IN MEMORIAM REPORT
1986-1987

No one understands the loss of a father, mother, son, daughter, brother, sister, spouse, or friend unless they have experienced their leaving and the vacancy it brings.

Leaders have been taken from our homes, churches, communities, and all walks of life. Their loss can be understood only by faith in God and the acceptance of His sovereignty. Sometimes it seems as the poet said,

"Trials dark on every hand,
And we cannot understand
All the ways that God would lead us
To that blessed promised land."

The greatest consolation we have is that blessed hope that they have gone on to be with the Lord and to be in that "city whose builder and maker is God." (Hebrews 11:10) Please be reminded that for a Christian "to die is gain."

Jesus said, "In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." (John 14:2, 3)

ASSOCIATIONAL AND STATE MISSIONS REPORT DIRECTORS OF MISSIONS REPORT 1

We had a good session at the Annual Meeting last year because the Spirit of the Lord was present.

I had several meetings with associational leadership, mostly with the Media Committee and thier involvement with making the Baptist Telecommunications Network available to the churches. Other meetings involved promoting the work of the Southern Baptist Convention ("Good News, Kenya, God Loves You"), Kentucky Baptist Convention, and Taylor County Baptist Association. My endeavor was to carry out the job description in spirit and action. I saw the association in transition as it was adjusting to its program under the direction of a Director of Missions. Many things were accomplished because the pastors and churches were cooperative. More things were made available because of the equipping of the office. The Western Recorder page related the outreach availability of the office.

To give statistics would be repetitious. I did work closeley with Acton (supply work during Bro. Hamilton's illness), Eastside (assisting in building program), and Saloma (assisting with securing pastor). I also assisted in getting two \$400 checks as gifts from the Kentucky Baptist Convention to Bro. Fox.

I am well pleased that Bro. Beard is your new Director of Missions and am well pleased at the good job he is doing.

Respectfully submitted,

Henry T. Parrott

DIRECTORS OF MISSIONS REPORT 2

It has been a real joy to work with our churches, pastors, organizational leaders, Executive Board, and Missions Committee. There is a fine spirit of cooperation and unity among our people in the association. We are happy to have our missionaries to come to our churches the first week of May, 1988, to give their report and to instruct and challenge us concerning world missions.

Our participation in the Baptist Telecommunications Network is going to provide a great tool of information and ministry. During the past five months, I have had the privilege of preaching in ten of our churches, meeting with mission organizations, and reporting on the Lord's work in Taylor County.

I have worked with several pulpit committees in way of providing information and with pastors who are seeking churches. Calls and opportunities to assist churches are continuing to increase.

The new year needs to be of continued emphasis in the Sunday School and outreach, on soul-winning and evangelism, to be followed by increased follow-up in training. May this year of emphasis on the use and ministry of the laity be one of expansion and growth in all of the Lord's work in Taylor County Association.

Respectfully submitted,

Bill Beard, Director of Missions

DIRECT (STATE) MISSIONS REPORT

The Direct Missions Department of the Kentucky Baptist Convention is that department which assists in doing missions work throughout the state. This department relates particularly closely to associational work; assisting Directors of Missions in training and in performing their job functions.

The many different kinds of missions in Kentucky assisted by Direct Missions include language missions, Christian social ministries, student summer mission workers, literacy training, interfaith witness, special needs ministries, work with deaf, resort ministries, and help to young ministers as they prepare for the ministry by providing guidance personnel at the Kentucky Baptist colleges and schools.

The Kentucky-Ohio Partnership and the Kentucky-Kenya Partnership, both in their final stages and beginning to "wind-down," are under the direction of this department. Hopefully, particularly in Ohio, churches and associations will continue to participate with link-ups which they have already established.

This climactic year with Kenya will see approximately five hundred people go from Kentucky to assist primarily in revival meetings throughout that country. This partnership has been a great blessing to participating Kentuckians, as well as for Kenyans. We pray that a harvest will continue to be reaped for many years to come as a result of the seeds sown during this partnership emphasis. Eleven people from Taylor County have already gone to Kenya, and three more will be leaving shortly to serve there on a brief mission tour.

One of the goals of the Direct Missions Department is to lead into starting four hundred new congregations between 1985 and 1990. Last year, thirty-five new churches, missions, and preaching points came into existence. This is perhaps the most conservative effort Baptists have put forth in starting a new work in the history of the Kentucky Baptist Convention.

Respectfully submitted,

Bill Beard

HOME MISSIONS REPORT

The Home Missions Board works with various state conventions in providing financial assistance and resources to help do mission work throughout the United States. Taylor County Baptists contributed \$12,510 this past year to help support this great diversity of work. Just under four thousand Home Mission Board personnel witness in eighty-seven different languages and dialects in personal evangelism, Christian social ministries, language missions, and black church relations throughout the Southern Baptist Convention.

The Home Mission Board works in twelve different major programs, but works through state conventions. In Kentucky, this work includes rural urban missions, black church relations, church extension, evangelism, interfaith witness, language missions, metropolitan missions, and special missions ministries. Of the nearly 50,000 volunteers coordinated through the Home Mission Board projects, many found their way to Kentucky to assist in various programs such as working on the church buildings of small, new, or struggling congregations.

The kinds of work assisted by the Home Mission Board reaches all geographic areas of Kentucky. This work includes feeding the hungry in the inner city, working with the homeless, helping those who are involved with drugs, counseling, clothing and food closets, literacy programs, juvenile delinquents, alcoholics, etc. The Board works through the state convention in providing assistance in the mountain regions and rural areas.

Weekday ministries occur in areas where people have been unresponsive to the traditional ways of the gospel.

The Home Mission Board provides training for Directors of Missions in Atlanta, Ridgecrest, Glorieta, as well as training events within the state. In each situation, coordination is done through and with the local state convention.

Many events which will happen in Kentucky next year may not be identified with the Home Mission Board, since they work in conjunction with the Kentucky Baptist Convention. However, we invite all Kentucky Baptists to participate in these many programs that give expression to reaching people for Christ.

Respectfully submitted,

Glen Canada

FOREIGN MISSIONS REPORT

The Foreign Mission Board reported that at the end of 1986, the work of 3,756 missionaries in 108 countries underscored the commitment of Southern Baptists as a missions people. The 411 missionary appointments during 1986 were second highest to date. More significantly, it was a record year for appointments of career missionaries, 256.

In addition to the missionary force, 6,245 volunteers, special assignment persons, and Mission Service Corps personnel worked with missionaries and national Christians in evangelism, construction, and hunger and disaster relief projects. Despite record numbers of appointments, personnel needs continued to go unmet.

Evangelism that results in churches is a basic principle of our foreign mission work. Baptisms totaled 185,689, an all-time high. There were twenty new churches started each week. Organized churches number 16,699 with another 18,534 missions having a cumulative membership of more than two million.

The evangelistic efforts of Kenyans, missionaries, and Southern Baptist Volunteers produced good results in Kenya. The volunteers from Kentucky have done a tremendous job in personal evangelism. The gospel is being accepted among tribes that heretofore have been very difficult to reach. This is truly "Harvest Time in Kenya."

The Foreign Mission Board entered into agreement with the Home Mission Board, Sunday School Board, Women's Missionary Union, and Brotherhood Commission for a unified missions education plan for Southern Baptist Churches.

The field is white unto harvest. Continue to pray that the Lord of the harvest will continue to call the missionaries needed on the field.

Respectfully submitted,

Liz Shaw

SUNDAY SCHOOL REPORT

We must never forget that Sunday School continues to be the major way to reach people for Christ and His church. However, the statistics for this year in overall gain are not good, especially when we look at the Taylor County record.

Our ASSIST team led the Vacation Bible School Clinic with a total of seventy-four in enrollment. Only fourteen of the twenty churches were represented in the two night clinics. The same team also led in Preparation Week Conferences with an enrollment of sixty-nine. Also, thirty-two people from eight churches participated in an Associational Pastor/Sunday School Council Planning Workshop.

We are down in Sunday School enrolment a total of two hundred twelve this year from last. In one of the most important statistics, average attendance, we are down by sixty-eight. The total Sunday School enrollment stands at 4,328 with average attendance of 2,184. Eight churches showed an increase in enrolment, but only four showed an increase in average attendance.

Since we did not reach last year's challenge goal of a 5 % increase, this year our challenge goal is an increase of 10 %, bringing our total enrolment to 4,760 for 1988.

Respectfully submitted,

Don Gowin, Sunday School Chairman

VACATION BIBLE SCHOOL REPORT

The note of joy and praise in the Vacation Bible School report is that in 1987 we had 100 % participation by the churches of Taylor County. However, our total enrolment was down by twenty-one from last year. Vacation Bible School enrolment was 1,899. An inclusion of Missions and Back Yard Bible Clubs brings the overall total to 2,013. Praise the Lord for the sixty-three professions of faith.

Seventy-four workers were trained in the Vacation Bible School Clinics.

Let us continue to strive for 100 % participation by our churches in Vacation Bible School.

Respectfully submitted,

Don Gowin, Sunday School Chairman

CHURCH TRAINING REPORT

Church Training is discipleship training. We get our mandate from Matthew 28:20 and Ephesians 4:11-13.

Fourteen of our churches have a Church Training program with a total enrolment of nine hundred eighteen. Three churches have used modules from the Equipping Center, four have used Survival Kits for new Christians, three have had MasterLife Discipleship Training, while others have used the improved quarterlies and kits.

Now, through Baptist Telecommunications Network (BTN), there is a multitude of outstanding training programs that may be obtained at the associational office. A VCR may be also borrowed there, if needed. Plan to use these if you want to excite and inspire your people.

This year our association had eleven children from Campbellsville, Mt. Gilboa, and Good Hope who participated in the Associational Children's Bible Drill. Six of these qualified for the State Bible Drill. Few experiences are more lastingly meaningful for children.

Our "M" Night was held at Good Hope with Don Atkinson bringing an outstanding message on the ministry of the laity.

Any church needing help in starting a new Church Training program or strengthening an existing one may feel free to call on me or the Church Training Director in Middletown (502-245-4101).

Respectfully submitted,

L. D. Kennedy
Church Training Chairman

WOMEN'S MISSIONARY UNION REPORT

The objective of Women's Missionary Union is to promote Christian missions through the organizations of Women's Missionary Union in the churches of the association.

The Associational W. M. U. has these objectives: (1) Calls the churches to be on mission. (2) Provides resources and services to churches and W. M. U. leaders. (3) Trains, develops, and encourages church and associational leaders. (4) Provides opportunities for working together in missions, ministry, growth, and evangelism. (5) Establishes and maintains appropriate communications and relationships with the community and the denomination.

The 1986-1987 emphasis, "Gifted to Serve--Called to Act," challenged members to recognize their giftedness and to put those gifts into action.

Enlistment in quality missions education through W. M. U. organizations remains a major objective. Our associational W. M. U. has achieved a membership of eight hundred thirty-three in sixteen churches.

The churches of Taylor County Association gave through the 1986-1987 special missions offerings as follows:

Eliza Broadus (State Missions)	\$ 7,496
Annie Armstrong Easter (Home Missions)	\$ 12,414
Lottie Moon Christmas (Foreign Missions)	\$ 30,518
Total Missions Gifts	\$ 50,428

Delores "Dee" Gilliland and the staff of Kentucky W. M. U. are available to assist our association. In February of this year, Brenda Price, Kentucky Girls in Action Consultant, and Anna Mary Byrdwell, Kentucky Baptist Women and Baptist Young Women Consultant, led us in a leadership training session with a total of fifty-eight in attendance.

In addition to our quarterly meetings, a Prayer Retreat was held on June 26. We are looking toward the celebration of one hundred years of Women's Missionary Union in May of 1988.

Respectfully submitted,

Liz Shaw, W. M. U. Director

BROTHERHOOD REPORT

The purpose of associational and state Brotherhood work is to promote the missions education and action of Royal Ambassadors, grades one through twelve, and Baptist Men, ages eighteen and up. The Brotherhood involves itself in specialized activities such as camps, track meets, conclaves, and congresses for Royal Ambassadors; and disaster relief, lay-led revivals, lay renewal, laity abroad, and Baptist Builders for Baptist Men. Our Kentucky Brotherhood is entering its fifth consecutive year of growth with a total of 24,967 men and boys enrolled in its program.

The Taylor County Baptist Associational Brotherhood, with its leadership of Willard Wise, as Brotherhood Director, and Glen Canada, as Royal Ambassador Director, has an enrolment of 438 including Royal Ambassadors and Baptist Men in fourteen churches.

The Brotherhood activities and involvement for the year have been as follows: Royal Ambassador Swim and Gym Fellowship--153; Associational Track Meet--130; State Pioneer Track Meet, Cedarmore--9; Pioneer Conclave, Cedarmore (night before Track Meet)--9; Royal Ambassador Congress--17; 1986 Brotherhood Convention, Owensboro--4; Associational Cooperative Program Prayer Breakfast--21; and Regional Training--2. Also Taylor County promoted the State and Associational Royal Ambassador Camps.

Beginning in October, Brotherhood will be reorganized into "Lad," "Crusader," and "Pioneer" Royal Ambassadors for grades one through nine, High School Baptist Young Men for Grades ten through twelve, and Baptist Men. This new organizational structure will involve new materials, magazines, and leadership helps designed to further strengthen the church and develop a deeper sense of flexibility in their mission education of men and boys. Each association is challenged to have trained leadership to help the local church in this reorganization.

Also, beginning next year, the state Brotherhood Department in cooperation with the Church Training, Evangelism, and Women's Missionary Union, will be promoting the "Year of the Laity," designed to promote the strengthening of laity in training, evangelism, and missions.

Those of you in Baptist Men and Royal Ambassador leadership not receiving the Brotherhood communication piece, "COMMISSIONS" need to contact the associational office.

Respectfully submitted.

Glen Canada, Royal Ambassador Director

MUSIC REPORT

Literally hundreds of Kentucky Baptist Churches reported sending out "Musicians on Missions" during this year. They have taken the message of Christ through music from two hundred fifty-seven churches to two hundred ninety-four public nonchurch locations, going even to the state capitol building. They have Christmas Caroled in Kentucky, Ohio, Kenya, and many other places. Their musical witnessing has involved 16,091 persons. Taylor County Association reported five churches conducting Choral Witnessing Projects involving one hundred sixty-seven persons.

Our association held one of the sixty-five Shoptalks in Kentucky in which this emphasis of "Musicians on Missions" exerted a strong influence that led leaders to report such a fine musical witness during this year.

Taylor County Association was active in several events including Accompanist Appreciation Day, Music Reading Clinics, and Associational Choir. Our churches also took part in Regional Music Festivals and Camps. We also had the opportunity to participate in several outstanding State Projects including the Foreign Mission Appointment Service Choir and Orchestra.

Churches in our association reported an enrollment of eight hundred thirteen persons from twenty churches this year. This represents a loss of 12.9 % from 1986. There were slight losses in most areas, but the greatest loss (40.2 %) was in music leadership. Older Children's and Handbell Choirs showed increases in enrollment.

I hope to see our Music Leadership enrollment rise in the coming months. I believe we will see growth as a result of leadership.

Respectfully submitted,

Lisa Gupton, Music Chairman

MISSIONS COMMITTEE REPORT

The most important thing that has happened in Associational Missions this past year has been the resignation of Bro. Henry T. Parrott as Director of Missions and the call of Bro. William R. Beard to replace him.

We are fortunate to have had a person with experience in Associational Missions to help set up a program and to get us off to a good start. We are also fortunate to have such a man of experience and ability as Bro. Beard to lead us in our Mission Program.

There was a slight increase in Cooperative Program and Total Mission Gifts this year, but our Associational Missions Gifts are not only below last year, but are below budget. The Missions Committee recommended, and the Executive Board approved that a letter be sent to all churches asking them to consider increasing Associational Missions by one-half of one percent. Several churches have decided to do that, and we hope that others will follow suit. We have a good program, and it deserves our support.

We can hope and pray that we will soon be in position to get involved in more mission projects. One important event planned for this year is the World Missions Conference. We pray that each and every church in the association will participate.

Respectfully submitted,

George R. Gaddie

EVANGELISM COMMITTEE REPORT

Last year's church letters revealed that baptisms by Kentucky Baptist churches increased 1,194 over the previous year. When the 16,769 baptisms were compared to the resident membership total, it revealed that it took forty-five Kentucky Baptists to win one new convert.

One hundred forty people were baptized in our association last year--twenty-six fewer (15.7 % fewer) than in 1986. Association-wide, it took fifty-three and one-half of us to produce one baptism. Eastside had the best ratio with 5.6 members per baptism with Elkhorn, Mt. Gilboa, and South Campbellsville requiring under thirty members per baptism. Sixteen churches reported at least one baptism.

We had four Associational Evangelism Rallies this year, with excellent speakers who challenged us to reach the unsaved. We will have four more this coming year, and all our people are urged to participate.

Several of our churches were represented at the State Evangelism Rally In February, and at least seven churches sent youth and their leaders to the State Youth Evangelism Conference in June. Make certain to include these events in your church's life this coming year.

Your Evangelism Committee is presently working with Campbellsville College personnel to identify unsaved students. These names will be made available to churches which desire them.

Our churches are urged to observe Witness Commitment Day on or about January 10, 1988, and to gather information and make plans this year to join the Home Mission Board in the October 1988-September 1989 "Year of the Laity in Evangelism and Discipleship" campaign.

To make your church revitalized, make the commitment to find the spiritually lost and confront them periodically, patiently, and prayerfully with their need for salvation. The Holy Spirit will do His part, and the presence of new babes in Christ will bring your church a variety of blessings. Also, remember that evangelism-minded Sunday School classes should be an important part of your church's total program for reaching the unsaved.

Respectfully submitted,

Mike Moynahan, Chairman
Paul Pike
Larry Parrish

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The Stewardship Committee has been emphasizing reaching the world with the proclamation of the gospel by the year 2000. The theme for the coming year is "Share His Word--Give," which comes from Isaiah 55:10 and 11.

The Cooperative Program means reaching people and touching the world. As we increase our gifts, the reach is extended and more people are touched.

Taylor County Baptists should be grateful for the steady increase in giving. Ten years ago, 1977, total receipts were \$827,586--this year, 1987, \$1,939,022. Cooperative Program gifts were \$127,727 in 1977, \$282,026 in 1987, with all churches participating. Our gain in total receipts in 1987 over 1986 was \$185,426, but our increase in Cooperative Program giving was only \$418.

Total mission gifts in 1987 were \$474,421. This is 24 1/2 percent of total receipts. We spent \$1,464,736 at home with 27 percent of that total going for staff salaries.

The association gave 19.2 percent of undesignated offerings through the Cooperative Program.

I want to commend some churches for outstanding achievement. Campbellsville gave \$221,876 to all mission causes, with \$129,208 through the Cooperative Program. This is the largest amount ever contributed. Pleasant Hill gave 27 % through the Cooperative Program, Palestine gave 26 %, and Campbellsville gave 25 %.

The churches with the highest percentage of gifts to all mission causes are Good Hope with 34.7 %, Pleasant Hill with 34.4 %, Palestine with 33.5 %, Mt. Gilboa with 32.1 %, Friendship with 29.5 % and Campbellsville with 28.2 %

Eastside, new in our association, seems to be off to an excellent start. Even with a limited amount of tithes and offerings, the record shows that this church contributed to all causes sponsored by this association and Kentucky Baptists.

This last item needs our prayerful consideration. An increase in gifts did not produce an increase in baptisms. We spent \$10,347 at home per baptism.

Respectfully submitted,

Homer R. Kirtley

MEDIA COMMITTEE REPORT

Media is the plural for medium, another word for "something through which information is passed."

In our work the Western Recorder, our Baptist State Paper, comes to mind. It is the medium through which state and convention wide information comes to us. Statistics show that nine (9) churches have the state paper in their budgets.

A total of ten (10) churches have a media library--books, films, periodicals, etc.

In addition to these above statistics, Campbellsville broadcasts its services weekly on WGRB (Channel 34). Campbellsville and Pleasant Hill have their services aired on the ACTS network (Channel 23) on cable.

South Campbellsville has been on radio since 1948. It and Campbellsville have weekly radio broadcasts. Campbellsville is active in the ACTS network and, along with the association, subscribes to Baptist Telecommunications Network (BTN).

CHRISTIAN EDUCATION REPORT

Christian Education began with Jesus who identified himself as a Teacher. Some type of Christian education has been going on since Jesus was here in the flesh. The early Baptist settlers who came to Kentucky arrived convinced of the need for Christian education. They founded a Baptist college before they formed a convention.

The commitment of Kentucky Baptists to Christian education is shown in the fact that twenty-four cents out of every Cooperative Program dollar goes to support our schools. This is the largest allocation for any cause supported by Kentucky Baptists. Due to the number of schools Kentucky Baptists support, this is still not enough for their needs. As individuals and churches, we need to offer additional support.

Let us renew our commitment to these schools:

Campbellsville College which lies in the geographic center of Kentucky--W. R. Davenport, President.

Cumberland College in the southern part of the mountains of Eastern Kentucky--James H. Taylor, President.

Georgetown College located in the Bluegrass section of Kentucky--Morgan Patterson, President.

Clear Creek Baptist Bible College, Pineville, in a mountain valley where the two forks of Clear Creek meet--Leon Simpson, President.

Oneida Baptist Institute, a coeducational boarding school serving grades 6-12, in the heart of the Cumberland Mountains--Barclay M. Moore, President.

RESOLUTIONS COMMITTEE REPORT

1. Be it resolved that we express our gratitude to the host churches, Eastside and Pleasant Hill: to their pastors, Rev. Charles W. Powers and Rev. Bob E. Martin; to all their members for the loving spirit in which we were received; and especially to the ladies of both churches for the delicious food and the beautiful way in which it was served.
2. Be it resolved that we express our gratitude to our Associational Officers: Mr. Darrell Hunt, Moderator; Rev. Bob E. Martin, First Assistant Moderator; Mr. Tom Gupton, Second Assistant Moderator; Mr. Jim Campbell, Clerk; and Rev. James K. Fox, Treasurer; for their faithful service throughout the year and especially during this vital meeting of our association.
3. Be it resolved that we express our gratitude to Bro. Henry Parrott and Bro. Bill Beard who have provided outstanding leadership as our Directors of Missions this year, and to Mrs. Jane Hedgespeth, Associational Secretary, for her dedicated service.
4. Whereas, Bro. Henry Parrott has faithfully served our association in the implementation and establishment of the position and the office of Director of Missions for Taylor County, be it resolved that the messengers of the Taylor County Association express their grateful appreciation for his service and devotion.
5. Be it resolved that we affirm our opposition to all forms of pornography, and encourage all Taylor County Baptists to support the Taylor Countians for Decency in their efforts to influence the public policy to eliminate the availability of all forms of pornography.
6. Be it resolved that we reaffirm our stand on the practice of performing abortion on demand, and that we call upon all Taylor County Baptists to renew their commitment to support and work for legislation and/or constitutional ammendments which will prohibit abortion except to save the life of the mother.
7. Be it resolved that we urge every church to support and participate in the World Missions Conference, May 1 - 8, 1988.
8. Be it resolved that we urge all churches to increase their gifts through the Cooperative Program, and we urge every church to become better informed about the work of our association, and more committed to help in every phase of endeavor, and to increase their financial support to the Taylor County Baptist Association.

9. Whereas it is common knowledge that there is a movement in our state for the establishment of a state lottery, we firmly disagree with this movement for the following reasons:

- A. To participate in a lottery is to participate in gambling. The sin of gambling is the sin of stealing.
- B. The proven history of lotteries is that they prey upon the poor, the ones who can least afford it.
- C. Lotteries, where legalized, entice gangsters and racketeers and foster amoral climate upon which the criminal elements feed and multiply.
- D. The establishment of a lottery requires the establishment of an ungodly bureaucracy which must extend their tentacles into every county and city.

Be it therefore resolved that the thirtieth Annual Session of The Taylor County Association of Baptists in Kentucky, out of a deep concern for the moral welfare of our county and state, take a vigorous stand against a state lottery.

Be it further resolved that, through the passing of this resolution, we seek to encourage the Baptists of Taylor County, and all others who call Jesus Christ, Lord, to stand with us in voting against any and all efforts to legalize a lottery in the Commonwealth of Kentucky.

10. Whereas, we know ourselves to be called of God to service as Christians and as Baptists here in Taylor County, and whereas, we know that the fields are white unto harvest, but the laborers are few;

Be it resolved that we affirm our faith in God and His Word, and that we renew our commitments to Him, that we seek more clearly His will, and that we dedicate ourselves to work more faithfully in His causes, believing that God wants to save Taylor County, America, and the World.

Philip D. Ronk, Chairman
Bob Martin

PORTRAIT OF LEADERSHIP
REV. GILBERT SAPP, MODERATOR 1962-1963

Gilbert Sapp was born on the seventh day of December in the year of our Lord, 1916, to Yance and Annie Yates Sapp in Taylor County Kentucky. He married Anna Elizabeth Vice of Williamstown, Kentucky, on November 4, 1939. Their marriage has been blessed with three children, Gary, Midgen, and Philip.

The Sapp family returned to Campbellsville in 1955. With three children in public school at this time, Bro. Sapp began his baccalaureat education at Campbellsville Junior College. He was called to Liberty Baptist Church in Taylor County as Pastor in 1956 and was ordained in April of that year. After finishing Junior College, he waited one year before continuing his education at Campbellsville which had become a senior college. During this time at Liberty, Bro. Sapp was active in the formation of the Taylor County Association of Baptists, serving on the original Constitution Committee. After graduating with a Bachelor of Arts from Campbellsville College, he attended Southern Baptist Theological Seminary for four years during which time he attained a Bachelor of Divinity degree.

He was called to pastor the Hopewell Baptist Church, Mercer County Association, after having served Liberty as pastor for eight and one-half years. He served two years as moderator of that association and two years on the Kentucky Baptist Convention Executive Board. He also taught a Sunday School lesson on radio for two years during his three and one-half years at Hopewell.

He moved to the First Baptist Church of Russell Springs in Russell County Association in 1967 where he served as president of the Russell Springs ministerial association for four years. Bro. Sapp served as moderator of that association on two different occasions--1969-1971 and 1980-1981. He was on the Western Recorder board of directors for five years and served on the Nominating Committee for the Kentucky Baptist Convention for four years during this pastorate. Also during his fifteen years in that church, he received his Master of Divinity from Southern Seminary.

Upon his retirement in 1982, he received the following honors: Certificates of Appreciation from (1) the Russell County School Board for service in Russell County Schools, (2) the Russell County Hospital, and (3) Dwight Hadley, Judge Executive of Russell County. He also received (4) the Key to the City of Russell Springs and (5) a Plaque for service in and to the Russell County Baptist Association.

Upon returning to Taylor County, he was again called to Liberty Baptist Church, where he is presently serving as pastor. During his last tenure as pastor, Bro. Sapp has led the church in an illustrious building program and has helped the church see a new vision in mission service, culminating with three of his congregation serving on the mission fields of Kenya during 1987.
