TAYLOR COUNTY ASSOCIATION OF KENTUCKY BAPTISTS CONSTITUTION

Article 1. This body shall be called the Taylor County Association of Kentucky Baptists.

Article 2. Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastor, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.

Article 3. The business of this body shall be, when assembled, to hear reports from the churches with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.

Article 4. The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The Association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not considered Biblical.

Article 5. The Time, Place, and Preacher Committee shall, in addition to the annual meeting, select a time and place for a spring session for the purpose of electing officers for the next associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator; First Assistant Moderator; Second Assistant Moderator; Clerk; Assistant Clerk; Treasurer; Assistant Treasurer; and Auditor; whose duties shall be as custom imposes on their respective offices. The Nominating Committee shall also make its report at this time and all auxiliary directors shall be elected. All officers shall continue in office until superseded by their successor, but none shall be eligible to the office of moderator for more than two successive terms.

Article 6. Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the church's articles of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.

Article 7. The Executive Board of the Association shall be composed of all pastors of cooperating churches and missions and one lay member from each church. All general associational officers, auxiliary heads, and committee chairmen will by virtue of their office be members of the Executive Board. The retiring Moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions. Quorum of the Executive Board consists of nine (9) members.

Article 8. In the appointment of committees, individuals shall be named instead of churches, and on each committee named, one or more members shall be laymen. The Executive Committee shall consist of Moderator, Clerk, Treasurer, heads of the Associational Organizations, and such other members as the occasion demands.

Article 9. This body shall meet annually, according to adjustment, but in case of emergency, the Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for the purpose of electing officers for the following associational year.

Article 10. This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present.

Parliamentary Rules: *Kerfoot's Parliamentary Rules of Order* is a guide of the parliamentary order followed by the association.

Resolution of thanks to Tom Gupton, Moderator

Whereas, Brother Tom Gupton has served faithfully in the Taylor County Baptist Association for the past two year in the position of moderator; and

Whereas, the Taylor County Baptist Association has been well served by Brother Gupton's labors and efforts;

Be it therefore resolved that the Taylor County Baptist Association does hereby commend and thank Brother Gupton for his distinguished service, and

Be it further resolved that we also offer our thanks to Brother Bill Beard and Mrs. Jane Hedgespeth for their service above and beyond the call of duty in their respective positions as Director of Missions and Secretary of the Taylor County Baptist Association.

Resolution of thanks to host churches

Whereas, the Meadowview, Robinson Creek, and Elk Horn Baptist Churches have served as hosts of the Taylor County Baptist Association;

Be it therefore resolved that the Taylor County Baptist Association does hereby exprese our sincere thanks and appreciation to these churches for hosting our meetings and for their gracious hospitality which has helped make the same the success that they were.

Resolution of support to Campbellville College

Whereas, Campbellville College has continued to teach and to train Christian leaders for their future; and

Whereas, Campbellville College has continued the tradition of excellence established throughout the years; and

Whereas, President Winters and the staff and administration of Campbellville College have provided excellent and noble leadership for the institution and the students;

Be it therefore resolved that the Taylor County Baptist Association commend President Winters, the faculty, the staff, and the administration of Campbellville College for a job well done, and that we plede our continued support of this fine Christian institution of learning.

Resolution of thanks for support of Taylor County Baptist Association

Whereas, the churches comprising the Taylor County Baptist Association have demonstrated a generous level of support for our association for the past year; and

Whereas, the financial support from the churches within the association have been at, or near, record levels for both the association and Cooperative Program.

Be it therefore resolved that the Taylor County Baptist Association thank each church and the membership thereof for their financial support to the Taylor County Baptist Association and the Cooperative Program.

Resolution of thanks for support of World Missions

Whereas, every church, except one, within the Taylor County Baptist Association was able to participate in the World Missions Conference held April 5-12, 1992; and

Now, therefore, be it resolved that the Taylor County Baptist Association does hereby thank the churches for their involvement and encouraged them to continue in their support of missions, both at home and abroad.

Resolution of opposition to abortion

Whereas, the killing of innocent lives by abortion is a major problem in our country and in our world; and

Whereas, abortion is a topic that we as Southern Baptists need to express our opposition, both in the community and in our churches;

Now, therefore, be it resolved that the Taylor County Baptist Association encourage the leaders of the churches in our association to teach and to speak out against abortion; and

CHRISTIAN EDUCATION REPORT

The Kentucky Baptist Convention continues to give some support to our following educational institutions: Campbellsville College at Campbellsville, Cumberland College at Williamsburg, Georgetown College at Georgetown, Clear Creek Baptist Bible College at Pineville, and Oneida Baptist Institute at Oneida.

Gifts for Christian education by churches of our association showed a decrease this year. Here in Taylor County we rejoice in the growth in the student body at Campbellsville College. We also appreciate the cooperation we have received from Brother Tommy Johnson, who serves as campus minister.

It is of interest to know that of all those enrolled in our college and seminaries, over twenty-one thousand are church vocational students preparing for ministry in our churches. May the Lord help us to grow in our prayer and financial support of Christian education.

Respectfully submitted,
Bill Beard

SUNDAY SCHOOL REPORT

A challenge of last year was to realize an increase in Sunday School enrollment for this year. Taylor County Baptists accomplished this goal as churches increased total Sunday School enrollment by 332, an increase of 7.53%. Our total enrollment now stands at 4,601, not what it should be, but we are headed in the right direction. Let's again accept the challenge of 3% for this coming year.

Last year, I asked you to major on average Sunday School attendance, and you did. Average Sunday School attendance increased 160, or 7.74%. Thanks for your efforts to *reach* more people so we can *teach* them the word of God.

Our ASSISTeam led the Sunday School preparation week with an attendance of eighty-two representing eleven churches.

Our ASSISTeam is trained and ready to serve you upon request. The leadership is as follows: Preschool--Denise Henderson, Children--Beth Broome, Youth--Susan Blevins, Adult--Bob Martin, Outreach--David Henderson, and General Officers--Don Gowin.

Rev. Don Gowin

VACATION BIBLE SCHOOL REPORT

Taylor County Baptists continue to increase outreach. We had 100% church participation again this year in Vacation Bible School. We realized one of the largest increases in V. B. S. that we have ever had during one year. Our V. B. S. enrollment was up 664, an increase of 36.77%, for a total enrollment of 2,470. More of our churches are involved in Back-yard Bible Clubs and Mission Vacation Bible Schools. Also, there was an increase in people being baptized as a result of V. B. S. this year.

Our ASSISTeam led the V. B. S. Clinic with a total attendance of seventy-two representing eleven churches. Let me encourage all our churches to participate in this training.

I challenge you to have another 100% participation with an overall increase of 10%.

Respectfully submitted
Rev. Don Gowin

DISCIPLESHIP TRAINING REPORT

Our work this year in Discipleship Training has been good. Three of our churches; Acton, Campbellsville, and Elk Horn showed significant increases in participation. However, there are still one-half of our churches that do not have a discipleship training program.

Church should be aware that some free materials are available on a limited basis from our state convention. Second, our association offers \$25.00 in training materials to any church that wants to begin a Discipleship Training Program.

Challenge your church to participate in our children's and youth Bible drills and our youth speaker's tournament.

Since Jesus has called us to be disciples, we must make it a priority in the local church!

Please call on me if I can assist you in any way.

Respectfully submitted,
Rev. David Henderson

WOMEN'S MISSIONARY UNION REPORT

Called and Accountable has been our theme during the 1991-1992 year, based on the scripture, *but when the Holy Spirit comes upon you, you will be filled with power, and you will be witnesses for me in Jerusalem, in all Judea and Samaria, and to the ends of the earth.* (Acts 1:8 TEV) Activities and events have been geared to this theme.

Taylor County has active W.M.U.'s in sixteen churches. There are seventeen Mission Friends groups, twenty-two GA groups, thirteen Acteen groups, eight Baptist Young Women's groups, and nineteen Baptist Women's groups. Several churches participated in the commuter lunch program at Campbellsville College. Christmas checks of \$100.00 were sent to the Ray England family and the Mark Harrison family. Our quarterly programs included different phases of mission work and leadership training. Our leaders attended the stated leadership training programs.

We encouraged each church to observe the weeks of prayer, increase their mission offerings, and to encourage the young people to become more mission conscious. We rejoice that the Eliza Broaddus State Mission Offering goal of \$650,000 for the 1991-1992 fiscal year has been reached.

As Mrs. Joyce Martin went off the State W.M.U. Executive Board, we were happy to have Mrs. Joyce Graham go on as our representative from this region.

We were blessed this year with the leadership of Gail Bright as director until May when she moved to Tennessee with her family. We thank God for her and her love for missions.

Respectfully submitted,
Liz Shaw, Acting Director

BROTHERHOOD REPORT

The objective of Brotherhood work is to promote mission education and action involving men and boys all the way from grade one. The Brotherhood involves itself in specialized activities such as camps, track meets, conclaves, and congresses for the Royal Ambassador boys and disaster relief, lay-led revivals, and Baptist builders for men. Market place witnessing has been added.

This year our first annual Baptist Men's Conclave and Missions Rally will be held October 1, 2, and 3, 1992 with the Eastwood Baptist Church in Bowling Green. The meeting headquarters will be the Howard Johnson Motel on the 31W bypass.

This year our association had representation in South Florida and Louisiana Disaster Relief. Some of our local men were led by Willard Wise in a Baptist Builders project in helping construct a new church in Glasgow. Also Willard, his wife, and his son assisted in work done at Locust Grove in Hardin County.

Glen Canada continues to lead in the area of Royal Ambassadors. This year we had a very good turnout in the associational track meet and in the swim and gym fellowship.

We are pleased that we had a 145 increase in membership this year, and that we have some type of organized activity for men and/or boys in seventeen of our Taylor County Baptist churches. We praise God for His goodness and the way he blesses us in so many ways.

Thank you for the privilege of serving in such a loving, caring association of God's most wonderful people.

Respectfully submitted,
Darrell Hunt, Director

MISSIONS COMMITTEE REPORT

Brother Ray Flewellin assisted by lay people of the association are continuing a ministry at the Taylor County jail. Three weekly home Bible studies are being conducted in the county with the support of the association and churches. Rev. Clyde Pruitt and daughter spent some time this summer doing mission work in Utah. Rev. Tommy Johnson went with a mission team to Brazil. Pleasant Hill and Campbellsville had youth groups conducting Bible schools and working with churches in Ohio. A group of young people from Palestine spent a week in Michigan working with Rev. Mark Harrison. Green River Memorial youth spent part of their school vacation doing mission work on an Indian reservation in Montana. Lowell Avenue young people did work at the Freeda Harris Baptist Center in eastern Kentucky.

The association sponsored a booth on Main Street during the Fourth of July festivities. Approximately three hundred copies of the Gospel of John, five hundred religious tracks, and five hundred cups of water were distributed.

Palestine, Meadowview, Elk Horn gave financial assistance to the northern Michigan work of Rev. Mark Harrison.

Rev. and Mrs. Boyd Robertson ministered to Spanish-speaking migrant workers in Adair and Russell Counties during the harvest season.

Twenty of the association's churches participated in the World Mission Conference in April. Two missions are sponsored by association churches--Raikes Hill by Campbellsville and Loretto in Marion County by Lowell Avenue.

A truck with supplies and furniture was sent to the Mark Harrisons in Michigan on September 12.

MUSIC REPORT

Every ministry that we undertake as Taylor County Baptists should have one theme as its underlying purpose and goal: reaching and touching people in the name of the Lord Jesus Christ. It is my sincere prayer that as we look at the programs of activities of the associational music ministry this year, we can see lives touched and changed because of God-given talent committed to His service.

The result of the activity can be seen in the Music Ministry Report for 1992. Taylor County churches reported music ministry activity during the past year with 904 people enrolled in music programs across the county. Our average weekly attendance was 556. While some areas experienced a slight decrease this year, hand bells, and instrumental ensembles experienced significant gains.

We held quarterly Hymn-sings which were well attended and involved many in music and worship who would not normally have been involved. This program will continue in 1993. Every church in the association sent representatives to our music ShopTalk on March 5. The annual Vacation Bible School workshop included a section on "Evangelizing Children through Music in V. B. S."

Our most exciting program has been the Associational Youth Choir which meets on the first and third Sundays of each month. We now have an enrollment of nineteen and an average attendance of thirteen young people who are concerned about using their talents to reach people for Jesus. This group is now leading in worship at a Taylor County church once each month and will present the musical *Room 77* on October 25. Pray for this group of music missionaries, and encourage your youth to participate in this program of your association.

It is my prayer that some aspect of your associational music ministry has touched you in some way this year. If not, please feel free to let me know what your church's needs are so that I can be of help. By the way, thanks for giving me the opportunity to serve the association and our Lord as your associational music director. Let's look forward to the sweet aroma of praise characteristic of our "Sweet, Sweet Spirit" throughout 1993.

Respectfully submitted,
Douglas G. Broome

EVANGELISM COMMITTEE REPORT

Our association held its evangelistic rallies each fifth Wednesday evening, with one yet to be held on September 30. Plans have been made for this rally to be at Pleasant Hill with Dr. Jerry Kibbons preaching.

There was a One-day Soul Winning Training Clinic held on January 18 with Dr. Bill Jagers as the trainer. Approximately thirty-five people attended this training with one person led to the Lord during the exercise.

1992-1993 Plans

Youth One-day Soul Winning Clinic at Lowell Avenue on Saturday, October 31, from 9:00 A.M. until 2:00 P.M. After 2:00, the young people will go out to witness. They will have the names of lost people to visit during the day. Everyone will report to their pastor the next morning. Kevin Shum, from the Kentucky Baptist Convention, will lead the workshop.

Respectfully submitted,
Eugene Smith, Chairman

MEDIA COMMITTEE REPORT

The Taylor County Association continues to provide a resource of audio visual materials to supplement training in discipleship and various ministries. Recent acquisitions of video materials include the following:

The Prodigal - The story of one family's struggle to put pieces back together and begin the journey back to their Heavenly Father. (1:46)

The Hiding Place - A World War II story of a family facing persecution and a test of their faith.

Cry from the Mountain - Set in the Alaskan wilderness, the wonder of God's love shows through during a series of events that altered their lives forever as a family faces many encounters. (1:16)

Kids Sing Praises I, II, and III - Action-filled songs of praise, scripture, and sing-a-long fun. Great for youth groups.

The ACTS satellite network carries *The Good News*, a Sunday School preparation program prepared by the staff at Southwestern Seminary. The program can be seen on the local cable system, channel 9, and is broadcast three times each Saturday.

Several audio visual devices are also available for loan, including projectors for filmstrips, 16 mm movies, overhead materials, and screens. Also video equipment for playing is available.

More churches are recognizing the effectiveness and ease of using video materials to enhance their teaching efforts and enlarge the perspective of the missions projects. The association encourages your church to utilize these items.

Respectfully submitted,
Ed McGuire

STEWARDSHIP REPORT

We can be thankful for the way Taylor County Baptists continue to support the Lord's work with their tithes and offerings. Total receipts for the past year were up almost twelve percent over the previous year. This upward trend was also reflected in mission giving which was up almost eleven percent.

Taylor County Baptists know that these are days of great opportunity and are ready to be challenged to do even more to see that the gospel continues to be spread to the ends of the earth.

Respectfully submitted,
George Gaddie

COOPERATIVE PROGRAM REPORT

The year was 1925 when the Southern Baptist Convention was meeting in Memphis, Tennessee, that a recommendation was approved which resulted in the establishment of the Cooperative Program. Few people at that time understood the significance of what had taken place. The decision made at that convention has proven to be one of the most important events in Southern Baptist history. The Cooperative Program has proven to be a very effective tool that has helped Southern Baptists develop one of the greatest mission programs this world has ever known.

At the present time, the devil is doing his utmost in trying to destroy the Cooperative program. If he succeeds, he will set our mission program back for many years to come. We must not allow this to happen. Now is the time for Southern Baptists to pull together to challenge our churches to continue to support the Cooperative Program and make possible the full success of the Bold Mission Thrust adopted by our convention several years ago.

Respectfully submitted,
George Gaddie

HOME MISSION REPORT

"The United States is not a Christian nation that needs to be fixed, but a mission field to be evangelized," so said Home Mission Board Charles Chaney as he spoke in a new work/language conference held in Missouri.

Citing Home Mission Board research, Chaney disclosed that 172 million non-Christians live in the United States. For the first time in the history of American protestantism, one denomination, Southern Baptist, has the numerical strength, the ethnic, social, and racial diversity, and the geographical dispersion to address all of North America with the Gospel of Christ.

Another conference speaker, Ray Bakke, challenged Southern Baptists to reach the cities for Christ in ministry modeled after the Apostle Paul. He chided by saying that Southern Baptists knew how to turn out "designer ministers," who create ministry in their own image, and little else. He cited the ministry of Paul when he said, "Paul was bicultural and multilingual. He adapted his message, meeting places, and methods to the audience he was trying to reach."

Bakke went on to say that the world was eighty-seven percent non-white, and that most of the church growth methods were those out of white church examples. He said that if the church is to grow, it will find ways to embrace all people, especially those who have fallen through the cracks in society; the homeless, the helpless, and the powerless.

Let each of us to be challenged to seek a "better way" to communicate the Gospel of our Lord Jesus to be multitude of unreached people all about us.

Respectfully submitted,
Landon Hadley

FOREIGN MISSION REPORT

Southern Baptists are a missions people! Since our convention was formed in 1845, the Foreign Mission board has send more than a hundred thousand committed christians around the world to share the gospel of Jesus Christ.

The Foreign Mission Board's focus is sending God-called, qualified career missionaries to participate with overseas Baptists in evangelism that results in churches. But opportunities are multiplying for thousands of other committed Southern Baptists for assignments ranging from two weeks to two years. Urgent needs are filled by "tent makers," partnership evangelism teams, Baptists traveling or living abroad, B.S.U. students, medical and dental students, health care workers, etc.

We now have over 3,900 missionaries in one hundred twenty five countries. Recent overthrow of Communism has opened several new areas of service, including Russia and Mongolia. Dr. Keith Parks stated at the Foreign Mission Fest in Lexington that one-fourth of the world have still not heard the gospel, and that part of the work of the Foreign Mission Board is to reach into those areas.

The world is changing fast. Of the yearly two hundred fifty nations on this globe, as many as one hundred are off limits of traditional Christian missionary work. The number of "closed" or "limited access" countries is growing each year.

For the fourth year in a row, more than ten thousand volunteers served in overseas assignments through the Foreign Mission Board. In the past decade, there have been more than fifty partnership missions linking states and associations with overseas countries. Our Kentucky Baptist Convention will again in 1993 be involved with mission work in Brazil.

Frances Beard
