inspired us to greater service for our Lord.

The W. M. U. of Kentucky has adopted the following challenging goals for the Jubilee Advance of the Southern Baptist Convention:

1. Study of the new book on Christian Witnessing.
2. Promote a soul-winning visitation program.

26. Home Missions.

In the absence of Rev. Joseph Horsley, the report on Home Missions was read by Dr. J. Chester Badgett and adopted by the Association.

REPORT ON HOME MISSIONS

The annual income for Home Missions was slightly over four million dollars.

There was a total of 1,723 missionaries, including 452 student missionaries which was a gain of 91 over the previous year. There were 36,464 professions of faith in the services but less than ten percent being added to the church, 13,534 professions were also made in services held by our Southern Baptist Chaplains.

New workers added to the missionary staff were: Paul James, director of our work in New York City; J. V. James, director of work for juvenile delinquents and broken homes; Bertram King, worker among the Baptists in Canada; Victor Glass, associate secretary of Negro work; and Billy Hargrove, director of church surveys. Dr. C. C. Warren is jointly employed with the Sunday School Board for the 30,000 movement.

The Board has made progress on its Third Jubilee goals. 1957 was a year of planning for the year of prayer in 1958 and the year of Evangelistic Crusades in 1959. A survey by the Board reveals the need of 30,000 new churches and 60,000 missions. The goal for 1958 is 2,888.

The Rural Church Program exceeded the goals set for ten years. There was an enlarged ministry in the pioneer areas. The Home Mission Board reaching 43 states.

The goal for missionaries to minority groups is 1,050 by 1964. The increase was 169 with a total now of 776. The ministry to migrants, Jews, the deaf and Negroes has been increased.

Schools of Missions number 3,000 annually with a million people reached; 300,000 mission study books are circulated annually; and Home Missions has reached a circulation of 175,000.

A goal suggested for the support of Home Missions by 1964 is 2,000 missionaries and \$1.00 per member from Southern Baptists.

Respectfully submitted,
Joseph Horsley
Henry Mardis

27. Foreign Missions.

The report on Foreign Missions was given by Rev. Joe Brown and adopted by the Association. Bro. Willard Wise spoke to the report.

REPORT ON FOREIGN MISSIONS

Appointments totaling 109 during 1957 and 26 from January to May 1958, brings the number of foreign missionaries in active service to 1,204. The appointment goal for all of 1958 is 130. The Board expects to reach its Advance Program goal of 1,800 missionaries by January 1, 1964.

During 1957, Southern Baptist had resident missionaries in 38 countries.

Mission work is carried on through a varying number of institutions on each mission field — churches, schools, hospitals, publication plants, good will centers. But all are interactive and the goal of each is evangelization. Whatever their institutional duties, all missionaries participate in the work of the churches in their stations.

Pastors on mission fields include 147 missionaries and 1,688 nationals. Almost all of the churches have Sunday Schools, and many of them have other church affiliated organizations. The 2,938 churches and 5,888 outstations report 4,138 Sunday Schools with 322,369 pupils enrolled. The churches report 383,092 members, with 25,078 baptisms during the year.

Medical mission institutions include 14 hospitals and 42 clinics and dispensaries with a total of 102 buildings and 776 beds. Personnel includes 43 missionaries and 43 national physicians, 61 missionary and 140 national nurses. They served 221,468 patients during the year of whom 25,502 were in-patients.

The Foreign Mission Board received \$14,352,975.46 from all sources during 1957. Contributions for foreign missions accounted for \$14,003,660.63 of that amount.

Funds from the Lottie Moon Christmas Offering totaled \$6,121,585.14.

Our Foreign Mission Program will increase in personnel, and receipts whenever we as Southern Baptists will say sincerely, "Oh, God, help us as Southern Baptist to enter every open door that is possible with the gospel of the Lord Jesus Christ."

28. Radio and Television.

The report on Radio and Television was given by Rev. D. G. Morris and adopted. Rev. D. G. Morris, Dr. D. L. Druien and Bro. Willard Wise spoke to the report.

REPORT ON RADIO AND TELEVISION

Southern Baptist are continuing to use improved facilities in communication for promoting the Kingdom of God and carrying the Good News of Christ to the lost and hopeless souls of our world.

Minutes of Taylor County Association of Kentucky Baptists

For more than two years now, Southern Baptists' dramatic television series, THIS IS THE ANSWER, has been used of God to bring the truth of the Gospel message into ninety per cent of the homes in America which have television. With this brief but impressive history, THIS IS THE ANSWER steps into a more ambitious role next year, in the efforts of our denomination to take Christ to the lost through a project called TELEVANGELISM.

Televangelism combines the interest-holding, selling power of drama and binds it up with the evangelistic concern of the personal visitor and witness for Christ. A more effective and fruitful ministry results for both.

Televangelism's purpose is to provide a positive, unified plan of action for the local churches to add to and supplement preparation for the 1959 Simultaneous Revival Crusade — and to launch the Baptist Jubilee Advance.

The BAPTIST HOUR continues to improve in quality and to reach an ever-increasing audience now estimated at 50 million over the 465 stations which broadcast it weekly both in the U. S. and abroad. Much good is accomplished by this radio ministry. There were nearly 15,000 sermon requests in a 29 month period, from people desiring spiritual help and encouragement. May we pray for and support through the Cooperative Program this worthy cause.

Respectfully submitted,

Delmar G. Morris

29. Stewardship.

In the absence of Bro. Obie Antle the report on Stewardship was read by Rev. J. V. Mullen, and adopted. Rev. Mullen spoke to the report.

REPORT ON STEWARDSHIP

Are Southern Baptists good and faithful stewards? For the answer let us look at the record.

Americans are giving about 1½% of their income for all religious and charitable causes. We Southern Baptist are giving 3% through our Churches. Another startling fact is that 20% of our people do about 80% of the giving.

Most of our people have not been enlisted in the Bible plan of Stewardship which includes tithes and offerings. As a result the individual is missing the joy and blessings that comes from practice of the Christian religion and the work of his Church in carrying out the Great Commission is hampered because of the lack of funds.

With a sincere desire to assist any Church that may want help in seeking to enlist every member in the practice of God's plan of stewardship, the Southern Baptist Convention and your General Association of Baptist in Kentucky offer the Forward Program of Church Finance. This Program has been tried and proven successful in over 2,000 Churches in the convention, with over 50 of this number being Kentucky Baptist Churches.

The really important result of the use of the Forward Program, however, is the Spiritual impact on the people. "Christian Stewardship

should not be viewed as man's plan for raising money. Rather it is God's plan for rearing His children."

The obligation is ours to bring into operation our money, prayers, and Missionaries, that the lost millions at home and abroad may hear the word and hearing they may believe.

In I Corinthians 16:2 we find that God has designated: a definite period; a definite person; a definite place; a definite percentage; and a definite purpose for our giving.

The Cooperative Program is the channel through which Southern Baptist support the world ministry committed to them by Christ in the Great Commission. With gifts through the Cooperative Program the individual Baptist and church share in the denomination's program of witnessing, teaching, healing, preaching, and blessing at home and to the ends of the earth.

The Cooperative Program is the love of God in action; the hands of Christ at work; the New Testament Church preaching, teaching, healing in a world field.

Obie Antle

30. American Bible Society.

The report on the American Bible Society was given by Rev. Herbert Keeton and adopted.

REPORT ON AMERICAN BIBLE SOCIETY

The Bible is a "must" in missions and evangelism. If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible. It is the one basic source of knowledge of Him. The Bible is the missionary's chief tool; he uses it in all his work. The Bible itself is a missionary.

During 1957 the American Bible Society--

--distributed throughout the world nearly 15 million volumes of Scriptures.

--donated more than one million Scripture volumes for distribution by Chaplains to our Armed Forces.

--introduced the Finger Phono, a new feather-weight plastic phonograph, operated by one finger. These are being supplied, with Scripture recordings in the languages needed, in areas where very few people can read.

--accepted a new joint responsibility, with the British and Foreign Bible Society, for the work in India, in France and in the Congo Basin of Africa. In India, the Bible Societies are undertaking to provide in the next 5 years, a New Testament for every Christian who can read and a Gospel for every non-Christian who can read; this will require 90 million Scripture volumes in 5 years for India alone!

Southern Baptists Support the Work and Use the Services of the Society--

In 1957, Southern Baptist Churches gave \$118,815.00 exceeded only by the Methodist who gave \$136,499.00.

The help of every Southern Baptist church is needed.

Please send gifts to your Baptist state office marked "for the American Bible Society."
