**REPORT ON CHRISTIAN EDUCATION**

Kentucky Baptist, like other Southern Baptist, have been strong in their praise of education for many years, in fact, since their beginning.

Minutes of Taylor County Association of Kentucky Baptists

However, their support in fact has not been in keeping with their speech. Kentucky Baptist own and operate four Colleges; Georgetown, Cumberland, Bethel and Campbellville; and one Academy, Oncida.

All of these institutions have had a tremendous increase in their enrollment and are suffering from a lack of adequate buildings and sufficient equipment. There is a desperate need for a state wide campaign to raise several million dollars to supply adequate facilities at all of these institutions.

The General Association of Kentucky Baptist in its Annual Meeting last year placed its approval upon such a campaign for capital needs. This campaign should be started immediately if we are to provide education opportunities comparable to other church related schools in our own state and others.

Respectfully submitted,  
Marshall Black

15. Campbellville College.

The Report on Campbellville College, was given by Dr. J. M. Carter and adopted.

**REPORT ON CAMPBELLVILLE COLLEGE**

1. The total student enrollment for 1960-61, including summer school was 974. The number of equated students in this period was 621. This is approximately 25 more than the previous year.

2. The faculty included 39 members last year, and there were 9 changes in faculty personnel during the same year — two due to retirement and one because of death. The others resulted from higher-salaried opportunities. Three additions to the faculty during the year included one in foreign language, one in English, and one in mathematics. Our immediate needs are a Ph.D. in physics and a Ph.D. in English.

3. Our physical facilities include 13 buildings, and the additions to the college during the past year include a new library which will accommodate 1600 students and a new music building annex which includes 10 practice rooms, a small auditorium, and several class-rooms.

4. Our needs for the future include:

1. A new science building
2. Two new dormitories
3. An infirmary
4. A student center
5. A health and recreation building.

5. The past year our income was \$425,000 and we closed the year with \$33,000 to be used during the summer for improvements and the purchase of educational equipment.

Money is still being collected from our five year endowment fund drive, and there are still two years to go on that program.

6. The college industry operated this year for the first time with no deficit and presently we have more contracts for orders than any other time in our history.

Dr. J. M. Carter  
Respectfully submitted,

The Hospital has 117 beds and 16 bassinets for newborns. Surgical operations total 2,681, laboratory examinations 85,618, x-ray examinations 9,543. There are 225 full-time employees on the payroll. The hospital is in a building program with 31 more beds to be added.

Last year (1960) the Mother's Day offerings amounted to a net of \$38,877.31 which was divided among the three hospitals in the same percentage that was received from each of the three areas. \$43,820.52 was spent from the Fund during the same period.

Your support and prayers for the continued success of these hospitals will be most appreciated.

17. Children's Homes.

The report on Children's Homes was given by Rev. Jewel E. Hall and adopted.

**REPORT ON CHILDREN'S HOMES**

The Kentucky Baptist Board of Child Care is happy to report that they have had a splendid year.

Our three homes are Spring Meadows at Middletown, with Rev. J. D. Herndon as Superintendent; Glen Dale at Glendale, with Rev. C. Ford Deusner as Superintendent; Pine Crest at Morehead, with Mrs. Virginia R. Fields as Superintendent.

During the year ending June 1, the Homes cared for a grand total of 588 children during the year — the highest number in the more than 90 years Kentucky Baptist have cared for homeless children. 151 new children were admitted into the Homes during the year. The Homes had 20 fine young people to graduate from high school. The new building completed at Glen Dale last year and the beginning of Case Work ser-

vice there should enable the Homes to care for even more children during the coming year, providing sufficient funds are available to properly care for additional needy children.

The 1960 Thanksgiving Offering, upon which the Homes depend greatly to meet operating expenses, declined about 10% from the near record offering of 1959. We trust this was because of general economic conditions; rather than a lack of love and concern on the part of Kentucky Baptists.

Shortly after school is out the children in each of the Homes is given a two-week vacation with sponsors and friends. If you would like to have a child from one of the Homes visit in your home, write early in the spring to the Home of your choice.

### 18. Relief and Annuity.

The report on Relief and Annuity was given by Dr. D. L. Druien, and approved.

### REPORT ON RELIEF AND ANNUITY

**Name Change** — The official name is now "Annuity Board of the Southern Baptist Convention." We are urged to use the Board's new name.

**New Members** — Total new members in all the Annuity Board's plans in 1960 increased by (9%) over 1959. The largest increase in the Southern Baptist Protection Plan. Total membership on January 1, 1961 stood at 22,578. More than 4,000 of the churches participating in the protection are paying the full 10% dues. This is an increase over the previous year. There is a wide range in the states participating in the annuity plans. Some states running in the upper 60% average participation is 63%.

**Benefits** — We have more than 4,200 beneficiaries in receiving benefits in some of the Board's plans. We have more than 1,000 who are receiving relief from the Relief Board. Some are being added each year but the number is declining due to Social Security and other Government benefits.

**Kentucky Data** — Total benefits to Kentucky annuitants during 1960 amounted to \$100,680.63 distributed to 109 annuitants, 22 disability annuitants and 20 widow annuitants. A total of \$19,815.90 went to 48 relief beneficiaries.

We received 116 new members into the Protection Plan during the year with a gain of 37 churches and 41 members. At the end of 1960 we had 816 participating churches and 834 members. The Kentucky Brotherhood has charge of the promotion of the Protection Plan as one of its objectives and is rendering an effective service working through laymen to acquaint the churches with the plan.

Brother Baynard Fox serves as field representative for Kentucky and Tennessee with office in the Kentucky Baptist Building, Middletown, Kentucky. Brother Fox is available for conferences, speaking engagements and welcomes inquiries at all times.

19. Religious Literature.

The report on Religious Literature was given by Dr. Harvey L. Morrison and adopted. Dr. C. R. Daley spoke to the report.

**REPORT ON RELIGIOUS LITERATURE**

While your committee has not taken a poll of the reading habits of the members of the churches of our Association, it is safe to assume that they do quite a bit of reading of one kind or another. However, none of us would likely take it for granted that they do enough of the right kind of reading just because they are Baptists.

Our people should keep abreast of the times through which our troubled world is passing. Therefore, it is important that Baptists should read the daily paper and magazines and keep up to date on world events that so seriously concern us all. Let us not forget though that we who are commanded to "seek first the Kingdom of God and His righteousness" should be better informed about the Kingdom of Christ than we are about the Kingdom of this world.

Baptists have always boasted of being an enlightened people. We cannot maintain this position of enlightenment unless we make continuous use of the right kind of literature.

You would expect your committee to recommend first of all that we make the Bible the text book of our homes and private lives. Furthermore, may we point out the fact our own denominational state paper, The Western Recorder, is one of the oldest and soundest within our convention and should be in every home of our association. The comments and discussions in our Sunday School and Training Union literature together with the fine articles of the many magazines of our denomination are available to us all.

Let us join with Paul in his admonition in I Timothy 4:13 "Give attendance to reading."

20. Report on Temperance and Morals.

The report on Temperance and Morals was given by Rev. Earl Pike and adopted. Rev. Walter C. House spoke to the report.

**REPORT ON TEMPERANCE AND MORALS**

This past fiscal year, The Temperance League of Kentucky has taken on a multi-phase attack using four programs to stop the problem of liquor traffic.

First, information. Each Sunday, excluding Christmas and Easter, Field Representatives speak at 30 to 35 churches across the state. Also the latest literature for victims of alcohol are on a loan basis.

One of the best established acts which the state of Kentucky wishes to be passed is the Dram Shop Act. This law establishes the liability of tavern owners for acts committed by persons under the influence of alcohol bought in that tavern. Then another step which we want is to

## Minutes of Taylor County Association of Kentucky Baptists

eliminate all wet bill-boards in dry territory and to restore the county unit plan of voting in a local option referendum.

The Temperance League through affiliation with the National League is seeking for favorable legislation on the National Level.

The number three program being used is Local Option. In a state which has such a large alcohol industry, 94 of 120 counties forbid the sale of alcoholic beverages. This is due to the fourth program we use which is Education. Our main idea is to prevent an alcoholic, not cure one, so we must begin training our children in public schools about this thing which effects the human brain, personality, moral, mental, and spiritual health and behaviour.

Remember The Temperance League cannot continue without your Prayers and Financial Support.

Report on State Missions.

The report on State Missions was given by Rev. Henry T. Parrott and adopted. Rev. Parrott spoke to the report.

### **REPORT ON STATE MISSIONS**

State Missions is the term used to include the work of the following departments: Brotherhood, Church Music, Direct Missions, Evangelism, Foundation, Student Union, Stewardship, Sunday School, and Training Union.

For the fiscal year, 1960-61, \$539,883 was budgeted for the departments. This was a decrease of approximately \$7,000 from the 1959-60 budget. Total budget income during the first seven months of the fiscal year was about \$75,000 less than the budget. Therefore, the departments found it necessary to operate on approximately \$1,000 less per month than was originally budgeted.

The program includes the State Superintendent of Missions, an Association, a Secretary of Church Survey and Enlargement, two City Missionaries, 12 District Missionaries, 38 Associational Missionaries, 13 County Missionaries, and 18 local Missionaries. In addition to these workers, the Direct Mission Program assists in the work in West Va., it helps support three National Baptist Missionaries, it cooperates with Southern Baptist Theological Seminary in sending approximately 20 seminary students to mission areas each weekend, and it has placed 38 student summer workers.

The Direct Mission Program also cooperates with the Home Mission Board in supporting work in Covington, Lexington, and Louisville.

This Mission Program is continuing its effort to help every church in Kentucky to do a more effective work in its community and around the world. Our churches contribute to this work as they contribute through the Cooperative Program and as they increase their efforts in their own mission field.

22. Kentucky Baptist Foundation.

The report of Kentucky Baptist Foundation was given by Bro. Carl Wells and adopted.

**REPORT OF KENTCKY BAPTIST FONDATION**

Men die, but their money can live on. It can live on for a worthy Christian cause. Yes, it can live on through the Kentucky Baptist Foundation.

In 1946, the Kentucky Baptist Foundation was formed. At that time, Dr. A. M. Vollmer came to serve as Executive Secretary-Treasurer, and at the present time is serving in this capacity. Dr. Vollmer has seen assets grow to one and three-fourths million dollars, with an annual income from invested principal growing from \$7,345,97 the first year of operation to \$69,940.81 in 1960.

This year has been the best thus far. The largest total has been added to its assets, the most income received from its investments, and aid given in the preparation of the greatest number of wills.

There are a large number of bequests and gifts, totaling over \$10,000. This income is Christian testimony to the love of the donors for Christ and His cause.

Have you, as a Christian, imitated the spirit of the dying man who was asked where his will could be found. He answered simply, "In the pocket of God."

In a Christian will a Christian says, "God's Kingdom is forever. I want to verify my interest in its continuing prosperity by leaving something for its support."

Do you have a Christian will and is it in the pocket of God?

Carl Wells

23. Evangelism.

The report on Evangelism was given by Rev. T. H. Harding and approved. Bro. Harding spoke to the report.

**REPORT ON EVANGELISM**

Kentucky Baptists cannot be proud of their record in evangelism in 1960. Only 21,253 were baptized into the fellowship of our churches. The ratio of baptisms to membership was 1 to 29. Only four associations in Kentucky reported baptisms in every church. Only 163 churches reported a baptismal ratio of 1 to 10.

The trend toward fewer baptisms has been seen in almost all the states of the Southern Baptist Convention. To meet this apparent need we have restudied our organizations for evangelism in the district associations, and are now advocating the election of a Chairman of Evangelism who will lead an Evangelism Committee composed of the elected officers of the Association. This program has been carried to 73 of our associations through Associational Evangelism Clinics.

## Minutes of Taylor County Association of Kentucky Baptists

To meet the needs of a better evangelistic program it is recommended that this association do the following things:

1. Plan our work for an increased interest in evangelism.
2. Participate in the Baptist Jubilee Revivals in 1961 through 1964.
3. Make full use of the Evangelism plan book which is supplied free from our state office.
4. Promote an associational evangelism clinic.
5. Send our Chairman of Evangelism to Ridgecrest for an annual conference on Evangelism.
6. Encourage more of our people to do personal witnessing.
7. Encourage each church to set a goal of 1 to 20 for the baptismal ratio.

The dates that have been approved for our Associational Baptist Jubilee Revivals are as follows:

October 1-15, 1961  
April 8-22, 1962  
March 31-April 14, 1963  
March 8-22 or March 29-April 12, 1964.

The baptismal goals for our association are as follows:

1961 — 250 baptisms  
1962 — 280 baptisms  
1963 — 310 baptisms  
1964 — 400 baptisms

### 24. District Missions.

The report on District Missions was given by Woodruff T. Chandler and adopted.

### **REPORT ON DISTRICT MISSIONS**

There are still vast areas in our County and State, that need new churches. The business of District Missions is to help win the lost by constituting New Testament churches.

The Mission Committee of the Taylor County Association is composed of Brothers Willard Wise and Henry Mardis. They have been very busy during the year, making surveys, looking into the possibility of establishing new Missions in either Taylor County, Ohio or Michigan.

The Campbellsville Baptist Church sponsors the following Missions: Acton Mission — Rev. Burton Cosby, Pastor and Brother Ray S. Borders, Chairman Mission Committee. Eleven were received by baptism and three by letter. Just completed new building and added pulpit furniture. Yuma Mission — Rev. Carl Bertram, Pastor and Brother Henry Madris, Chairman Mission Committee. Received four by baptism and six by letter. In the process of building and have just installed new furnace. Raikes Hill Mission — Rev. James Humphrey, Pastor and Brother E. S. Wooley, Chairman of Mission Committee. Two were received by letter. Eunice Mission — Co-sponsored by Campbellsville Church and Taylor County Association. Rev. Wilbur Johnson has been

supply pastor for the summer and Brother John T. Mardis, Chairman Mission Committee. One addition to the church.

25. Home Missions.

The report on Home Missions was given by Mr. W. T. Blevins and approved.

**REPORT ON HOME MISSIONS**

A major share of the personnel and resources of the Home Mission Board is used in 30 states of the northern and western sections of the nation. We have 2,335 churches in these states where we had only 79 in 1940.

Nearly 12,000 new churches and missions have been started through the 30,000 movement.

Hawaii Baptists have asked the Evangelism Division for assistance, and other home mission programs will be started on these islands when requested. A survey of Puerto Rico is being made among the island's 2½ million citizens.

Baptist work continues to grow in the tense situation in Cuba. Revivals in the four provinces where Southern Baptists sponsor work resulted in 5,116 conversions, and gifts to the churches increased by 20 per cent to \$210,649.00.

644 Southern Baptists serve as chaplains for the military institution, and industry in the United States. The Chaplains Divisions report 14,053 professions of faith.

Our home mission budget is around \$4 million, supporting 2,035 missionaries during the past year who reported 51,463 baptisms.

Despite a record force, urgent personnel needs were announced by Glendon McDoullough, personnel secretary, for Good Will Centers in Japanese, Russian, Spanish, and Italian work. "We need more workers now to fill requests, some vacant for two years because needed personnel have not been found," he said.

Respectfully submitted,

26. Foreign Missions.

The report on Foreign Missions was given by Dr. J. Chester Badgett and approved. Dr. Badgett spoke to the report.

**REPORT ON FOREIGN MISSIONS**

From first hand visits to many of our mission fields, one is filled with justifiable pride that so few have been able to accomplish so much. One is also made ashamed of our selfishness which has allowed us to be so full handed with meeting the needs of our own local programs and being so slow to respond to the needs around the world. Every individual who withholds his tithes and offerings from the Lord's storehouse; every church that uses funds selfishly for local programs and gives little or nothing to world-wide mission causes; and every state organization which meets its own needs without equal consideration of the

needs beyond its own borders is guilty of the blood of the lost people we are failing to reach.

Our missionaries now serve in 45 countries. Three new countries were entered in 1960. Appointments totaled 137 during 1960 and 31 were appointed from January to May of 1961. This brings the total number of missionaries in active service to 1500. The Board expects to have 2000 missionaries under appointment by the close of the Baptist Jubilee Advance in 1964. The total amount contributed for foreign missions in 1960 amounted to \$17,312,163.35. The life line continues to be the Cooperative Program and the Lottie Moon Christmas Offering. Lead your church to do better next year and pray much for the advance of the Gospel everywhere.

Respectfully submitted,  
J. Chester Badgett

27. Cooperative Program.

The report on the Cooperative Program was given by Mr. J. B. Crawley and adopted.

**REPORT ON COOPERATIVE PROGRAM**

Foreign missionary C. D. Clarke wrote this letter home sometime ago from his mission field:

“Can there ever be a unity of spirit among neighbors in the world when some are willing to eat cake and drink whiskey, while others starve for the want of bread and milk, when some are clothed in furs, warm woolens, and nylons, while others freeze in threadbare cottons and nakedness; when some call a doctor for the slightest snuffle, while others with advanced diseases die for the want of medicine; when some build air-conditioned, plush-seated cathedrals of stone, steel and marble to praise their God, while their neighbor Christians meet in drafty, unheated houses and the heathen perish for lack of knowledge?”

Through the Cooperative Program, Southern Baptists seek to meet the needs outlined in missionary Clarke's letter. Each Sunday as Baptists make their offerings in their churches, a portion of that is forwarded by the church treasurer for the Cooperative Program. In turn, the money is divided among all the missionary, benevolent, and educational causes sponsored by Kentucky Baptists.

Kentucky's 1961 Cooperative Program goal is \$2½ million. Of this amount, 35% will be forwarded to Conventionwide causes, and 65% used in Kentucky. During the first six months of the current budget year, receipts were up 4% over 1960, but not up enough to reach the 1961 goal of \$2½ million.

Of the 2,264 Baptist churches in Kentucky, 595 made no Cooperative Program gifts during 1960. 82% of all the churches gave less than 10% of their total receipts through the Cooperative Program. Forty churches last year gave almost one-third of all money received through the Cooperative Program.

Your committee recommends:

- (1) That each church place the Cooperative Program in its budget on a percentage basis, and that such percentage be increased by at least 2% of the total budget each year.

Minutes of Taylor County Association of Kentucky Baptists

- (2) That Vacation Bible School offerings be given through the Cooperative Program.
- (3) That each church observe Cooperative Program Day the last Sunday in each June.

The devotion was given by Rev. Carl Bertram, Pastor of the Yuma Mission.

30. Sunday School.

In the absence of Bro. Lynn Gabehart, the report was read by the Clerk and adopted. Bro. Carl Wells spoke to the report.

**REPORT ON SUNDAY SCHOOL**

Our Association reports this year 20 Sunday Schools with an enrollment of 4,037. This is an increase of 71 persons over last year. We have four Standard Sunday Schools. 20 Vacation Bible Schools were conducted and 16 churches did training. Our Association has reached the Standard. One Central Training School was held and 4 group schools in July. Monthly meetings have been held through the year with good attendance. Conferences have been conducted with different age groups meeting separate.

31. Brotherhood Report.

In the absence of Dr. Roy G. Wilson, the report on the Brotherhood was read by the Clerk and adopted. Rev. T. H. Harding spoke to the report.

**REPORT ON BROTHERHOOD**

The Brotherhood began its associational year with the observance of Layman's Day which was held in each of the seven churches which have a Brotherhood. This was held in October and the services on one Sunday were under the direction of the laymen in the churches.

In November the Brotherhood had an eight hour study course and the Brotherhood Guide Book and Handbook were taught. The course lasted four nights with two hour sessions being taught each night. It was well attended by the men and some of the pastors of the Association. Study Course Certificates were awarded to thirty men for satisfactorily completing the course.

There were four Associational Brotherhood Meetings during the year; one each quarter. The first was held in November at Campbellsville Baptist Church under the direction of Dennis Smith, Associational R. A. Leader. The second was at South Campbellsville Baptist Church in February under the direction of D. W. Crawley, Jr., World Mission Leader. Carl McCubbin, Christian Witness Leader, gave a splendid program at Palestine Baptist Church on May 1, 1961. The fourth meeting was held at Pleasant Hill Baptist Church on July 27 in connection with a picnic for the entire Baptist Family. After a delicious meal, an interesting program was given under the direction of Teddy Winn, Stewardship Leader.

Our R. A. program has developed and enlarged in a satisfactory manner. Many of the boys have attended the State R.A. Meeting and spent a week during the summer at Camp Cedarmore. This is a heartening condition in that we know they will make splendid Brotherhood and Church leaders of tomorrow.

Respectfully submitted,  
Roy G. Wilson

32. Associational Music Work.

In the absence of Bro. Vontress Jones, the Music report was read by Bro. Carl Wells, and adopted.

**REPORT ON MUSIC**

Kentucky Baptists are growing in their concepts and attitudes toward the use of music in their churches and personal lives. This report reveals the faithful planning and appreciated response to music activities conducted in Kentucky in 1960-61.

Most significant toward the success of the Associational Music Ministry is the Annual Training-Planning Meeting which was held in 54 associations and attended by 173 Associational Music Officers in the fall of 1960.

In the past year a total of 12,932 people have represented 904 churches in 105 Hymn Sings. Our Association had five hymn sings attended by 501 people from 17 churches during the year.

## Minutes of Taylor County Association of Kentucky Baptists

Hymn sings with at least 300 people in them were held by Greenup Association (300), Severns Valley (327), Graves County, (625, 301), and Laurel River Association (334).

Music awards earned by Kentucky Baptists during this year totaled 2,658.

May we emphasize the value of music in our churches during the coming year and let us make every effort to improve our music programs.

The music program of the association can be of much help if we will attend the hymn sings and work with the music personnel.

Respectfully submitted,  
Vontress Jones

### 33. Training Union.

The Training Union report was read by Bro. Homer Kirtley and adopted. Bro. Kirtley and Dr. Badgett spoke to the report.

### REPORT ON TRAINING UNION

New Testament evangelism does not end at the church baptism. It is not enough to win a person to Christ. We must keep those we win. The Training Union is designed to help the church to build up in the faith the persons we win to Christ.

Our "M" Night was attended by 725 people from 15 churches. The meeting this year will be at the Campbellsville Baptist Church.

Nine of our younger members from five churches participated in the drills held in March with the Pleasant Hill Baptist Church. Those taking part in the Junior Memory Work were: Miss Jane Kessler, representing Friendship, and Miss Ona Buckner, representing Campbellsville, with Miss Kessler representing our association at the Regional Meeting.

Miss Nancy Sadler, representing Campbellsville, was our Intermediate Sword Drill representative at the Regional Meeting.

Those taking part in the Young People's Speakers' Tournament were: Miss Barbara A. Russell, representing Pleasant Hill; Miss Carol Jean Sallee, representing Walnut Hill; Miss Karen Humphress, representing Yuma Mission; Miss Ann Coakley, representing Pleasant Hill; Miss Carol Overstreet, representing Yuma Mission; and Miss Wilna Hall, representing Campbellsville, with Misses Hall and Humphress representing our association at the Regional Meeting in their respective divisions. Miss Wilna Hall was chosen as both regional and state winner in the college age group.

There were 65 other members of the Taylor County Association present to hear her speak at Ridgecrest.

Baptist Youth Week is a plan for a church to use its young people in all the official positions of church life for one full week. This year eight churches in our association observed Youth Week.

Baptist Youth Night continues to gain in popularity. Our meeting was attended by 125 people from 12 churches.

Respectfully submitted,  
Homer R. Kirtley

33. W. M. U. Report.

In the absence of Mrs. Roy G. Wilson, the W. M. U. report was read by Rev. Earl Pike and adopted.

**REPORT ON WOMAN'S MISSIONARY UNION**

When we compare our records this year with last we find that the gains in our work outnumber the losses. With the organization of South Campbellville, we had a gain in number of organizations. Also, we had an increase of 33 new members, in tithers, in members giving through the Cooperative Program, in five day observance of the Weeks of Prayer, and in gifts for the Special Offerings as follows: Lottie Moon Offering, \$2095.98; Annie Armstrong Offering, \$944.35; State Mission Offering, \$561.79; gain over last year \$559.87. There have been gains in subscriptions to Royal Service, The Window, and Tell.

The report of Kentucky WMU shows increases in number of organizations, recognitions on Aims for Advancement, observances of the Weeks of Prayer, Community Missions, number giving through Cooperative Program, and a big increase in the number of subscriptions to our WMU magazines. It seems inconsistent with these splendid gains to have to report losses in membership, in tithers, in mission study and missionary reading.

Cedarmore continues to render very fruitful service in missionary education of youth, leadership training and missionary inspiration to the more than 1300 people who registered there for WMU activities. There were 341 in the four weeks of GA camps with a total of 24 conversions, 25 dedications, and 18 rededications. There were 108 registered for the YWA Weekend; 273 for WMU Week and 79 for the WMU Weekend.

We are truly grateful to God for His blessings upon our work that made the achievements of the past year possible. As we approach the coming year may we remember — "For love of God so constrains us . . . to love . . . to study . . . to pray . . . to give . . . to go . . . that His way may be blessed in all nations."

Respectfully submitted,  
Mrs. Roy G. Wilson

At the meeting of the Board of Christian Education recognized the following visitors: Rev. and Mrs. J. H. [unclear] Doctor, Ironestown Baptist Church.

34. Stewardship

The report on Stewardship was given by Dr. J. Chester Badgett in the absence of Bro. James Hunt.

**REPORT ON STEWARDSHIP**

Every church has a two-fold responsibility: Evangelism and Stewardship.

Evangelism is the winning of the lost and developing the saved. Stewardship includes teaching Christians to give liberally and systematically, so that the total program of Christ may move forward both at home and abroad.

## Minutes of Taylor County Association of Kentucky Baptists

---

Each church has a responsibility to teach her members to give. The Forward Program of Church Finance is available to help churches in teaching stewardship to their members.

We now have a Stewardship Promotion Department of the Executive Board, with Robert J. Hastings as secretary and Thomas B. Chaney as associate.

The Cooperative Program represents all the work that Southern Baptists are undertaking for Christ. As such it becomes our complete missions program.

It is our conviction that the whole of our Cooperative Program is more important than any one or any combination of its parts. No single cause stands alone. Each is dependent on the other. Therefore, we recommend that the leaders of Taylor County Association put forth every effort to explain the Cooperative Program to the people during the coming year.

The Cooperative Program is the one fundamental means to provide financial support for all our work. Therefore, we urge all Baptists of Taylor County Association to join in giving the Cooperative Program loyal and prayerful support.

We recommend that every church in Taylor County Association include the Cooperative Program in its budget on a percentage basis.

All of us are stewards. The question is, are we good stewards?

Stewardship is not a matter of how much you own, but what you do with what you have.

Respectfully submitted,  
James Hunt

### 35. Radio and Television.

The report on Radio and Television was given by Rev. L. M. Hamilton and adopted. Rev. Harding spoke to the report.

## REPORT ON RADIO AND TELEVISION

Man can now send radio and television signals anywhere and no unfriendly government can stop him. There are many places in the world today where our missionaries cannot go, yet can easily be reached by radio. Russia is closed to us, but we preach the Baptist message there every week in the Russian language through Radio Monte Carlo. Red China has expelled all our missionaries, yet vast areas of China are exposed to radio from the western world. While some doors are shut, others are open.

We are not doing all we can do through radio and television to spread the gospel now. Less than one-fourth of the 50 millions of people who increase our population yearly are won to the Christian faith; the other three-fourths are lost annual to pagan forces of our world.

Through more than 1100 stations we reach an estimated 50 million listeners each week with the eight radio programs and one television program produced and distributed by the Radio and Television Commission.

Thousands of letters pour into the Commission each month in response to the various programs and representing individuals who seek

spiritual light. Letters are a tremendous testimonial to the effectiveness of this work.

We at the Radio and Television Commission are ready to attempt the mightiest Christian witness during the next four decades of the 20th Century that the world has ever known. We can do no less if we are to measure up to the opportunities of the space age in which we live. The communications satellite can make possible for us to match the population explosion with a gospel explosion. We can, if we will, use these messengers of outer space to help fill the inner emptiness in lost men's hearts.

### 36. American Bible Society.

In the absence of Rev. Burton Cosby, the report on the American Bible Society was read by Bro. Homer Kirtley and adopted.

#### **REPORT ON AMERICAN BIBLE SOCIETY**

People must have the Bible because it presents Jesus Christ, the hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The American Bible Society helps Missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptist work around the world.

During 1960 the American Bible Society gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in Service.

Southern Baptist supports the work because the Society serves mission work and Southern Baptist Missionaries depend on the Bible Society for Scripture they need for their people — Southern Baptist Churches believe in the missionary importance of giving to the American Bible Society.

Although gifts have increased and the work has expanded, the worldwide need for the Bible is still greater than the supply.

The help of every Southern Baptist Church is needed. Has your church given this year?

Respectfully submitted,  
Rev. Burton Cosby

Report of the Baptist Student Union by Rev. Kirby Kinman.

#### **REPORT ON BAPTIST STUDENT UNION**

Functions on Campbellsville College Campus for the year 1960-1961 included six Vesper programs per week, six Morning Watch programs per week, and at least one regular meeting of the Executive Council.

## Minutes of Taylor County Association of Kentucky Baptists

Over 250 Baptist Students applied for membership cards in Baptist Student Union, and the average attendance for general BSU meetings was 78.

A mission fund of \$500.00 was raised in the allotted time. Three of our students were chosen as representatives of the State BSU for summer missions work. There were only 10 chosen in all.

Highlighting the year was a student led revival, February 9-16, held in the Campbellsville Baptist Church. Rev. J. O. ... Foreign Mission Board brought the message, and the pastor of the Valley Baptist Church in Lexington, Kentucky led the singing. There were twenty-five decisions, mostly for rededication and church related vocations, but including three professions of faith. To date, the ... endeavor there were fifteen students converted during the year, which as far as numbers indicated was higher than the two previous years combined, and was first in the state of Kentucky.

Respectfully submitted,  
Kirby W. ...

## REPORT OF THE RESOLUTIONS COMMITTEE

1. Be It Resolved: That we express our sincere appreciation to the Lone Valley Baptist Church for the spirit of hospitality which was extended to all in attendance at the day services of the association and especially to those who served the noon meal. Also to the Campbellsville Baptist Church for the use of its facilities for the evening session.

2. Be It Resolved: That we express our appreciation to Dr. D. L. Druien who has served faithfully as our moderator for the past two years and to our clerk, Mr. Woodruff T. Chandler, who has rendered outstanding service since the organization of the Taylor County Association and to all of the other officers who have served the Lord through any phase of our associational work.

3. Be It Resolved: That we commend the leadership of Campbellsville College for all achievements made as a Senior College that we show our continued support by the offering of our praying and the giving of our means and that we manifest our interest by offering any constructive counsel to those charged with the stewardship of the school.

4. Be It Resolved: That we commend the Ministers of the Newport area for their courageous stand in arousing public interest in the widespread and deep rooted lawlessness and crime and the laxity on the part of many law enforcement officers. That we assure them of our prayer support and every other encouragement possible. That we be challenged by their courage to be diligent Christian citizens in every relationship of our citizenship from the local to the national level.

Minutes of Taylor County Association of Kentucky Baptists

5. Be It Resolved: That we thank God for the spirit of cooperation on the part of all of the churches in the Taylor County Association which has made possible outstanding achievements in many areas of our work and that we pledge ourselves to a continuation of this spirit of cooperation which encourages all of us to do together whatever God lays on our hearts and places in our hands.
