11. Religious Literature.

The report on Religious Literature was given by Rev. Carl Dugger and adopted.

REPORT ON RELIGIOUS LITERATURE

Everyone realizes the need of food for the physical body. Yet many of us seem to have forgotten the necessity of food for the soul. The spiritual depravity of man is not due to the lack of material to stimulate thought and growth, but due to the fact that we have neglected to use the material we have at our disposal.

Among the material available for our use, the Holy Bible rates far above all others. The Bible should be the textbook for every Christian and student of God. The literature published by our Sunday School Board, consisting of Sunday School and B. T. U. materials, not to men-

tion the thousands of tracts, pamphlets, and books, is second only to the Bible in its value.

Our state paper, The Western Recorder, is another of the sources of valuable and helpful information, as well as inspirational reading. This paper should have a special place in the home of every Baptist in the state. We may secure from our Baptist Book stores anything from children's storybooks to Bible commentary Sets and encyclopedias to enrich our lives as Christians.

We, as Baptists in America and the Taylor County Association, have behind us a great heritage for which our forefathers fought and died. We also have before us the greatest opportunity in history, through these many publications, to "Grow in grace and in knowledge of our Lord and Savior Jesus Christ." Therefore let us hear, and apply to our lives, the words of Paul to Timothy when he said, "Study to show thyself approved unto God, a workman that needth not to be ashamed, rightly dividing the Word of truth."

Respectfully submitted,
Carl Dugger

12. State Missions.

The report on State Missions was given by Rev. Ralph Boots, and adopted.

REPORT ON STATE MISSIONS

At the very heart of all that Baptists are doing in Kentucky is the Direct Missions Department. This department includes the work of the State Superintendent of Missions, his associate, who is Director of the Mountain Missions Program and the Schools of Missions Program, a Director of Church Survey and Enlargement, two city missionaries, 12 district missionaries, 38 associational missionaries, 13 county missionaries, and 19 local missionaries.

The Cooperative Mission Work with the Home Mission Board involves work in Covington, Lexington, and Louisville and special projects in the Mountain Mission Programs. This work includes Good Will Centers, Week Day Programs, Fellowship Center Programs and other special projects.

The Direct Missions Program involves work in all our associations except 14. At the time of the 1961 report, work was being done in all of the associations, except 9. The amount of financial support given to the missionaries has declined from \$236,000 in 1958-59, to \$190,000 this year. Six associations now support their own missionaries.

During the year May 1, 1961, to April 20, 1962, the missionaries receiving financial support through the Direct Missions Department reported approximately 16,000 services conducted (including 354 revival meetings), resulting in 1,328 baptisms reported, 280 additions by letter and 3,253 other decisions. These missionaries made over 41,000 visits, distributed 370,000 pieces of literature and traveled almost 1½ million miles, during the year. They helped organize 20 new missions and 238 other units of work, and they reported the constitution of 18 new churches.

Respectfully submitted,
Rev. Ralph Boots

13. Evangelism.

The report on Evangelism was given by Rev. Jewell E. Hall and adopted.

REPORT ON EVANGELISM

The ultimate objective of all we are doing or are trying to do as Baptist in Kentucky is Evangelism. We must do more.

During the associational year, 1961, Kentucky Baptist reported 20,901 baptisms and a total membership of 620,414. These figures compare with 21,253 baptisms in 1960 and a total membership of 617,507. The 1961 figures do not include reports from two associations which reported 224 baptisms last year and a total membership of 7,200.

Two associations, Taylor County and White's Run reported baptisms in every church. Four associations, Booneville, Pike, Pine Mountain, and Red River reported baptisms at the ratio of one baptism of every 20 members or better. All of these, except Booneville, made similar reports last year.

151 churches reported baptisms at the ratio of one baptism for each 10 members or better, and 53 churches reported 52 or more baptisms during the year.

The following churches reported 90 or more baptisms during the year:

- Walnut Street, Louisville — 178
- Trinity, Lexington — 159
- Victory Memorial, Louisville — 124
- South Campbellsville, Campbellsville — 99
- Ninth and O, Louisville — 93

One association reported no baptisms and 436 churches reported no baptisms.

The Baptist Jubilee Revival Program provides the best method of simultaneous revivals. It is Bible-based, Christ-centered, and Church-controlled. Join other churches of your association in the Baptist Jubilee Revival.

The dates that have been approved for our Association Baptist Jubilee are as follows:

- October 1-15, 1961
- April 8-22, 1962
- March 31-April 14, 1963
- March 8-22, 1964

The baptism goals for our association are as follows:

- Goal
- 1961 — 250 baptisms (had 218)
- 1962 — 280 baptisms
- 1963 — 310 baptisms
- 1964 — 400 baptisms

Respectfully submitted,
Jewell E. Hall

Minutes of Taylor County Association of Kentucky Baptists

At this time the Moderator appointed the following committees:

Nominating Committee — Dr. J. Chester Badgett, Mr. Floyd Short, Rev. Ralph Boots

Committee on Committees — Rev. Raymond Long, Rev. Jewell E. Hall, Mr. Vontress Jones

Time, Place and Preacher — Dr. Harvey Morrison, Rev. Henry T. Parrott, Mr. Carl Wells

Resolution Committee — Dr. D. L. Druien, Rev. Herbert Keeton, Mr. James Hunt

The following visitors were recognized: Rev. W. E. Miller, Rev. Ralph Benningfield, Rev. C. Ford Deusner.

14. Foreign Missions.

The report on Foreign Missions was given by Rev. Raymond Long and adopted.

REPORT ON FOREIGN MISSIONS

Appointments totaling 103 during 1961 and 26 from January to May, 1962, bring the number of foreign missionaries in active service to 1,563. The Board expects to have 2,000 missionaries by the close of Baptist Jubilee Advance in 1964.

Southern Baptists now have missionaries under appointment to 51 political entities. Southern Baptist foreign missions reached out to two additional countries in 1961, and four in early 1962.

Mission work is carried on through a varying number of institutions on each mission field — churches, schools, hospitals, publication plants, good will centers. But all are interactive and the goal of each is evangelization. National pastors number 2,534. Most of the churches have Sunday Schools, and many have other church-affiliated organizations. In 1961, the 3,627 churches and 6,815 chapels and mission points reported 419,744 enrolled in Sunday School, 34,364 baptisms, and 475,727 church members.

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,026 Baptist schools, which enrol 162,462 students are served by 5,687 national and 305 missionary teachers. Among the schools are 38 theological institutions with 1,191 students and 6 women's training schools with 370 students.

Total contributions of Southern Baptists for foreign missions amounted to \$17,935,615.82 during 1961. Funds from the 1961 Lottie Moon Christmas Offering totaled \$9,315,754.78. The advance section of the Cooperative Program was not reached in 1961. It is our strong hope and expectation that the 1962 Convention budget will be fully reached, and that the advance section will bring strong reinforcement for sustained work.

15. Home Missions.

The report on Home Missions was given by Dr. Harvey F. Morrison and adopted.

REPORT ON HOME MISSIONS

In making our report on Home Missions to this association we rely quite heavily on a release by the Education and Promotion Division of the Home Mission Board.

Recently, the Home Mission Board has had to meet a very serious challenge in helping in the relief and resettlement of the 100,000 Latin refugees in Miami — mostly from Cuba.

The Home Mission Board, also, like other agencies of our Convention is helping to undergird the 30,000 movement through encouraging churches to start missions for language groups.

Our Board continues its work in Cuba despite adverse conditions there. \$265,000.00 has been allotted for the work there.

The Loan Fund of the Board has reached \$9 million. This fund is used in areas where our denomination is weak and where local loans are hard to obtain.

The Board was unable to continue its "Big Cities" ministry due to a drop in Cooperative fund receipts. May we pray this will not be true long.

All informed Southern Baptists rejoice in the work of our Home Mission Board and pray for its continued service in our denomination and in the Kingdom of our Lord and Saviour Jesus Christ.

Respectfully submitted,
Harvey F. Morrison

16. District Missions.

The report on District Missions was given by Mr. Willard Wise and adopted. Mr. Wise spoke to the report.

REPORT ON DISTRICT MISSIONS

With seventeen churches and four missions in Taylor County, there is still a lot of mission work to be done, such as enlargement of Sunday Schools, Training Unions, Brotherhood, and W.M.U. New missions in the county all come under District Missions. Now with the Upper Green River Dam to be built, there is the task of moving some of our churches.

The Taylor County Association is sponsoring a mission in Ohio. The work began the first Sunday in July. Sunday School enrollment has reached 34, with an average attendance for July of 15+. They also have Training Union. Vacation Bible School was held with an enrollment of 69, average attendance was 41+.

If a church is to be a New Testament Church, it must seek to strengthen the weak, and to win others to Christ. The Bible tells us we are stewards of God, for the purpose of carrying on His work.

Minutes of Taylor County Association of Kentucky Baptists

The Bible also tells us that God has a plan; that His work can be carried on with ten percent of our time and income. Are you giving or robbing God?

A Christian should not be satisfied with giving less than ten percent, that the message of salvation may be carried to the utter most parts of the world.

Respectfully submitted,
Willard Wise

18. Christian Education.

The report on Christian Education was given by Rev. L. M. Hamilton. Rev. Hamilton spoke to the report.

REPORT ON CHRISTIAN EDUCATION

Southern Baptists operate 32 senior colleges and 19 junior colleges. At least two of the junior colleges are moving into senior college status. A new college, Kentucky Southern, will open in Louisville in September and will begin by enrolling students in the first two years of college. There are six seminaries, Carver School of Missions and Social Work, American Baptist Theological Seminary (operated jointly with National Baptists), seven academies, and five Bible schools.

Seven new colleges are in various stages of planning. These are in densely populated areas and will serve hundreds of Baptists students not now near an existing Baptist college. Though the Commission does

not initiate new colleges, it has been ready to assist the sponsors when ever asked.

Only two senior colleges and three junior colleges remain unaccredited by their regional accrediting agencies. One of the senior colleges expects to be fully approved this fall. All expect to be accredited by the Jubilee Year of 1964.

Enrollments of total students have reached a record high for 1961-62 of 77,143 students compared to 71,800 in 1960-61.

Graduates from the 71 schools from September, 1960 to August, 1961 totaled 10,415 compared to 10,336 the preceding year.

State conventions and the Southern Baptist Convention increased gifts to the schools from \$14,880,879 to \$15,677,189. In addition the schools received \$12,169,480 in grants, gifts, and donations. The total assets of Southern Baptist educational institutions are \$358,795,815, \$90,638,263 of which is for endowment.

Baptists believe in "Education for time and for eternity."

19. Campbellsville College.

The report on Campbellsville College was given by Dr. J. M. Carter, President of Campbellsville College. Dr. Carter spoke to the report.

REPORT ON CAMPBELLSVILLE COLLEGE

The past year has been one of the best years in the work of Campbellsville College. Counting summer school which closed August 10, we have had one of the largest enrollments in the schools history with approximately 900 individuals as students in one of the three sessions. Of these students 178 were from Taylor County. A total of 62 counties in Kentucky were represented in the student body along with 13 states of the Union and 4 foreign countries. Bachelor of Science and Bachelor of Arts degrees were conferred on 154 graduates at Commencement, the largest number in the colleges' three years as a senior college. A record enrollment is expected this fall.

Our new library building was dedicated last October 24 with Governor Bert Combs, one of our trustees, delivering the principal address. This building is designed for the use of 1200 students. A new science building is to get under construction around December 1 of this year. Three additional faculty members holding their doctoral degrees have been added to the faculty, raising the total number of doctrates to ten. Mr. J. K. Powell, formerly Director of Teacher Education of the College and who was given a leave of absence to Oakland City College, Oakland City, Indiana, was re-instated as the Executive Vice-President and has been doing a very constructive job. Dr. Larue Cocanougher has recently been appointed as Academic Dean. The college is now offering a number of majors for the liberal arts degree including a B.S. in Commerce and also in the natural sciences. We continue our curriculum emphasis for elementary and secondary education and for Bible and Religious education. There were 48 students enrolled who were majoring in Bible and Religious Education and approximately 175 who have answered the call of Christian Vocational Service.

The Student Industry Program has enjoyed its most profitable year with more orders for its manufactured products than it is able to supply. More than 100 students are working part or the whole of their college expenses in the Industry.

The Five Year Development Fund of the college which began in May of 1958 is to be completed in May, 1963. There is around \$100,000.00 yet to be paid by churches and individuals on their pledges. The college is depending on this program for the erection of the new science building which is a necessary step in our program of accreditation. We are asking that a special effort be made for payment on pledges so that by December 1st a sizeable sum can be on hand to start this construction.

Kentucky Baptists are planning a Capital Funds Campaign which will probably call for at least \$12,000,000.00 in three or four years to expand all our schools and colleges. Every Baptist and every church will want to participate in this campaign in 1963. The authorization of the campaign now awaits the action of the State Convention in Owensboro, November 14.

Respectfully submitted,
John M. Carter

Minutes of Taylor County Association of Kentucky Baptists

Kentucky hospitals need greater support for the Mother's Day offering in May for the Sunday School Charity Fund. Last year the offering was \$34,089.46 and \$56,500.45 was spent from the fund during the same period. The Kentucky Baptist Convention contributes up to \$144,000 a year which can only be used to retire the debt, not on cases.

The Southern Baptist Hospitals draw patients from all over the world to these seaport stations. They had 53,370 out-patients last year. Their training program for doctors, nurses, technicians, etc. last year was \$502,670.48. This program is carried as an operating expense of the hospitals.

Statement of Purpose of the Hospitals: A Baptist Hospital functions as an Instrument of God's Grace, in enriching and prolonging human life within the scope of Divine Providence. Their influence goes far beyond providing organized care for the acutely ill. Their activities give testimony to the sensitivity of Baptists to human need. They underscore the conviction that the human body is more than a machine, but is a soul and mind also. They keep in focus the three-fold nature of man, thus obeying the "Great Commission" as it applies to the world of pain, suffering and death.

21. Children's Homes.

The report of Children's Homes was given by Dr. D. L. Druien, and adopted.

REPORT ON CHILDREN'S HOMES

The Kentucky Board of Child Care is happy to report that the outlook for our Child Care Program is promising. Last year we cared for 631 children. The number will be greater this year.

We have three homes which are averaging more than 500 under constant care. Kentucky Baptists feel that our Child Care Program is of the utmost importance and the Lord has richly blessed us in this important work.

Offices for the Board of Child Care are located in Middletown, Kentucky. There in the Central Office all the bookkeeping and purchasing operations as well as mailing of publications, such as Children's Messenger. This paper, The Children' Messenger, will be sent free to any Kentucky Baptist family.

We all rejoice that the 1961 Thanksgiving Offering was a most successful one. We continue to add new churches to the list of the offering each year.

We emphasize the importance of the Thanksgiving Offering which provides more than half of the operating expense of our child care ministry.

Many of our people are remembering our child care ministry in their wills. We encourage our people who can and desire to do so to remember this method of support. You can get detailed information about this from our General Superintendent, Rev. Sam. Ed Bradley.

You are invited to visit our Homes and see how this Program of Child Care is being carried out. You will always find a warm welcome and appreciate our work as never before.

Rev. Sam Ed Bradley is General Superintendent of our three Homes. Rev. Ford Deusner is Superintendent of Glen Dale; Rev. J. D. Herndon, Superintendent of Spring Meadows; and Mrs. Virginia Fields is Superintendent of Pine Crest. Spring Meadows was founded in 1869; Glen Dale in 1915; Pine Crest in 1957.

22. Annuity Board.

The report of the Annuity Board was given by Dr. J. Chester Badgett and adopted. Dr. Badgett and Dr. Druien spoke to the report.

REPORT OF THE ANNUITY BOARD

The work of the Annuity Board is to devise and operate plans whereby churches, pastors, and their widows may have protection in their old age and in case of disability. The Board still spends a small amount in relief for those pastors and their families who were not able to get into the plan during their active ministry. This is a protection to the churches as well as for the pastors and their widows. An increasing number of churches are bearing the entire cost of this program as a further consideration for their pastors and for their own protection.

A total of \$2,879,816.21 was paid in benefits by the Annuity Board during 1961. Total membership in all plans of the Board on January 1, 1962. In 1961, 1,808 new members were enrolled.

A very important decision was made by the Board in its April meeting to waive the penalty for delayed participation in the Protection Plan for those who join before January 1, 1963.

In Kentucky during 1961, a total of \$108,910.84 was paid to 156 Kentucky annuitants. Last year 101 new members enrolled in the Protection Plan. At the end of the year, 824 churches and 920 members were actively participating in the retirement program. Nearly all churches in the Taylor County Association are participating. The Acton Mission and pastor entered the plan in the 1961-62 associational year. This brings the total participants to 12.

23. Report on Temperance and Morals.

The report on Temperance and Morals was given by Rev. Henry T. Parrott and adopted. Rev. Walter C. House spoke to the report.

REPORT ON TEMPERANCE AND MORALS

Rev. Walter C. House, Temperance League Executive Director introduced several temperance bills but only one was reported out of the committee. A bill to outlaw alcoholic billboard advertising in dry territory, was passed by the house during the last days of the legislature, but was killed by the committee in the senate. This bill had the Governor's backing.

A few days after the legislature adjourned, Governor Bert Combs called Rev. House to Frankfort, and informed him he had vetoed Senate Bill No. 327. This is a bill which would have permitted minors,

down to age 12 to work in places that sell alcoholic beverages by the drink. We are indebted to Governor Combs for his courage in vetoing this Bill.

On this same occasion the Governor signed an obscene literature Bill that had the strong support of the Temperance League.

All Bills designed to give public funds to parochial schools were killed in committee meetings during the last session of the Legislature.

A Bill to legalize Bingo was introduced in the house, and was reported out of the committee but the House defeated the measures mainly due to the lobbying of the Temperance League.

We are urged by our Executive Director, Rev. Walter C. House to take a more active part in Christian Citizenship and especially in the selection of members of the Legislature in next years primary and general election.

Respectfully submitted,
Henry T. Parrott

Scripture verse: "And daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ." Acts 5:42

First of all, I think it would be well if we defined the program of the Sunday School Department of the Kentucky Baptist Convention. It is designed to work in close cooperation with the churches and the Sunday School Department of the Sunday School Board in discovering, de-

veloping, and promoting principles and methods for the establishment, and improvement of the Sunday Schools and Vacation Bible Schools.

The State Sunday School Secretary, Roy E. Boatwright, reports a total of 2,200 Sunday Schools with an enrolment approximating 428,000. The following figures represent seven months of the Sunday School year, October 1961 - April 1962:

62 Standard Schools

279 Total Standard Units

Little Union, Nelson Association --- Advanced Standard Sunday School

A Central Training School and a Group School was conducted by the Association.

We respectfully make the following recommendations:

1. That the Sunday School leadership of each church be urged to:

- (1) Determine to gain a minimum of 10% in enrolment and 15% in attendance.
- (2) Promote weekly visitation.
- (3) Provide an adequate training program.
- (4) Encourage all workers to participate in the regular Associational Sunday School Meetings.
- (5) That every church send the Sunday School Superintendent or some other Sunday School leader to a Sunday School Conference.

2. That the Associational Sunday School leadership be urged to:

- (1) Provide training for officers.
- (2) Plan a Pastor-led Enlargement Campaign.
- (3) Provide regular meetings for training and inspiration to the Sunday School workers in the churches.

27. Brotherhood.

The Brotherhood report was given by Mr. Floyd Short and adopted.

REPORT ON BROTHERHOOD

The observance of Layman's Day in October was again the beginning of the associational year of the Brotherhood. This was observed in most of the churches that have a Brotherhood.

Minutes of Taylor County Association of Kentucky Baptists

There were four Associational Brotherhood Meetings during the year; one each quarter. The first meeting was in November at Campbellsville Baptist Church. The Royal Ambassador Father and Son Banquet was held and all attending were privileged to enjoy a very interesting program by Bro. Neville Claxon, Foreign Missionary to Nigeria, Africa. The attendance was 121. The second meeting was held in February at Salem Baptist Church. Mr. Paul Ford presented a wonderful program on "Christian Witnessing." Attendance for this meeting was 40. The third meeting was held at Mt. Gilboa in April. Emphasis of this meeting was "Stewardship." The program was presented by Mr. Teddy Winn, who spoke and showed a film entitled "Together We Build." Attendance for this meeting was 44. The fourth meeting was in July at Pleasant Hill Baptist Church. Theme for this meeting was "World Missions," and an interesting program was given by Mr. D. W. Crawley, Jr. This program included the film "That They May Hear." Family Night was observed and there were 104 in attendance.

The Brotherhood is supporting "The Stewardship Cultivation Program" for our association.

Our Taylor County Associational Brotherhood is made up of seven Brotherhoods with seven Royal Ambassador Chapters.

This year we had one associational-wide meeting with the Royal Ambassador boys.

The themes for other quarterly meetings were Personal Stewardship, Christian Witnessing, and World Missions.

Respectfully submitted,
Floyd M. Short

28. Associational Music Work.

The Music report was given by Rev. Joe Hargrove and adopted.

REPORT ON MUSIC

The purpose of our Associational Music Ministry is to help the churches to develop through music. Our Associational Music Ministry is the means by which our churches help one another.

During the past year, a total of 11,641 people representing 795 churches, have attended 90 Hymn Sings in Kentucky Baptist Association. Our Association had three Hymn Sings which was attended by 232 people, and who represented 24 churches.

This year we had an Associational Choir of 48 voices who sang at the Evangelistic Rally for our spring Revivals. Bro. L. M. Hamilton and Mrs. Ruth Bryant accompanied the choir on the organ and the piano, respectfully.

I would like to extend my personal thanks and appreciation to Bro. L. M. Hamilton, who has aided in so many ways by his fine attitude and help by being present to help in the music program in this past year.

The music program of the Taylor County Association will greatly help each of us if we will take advantage of the help that is available and use it for the glory of the Lord.

Respectfully submitted,
Joe B. Hargrove

29. Training Union.

In the absence of Mr. Homer Kirtley, the Training Union Report was read by Dr. J. Chester Badgett and approved. Dr. Badgett spoke to the report.

REPORT ON TRAINING UNION

The theme for 1962 was "Lengthen and Strengthen." This challenge has been before us throughout the year. During the year, we were made aware of the need of a Training Union in every Baptist Church. All of the churches in our association have a Training Union with the exception of one. The Associational Training Union officers offer their services to help each of these churches provide a training program for their members.

Attention was given to the Junior Memory Work and Bible Drill, the Intermediate Sword Drill, and to the Young People's Speakers' Tournament. Three churches were represented in the associational drill and events, with two Juniors, two Intermediates, and four Young People participating. The following represented the association at the regional meeting at Columbia:

Junior Memory Work and Bible Drill: Freddie Money from the Friendship Baptist Church.

Intermediate Sword Drill: Pamela Edrington from the Campbellsville Baptist Church.

Young People's Speakers' Tournament (College Division): Ann Coakley from the Pleasant Hill Baptist Church.

Young People's Speakers' Tournament (High School Division): Ann Mallard from the Campbellsville Baptist Church.

"M" Night for 1961 was held at the Campbellsville Baptist Church with an attendance of 878.

Fifty-one young people and sponsors from the association attended Ridgcrest during Training Union Week in July.

Several of our churches held their annual Youth Week this year, at which time the youth of the church were in charge of the various activities and services.

This personal word has been received from our State Training Union Department. They are praying that God will bless our associational Training Union work, and that we will be able to work together in an even greater way in the training of His disciples for service in His Kingdom.

Respectfully submitted,
Homer R. Kirtley, Director

At this time Dr. J. Herbert Gilmore, Jr., Chairman Board of Managers of Western Recorder, spoke regarding the Western Recorder.

30. W. M. U. Report.

In the absence of Mrs. Roy G. Wilson, the W. M. U. report was read by the Clerk and adopted.

REPORT ON WOMAN'S MISSIONARY UNION

We have had a good year. Our reports show it. We have had growth and numerical gain in almost every area of our work. With the organiza-

tion of the Robinson Creek, W. M. S., we now have nine of the sixteen churches with organizations. Also, we had an increase of 30 new members, an increase in number of tithers, in members giving through the Cooperative Program, in five day observance of the Weeks of Prayer, and in gifts for the Special Offerings. Our Lottie Moon Christmas Offering reached an all time high of \$2881.73 which was a 20% increase over the previous year. Our Annie Armstrong Offering was \$1100.00 which represented a 14% increase. Our State Missions Offering is to be taken in September.

The youth of our churches are doing splendid work. We now have five Y. W. A. organizations, twelve Girls' Auxiliary organizations, two Primary Sunbeams, two Beginner Sunbeams, and three Ungraded Sunbeam organizations. We urge all churches without organizations for their youth to make a special effort to organize immediately.

Woman's Missionary Union, of the Southern Baptist Convention, gave Kentucky special recognition as we ranked third in the convention in missionary reading.

We are grateful for His blessings upon our work this past year. Our sincere purpose has been that "His way may be known upon earth, His saving health among all nations" as has been our watchword for this year.

Respectfully submitted,
Mrs. Roy G. Wilson

31. Baptist Student Union.

The report on the Baptist Student Union was given by Mr. Terry Grainger and adopted.

REPORT ON BAPTIST STUDENT UNION

In the B.S.U. this summer we have tried to seek every opportunity possible to witness to lost students, to help new students get settled in school and whenever possible to help them discovering God's will for their lives. The purpose of the B.S.U. as we see it is the same as God's purpose for Christians everywhere, that is to introduce people to Jesus through our words, deeds and actions. The B.S.U. is an organization of college students all over America banded together to more effectively accomplish this purpose.

Our most immediate field is the students on our campus. We try to win them to Jesus through our Vesper Services held in Chapel each evening at six o'clock. These services usually consist of singing, praying, and short testimonials. We have a social at least once a month in which we play games and have refreshments. Many students who were skeptical of the B.S.U. at first have made such statements as "I didn't think Christians had so much fun." Of course the most effective way of winning people to Christ is by living a Christian example before them. We encourage students to select prayer mates with whom they can meet at scheduled times and discuss their problems and pray together. We encourage students to move their membership to the local church of their choice.

Each year the B.S.U. students raise as much money as possible to sponsor youth missionary teams to different states and to other countries. This summer we raised a little over \$200.00 toward a \$550.00 goal for the

entire year by doing odd jobs for people in town. It is our prayer that God will bless our efforts and that many people might be won to Christ.

Respectfully submitted,
Terry Grainger

32. Cooperative Program.

The report on the Cooperative Program was given by Mr. William Blevins and adopted.

REPORT ON COOPERATIVE PROGRAM

From the time the first man and woman were created on the earth, it was not until 1830 that the world population reached the one billion mark. But notice how world population has grown since: 1830 — 1 billion; 1930 — 2 billion; 1965 — 3 billion; 1980 — 4 billion; 1990 — 5 billion; 2000 — 6 billion.

This represents millions of new mouths to be fed each year, millions of new homes, thousands of schools and churches, etc. But our growing population needs the Gospel of Christ, too. Man shall not live by bread alone. This means every church must do its best to win, baptize and teach those in its community. What no one church can do by itself, we are able to do by pooling our resources.

Our state Cooperative Program budget for World Missions Year in 1962-63 has been raised to nearly \$2,700,000.00. In 1962-63 an additional one-half percent will be used for Convention mission work. Thus, 64½% will be used in Kentucky, and 35½% worldwide.

Also planned for next year is the launching of a special campaign of at least \$10 million to be used as the capital gifts phase of the Cooperative Program. Every church will want to take part in this, as information is made available later.

In view of World Missions Year in 1963, your committee recommends:

- (1) That each church in our association give a percent of its total income through the Cooperative Program.
- (2) That each church increase this percent by at least two points a year.
- (3) That our association favor and support the coming Capital Gifts Campaign.

Respectfully submitted,
W. T. Blevins

33. Stewardship.

The Stewardship Report was given by Mr. William Blevins and adopted.

REPORT ON STEWARDSHIP

Many years ago Paul wrote to the Christians in Rome, "So then every one of us shall give account of himself to God." (Romans 14:12)

All of us are accountable to God for our total lives. This is the meaning of stewardship, for stewardship is accountability to help every member of our churches to be a good steward of all that comes into our possession, including our lives, our abilities, our money, and our influence.

Minutes of Taylor County Association of Kentucky Baptists

To aid churches in teaching stewardship of material possessions, the Forward Program continues to be our best tool available. Early in 1963 the Stewardship Commission will also publish a small church stewardship program, which will be an adoption of the Forward Program.

It is hoped that each association in its annual meeting will elect a Stewardship Chairman. Some associations have been doing so regularly. The Stewardship Promotion Department of the Kentucky Baptist Convention will work closely with these men in 1962-63.

Your committee recommends:

- (1) That every church teach the total stewardship of life.
- (2) That every church use the Forward Program to plan, promote and pledge its annual budget.
- (3) That the smaller churches study and use the Small Church Program when it is available early in 1963.
- (4) That our association study the Stewardship Cultivation Program for use this year, and that we study the new program to be published by the Stewardship Commission.

Respectfully submitted,
W. T. Blevins

34. Kentucky Baptist Foundation.

The report on Kentucky Baptist Foundation was given by Rev. Herbert Keeton and adopted.

REPORT OF KENTUCKY BAPTIST FOUNDATION

The Basic objectives of the Foundation are:

- (a) To receive financial funds and property trust.
- (b) To create among our churches a climate of total stewardship.
- (c) To provide a channel through which, by gifts or bequests our Baptist people can supply future needs as well as present support of Kingdom causes.
- (d) To present the opportunity for tangible immortality and eternal reward.

The total book value of endowment and trust funds in the books of all Kentucky Baptist Institutions and Agencies, as of January 1, 1962 was \$3,972,890.63, of this amount \$1,698,236.59 was with the Kentucky Baptist Foundation for administration for the benefit of our Baptist causes.

The Foundation earned and distributed during 1961, \$72,311.03.

From 1945 to the present, the Foundation has received on its investments over \$600,000.00.

Funds placed with the Foundation either by gift or bequest, will always be held as a sacred trust. No portion of the principal will ever be spent. Only the income from investment of the principal will go to the cause designated by the donor.

Dr. Robert Hastings says currently in his book, *My God and Money*, "To earn honestly, view sacredly, give liberally and spend wisely is not enough. The final test of the worthy steward is the disposition of his money at his death, this is his last opportunity to show sincerity of his Christian profession."

35. Radio and Television.

The report on Radio and Television was given by Rev. Louis Lightfoot and adopted.

REPORT ON RADIO AND TELEVISION

Five years ago the Radio and Television Commission had a single radio program on 400 stations, preaching to an estimated weekly audience of four million. Today the Commission produces and distributes 10 weekly radio programs and "The Answer" series for television. These broadcasts can be heard over 1300 stations in 48 states and 25 foreign countries by an estimated 50 million people!

Its only a matter of time before a global video system will bring to every human being a sense of world citizenship. While waiting for this event, the Commission works with the three great networks of our nation — the National Broadcasting Co., Columbia Broadcasting System, and American Broadcasting Co.

They offer the Southern Baptist Convention its best opportunity at the lowest cost for reaching the vast listening and viewing audience of our own nation.

Each year since the Commissions first invitation to provide a network program has increased time offered our denomination. The American Broadcasting Company's religious TV weekly, "Directions '62" has featured two Southern Baptist productions in the past 12 months. Average annual production cost was \$4,000, while the value of the free time came to \$90,000. The total audience was estimated at eight million.

In the same period, CBS gave time for two television programs and three 30-minute worship services. For \$6,000 production costs, \$155,000 worth of free time and a 12 million audience was obtained.

The instruments of mass communications can achieve what was an impossibility in the Apostle Paul's day. We must take hold of this opportunity if we sincerely believe that Jesus and His message are vital to the lives of the millions of desperate, hopeless people of our world.

Respectfully submitted,
Louis Lightfoot

The report on the American Bible Society was given by Dr. Clarence Chestnutt and adopted.

REPORT ON AMERICAN BIBLE SOCIETY

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program of advance.

Minutes of Taylor County Association of Kentucky Baptists

If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

In most countries, people cannot afford even the cost of printing the Scriptures.

The American Bible Society is an active partner of Southern Baptist serving missions at home and abroad, translating, publishing and distributing the Bible without profit.

During 1961 the American Bible Society—

—published some part of the Bible in 1181 languages; full Bible in 226; Testament in 281 more; Gospel or complete book in 674 more.

—distributed over 24,000,000 Scripture volumes in over 100 countries, on 6 continents.

—made Finger-Fono Bible records available in 40 languages.

—supplied Scriptures in Braille and on Talking Book records.

—gave a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veteran's Hospitals.

Southern Baptist missionaries depend on the Society for Scriptures in the languages of the people they serve.

In 1961 Southern Baptist churches gave \$164,342 to the American Bible Society. Methodist were second with \$163,593. All churches in the U.S.A. gave \$1,065,649 which is 23% of the Society's total income.

Respectfully submitted,
Dr. Clarence Chesnutt
