In the absence of Rev. Herbert Keeton the devotion and prayer was by Rev. Raymond Long. Scripture 2nd Cor. 13 chapter verses 1-10.

12 Christian Education:

The report on Christian Education was given by Rev. L. M. Hamilton. Rev. Hamilton spoke to the report.

REPORT ON CHRISTIAN EDUCATION

Christian Education, as a program sponsored by the Kentucky Baptist Convention as an important and vital part of the Convention's total cooperative ministry, stands more unified and yet more anxious as to its future than it has been in many years. The Convention has approved a capital funds program which is now known as the Christian Education Advance Campaign.

Through God's grace we Baptists are now the largest non-Catholic religious denomination in America. The dubious distinction of being the "largest" is hardly a reason to be self-satisfied, proud or to be inclined to rest on our laurels. Most of us have long ago learned that numbers alone are not indicative of quality. Nevertheless, it is quite easy to see that well-trained Christians in our full time committed leadership roles, and also in our lay membership, are even more important to our effective ministry now than ever before in our history.

Ignorance and blind prejudice will succumb only to enlightened and dedicated ministers, teachers and witnesses. We Baptists have never in the past depended on the state to train our leaders in areas of denominational thought and practice. We have long fought for freedom of religious thought. Such freedom

is always accompanied by the full responsibility for sustaining the personnel and physical facilities essential to the program.

Kentucky Baptist are presently cooperatively sponsoring five colleges. Also included are Clear Creek Baptist School, Pineville and Oneida Baptist Institute at Oneida.

In a world where hungry masses struggle not only for bread but for freedom so closely associated with the teachings of Christ; in a world where the training of our youth in the Word and Ways of God, we must build, re-build and re-vitalize our halls of Christian learning. Working cooperatively together with the help of many individuals of our day, we can meet Christian Education's current challenge to Kentucky Baptists.

Our own Campbellsville College continues to show rapid growth. An enrollment of approximately 800 is expected this fall term. New faculty members have been employed and two new buildings erected. Speaking personally, I feel that one of my life's greatest investments is in teaching the young men and women who come into my classroom in Campbellsville College.

Respectfully submitted,

L. M. Hamilton

13 Campbellsville College:

Dr. J. M. Carter, President of Campbellsville, gave a very fine report on Campbellsville College.

Motion by Dr. J. M. Carter that a committee of laymen be appointed to contact churches to continue payment to Campbellsville College Development Fund.

Motion by Dr. J. Chester Badgett the Brotherhood take contacting of the churches as their special project. Appoint committee of 3 laymen and 2 pastors advisers. They be asked to report to the Executive Board.

14 Hospitals:

The report on Hospitals was given by Rev. Raymond Long in the absence of Dr. Mallard.

REPORT CONCERNING HOSPITALS

Scripture: Matt. 25:27-35.

It was the privilege of this writer, last year, to give a report concerning the hospital work in Kentucky. More than a month was spent in the hospital in Louisville and a visit was made to the one in Lexington where, through conference with the administration and personnel, much first hand information was collected concerning the great work and great needs of these wonderful institutions.

This year a personal visit was made to the hospital in Paducah, Ky. Some time was spent in going through the buildings and several slide pictures were made of significant aspects. Through conferences with various personnel, especially with the hospital Chaplain, it is believed that the concepts of service and need were fairly presented and that Kentucky Baptists should know everything possible about what is being done and what should be done to increase this great healing ministry of the Denomination.

Since this report is limited, only some bare statistics can be included here. Through the combined facilities of Baptist Hospital in Kentucky there were:

34,644 patients admitted — 5,329 were babies
14,711 operations were performed
66,596 x-ray examinations made by 800 doctors and
1,424 hospital employees.
Average cost per patient was \$34.00 per day.

Though these are bare statistics, they are about people, many of whom are less fortunate than most of us. Charged off to bad debts was \$331,341.09 and an additional \$46,370.66 was charged to the Sunday School Charity fund. Many had to be turned away. There is great need for expansion of all the facilities. It is heartbreaking that such great curtailment must be placed on charity work. Last year North Carolina gave more than \$245,000, while Kentucky Baptists gave less than \$40,000. It isn't that Kentucky needs are less or that Kentucky Baptists are less able, they just need to know.

Sincerely and reverently submitted,

Dr. J. Willful Mallard

15 Children's Homes:

The report on Children's Homes given by Bro. Darrell Hunt and approved.

REPORT ON CHILDREN'S HOMES

During the past year there have occurred several significant changes which affect the administration of our Kentucky Baptist program of child care. After a service tenure of more than 15 years, first as Superintendent of Spring Meadows, later as General Superintendent, Sam Ed Bradley resigned in January of this year on account of the condition of his health. To succeed him, the Board elected C. Ford Deusner, who for 15 years had been Superintendent of Glen Dale. In April, Ralph T. McConnell was named to head this institution. He comes to his new position from the pastorate of the Parkland Baptist Church, Louisville, and with several years experience as a member of this Board. In the same April meeting, the Board also voted to purchase a business property located in Middletown, at 227 Evergreen Road, to be used as a central office and service center for our entire program. It will be known as "The Baptist Child Care Center."

Our three Homes, Glen Dale, located at Glendale, Spring Meadows, located at Middletown, and Pine Crest, located at Morehead, continue to render maximum service to homeless and dependent children, unwed mothers, and the families of these, within the limits prescribed by their facilities and staff personnel, and the budget set by the Board. Last year a total of 689 children received care through the institutions and 57 of them made professions of faith in Christ and were baptized. Social care work services are provided at Spring Meadows and Glen Dale. Last year 14 adoptions were completed and at the present time approximately 100 of our children are living in approved foster homes.

Our income is chiefly from the Cooperative Program and the Thanksgiving Offering. The latter reached a total last year of \$234,500.00, which was \$1,500.00 more than that of the previous year. The remainder of our total budget must be made up by legacies received from wills, memorials, and other special gifts.

Our homes invite inspection and constructive criticism. Their ministries are at your disposal. We have a sincere desire to please Kentucky Baptists, and beyond and above them the Lord Christ, in whose name we are seeking to serve.

Respectfully submitted,

Darrell Hunt

At this time Dr. J. Chester Badgett made motion the Moderator send telegram of sympathy to the family of Bro. Sam Ed Bradley.

16 Annuity Board:

The report on the Annuity Board was given by Dr. D. L. Druien and adopted. Dr. Druien spoke to the report.

REPORT OF THE ANNUITY BOARD

The Southern Baptist Protection Plan has become the official Plan of the Annuity Board of the Southern Baptist Convention. It is the approved plan now for all who are eligible to enter. It is a much better plan than the Security Plan which has been in operation for several years.

This plan is designed to protect both the church and the pastor against the hazards of old age, disability and death by providing regular monthly income in these situations. The protection plan provides special death benefits in case the member dies prior to age forty (40). If the member dies of natural causes the benefit will equal one years salary. It will be doubled if death is caused by accidental means. There is no additional cost for this special benefit provided in the Protection Plan. We urge every church to participate in this plan by assuming 10% of the salary basis. The State Convention will match with an additional 5%.

Last year benefits paid amounted to more than \$3 Million Dollars paid to more than 4500 ministers and denominational workers or their families. A total of \$115,357.12 was paid to 160 Kentucky annuitants during 1962. Added during the year was 7 Annuitants, three dis-ability annuitants and 6 widow annuitants.

A total of \$12,429.79 was paid to 48 Kentucky relief beneficiaries during 1962.

Only one half of our churches in the Southern Baptist Convention are in the Retirement Plan. Total membership is approximately 25,000.

We are happy to report that 90% of our churches in our Association are participating in the Annuity Plan. We hope that all will become members in the very near future.

Respectfully submitted,

Dr. D. L. Druien

17 Religious Literature:

In the absence of Rev. Carl Dugger, the report on Religious Literature was read by the Clerk.

REPORT ON RELIGIOUS LITERATURE

Recently much has been said about our people being a well educated and informed people. Such men and women are being sought for plans of great importance in all walks of life.

It is an evident fact that all of us do not and will not have opportunity to gain this higher form of education. Yet we as Baptist have for our use all the materials needed to be a well informed people, especially in our religious and denominational work.

Of first and greatest importance is the Bible. I'm sure that every Baptist home in America has in it a Bible, yet many of these Bibles are "dust catchers" and "ornamental pieces," rather than guidebooks for life. Let us study the Bible to be "workmen that needeth not to be ashamed."

Our state paper, THE WESTERN RECORDER, performs a very vital ministry to Baptist in Kentucky by keeping them informed on work within the state and Southern Baptist Convention. At present only one out of every three Baptist read the WESTERN RECORDER each week. The publishers hope, in the future, to have this paper in the home of every Baptist in our state.

Our Sunday School, B.T.U., W.M.U., Brotherhood, and other Baptist organizations publish and send out valuable material for every person to use in their personal and church life.

Our Baptist Book Stores provide a vast array of rich and rewarding helps and materials, whose value can not be counted in dollars and cents. May we prayerfully "Give attendance to reading." (I Timothy 4:13).

Respectfully submitted,
Carl Dugger

18 Report on Temperance and Morals:

In the absence of Bro. Lynn Gabehart, the report was given by Bro. Homer Kirtley.

REPORT ON TEMPERANCE AND MORALS

Ever since 1949 when the liquor interests ammended and impaired our local option laws in the Legislature, they have made repeated attempts to control the Legislature and to do away with Local Option. Unless christian citizens become deeply concerned about the stand of the Gubernatorial and Legislative candidates, we could lose our Local Option laws in the next Legislature.

The redistricting bill which has passed in a special session of the legislature, this year has made it possible for more wet areas and heavily populated areas to enlist additional representatives. Many of the dry areas lost representation as 2 or 3 Counties had to be combined in single representative areas due to loss in population. Every pastor, every Christian voter should contact the Legislative candidates to seek their commitments to strengthen local option laws, and general alcoholic beverage control laws. An uncommitted candidate generally votes wet.

The same concern should be given to such matters as the use of public funds for porochial schools, for legalizing Bingo, and other moral issues.

Some Legislators have already made their brags that they will sponsor and be able to pass such legislation when the Legislature meets in January. Christian voters should follow through in their contacts with the new Governor and members of the house and senate and let them know that they are following the day by day activities with their prayers and interest.

In Taylor County there are two men who hold Federal Permits to sell liquor, they are beyond the control of Federal Officers and Local Officers with the support of Christian people can close them.

Lynn Gabehart

19 State Missions:

In the absence of Rev. Earl Pike the report on State Mission was read by Rev. Phillip Basinger and adopted.

STATE MISSIONS REPORT

The ministry of the Direct Missions Department is performed just where the people are. It is an attempt to aid Kentucky Baptist to do a more effective work in their mission field at home. Many people dedicate their lives in service to this Department.

The Direct Missions Department works with the Home Missions Board in the special projects they set out to do. These projects include Good Will Centers and help juveniles and the Health and Welfare Department.

The Direct Missions Department is active in sixty-nine of our Kentucky Associations. During this past year, some 1,846 persons made some definite decision for Christ through a particular service offered by the Missions Department.

The Direct Missions Department strives to keep Kentucky Baptist more faithful in their acceptance of world-wide missions, using the Cooperative Program as the chief means outside their own local community.

Southern Baptist are now within eighteen months of the end of the 30,000 Movement as adopted in 1956. The goal of the Movement was to establish 10,000 new churches and 20,000 new missions by the end of 1964.

Available reports of Kentucky indicate that we rank ninth among the state of the Convention in total number of new churches and missions.

Kentucky has made progress in this movement but there still remains hundreds of places in our state where the ministry of Baptist people is needed. By notification to a State Baptist Worker, assistance in the ministry may be obtained.

Respectfully submitted,
Earl Pike

20 Kentucky Baptist Foundation:

The report on Kentucky Baptist Foundation was read by Rev. Richard Phipps.

REPORT ON KENTUCKY BAPTIST FOUNDATION

It is not without significance that the middle verse of the Bible is Psalm 118:8 "It is better to trust in the Lord than to put confidence in man." In these trying days one must realize that a good citizen will be more concerned with this country's spiritual condition than with prosperity. This must be considered as we come to this seventeenth annual report, for unless Kentucky Baptist Foundation be of God, it has no assured future, nor does it deserve any.

It is pleasing to say to you that at the time this report was prepared, June 1, 1963, the Foundation had a trust fund corpus of \$2,457,251.00. During the year \$179,087.27 was received in new assets. Included in this total was one gift of \$100,000.00. Also the will of Brother Roy Williams, who lived at Versailles, Ky., was probated on April 30, 1963 in the Woodford County Court. It revealed that his entire estate, valued at \$600,000.00, with the exception of several small individual bequests, was left to the Kentucky Baptist Children's Home.

The Income will be approximately \$25,000.00 annually. The assets of this estate are not included in the report since it is just now in the process of liquidation.

The income on the securities now being administered by the foundation will be in excess of \$80,000.00 for the present convention year. This will be distributed among those institutions and agencies designated by the donor of the principal. Next year the income will exceed \$1000,000.00.

Let us join with the Apostle and "In everything give thanks." May we remember each day what the Lord hath done.

Respectfully submitted,
Thomas L. Keiningham

21 District Missions:

The report on District Missions was given by Bro. Willard Wise and adopted.

Rev. Paul Payne, Supt. Missions in Ogio, spoke to the report.

REPORT ON DISTRICT MISSIONS

District Missions include old and new work, such as building up and enlarging old work and organizing new work.

The association has completed a County Wide Census, that will be very helpful to the churches in the County that have to re-locate, also revealing the need for work to be done by other Baptist Churches in the County. New churches and missions come under District Missions, such as the Mission the association co-sponsored in Ohio, that grew to a membership of 46 in one year. We think this is what God expects when he tells us to be good stewards and invest his money where it will bring the greatest returns.

More worker and more money are needed that more people may be reached for Christ.

God loves a cheerful giver, it is our duty to tithe, won't you tithe and give to help save a unsaved world? Jesus paid a tithe and Jesus gave that a world might be saved, we are to carry on his work.

Respectfully submitted.
Willard Wise

22 Home Missions:

The report on Home Missions was given by Bro. Everett Lee and adopted.

REPORT ON HOME MISSIONS

Southern Baptist Home Mission Highlights for 1962

Southern Baptist mission forces reported that 5,000 churches and missions were started in 1962.

The Home Mission Board gave \$5,000.00 to help restore flood damaged churches in Kentucky, Virginia and West Virginia in 1962. Also helped resettle 850 Cubans in the Florida area, and provide Spanish and Latin American classes for the refugees.

Seven hundred thirty eight Southern Baptist Ministers serve as Chaplains in the military, in hospitals, in industry and other institutions.

More than 2,100 missionaries now serve with the Home Mission Board, most of them serving in 26 of our States. There were also 595 summer workers who served with the Home Mission Board in 1962. Their combined efforts resulted in 48,700 professions of faith.

In 1962 the Home Mission Board loaned to 385 churches \$4,080,667.00 to purchase sites, build buildings and expand mission program.

Four hundred fourteen Home Missionaries were appointed in 1962. There is an ever increasing number being appointed, but many more are needed, especially among the language groups. The need is so urgent that the Home Mission Board is sending appointees to language schools.

The Home Mission Board is doing a wonderful job with the City Missions in our large cities, also helping to rehabilitate some of the juvenile delinquents.

The Southern Baptist Home Mission Board can promote the gospel only as fast as we provide prayer, manpower and the means.

Respectfully submitted,
Everett Lee

23 Foreign Missions:

The report on Foreign Missions was given by Bro. Vernon Newton and adopted.

FOREIGN MISSIONS REPORT

Appointments totaling 129 during 1962 and 47 from January to May, 1963, bring the number of foreign missionaries in active service to 1,685. Seventeen missionary associates are included in this number.

Southern Baptists now have missionaries under appointment to 53 political entities.

Southern Baptist foreign missions reached out to five additional countries in 1962, and one in early 1963.

Mission work is carried on through a varying number of institutions on each mission field — churches, schools, hospital, etc.

National paters number 2,701. Most of the churches have Sunday schools, and many have other church-affiliated organizations. In 1962, the 3,783 churches and 6,850 chapels reported 433,379 enrolled in Sunday school, 35,509 baptisms, and 487,943 church members. (These figures include estimates for China).

The 1,060 Baptist schools, which enroll 169,178 students, are served by 5,656 national and 290 missionary teachers. Among the schools are 41 theological institutions with 1,394 students and 6 women's training schools with 467 students.

Medical mission institutions include 18 hospitals and 46 clinics and dispensaries with a total of 1,156 beds. There are 55 missionary and 82 national physicians, plus 56 missionary and 207 national nurses. They serve 328,898 patients during the year, of whom 35,144 were inpatients.

Total contributions of Southern Baptists for foreign missions amounted to \$19,673,232.93 during 1962. Funds from the 1962 Lottie Moon Christmas Offering totaled \$10,323,591.69. After the Convention-wide budget is reached, 75 per cent of the funds come to the Foreign Mission Board and 25 per cent to the Home Mission Board.

24 Address:

At this time Bro. Roy E. Boatwright, Sunday School Secretary brought a message on the Co-operative Program.

Bro. Henry A. Buchanan, brought a message on Protestants and other Americans united for Separation of Church and State. The message was well received by the congregation.

The Session adjourned with prayer by Dr. D. L. Druien.

NIGHT SESSION

LOWELL AVENUE BAPTIST CHURCH

The Session opened with the singing "I am Resolved" and "I Love Him," led by Rev. Joe Hargrove, Associational Chorister.

In the absence of Bro. C. V. Bryan, the devotion was given by Rev. Richard Phipps, using the first eleven verses of 2nd the Chapter of Philippians.

25 Sunday School and Vacation Bible School:

The report on Sunday School and Vacation Bible School was given by Rev. B. T. Chaffin. Rev. Chaffin spoke to the report.

REPORT SUNDAY SCHOOL AND VACATION BIBLE SCHOOL

The program of the Sunday School Department of the Kentucky Baptist Convention is designed to work in close cooperation with the churches and Sunday School Department of the Sunday School Board in discovering and promoting principles and methods for the establishment, enlargement, and improvement of the Sunday School and Vacation Bible Schools.

The Department is placing special emphasis on the Pastor-Led Enlargement Campaign. A Pastor led Enlargement Campaign conducted in every Association in the Southern Baptist Convention by 1965 is the goal set by all the State Sunday School Secretaries and Sunday School Departments of the Sunday School Board in a recent meeting.

Our Association reports this year 20 Sunday Schools, a Sunday School enrolment of 4,226. This is 1% decrease in enrolment under last year. There were 4 Standard Schools, 209 Baptisms, 20 Vacation Bible Schools. Our Association did not reach the Standard.

Respectfully submitted,
B. T. Chaffin

26 Brotherhood:

The Brotherhood Report was given by Bro. Floyd M. Short and adopted.

BROTHERHOOD REPORT

Brotherhood enrolment in the Southern Baptist Convention in 1962 was 628,087. Kentucky's 1962 enrolment was 27,579.

One of the brightest spots in our Brotherhood work is an increasing realization that in the men in our churches there rests the greatest potential for the cause of righteousness the world has. Where Brotherhoods are serving best we find the churches accomplishing most. The mobilizing of our man power in our churches is truly our greatest need.

Many of our churches have and are conducting systematic studies for their men in all four phases of brotherhood work — Namely, Christian Witnessing, Personal Stewardship, World Missions, and Royal Ambassadors.

The enrolment of boys in Royal Ambassadors during the last year was 8,500. Camps were conducted in seven Associations — 513 boys attended the four week R. A. Camps at Cedarmore. More than 30,000 boys were in Camps in the Southern Baptist Convention.

The Brotherhood organizations through-out our state are lending themselves to Community and Civic righteousness — in many places that have led in movements to free communities of certain evils that were undermining the morals of our youth and seriously impairing the Spiritual life of our churches.

In our Association Baptist's Men's Day was observed in January and October. The First Quarterly Meeting was held with the Campbellsville Baptist Church in November. This was a Father and Son Banquet.

The Second was held with the Campbellsville Baptist Church. The church Brotherhood Guide Book was taught in February by Mr. Carl Wells.

The Third Quarterly Meeting was held at South Campbellsville Baptist Church. The fourth was held as Family Night with the Pleasant Hill Baptist Church.

It is the hope of your committee that present Brotherhoods will strengthen their organizations and that all of our churches consider the organization of a Brotherhood.

Respectfully submitted,
Floyd M. Short

27 Associational Music Work:

The Music report was given by Rev. J. B. Hargrove and adopted.

REPORT ON MUSIC

The purpose of our Associational Music Ministry should be to help all churches to better develop their music program. During the past year 8,566 people representing 615 churches attended 77 Hymn Sings in Kentucky Baptist Associations. This is a drop from last year of 3,075 people, 13 Hymn Sings, 180 Churches. Our own Association did not participate.

Music awards earned during the year totaled 4, representing two churches. One Choir participated in Regional Music Festival.

We had an Associational Choir of 27 voices, who sang at Evangelistic Rally for our Spring Revivals.

We need desperately to engage in some music classes, earn some music awards and to participate more in our Associational Music Ministry.

Respectfully submitted,
Rev. J. B. Hargrove

28 Training Union:

In the absence of Rev. Ralph Boots, the report on Training Union was read by the Clerk and adopted.

REPORT ON TRAINING UNION

The Training Union is the second largest educational organization in Southern Baptist Churches. It is distinctive in that it trains church members to perform their full responsibility of training all church members and giving general training to potential leaders of the church.

"M" Night for 1962 was held at the Campbellsville College Gymnasium with an attendance of 617. Speaker was Dr. Henry Beach, Ninth and O Baptist Church, Louisville, Kentucky.

This year we had six Junior, Intermediate and Young People from two churches, participate in the Associational Training Union Drills and events. Our representatives in the Regional Drills were John Wagster, Jr., from Campbellsville Church in the Junior Memory Work and Bible Drill. Gwendolyn Bost from Campbellsville Church in the Intermediate Sword Drill. Danny Morris, from the Pleasant Hill Church in the 17-18 year old group of the Speaker's Tournament. Carrie Stears from the Campbellsville Church in the 19 year old and above group in the Speaker's Tournament.

Several of our churches held their annual Youth Week this year, in which the youth were in charge of the services. We would like to congratulate Palestine Church for their outstanding work with their youth. They gave their youth the month of June as Youth Month, in which the youth carried out all activities of the church under the leadership of their pastor Rev. Marshall Black.

Several of our young people attended Ridgecrest in July during the Training Union Week.

From the months October to June 1963, there were 604 awards given in all catagories.

Respectfully submitted,
Rev. Ralph Boots, Director

29 W.M.U Report

In the absence of Mrs. Roy G. Wilson the W.M.U. report was given by Bro. Charles Nichols and adopted.

REPORT ON WOMAN'S MISSIONARY UNION

This is the 75th Anniversary year of Woman's Missionary Union. There have been many special activities and special goals. We trust that these efforts have borne fruit in our work for the glory of God. A study of our history reveals remarkable growth during these 75 years. With the organization of the Friendship WMS, we now have ten churches with organizations in our association. We have had increases in all phases of our work this year. As you know, our gifts for the three Special Offerings; viz. Lottie Moon Offering, Annie Armstrong Offering, and State Missions Offering, are church wide now rather than WMU centered as in former years. Our pastors are doing a wonderful job in promoting these offerings which has resulted in substantial increases in all three of these offerings.

Our youth organizations are doing a wonderful work. This being the 50th Anniversary year of the Girl's Auxiliary, the Associational WMS honored them with a Mother-Daughter Banquet with Mrs. Ralph Keaton, Regional president, as the principal speaker. All churches having organizations were well represented. Three women from our association served as counselors at GA Camp at Cedarmore. Kentucky WMU continues its payment of \$5,000 per year on the indebtedness at Cedarmore, and has voted \$50,000 toward furnishings on the new Lodge.

We are grateful for our Father's blessings upon our work and for the faithful, devoted service of a host of WMU members, as we labor together with God that the world through Him may be saved.

Respectfully submitted,
Mrs. Roy G. Wilson

30 Baptist Student Union:

In the absence of Rev. Terry Grainger, the report on Baptist Student Union was given by Bro. Charles Hedrick, President and adopted.

REPORT ON BAPTIST STUDENT UNION

The B.S.U. of Campbellsville College had a little better year the past year mainly because of our wanting to do more and go farther for Christ.

This year the B.S.U. Choir went to many more churches to sing this year. We averaged over 4 times a month. We also participated in the B.S.U. State Music Festival and were rated as one of the outstanding Choirs in Kentucky.

The Youth Teams averaged about 6 a month and had approximately 50 professions of faith with many more rededications. Many others made decisions to follow Christ in other ways also.

Our Mission Goal this past year was \$550 and we raised \$625 to help send out Summer Missionaries. Four went to Foreign Countries and two did work with the Indians in Tennessee. One of our Students worked with the Indians.

There were many other things the B.S.U. did. We would like to ask the prayers and support of all the Baptist in Taylor County Association. Pray with us that God will lead and show us even greater things.

Respectfully submitted,
Terry Grainger

31 Radio and Television:

The report on Radio and Television was given by Rev. B. T. Chaffin in the absence of Bro. Paul Ford. The report was adopted.

REPORT ON RADIO AND TELEVISION

Radio and television have been given to the church of Christ as powerful tools of mass communication — media through which the saving Gospel can be brought into the hearts of great numbers of people over vast areas.

For the first time in the history of the world as we know it, it is possible to reach virtually every person with the Good News of our Lord Jesus Christ. In our own country there are 49,800,000 television homes (nearly 91 per cent of all homes). There are 51,690,000 radio homes (nearly 94 per cent of all homes).

Special programing has been allotted the Southern Baptist through the Commission from September 1 to December 29, 1963. Four half hour programs will appear on NBC-TV. CBS-TV has scheduled three programs for the denomination. ABC-TV has already produced two. This year the Commission is offering television stations all new material in the programming of "The Answer."

In the area of programming there is a new net gain of 244 radio stations carrying Southern Baptist Programs. The commission currently services 1,220 radio and television stations weekly (plus 205 Armed Forces Network radio outlets) with a dozen different weekly programs and a weekly television series.

Technical aid in radio-television production to individual, churches, state conventions, and associations is also on the rise. It is the constant effort of the Commission to meet the needs of stations and to provide new and different religious programming. By so doing Southern Baptist agency for radio and television is able to get its figurative foot in the door. By adding one program in a designated area there is the opportunity to add another program. An evangelistic program such as "The Baptist Hour" is always pushed into the opening.

An up-to-date accounting of the annual value of the time given the Commission produced Southern Baptist programs throughout the nation shows it come to the outstanding figure of \$3,701,988. This does not include the 93 stations overseas which receive our programs. As we can see from this radio and television report every means is being used to reach the world for Christ.

Paul M. Ford

32 American Bible Society:

In the absence of Dr. Clarence Chesnutt the report on the American Bible Society was given by Bro. Stanley Chaney, and adopted.

REPORT OF AMERICAN BIBLE SOCIETY

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

During 1962 the American Bible Society:

— published some part of the Bible in 1202 languages; the full Bible in 228 a Testament in 285 more, a Gospel or other complete book in 689 more, but still faced the task of translating the Scriptures into another 1,000 or more languages.

— extended its work to 40 additional countries and provided almost two-thirds of the year's total of nearly 50 million Scripture volumes distributed by all the Bible Societies of the world.

— gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

Southern Baptist led all denominations in gifts to the American Bible Society in 1961. But in 1962 Southern Baptist gifts of \$158,206 stood second to the Methodist gifts of \$206,580. Gifts from all churches in USA totaled \$1,191,233.00.

The help of every Southern Baptist Church is needed. Has your church given this year? Here are suggestions based on what many churches are now giving.

Smaller churches \$10.00 to \$60.00.

Larger churches \$60.00 to \$300.00.

Great city churches \$300.00 to \$600.00.

Respectfully submitted,

Dr. Clarence Chesnutt

34 Stewardship and Cooperative Program:

The Stewardship and Cooperative Program report was given by Bro. W. T. Blevins, and adopted.

REPORT ON STEWARDSHIP AND COOPERATIVE PROGRAM

As Jesus observed the people of his day, he noticed that where they spent their money, they also spent their time. He noted, too, that heart interests follow dollar interests. So he said, "For where your treasure is, there will your heart be also" (Matthew 6:21).

The members of our churches will never be too interested in the Lord's work unless they are liberal in their giving, in proportion to what they are able to do. For this reason, we must teach and preach Christian stewardship in our churches.

A by-product of this teaching will be adequate financial resources for our Baptist work, both at home and in the state and throughout the world. Stewardship methods and materials are available for the smallest and the largest church in Kentucky. Many churches this year will be using the new Growth in Christian Stewardship emphasis for smaller churches. Others will continue to use the time-proven Forward Program to promote their annual budgets.

As churches receive more from their members, they in turn should share more for missions, both in the association and throughout the state and world through the Cooperative Program. In the last ten years, Kentucky Baptists have grown in their stewardship. Total Gifts received by all Kentucky Churches have gone from \$15 Million in 1952 to \$26 Million in 1962, and Cooperative Program gifts grew from \$1 ½ Million in these same ten years, but percentage wise, our churches have not increased in Cooperative Program giving. We are still giving the 9% we gave back in 1952.

Recommendations:

- 1 We recommend that each church avail itself of the many helpful stewardship materials from SBC Stewardship Services, 127 Ninth Ave., Nashville 3, Tenn.
- 2 That every church give to world missions regularly through the Cooperative Program on a percentage basis of its total budget.
- 3 That every church increase that percentage by at least two points each year, and more if possible.

Respectfully submitted,

W. T. Blevins
