Twenty-Seventh Annual Session

**TAYLOR COUNTY
ASSOCIATION
OF
BAPTISTS**

KENTUCKY

1984

Rev. Marshall Black

We honor Rev. Marshall Black, a man who has been involved in Ministry since 1929, when he was licensed by his home church, Brunner's Chapel, while a student at Union College in Jackson, Tennessee.

His early preaching was in the local jail at the County Workhouse in Jackson.

He became pastor at Salt River Baptist Church, South District Association, in 1932, preaching two Sundays a month at no salary with the agreement that they would give \$100.00 that year to the Cooperative Program. He was later called to pastor the Deep Creek Baptist Church on the other two Sundays. Marshall pastored at Deep Creek for 16½ years, from 1937-1953.

Brother Black has the distinction of having served on the Constitution Committee when the Mercer County Association was formed out of the South District

Association in 1953 and on the Committee when the Taylor County Association was formed out of the Russell Creek Association in 1957.

He also served as the first Sunday School Superintendent of this association.

Brother Black was an approved State Sunday School worker while serving in South District, Mercer County, Russell Creek and Taylor County Association.

He worked in Sunday School Enlargement Campaigns in Atlanta, Georgia; New Orleans, Louisiana; St. Louis, Missouri; and Louisville, Kentucky with Roy Boatwright who for many years was "Mr. Sunday School" in Kentucky.

Brother Black pastored the Palestine Baptist Church from 1956-1966 during which time their beautiful new building was built, and he pastored at Good Hope from 1969-1978.

He preached before the Annual Association in 1962 while pastor at Palestine and again in 1976 while pastor at Good Hope. Having preached twice before this Association puts him in the illustrious company of D. L. Druen, J. Chester Badgett and L. M. Hamilton.

He has served on various committees of the association and served as the immediate past moderator presiding over the 1982 and 1983 Annual meetings.

Brother Black has served as a bi-vocational pastor throughout his years of ministry, serving in education as well as pastoring. He taught in schools in Mercer County, at Campbellsville College, and Taylor County. For three years before coming to Campbellsville College he was Minister of Education at Harrodsburg Baptist Church.

My grandfather used to praise his best horses by saying, "He works good anywhere you hitch him." I submit to you my friends that Marshall has served his Lord and his denomination well anywhere he was hitched.

Respectfully submitted,
Jerry Kibbons

motion to amend was carried after a second. The following was read as amended:

Each cooperating church shall be entitled to four messengers, one of whom shall be the pastor, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four messengers from each mission sponsored.

This Article was adopted as a change to Article 2 of the Constitution.

2. Article 5—Bro. Gaddie read the proposed Article change and moved that it be approved. This motion was duly seconded. Bro. This body shall, on meeting annually, elect by nomination and private ballot or raising of hand: Moderator, First Assistant Moderator; Second Assistant Moderator; Clerk; Assistant Clerk; Treasurer; Assistant Treasurer; and Auditor; whose duties shall be as custom imposes on their respective offices. The retiring Moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions. Quorum of the Executive Board consists of nine members.

This Article was adopted as a change to Article 7 of the Constitution.

4. Bro. Gaddie then moved that the words "member churches" be changed to "cooperating churches" in all articles in the Constitution. This motion was duly seconded. After a question as to the constitutionality of changing Article 4, the motion was approved.

In addition to the annual meeting, the body shall meet in a spring session for the purpose of electing officers for the following associational year.

(A proposed change in the By-Laws was not given at this time, but will be taken into consideration at the 1985 meeting:

The proposed change to By-Law 1 will be "Officers elected at the spring session shall assume their duties at the close of the last session of the fall meeting.")

- D. Long Range Planning Committee Chairman Bob Martin presented a list of fifteen (15) recommendations which that committee had given to the executive board in May of 1984. After a comprehensive explanation of the Director of Mission's duties, salary, and compensations plus an outline of the cost of establishing an office with a secretary, he made the following motion:

We move that we follow the recommendation of the executive board that we go forward in the employment of a part-time Director of Missions, the establishment of an Associational Office, the employment of a part-time secretary, and that we urge all of our churches in our association to give 2% of their undesignated funds to the associational work so that we might be able to support all of our mission program.

- E. Nominations were made for Kentucky Baptist Convention Executive Board Member. Bro. Bob Martin placed the name of Dr. James E. Jones in nomination. Bro. Don Gowin placed the name of Bro. Howard Beauman in nomination. Dr. Chester Badgett moved that nominations cease. This motion was duly seconded and carried. The presently elected Kentucky Baptist Convention Executive Board will elect one of these two men to serve as Taylor County Baptist Association's Executive Board Member.

- F. Bro. Jeremiah Cox, after some prefacing remarks moved that the associational financial year be changed to not coincide with the associational year, but run from September 1 through August 31. This would empower him to pay bills, etc., which came due during the time from the end of the regular associational year (July 31) until just before the annual session. He presently is forced to write checks without the authorization of the association as the budget has expired. This motion was seconded by Bro. Homer Kirtley. After discussion and an explanation that the Stewardship Chairman would provide for this in a motion at the time of the adoption of the budget, Bro. Gabriel Collett moved that this motion be tabled until after the adoption of the budget at the evening session. The motion carried after a second by Dr. Chester Badgett.

- G. Bro. Howard Beauman questioned whether the Constitution Revision Committee had considered the fact that our association had no guidelines as to accepting a church which had not been a mission and had set a precedent by admitting Eastside under the watchcare of the association the previous evening. The matter was referred to the existing Constitution Revision Committee.

- H. There being no further business, it was decided to adjourn by common consent.

34. Bro. Roger Alford, new pastor at Mt. Gilboa, dismissed the second session of the Taylor County Baptist Association with prayer.

CHURCH TRAINING REPORT

Church Training is a very important part of equipping Christians for service in the local church. It will affect our church organization by making our leadership more efficient and able to do what God has called us to do. Church Training offers help from the very beginning of a new Christian's life.

The first few weeks in the life of new converts is very important. I believe a new Christian needs to get a solid foundation right from the start. The Survival Kit for New Christians is a good way to get that new member grounded in the faith. I would urge each church to seriously consider using the Survival Kits in their ministry. There is also a sequel to the Survival Kit.

Church Training not only provides training for new Christians, but it also provides opportunities for all Christians to grow in discipleship. We all know about the quarterlies, but have you heard about...

Equipping Centers, which are short-term training courses?

Bible Drills for youth and children?

MasterLife, an in-depth discipleship course for adults?

Disciple Youth, a discipleship and evangelism course for youth?

These and other resources are the ways in which Church Training develops believers.

Let me share with you briefly now about what has already happened this year in Taylor County among our Church Training ministries. We had 77 in attendance this year at our "M" Night service. Also, we had 14 participants in our Children's Bible drill. 13 of these were associational winners. These went on to take part in the state drill, and 10 of our Taylor County children were state winners. I would also like to thank the parents and churches for their support of these children. In our associational drill we had our largest crowd in attendance. We had 87 people present.

This is what our churches were involved in this past year. May God richly continue to bless us in the ministry of Church Training in the years ahead.

Bro. Jim Collison

WOMAN'S MISSIONARY UNION REPORT

Bold Mission Thrust depends on increased missions support, involvement and knowledge. To help accomplish that increase Woman's Missionary Union has begun a nationwide enlistment campaign designed to double its membership by 1988, the centennial of the organization of Woman's Missionary Union, Auxiliary to the Southern Baptist Convention. "Each member enlist a member," will be emphasized. Persons not now enrolled will be reached in existing age-level organizations and in new age-level organization, organized to accommodate various life styles. The slogan for the enlistment emphasis is VISION 88.

Our associational Woman's Missionary Union has set a goal of 1,552 members by 1988. At present there are 806 members enrolled in Woman's Missionary Union in Taylor County Baptist Association.

The 1983-84 emphasis has been "Partnership in Prayer and Ministry." Each WMU has been urged to major on getting members involved in ministry through mission action, sustained and empowered by prayer, and involved in ministry of all missionaries through prayer.

There are 15 WMU's reporting through their church letters to Taylor County Association.

The associational WMU strives to strengthen each of these organizations through leadership training, providing resources, consultation, etc. Our goal is quality missions education in every church.

In July 1984, the Associational WMU along with the Associational Brotherhood, sponsored the annual family picnic which met at Pleasant Hill Baptist Church. Dr. Chester Badgett spoke to the gathering of approximately 75 people.

The new Executive Director for Kentucky Woman's Missionary Union is Miss Delores Gilliland. She will begin her tenure of service October 1, 1984.

Respectfully submitted,
Jane Fox

ASSOCIATIONAL YOUTH REPORT

1983-84 was a good year for Associational Youth Work. The Youth Committee, composed of Scott Wilkins, Joyce Graham, and myself, planned three activities for the year.

In February, an Associational Youth Lock-In was conducted at the Campbellsville College Athletic Center. Approximately 250-300 youth of our association participated in the activities. A great deal was learned at the lock-in which will continue as we plan future events.

A swimming party was scheduled for July 5th. This party had to be postponed due to rain and cool weather. It was rescheduled for a later date in July. Again it had to be called off due to cool weather.

The final event planned for our youth was a volley ball tournament. This event will be held Saturday, Sept. 29. I will contact each church concerning time and location.

I hope that we, as a committee, have shown our churches that we are serious about our associational youth program. This year's activities are just a foundation that we can continue to build upon in the future. We invite each church to become actively involved in our associational youth program as we strive to further provide for the youth of our association.

Respectfully submitted,
Chris Clarke

1984 MISSIONS COMMITTEE REPORT

Several of our churches were involved in mission work or activities during the associational year.

Campbellsville Baptist sent Dr. James Jones, pastor, and Al Hardy to Venezuela for a mission tour; voted to allow Acton Mission to become a constituted Southern Baptist Church; a group of laymen went to West Virginia to conduct VBS and backyard Bible classes; and the Youth Choir went on a mission tour to New Jersey.

Lynwood and Margaret Kessler served with the Home Mission Board in language missions. Dr. and Mrs. J. Chester Badgett returned to Campbellsville after his serving as pastor of the Bethel Baptist Church, an English speaking congregation, in Caracas, Venezuela, in cooperation with the Foreign Mission Board for approximately one year.

Elkhorn pastor, Rev. Jim Collison, and Saloma pastor, Rev. James Fox, and some men from each church went to Fleming, Kentucky, to help with cleanup after a flood.

Glenda Haynes and Melissa Jones from Lowell Avenue went to Erie, Pennsylvania for three and one-half weeks for a volunteer mission tour.

Pleasant Hill helped support Miss Leota Campbell, a missionary, in Mountain Missions in Yeager, West Virginia.

Robinson Creek sent Rev. Richard Reed, pastor to Erie, Pennsylvania for a revival and are planning to help sponsor a revival in Southern Illinois in October, 1984. Salem helped sponsor a revival in Erie, Pa. and conducted a remote VBS in Taylor County.

Jeff Smith, a student of Campbellsville College was selected to serve in the KOA Campground Ministry. A Worship Service was conducted at 9:00 A.M., each Sunday morning from Memorial Day weekend through Labor Day weekend.

In May, Taylor County Baptists experienced a World Missions Conference. It was the highlight of the year with nearly all of the churches participating. Our missions department worked long and hard hours planning for this highly successful event with total attendance for the week in all churches being 4,712. The speakers were excellent and each person who heard them has a better understanding of all missions.

The executive board voted upon this committee's recommendation to involve the association in the Ohio Partnership and the Kenya Linkage to the extent each church wanted or felt led to be involved. This committee recommended that a W.M.U. and Brotherhood representative be on the Mission Committee next year in order to have better overall representation.

We commend the churches that have planned and that are in the process of carrying out their plans to get involved in Missions. It is our prayer that many will hear God's Call and respond to it to serve in Associational, State, Home, and Foreign Missions; not forgetting that Taylor County is a great mission field for each of us and that each Christian has a great PERSONAL responsibility and opportunity as the Holy Spirit leads.

1984 KOA CAMPGROUND MINISTRY REPORT

Over the fifteen week period from Memorial Day to Labor Day in September, there was an average attendance at the Green River KOA Campground of 15 people per Sunday, with a total attendance of 232 for the summer. Attendance highs naturally fell on major holiday weekends. This year's average attendance remained the same as last year's.

The KOA Mission work proved rewarding and fruitful. Saturdays were spent going campsite to campsite visiting with and witnessing to the campers. Sunday morning messages focused on salvation and discipleship, and the guitar added much to the song service. I was encouraged each week by the responses of the people, and although there were no conversions to belief in Jesus Christ, there were many affirmations to that belief.

REPORT ON PUBLICATIONS

At a time when most magazine and newspaper articles stress the ugly side of life, it is refreshing to know that we have Southern Baptist publications that stress the spiritual side.

In II Cor. 2:14 Paul says, "Thanks be to God who through us spreads the fragrance of the knowledge of Him everywhere." I believe that Southern Baptists are taking literally Paul's prayer of thanks and are spreading this knowledge through Christian publications.

In my limited time I would like to mention briefly the characteristics of a few.

Open Windows is a Southern Baptist guide for personal devotions. The reading if followed will take you through the entire Bible. It also contains a missionary prayer calendar in which all missionaries and their birthdays are listed.

Home Life is a Christian family magazine. It is geared to help couples as they build a Christian home life together and rear their children in a spiritual atmosphere. It includes Family Bible Study and Family Worship.

Mature Living meets the need of senior adults. It stresses ways for older people to handle depression, traveling, exercise, or other spiritual occupations. It contains short stories and other interesting reading.

The Commission is the magazine of the Foreign Missions Board. This magazine tells what Baptist missionaries are doing around the world. The October-November issue reports on how Baptists are faring in Nicaragua, El Salvador and Honduras.

The publication that we are most familiar with is **Western Recorder** which has been in existence as such since 1851. It is a reliable source of information on what Baptists believe and what Baptists are doing in Kentucky and throughout the Southern Baptist Convention. The major news this year is the coming of the new editor, Dr. Jack Sanford who replaces C. R. Daley, the editor for twenty-seven years. The back page is special for church, college or associational news. 60 churches are now using this space.

Ruby Curry

REPORT ON STEWARDSHIP/COOPERATIVE PROGRAM

This year's Stewardship emphasis is called, "Give Boldly: Demonstrating My Growing Commitment." Developing Christian stewards is not an option but an imperative if Bold Mission Thrust is to be a reality. "GIVE BOLDLY" includes stewardship development, Cooperative Program Promotion and Endowment and Capital Giving. Through this emphasis, it is hoped that church members will grow in their awareness of opportunities for ministries at home and around the world and in their commitment to the Lordship of Jesus Christ.

As Associational Stewardship Chairman, I would share three items that would be helpful in magnifying giving through the local congregation.

- *The Church Stewardship Committee planbook is available for churches wishing to thoroughly plan a stewardship development program. This planbook, the filmstrip AV-2, the Church Stewardship Committee, and the video tape, the **Values of a Church Stewardship Committee** provide adequate resources for training this committee.
- ***The Stewardship Standard** is a guide for evaluating and planning stewardship activities and emphases that will help members in their spiritual development. The Stewardship Standard may be acquired from Jesse Stricker in the stewardship office to help strengthen stewardship development and mission support in each church.
- *Christian Stewardship in Action. This stewardship study course book is a "how-to" for stewardship leaders in the church. It covers leadership responsibilities through stewardship education, mission support, budgeting, and accounting of funds received.

PLANNED GROWTH IN GIVING

Recently you may have been hearing a lot about "Planned Growth In Giving." Planned Growth in Giving is a 15-year, 1985-2000, growth-in-giving plan. The growth plan is simple. Each individual/family is encouraged to adopt for each of the years a bitesize growth in the percentage of their income given through their churches. Each year's goal should be attainable, and at the same time, be a significant step toward the 15-year growth target.

Churches are asked to outline and adopt a similar 15-year, 15 step growth plan for their support of associational missions and a 15-year set plan of percentage increase of the church income given to missions through the Cooperative Program.

The same 15-year, 15 step pattern is recommended for state conventions in dividing funds with the Southern Baptist Convention's Cooperative Program and by the Southern Baptist Convention in reaching the adopted goal of 75% of Cooperative Program funds for the two mission boards.

Brother Gabriel Collett is our Associational Planned Growth in Giving Chairman and he will be contacting you in the future about an informative rally and other important facts.

Rev. Howard Beauman

EVANGELISM REPORT 1983-84

Kentucky Baptist churches reported a total of 17,595 baptisms for 1984. This represents a loss of 1,559 compared to 1983. This is the third consecutive year there has been a drop in Kentucky baptisms. Comparing this year's baptisms with that of 1981, there is a numerical loss of 3,699.

There is one baptism for every 42.9 Kentucky Baptist members. In Taylor County Association the figure is only minutely lower—42.3.

Total baptisms in our association this year was 169. This is an increase of 23 from last year's total of 146.

Taylor County Baptists participated in four Evangelism Rallies. These meetings were hosted by different churches within the association. Palestine Baptist Church also hosted an Evangelism Seminar on March 5. This meeting was led by Dr. Tal Bonham, Exec. Secretary of Ohio Baptists.

During this next year we will enter the third step of a four-year Evangelism strategy promoted by the State Evangelism Department.

1983—Year of prayer for Spiritual Awakening

1984—Year of Lay Witness Evangelism

1985—Year of Preparation for Simultaneous Revivals

1986—Year of Evangelism (This will include simultaneous revivals and other events.)

During the February meeting of the Executive Board, it was decided that we would lead the Taylor County Association of Baptists to support this Simultaneous Revival effort during the week of April 13-20, 1986. This Revival effort will have state-wide participation April 6-27, 1986.

The KBC's Evangelism Department reports the following major events took place last year.

Mid-Continent Bible College in Mayfield and Carlisle Avenue Baptist Church of Louisville each hosted a **Growing An Evangelistic Church** seminar. The Mayfield seminar was led by Jay Brown and Fred Halbrooks. Frank Crumpler, Bob Crumpler, and Bob Campbell led in Louisville.

Twelve area Evangelism Conferences were conducted, the closest one being hosted by the Campbellsville Baptist Church. Conference subjects were: **Women and Family Evangelism, Laymen in Evangelism, Resources for Evangelism, and the Survival Kit.**

The State Evangelism Conference was hosted by the Walnut Street Baptist Church of Louisville. In spite of the worst snow and ice storm of the winter, interest was high and many came to hear great, inspirational preaching, including that of Dr. James T. Draper, then President of the Southern Baptist Convention.

The State Youth Evangelism Conference was at Highview Baptist Church in Louisville. Three college groups presented a major portion of the program.

It is both the prayer and concern of the Evangelism Committee that pastors,

staff, and churches will greatly involve themselves with Events of Evangelism at both the State and Associational level in order that we may have the best year in Evangelism that we have ever enjoyed.

BENEVOLENT INSTITUTION REPORT

Our Baptist Homes for Children is a giving ministry to children and families which is dear and close to the heart of God. Baptists have been providing special care to dependent, neglected, deprived, hurting children throughout the years. This ministry to children continues as a strong and vital part of Kentucky life. This past year's offering totaled \$614,330. Although an excellent offering, it fell \$10,000 under last year.

Our ministry to children includes caring for the physical, emotional, social, educational, and spiritual needs. Much of the work cannot be reported with statistics, but for that which can, here are some of the highlights:

Inquiries for help—612 families representing 716 children.

Children actually served—407

Unmarried, pregnant girls—45

Placed for adoption—10 infants

Foster Home placement—54 including 15 infants

Emergency temporary shelters—2 provided care for 106 youth

Children's homes—Spring Meadows-84 children; Glendale-104

(Both these homes have a capacity of 60 children at one time.)

Youth involvement in church and church related activities is high. Statistics for this year include 17 baptisms, 33 other professions of faith, 7 transfers of letters, and 30 rededications.

Your Kentucky Baptist Children's homes strive to provide a ministry to children which honors God.

The Healing ministry is provided through four hospitals and several other clinics and agencies.

Central Baptist Hospital in Lexington reports that 18,837 persons were admitted, 24,959 received outpatient treatment, there were 9,101 surgeries performed and that 2,835 babies were born.

Highlands Baptist Hospital in Louisville admitted 5,892, handled 13,984 outpatients, performed 1,716 surgeries, and had over 100,000 Laboratory and X-Ray procedures.

Baptist Hospital East in Louisville reported as follows: Admissions-15,431, Outpatient visits-46,837, Surgeries-6,787, X-Ray and Laboratory procedures-over 200,000.

Western Baptist Hospital in Paducah is adding 48 beds in a \$9.6 million building project. It reported 13,670 admissions with 100,960 patient days of care.

CHRISTIAN LIFE COMMITTEE REPORT

On April 9, 1984, a committee from the Taylor County Baptist Association, composed of Bro. Don Gowin, Bro. Howard Beauman, Bro. Bob Martin, and Homer Kirtley, met with Bro. Gary Stringer, representing the Marion County Ministerial Association. The meeting concerned the proposed night club near the Marion/Taylor County line.

Due to the efforts of the Marion County Ministerial Association, an application for a retail beer license by Keyesen, Inc. was refused by the Marion County Administrator. The application was taken to the Kentucky Alcoholic Beverage Control Board in Frankfort, Kentucky, for review on May 14, 1984.

In our meeting with Bro. Gary Stringer we learned that the Lebanon Baptist Church, in a large measure, was fighting a battle in the interest of Taylor County. We learned also, that they were in need of funds to continue the litigation against issuance of a retail beer license to Keyesen, Inc.

At the Executive Board Meeting on April 4, 1984, this committee recommended that we contribute \$500.00 to the Marion County Ministerial Association which was approved.

We are happy to report that the Kentucky Alcoholic Beverage Control Board refused to issue the license.

Respectfully submitted,
Homer R. Kirtley

REPORT ON CHRISTIAN EDUCATION **"Go Ye...Teach all Nations..."**

Over 70 educational institutions sponsored by the Southern Baptist Convention and individual state Baptist conventions are committed to Christian witness.

A part of the human resource related to these institutions are more than 6,000 teachers and administrators and over 184,000 students who are working and studying in our Southern Baptist Seminaries, colleges and schools.

Located within our state is one of the six Southern Baptist seminaries, Southern Baptist Theological Seminary located in Louisville, Roy L. Honeycutt, President. We have three senior Baptist colleges: Campbellsville College, W.R. Davenport, president, Campbellsville; Cumberland College, James H. Taylor, president, Williamsburg; Georgetown College, Morgan Patterson, president, Georgetown. We also have an adult Bible school, Clear Creek Baptist School, Leon A. Simpson, president, Pineville; and we have one institute, Oneida Baptist Institute, Barkley M. Moore, president, Oneida.

Write to the institution in care of the president if you would like any details or if you are planning to visit or attend one of these educational institutions.

Each year, the third Sunday in February is set aside on the Kentucky Baptist Convention calendar as BAPTIST SEMINARY, COLLEGE AND SCHOOL DAY.

CHECK IT OUT

One of the most popular myths circulating around Southern Baptist circles today is the typical Southern Baptist college-bound student cannot afford to attend a Southern Baptist college. That is just not true.

One cannot deny the tuition and fees listed for state-supported institutions are generally lower than those at Baptist colleges, but **THOSE FIGURES DO NOT TELL THE ENTIRE STORY.**

FINANCIAL AID TIPS

1. Start early. Contact the Financial Aid Office as soon as you have decided on the college, and ask them for all forms and information about grants, loans, jobs, and institutional scholarships.
2. Remember to file a Need Analysis Form. There are many versions of this form and you should check with the school you are interested in attending to see what is required. This Needs Analysis Form is important because it determines the family contribution which is expected from all students.
3. Check all sources. Be sure to check with your high school guidance counselor, your state Baptist convention, local Baptist association, pastor, local civic clubs and other organizations about any financial aid programs they might be aware of or offer.

4. Ask about special programs. Many Baptist colleges offer financial aid programs to sons and daughters of Baptist ministers, and to students preparing for church-related vocations. Also special scholarships are sometimes available for active RA's and Acteens. Some Baptist colleges offer special scholarships for children of alumni. Check with the school's financial aid office.

KENTUCKY BAPTIST SCHOLARSHIP FUND

On May 7th, 1972, the Executive Board established the KENTUCKY BAPTIST SCHOLARSHIP FUND to assist Baptist students who wished to attend Campbellsville, Cumberland or Georgetown. For further information concerning qualifications for receiving one of these scholarships, please contact Jesse C. Stricker, Director of Promotion.

DIRECT MISSIONS REPORT

The Direct Missions Department of the Kentucky Baptist Convention assists in doing mission work throughout the state. The personnel to call for assistance are Robert Jones, Department Director, or Ross Figart, Mountain Missions Director.

The Direct Missions Department also organized volunteers workers in the ministry of the Kentucky-Ohio Partnership, in sending volunteer to help the smaller churches of Kentucky as well as preparation for the overseas Partnership between Kentucky Baptists and the Kenya Baptist Convention.

The work of Interfaith Witness has been transferred from the Evangelism Department to the Direct Missions Department, where efforts are being made to strengthen and enlarge the work of informing Baptists about cult groups and how we can render an effective witness to them.

David L. Turner

HOME MISSIONS REPORT

Our own country is a great and challenging mission field with approximately 60% of our population appearing to be lost, as well as people from 200 different ethnic groups now calling the United States home.

We are in the midst of a large surge by cults and sects, almost 1500 in number, actively seeking disciples in our country. Other countries are sending their own missionaries into the U.S. one such country is Saudia Arabia. They are investing millions of dollars annually hoping to make Islam a viable religion in America. There are over 500 counties in America without any Southern Baptist witness.

The Home Mission Board is attempting to meet these challenges. They are supporting 3,700 mission personnel, and 46,000 volunteers who are working in all 50 states, Puerto Rico, American Samoa, Canada, and the American Virgin Islands. Both of these numbers of workers are greater than last year.

The workers and work of Home Missions need our faithful prayers and financial support. Let us see the need and supply the support.

David L. Turner

REPORT ON FOREIGN MISSIONS

More than 3,300 mission personnel are serving in 102 countries, an increase from 96 last year. These missionaries proclaim the gospel and assist in starting new churches.

Last year brought increases in our Foreign Mission program. These increases are:

- 1) Baptisms totaled 146,149
- 2) An average of 27 churches were started each week.
- 3) The total number of churches overseas is now 13,586
- 4) Total missionaries serving the field is 3,346.

Our Foreign Mission Board is focusing on four major concerns: 1) Winning the world's cities; 2) Concentrating on establishing churches; 3) Accelerating training for/by missionaries and national leaders; 4) Building relationships which intensify cooperation and partnership in missions.
