EXECUTIVE BOARD REPORT

The Executive Board, composed of the pastor and one lay member from each church, the general officers, and the heads of the association's auxilliary, meets usually on the second Monday of each month. Reports from the various committees and heads of departments are made each month and general business delegated to the Executive Board by the meeting of the regular Association is conducted.

October 13, 1980—Bro. Ray Vinson was elected Associational Clerk. It was decided to have a combined "M" Night and Evangelistic Meeting on November 25 with Dr. Ray Roberts as speaker. The Association purchased a Video Tape of the parade commemorating Sunday School's two hundredth anniversary.

November 3, 1980—A report lauding the Sunday School Prepration Conference which had an enrollment of over one hundred twenty five (125) people from nine (9) churches was made.

December 8, 1980—There was discussion of having Dr. Ray Roberts for a future evangelistic crusade. This item was referred to the Evangelism Committee.

January 12, 1981—It was decided that the Missions Committee would make a census survey in the Merrimac area of the county.

February 9, 1981—Churches were encouraged to be more liberal in Associational Missions Giving if the Taylor County Baptist Association were to continue sponsoring "The Baptist Hour."

March 9, 1981—It was decided to finance a Vacation Bible School in the Merrimac Community. Bro. Milton Jones was appointed chairman of the Nominating Committee replacing Bro. Charles England, who resigned because of his Seminary studies.

April 13, 1981—The Executive Board was informed that a fifty-two (52) week contract had been signed with WCKQ for the broadcasting of "The Baptist Hour."

May 4, 1981—The Missions Committee was empowered to select a KOA campground minister without further board action. May 9 was set as the day the religious survey would be made in the Merrimac area. Bro. Ray Vinson resigned as clerk because he was moving to a pastorate in another association.

June 1, 1981—Jim Campbell was elected clerk of the association. It was decided to conduct an Associational Evangelistic Crusade August 1-8, 1982, at the Taylor County High School Stadium with Dr. Ray Roberts as the evangelist. It was reported that the Merrimac Religious survey was almost complete and that Bro. Roger Godby had been secured as the 1981 KOA summer campground minister.

July 13, 1981—It was decided that due to lack of time for preparation, a Vacation Bible School would not be conducted in the Merrimac Community. It was also decided that the October 12, 1981, Executive Board meeting would be a "potluck" supper meeting with the wives or husbands of the Executive Board members as guests. Dr. Ray Roberts was also invited to discuss plans for the 1982 associational evangelistic effort at that meeting.

August 10, 1981—An invitation was extended to R. L. and Beth Sigrest to serve as music evangelists for the 1982 Evangelistic Crusade. It was decided to suspend any plans for work in the Merrimac area in the immediate future because of a renewed interest in the Merrimac Christian Church and the fact that the Campbellsville Christian Church was supporting financially and really that work. The clerk was instructed to write each pastor in the association encouraging them to recommend to their church that one percent (1%) of their church's budget be earmarked for support of the August 1-8, 1982 Associational Evangelistic Crusade.

Respectfully submitted, Jim Campbell, Clerk

VACATION BIBLE SCHOOL REPORT

Last year, 1980, Taylor County Association was one among seven associations out of eighty to receive 100% Participation Award for every church having Vacation Bible School. This year, sixteen churches out of seventeen held Vacation Bible School.

Our clinic was held at Campbellsville Baptist Church. A total of eighty people attended with twelve churches represented.

At least two churches held a mission Vacation Bible School and/or a Backyard Bible Club. They were Campbellsville Baptist and Saloma Baptist Churches. A total of 190 people were reached in these mission projects. The Robinson Creek Baptist Church had five professions of faith during their Vacation Bible School.

Although we had greater outreach in Vacation Bible School our total enrollment decreased over last year by 129.

As reported this year, Pleasant Hill had a Merit Achievement; Lowell Avenue, Robinson Creek and Saloma achieved the Advanced level; and Green River Memorial and South Campbellsville achieved the Distinguished level.

Overall, this year has probably been the year of greatest accomplishments in total outreach and quality teaching obtained in Vacation Bible School work. This is because our workers are being trained to do the task.

Only ten churches sent in the Vacation Bible School report to me so this report is somewhat incomplete. Because of this I cannot give the total number of professions of faith, mission offering and prospects discovered.

Respectfully submitted,
Bro. Don Gowin
Sunday School Director

CHURCH TRAINING REPORT

During the past fifty years Church Training has played an important part in the progress of the Southern Baptist Convention. Many pastors and church leaders received their best training from programs sponsored through the Church Training department. While it is true that many churches are having problems keeping a good Church Training program alive, the need is still overwhelming. Each church should adopt a Training Program that meets its particular needs. The Church Training Department has made available so many resources that the possibilities are almost unlimited.

In spite of the fact that little has been done on an associational basis, progress in Church Training has been made during the year. Last year nine churches and one mission reported ongoing Church Training programs. This year eleven churches and two missions reported ongoing Church Training programs, including Palestine, Mt. Gilboa, and Acton.

We did have an excellent "M" Night program at the Campbellsville church with Dr. Ray E. Roberts as speaker. We also had a Sword Drill demonstration led by Sandra O'Hara from the Campbellsville church. We had two churches with children and youth participating in the state Sword Drill competition. Two each from Campbellsville and Salem were state winners. One from Salem was a state winner from the youth department. Jeff Arnold from Salem has been a state winner for three years.

SUNDAY SCHOOL REPORT

In cooperation with Bold Mission Thrust the 1981-82 Sunday School program will have two major emphases, each with suggested projects. They are as follows:

I. Bold Sunday School Growth Projects:

1. "8.5 by '85" (8½ million enrolled in Southern Baptist Sunday Schools by 1985)
2. October - Outreach Month
3. Growth Spiral
4. Outreach Workshops (Adult Teamreach, Childreach, Homereach)
5. Starting new Sunday Schools
6. Standard Recognition (Sunday Schools, Departments, Classes).

II. Bold Bible Teaching and Learning Projects:

1. Associational Sunday School Leadership Training Schools
2. Sunday School Leadership Diploma Plan
3. Weekly Workers Meeting
4. Curriculum Workshop
5. Read the Bible Through
6. January Bible Study.

It is suggested that we as an Association and churches choose some projects and plan to conduct them this year. Your Associational Assist Team is ready to help any church by getting information to you concerning these projects and leading them in your local church. Your Associational Assist Team are:

Preschool - Regina Graham
Children - Dollie Cruse
Youth - Dean Finley
Adult - Harold Lee
General Officer Coordinator - Donald Gowin.

This past year your Assist Team led in an Associational Preparation Clinic using the Getting Ready Series of study. A total of 125 persons were present with 12 different churches represented.

At our Annual Associational Meeting we recognized Fairview Baptist Church as having the largest numerical enrollment gain, largest percentage enrollment gain, and largest percentage average attendance gain. Lowell Avenue Baptist Church had the largest numerical average attendance gain.

Also, on February 19th, an "Outreach Workshop" was conducted for our Sunday School leadership and a total of 35 persons attended with eight churches represented.

All of our Assist Team workers have attended meetings on the State level to train and equip themselves to serve you in a more effective way. Please call on us when you need assistance.

The total enrollment of the Sunday Schools in our Association is 3,658 with average attendance of 2,153. This is an increase of 46 over last year's report. To God be the glory for this increase. I challenge each church the following goals: A Victory Sunday School enrollment of 3,693; A Challenge Sunday School enrollment of 3,782; or a Hallelujah Sunday School enrollment of 3,898. Also, I challenge each church to participate in the Sunday School growth program of "8.5 by '85." Bro. James Jones will be our 8.5 representative for the Taylor County Association.

WMU REPORT

Emphasis this year is "Life Changing Commitment." The watchword is "Commit thy way unto the Lord, trust also in Him, and He shall bring it to pass," Psalm 37:5.

Membership in WMU—50
Churches having Baptist Women—15
Baptist Young Women—8
Acteens—13
Girls Auxilliary—10
Mission Friends—8
Total WMU Organizations—54

The Associational WMU had 4 Executive Meetings, 3 General Meetings, 1 Leadership-Membership Training Conference, and 1 Prayer Retreat.

Some activities reported for year were:

1. Churches observing Week of Prayer for Home and Foreign Missions.
2. Recognition Services.
3. Girls attending camp at Cedarmore.
4. Acteens attending State meeting in Louisville.
5. Acteen overnight "Spin-off" at Lowell Avenue.
6. Five churches sent carloads to Leadership Conference at Cedarmore.

Bro. Lonnie Turner, on furlough from Zambia, spoke at our April meeting. He challenged all of us to be more mission minded in our praying, giving, and going. Robinson Creek has taken as one of their mission goals the collection of Bibles to be forwarded to Bro. Lonnie in Zambia.

Bro. Mike Crain, returned from Mission work in Ohio, also brought a challenge for us to be more aware of mission needs closer to home.

Thank you for the cooperation by the ladies in our association this year. May you continue to work and pray for our missionary work.

Respectfully submitted,
Barbara Bault

BROTHERHOOD REPORT

The associational Brotherhood organization exists primarily to help involve men and boys in missions.

For the past associational year we have not involved nearly enough of our men and boys in missions to boast of our accomplishments. We now have enrolled in the churches in our association 156 boys, 12 counselors, and 131 other men. There are 11 churches who have reported R.A. work. There are only 6 churches who have reported Baptist Men's work. There are six churches who report no Brotherhood work. From this information it is plain to see that there is much work needed in the future by the Brotherhood organization.

During the past associational year there have been some significant Brotherhood involvements in our association.

1. Many churches participated in the annual Laymen's Day recognized by the Southern Baptist Convention.
2. Approximately 30 men participated in the annual Cooperative Program prayer breakfast held at Palestine Baptist Church.
3. There was a good representation of our churches at the annual Brotherhood-WMU picnic held at Pleasant Hill Church in July.
4. Several of our Baptist men and boys attended the annual Brotherhood Convention held in Radcliff, Kentucky last October.

Upcoming events for the 1982 associational year include:

1. Annual Brotherhood Convention at Danville, Kentucky October 1-3.
2. Royal Ambassador Week, November 1-7.
3. Baptist Men's Day, January 24, 1982.
4. Cooperative Program Prayer Breakfast, April 18th, 1982.
5. Annual Associational Brotherhood and WMU Picnic, July 1982.

CHURCH MUSIC REPORT

"Reaching Adults Through Music" has been the theme the Church Music Department has used in helping promote music in our churches during the past year. Over 1200 adults attended the Adult Choir Festivals in October of 1980. 1,129 people from 542 churches in 67 associations attended 62 Shoptalks this past year.

The ongoing enrollment in church music personnel in the churches of our state increased from 66,373 persons in 1979 to 74,677 persons in 1980. This 8.4% increase was well above average and placed Kentucky second among the Southern Baptist Convention states in percentage increase. Taylor County's enrollment in 1980 was 793 and dropped by 35 to 758, a decrease of 4.4%. On the positive side sixteen of our churches reported church music enrollment this year compared to only twelve last year. Seven churches reported increases in church music enrollment for 1981.

During this year we plan to emphasize "Reaching Children Through Music," with the hope of starting many new children's choirs, increasing the enrollment in them, and improving the quality of their weekly rehearsals and performances. Applying Proverbs 22:6 ("Train up a child in the way he should go: and when he is old, he will not depart from it.") to our music emphasis this year, the foundation of any successful church music program is built upon the music training of children. Let us support this emphasis enthusiastically and prayerfully.

Jim Campbell
Associational Music Chairman

MISSIONS COMMITTEE REPORT

The Missions Committee did several things during this year:

1. We acquired a person to again be in charge of the KOA Campground ministry beginning Memorial Day Weekend (May 24th) and going through Labor Day Weekend (Sept. 6th). Roger Godby, a Ministerial Student at Campbellsville College, was selected to fulfill the responsibilities of providing worship services each Sunday from 9:00 to 9:30 a.m.

2. We recommended that our Association become actively involved in a church census/survey in the Merrimac area and Mannsville community in which there were many unchurched families. On four occasions we involved a total of nine persons surveying these areas and tabulating information received.

3. We recommended that the Association have a Mission Bible School in the Merrimac area. Because of the brief and limited time to plan, prepare, and coordinate the Bible School, this recommendation was subsequently withdrawn.

4. We were in the process of planning for a series of Revival meetings in Merrimac. Upon discovering Campbellsville Christian Church was already working

there, seeking to re-open the Merrimac Christian Church, we felt we should terminate these plans. We did this in a spirit of cooperation, even sharing information from our Survey Cards. We did not want to cause a discontinuity to positive work they are doing.

K.O.A. CAMPGROUND MINISTRY REPORT

This summer the KOA Campground ministry saw well over 100 people in its services, averaging almost ten people per service.

The opportunity to share God's word was a joy and the new christian friends made was a blessing. We met people from many states as well as many local people.

I would like to thank this association for giving me an opportunity to share this summer. I would like to thank Phil Estes for helping with the music and sharing his talent and the owners of the campground for being very open and helpful.

I pray that this ministry may continue next year that many more may hear the gospel of Jesus Christ.

Roger Godby

CHRISTIAN PUBLICATIONS REPORT

Serving Kentucky Baptists since 1851, the "Western Recorder" has been Kentucky's number one weekly Christian publication going into Baptist homes. This unique ministry promotes denominational programs and religious happenings.

During the past year the "Western Recorder" has served approximately 57,000 families. In the Taylor County Association we presently have eight churches which have included in their budget the purchase of the "Western Recorder" for their families. For \$3.75 per family per year a church can supply its families with our state paper. Many churches combine their own weekly or monthly newsletter with the "Western Recorder". In this way each church family receives international, national, state and local church news in one package. The cost for all of this is generally less than the cost of the weekly mailout.

Other publications that we recognize and highly recommend are "Home Life" and "Mature Living". Both of these magazines deal with Christian living. The "Open Windows" is also a fine Christian publication for daily devotions.

James Collison

COOPERATIVE PROGRAM REPORT

Bold Mission Thrust began as a dream of Southern Baptists in 1976-77... a bold dream of greater missions support and church growth. However, a dream is only a dream until someone makes it come true. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Involved in fulfillment of this dream are several essential steps.

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth.
2. Some churches may need to discover "special roles" in the bold endeavors they adopted.
3. Church leaders must lead the people to adjust life styles and values in order to achieve Bold Mission Thrust.
4. We will need all the churches in the Taylor County Association to cooperate in giving to the 1982 associational missions program.
5. We need a strong commitment from each church to reach the \$14,400,000 total goal for our 1982 Kentucky Cooperative Program budget.
6. We need to enlist a greater percent of our church membership in supporting the work of the church and world missions (our membership giving must be improved - the statistics show that 20% give 80% of the financial support, 30% give the other 20% and 50% give nothing.

The dream is bold, people are involved, the mission unmistakably stands before us.

During the past year, 1980-81, 16 of the 17 churches of Taylor County Association gave \$219,164 through the Cooperative Program.

In Kentucky, our 1981-82 Cooperative Program total goal is \$14,400,000. Of this amount, \$9,360,000 or 65% will be used for Kentucky Baptist ministries. \$5,040,000 or 35% will be used for Southern Baptist Convention mission ministries.

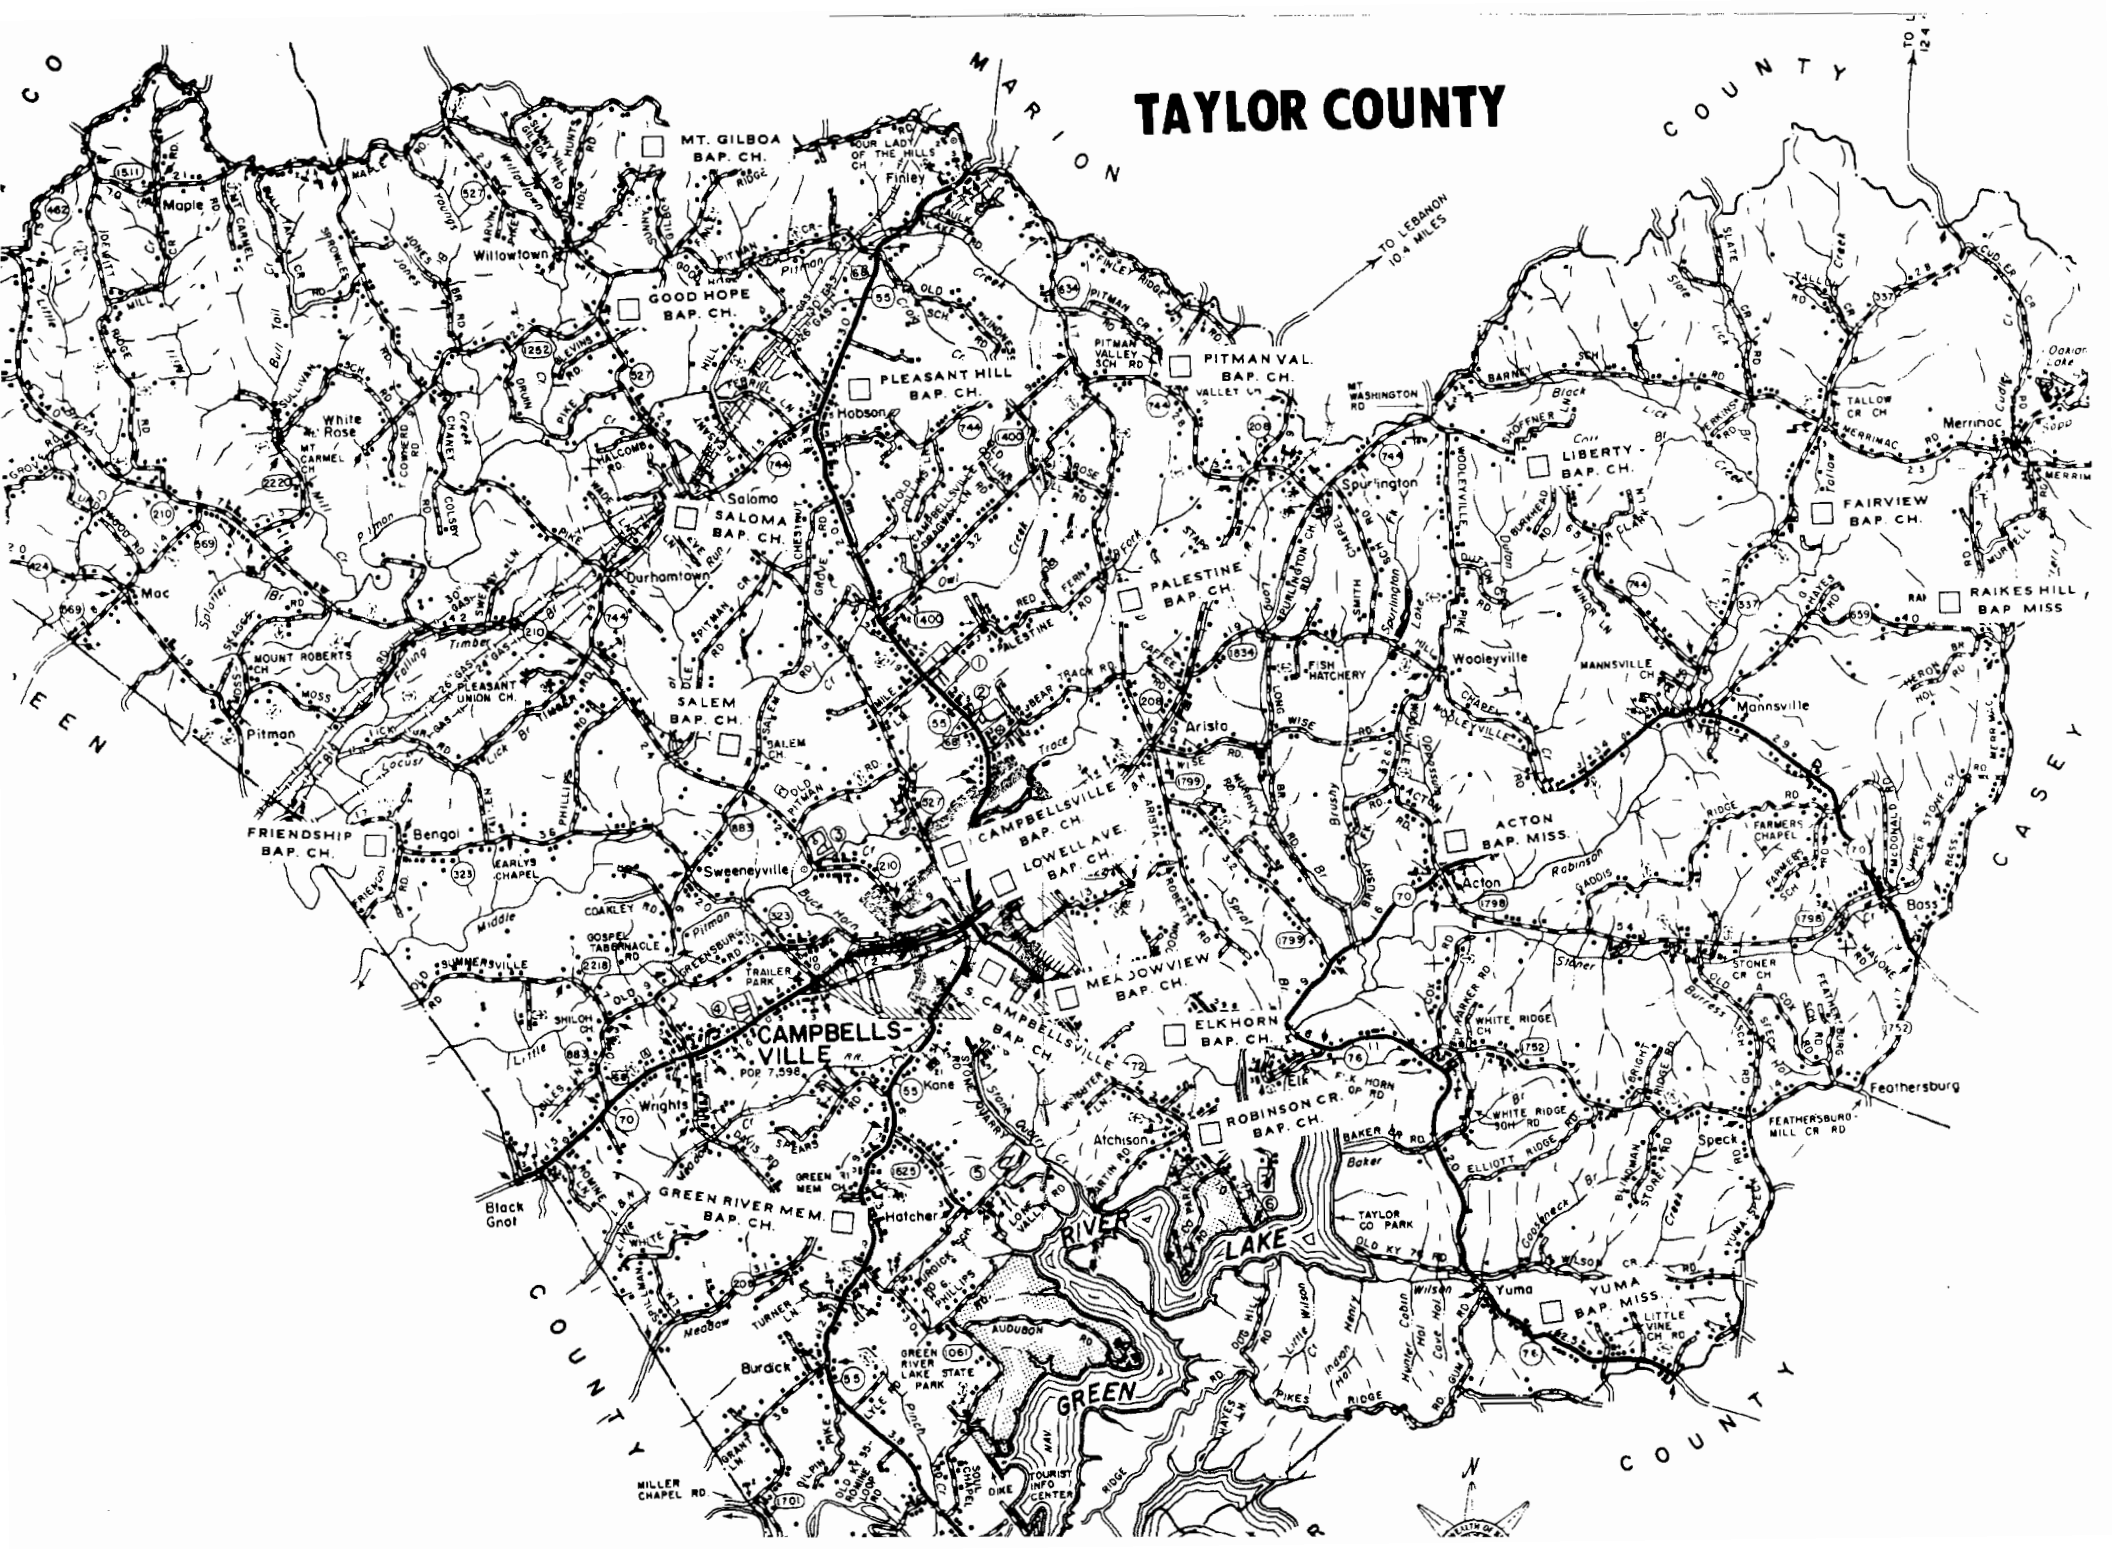

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give one percent over your previous year's budget to the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of total budget income for the support of associational missions.

Let every church in the Taylor County Association demonstrate its genuine concern for the commitment to world missions support through bold living and bold giving.

Respectfully submitted,
James E. Jones

IN MEMORIAM

The departure of our loved ones brings two disturbances to each of us. First our loss which we express publicly by tears and mourning; and second we are quietly aware of Jesus' statement, "In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. . . I will come again and receive you unto myself; that where I am, there ye may be also."

With these conflicting emotions in our mind, we come to thank our Lord for the lives of those whom we loved, with whom we labored and served in the beautiful experience called life, and whose absence still challenges us to do our best.

CHILD CARE

Since the formation of the Board of Child Care 112 years ago, Kentucky Baptists have worked to show God's compassion to children of all ages.

Once again we are in the forefront of effective ministry. We are one of the first Child Care programs to move from dormitory type living to the cottage style living units. These cottages, designed for family living, make possible the living out of the "Christian family life-style." The twelve cottages (six at Spring Meadows and six at Glen Dale) with furnishings have cost just over two million dollars. In his dedication speech, Executive Director Eldred Taylor stated his belief that Kentucky Baptists would provide another million dollars within three years to complete payment of the faith project.

In the past year a total of 453 individuals were served by some facet of our program. The Temporary Shelter provided a place to live for up to 30 days for 101 different young people. Thirty-four unwed mothers were given assistance by the staff. In addition to the 29 children who were awaiting placement in foster homes, there were 15 babies that were placed and 21 infants cared for in foster homes.

Our Thanksgiving Offering was \$491,401.00. This is the largest offering in the history of the Board of Child Care.

This is just another indication that Kentucky Baptists are taking seriously the challenge of Bold Mission Thrust.

REPORT ON BAPTIST HOSPITALS, INC.

The Baptist Hospitals in Kentucky, along with the Ky. Baptist School of Nursing, the H. Hart Hagan Clinic at Southern Seminary, the Baptist East Doctors Building, and the Highlands Doctors Building are managed by the Board of Directors of Baptist Hospitals, Inc., Homer D. Coggins, president.

The healing ministry of Kentucky Baptists is financed primarily by the patients. However, the Convention allocates \$40,000 each year from the Cooperative Program and also promotes the Mother's Day Offering.

With the governmental cut-backs in social programs and aid packages, the \$100,000,000 budget is becoming increasingly difficult to meet. The offerings and Cooperative Program allocation needs to be greatly increased.

In terms of quality of patient care, **CENTRAL BAPTIST** in Lexington reports their most successful year since its founding in 1954.

During the year, 20,427 patients were admitted and 25,535 outpatients received treatment. Surgeries totaled 9,967 and babies born were 2,809.

The acquisition of new and modern equipment, combined with the \$17.4 million expansion/renovation project are in line with the continual effort to update and improve patient care.

HIGHLANDS BAPTIST HOSPITAL provided services as follows: Admissions 6,993; Outpatient Visits 12,594; Surgical Procedures 2,277; Laboratory Procedures 97,764; and X-Ray Procedures 26,960. The Sunday School Charity Fund provided \$10,524 for patients in need.

BAPTIST HOSPITAL EAST provided services as follows: Admissions 15,670; Outpatient Visits 48,424; Surgery Procedures 6,813; Clinical Laboratory Procedures 150,026; and X-Ray Procedures 51,069. The Sunday School Charity Fund provided \$3,759 for patients in need.

WESTERN BAPTIST HOSPITAL in Paducah continues to grow as a major referral center for western Kentucky, southern Illinois, and western Tennessee.

Admissions to Western Baptist this year were 15,110. The Sunday School Charity Fund provided \$33,228.05 for patients in need.

EVANGELISM COMMITTEE REPORT

In 1980 Kentucky Baptists baptized 21,294 persons. This is a numerical increase of 3,355 over last year, or a percentage increase of 18.7. Comparing our state with the overall Southern Baptist Convention increase of 16.5%, it would seem that Kentucky Baptists are taking Bold Mission Thrust seriously.

However, Taylor County Baptist Churches showed a decrease from 169 baptisms in 1979-80 to 157 in 1980-81. This is a decrease of 7.1%.

In 1982 the major evangelistic thrust for Kentucky Baptists will be a statewide Simultaneous Revival effort April 4-25.

From 1982 through 1985 there will be four goals for evangelism in Kentucky:

1. Increase baptisms 15% per year.
2. Each church should conduct one or more revivals each year.
3. Each year, two hundred (200) churches should begin continued witness training.
4. Train 5% of the resident membership in Kentucky Baptist Churches each year in personal witnessing.

In 1982, Taylor County Baptists will take seriously these state goals and conduct an area crusade:

Date — August 1-8, 1982

Place — Taylor County High School Football Stadium

Evangelist — Dr. Ray E. Roberts, Asheville, North Carolina

Music Evangelists — R. L. and Beth Sigrest, Yazoo City, Mississippi.

Every pastor, church leader, and church member is asked to pray for and participate in this bold effort to reach people for Christ.

TIME, PLACE, AND PREACHER COMMITTEE

We recommend that the next Annual Meeting of the Taylor County Baptist Association be held on the Monday and Tuesday after the 2nd Sunday in September, 1982 which will be September 13th at 7:00 with the Friendship Baptist Church, and September 14th, 4:00 P.M., and 7:00 P.M. with the Lowell Avenue Baptist Church. It is recommended that we have a basket dinner which will be served after the afternoon session with a Committee of the host church in charge. It is understood that the host church be responsible for drinks, bread, and serving.

We further recommend that the annual sermon be delivered by Rev. James Jones, pastor of the Campbellsville Baptist Church and that Rev. Don Watson and Rev. Bob Martin serve as alternates.

5. Be it resolved that our churches take a firm stand on moral issues in our community.
6. Be it resolved that each church and mission enter into the Taylor County Crusade for Christ, giving full support financially and yielding ourselves completely to the Holy Spirit and His guidance.
7. Be it resolved that the Taylor County Association express its sincere appreciation to the dedicated men and women who have continued to serve on the faculty and staff of Campbellsville College and that we recognize the fact that these very capable people continue to serve with a salary far below what they could receive from most other institutions.

8. Be it also resolved that we encourage our churches to seek to challenge their young people to consider God's call to the teaching profession and prepare themselves to serve in one of our Baptist schools.
9. Be it further resolved that we challenge our churches to do their best to increase their financial support for Campbellsville College and to encourage individual members to remember the college in their wills.

STATE MISSIONS REPORT

The Direct Missions Department supervises the work of 148 people who are working for or have their salaries supplemented through the department. Robert C. Jones is the department director, I. Huston Lanier directs the mountain missions work.

The personnel of the department serve in various capacities. Many directors of missions have their salaries supplemented by the Direct Missions Department. Other men have their salaries supplemented in what is called local missions programs. These men serve a local church as pastor, but are located in a community where Baptist are few and far between.

Four communities have missionaries whose salaries are provided jointly by the Homes Mission Board and the Kentucky Baptist Convention. The Home Mission Board also supports other ministries as Christian social ministries, language missions and in-service guidance.

In addition to those mentioned above 20-25 special missionaries have their salaries supplemented by the Direct Missions Department.

The Eliza Broadus State Missions Offering enables many of the small mountain churches to have trained leadership. Additionally there are from 35-40 student summer missionaries from our college campuses work in various ministries. Some work in resort areas, others choose inner city work, while others choose to work at the associational level, lending assistance in Vacation Bible School, backyard Bible clubs, mission projects and regional camps.

In January 1981, Kendale Moore came to the Missions Department as language program leader. He is responsible for refugee resettlement and literacy work. With the influx of people from other backgrounds into our state the opportunities presented for language witness is great. At present we have language missions to the Korean, Chinese, Spanish, Laotian, Thai, Russian and the Deaf.

The Department has served as a liaison in linking approximately 180 churches in various types of missions program this year. This linkage has provided help that ranged from simple prayer support to the erecting of church buildings. This has provided a very helpful sharing relationship that has become a vehicle for the sharing of the gospel.

This year the Western Recorder carried an insert that shared with it's readers a breakdown of the Eliza Broadus Offering ministries. Many were surprised to find that the Direct Missions Department was in charge of administering the Church Building Grants and Loans for the Convention. This year \$27,700 was budgeted and an additional \$10,000 was made available when requests ran unusually high. With inflation constantly increasing and with the interest rate growing even higher we can only assume that the demand on these funds will take another leap next year.

Bob Jones, Huston Lanier, and Kendale Moore ask that you join them in prayer that the Direct Missions Department will be faithful in carrying out the Great Commission of our Lord to reach every person in our state and nation with the Gospel by 1982 and the world by the year 2000.

Bob E. Martin

HOME MISSIONS REPORT

This year's Home Mission Budget of \$36.6 million was the largest in history and reflects the record amount that was given through the Annie Armstrong Easter Offering. This year's goal of \$15.5 million was exceeded by one million dollars. The 429,000 baptisms in 1980 were exciting proof that Southern Baptists are again actively witnessing of their faith. The Missionary force rose to a peak of 3,000 before the year-end attrition reduced it to 2,970.

The 1980 year was truly remarkable for home missions. Our witness at the Winter Olympics in Lake Placid, N.Y., has resulted in a small church there. The continuing influx of Indochinese refugees, and the unexpected flotilla of Cubans has challenged all of us. Our concern for domestic hunger has caused us to name a hunger consultant to coordinate SBC domestic hunger efforts.

Specialized Evangelism Department Personnel conducted twenty Growing and Evangelistic Church seminars. The Associational Evangelism Department assisted eleven states in training associational evangelism chairpersons, developed a planning guide for associational evangelism and helped ten states in thirteen small-church evangelism seminars. This year approximately 15,000 evangelism volunteers did mission work. Eighty leaders representing 23 local churches in ten states were trained in the pilot Continuing Witness Training seminar, and 300 persons in thirty-three states were trained in Lay Evangelism Schools and TELL Witness Training.

The Church Extension Division reported that more than 1,100 church-type missions were started and 450 new churches were constituted. It helped support 1,150 workers and extended pastoral support to 950 congregations. The Chaplaincy endorsed 326 chaplain candidates bringing the total of full time and active duty chaplains to 889 with 557 part-time or volunteers.

The unstable financial climate created and increased demand on the request for loans. The Home Missions Board counseled 1,450 churches and processed 187 church loan applications. Commitments totaled \$16.6 million.

Through the Associational Administration service 66 new directors of missions were trained at three seminars. Project Assistance for Churches in Transition trained 61 consultants to help churches in changing communities.

The Rural-Urban Missions appointed nine directors of associational missions and trained 475 others. An emphasis was placed on Bivocational pastors and over 609 persons were given assistance in small church planning.

During 1980, 1,500 language workers received financial support. These worked with 79 ethnic groups speaking 70 languages. The Refugee Resettlement Office aided 769 sponsors in resettling 3,000 refugees. A manual on work among refugees was published.

The Christian Social Ministries provided disaster relief funds of \$37,000 to eight states to help them begin a disaster relief task force. They also assisted in developing volunteer literacy missions, helped conduct awareness conferences on ministry to the alcohol and drug abusers, seasonal farmworkers and the blind.

Black Church Relations Interfaith Witness and Volunteers in Missions compose the lesser known but much needed sections of the Home Mission Board. This year approximately 350 Mission Service Corps volunteers served in 43 states, Canada, Puerto Rico and American Samoa. In all more than 30,000 served as home mission volunteers in 1980.

The Home Mission Board returns to Kentucky Baptist a portion of the Cooperative Program monies in assisting several departments and programs.

Bob E. Martin

FOREIGN MISSIONS REPORT

Our sharing of the gospel is in both word and deed. The deed gives credence to the telling, and the telling gives clarity to the act. The Southern Baptist foreign mission program includes both presence and proclamation. Jesus' ministry was an integrated one. He did not separate who he was from what he did.

Our central thrust is on evangelism that develops until it reproduces disciples. President Keith Parks has said, "We will evangelize and congregationalize. We will never do less than that. We will do more than that, but we will never do less." Our basic administrative approach is an integrated, geographic approach, at the same time, it is often easier to get a global perspective by looking at the various programs that are carried out in the individual countries.

At the beginning of 1981, there were more than 3,000 missionaries. Of those, 2,554 are career missionaries. Others serve through auxiliary categories as associates, journeymen, and special projects workers. Missionaries work in 93 different types of missionary service.

Southern Baptists cooperate through their Foreign Mission Board with national entities representing over 11,500 churches. Of that number, some 8,000 are self-supporting. There were more than 100,000 baptisms. This was over 36 baptisms per missionary. Included within the program of evangelism and church development is the ministry through the media with 43 missionaries working in 62 centers and television staff working in three studios.

Evangelism through education and the development of Baptist leaders have been two key emphases in the program of schools and student work.

In the battle for the minds and hearts of people, the printed page becomes a powerful instrument to win people to Christ. Translation, printing, distribution of the Scriptures, and Christian literature continue to be a key part of our program.

Medical assistance is an expression of Christian love and a means of witness. Today the Foreign Mission Board assists in the maintenance of 20 hospitals and 120 clinics and dispensaries. At the end of the year there were 56 missionary physicians, 70 missionary nurses, 12 missionary dentists, and 43 other missionaries engaged in medical and health care ministries. These people treated 137,000 inpatients and 1.1 million outpatients. Assisting were 191 physicians and 844 national nurses.

Missionaries and their Christian colleagues minister with compassionate concern to unfortunate persons (the hungry, thirsty, lonely, naked, and imprisoned) in foreign countries. Refugees from war and natural disasters present a haunting picture in our world. Although much media coverage has spotlighted South and Southeast Asia where many suffered as boat people fleeing from totalitarian regime, probably the largest concentration of refugees is in Africa, where 3.5 million fight for life in camps.

We must pray for increased strength to face the momentous task of ministering to a hungry, hurting, suffering world that needs many things. In humility as Southern Baptists, we must say with the North Sea fishermen, "O Lord, thy sea is so great and our boat is so small." We hold the firm conviction that things that are impossible with men are possible by God's power.

In 1980 Southern Baptists' contributions for foreign missions totaled \$85,456,178. For the calendar year Lottie Moon Christmas Offering gifts amounted to \$40,836,167. The 1981 offering goal is \$50,000,000. Approximately 50% of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. Bold Mission Thrust endeavors must also express and support world missions as we develop new boldness.

Bob E. Martin

CAMPBELLSVILLE COLLEGE REPORT

Our heartfelt thanks go out to all of the churches in Taylor County Association. By giving to the Cooperative Program you help fulfill the work of Campbellsville College as a Baptist institution. Most of you have provided additional help with direct gifts to the college, church matching scholarships to students, and with designated gifts by your members.

This is our first annual report to the Baptist churches of Taylor County Association on gift income from those churches. We want this report to be informative and also a method of expressing the gratitude of our faculty, staff, and students for your love, concern, and missionmindedness. About ten percent of all the pastors in Kentucky are graduates of Campbellsville College. You have been an important part of training these spiritual shepherds.

May God continue to use and bless each one of our churches. May His Spirit fill each of you as pastors, deacons, and members in the year ahead.

CHRISTIAN EDUCATION REPORT

Christian education continues to be one of the most important aspects of Kentucky Baptist work. Five Schools look to Kentucky Baptists for support. Although almost one third of mission money spent in Kentucky goes for this cause, this only supplies a small portion in the total cost of operating our schools.

Taylor County Baptists are especially interested in Campbellsville College. In spite of many struggles, tremendous pressures, and limited financial resources, Campbellsville College continues to be one of Kentucky's finest schools, providing a high quality education with a strong Christian emphasis.

Throughout most of its history Campbellsville College has carried on its program with very inadequate financial support. Although it has continued to find ways to meet its obligations and remained open, it has many urgent needs which cannot be presently met. Among these needs are building improvement, library expansion, and new equipment. Above all is the need to increase salaries of its personnel. Campbellsville College continues to pay salaries far below that of comparable

institutions, and it is a miracle that such qualified people continue to serve with these limited salaries.

The major portion of monies for Campbellsville College's operation continues to come from its students. To raise the tuition to a level which would relieve financial problems would place it above the reach of many of our finest young people. Having served on the board of trustees of Campbellsville College for eight years, I have felt something of the agony of the administration as they continue to provide such high quality education with such limited resources.

As we face the future we would hope that more people feel led to share their wealth with Campbellsville College to help ease its burden. However, it seems unlikely that in the near future this problem will be solved. This means that Campbellsville's only hope for the future is that God will continue to call dedicated men and women who are willing to accept small salaries in order to be a part of an institution which believes in the value of Christian education.

George R. Gaddie
