TAYLOR COUNTY ASSOCIATION OF KENTUCKY BAPTISTS CONSTITUTION

- Article 1.** This body shall be called the Taylor County Association of Kentucky Baptists.
- Article 2.** Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastor, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.
- Article 3.** The business of this body shall be, when assembled, to hear reports from the churches with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.
- Article 4.** The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The Association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not considered Biblical.
- Article 5.** The Time, Place, and Preacher Committee shall, in addition to the annual meeting, select a time and place for a spring session for the purpose of electing officers for the next associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator; First Assistant Moderator; Second Assistant Moderator; Clerk; Assistant Clerk; Treasurer; Assistant Treasurer; and Auditor; whose duties shall be as custom imposes on their respective offices. The Nominating Committee shall also make its report at this time and all auxiliary directors shall be elected. All officers shall continue in office until superseded by their successor, but none shall be eligible to the office of moderator for more than two successive terms.
- Article 6.** Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the church's articles of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.
- Article 7.** The Executive Board of the Association shall be composed of all pastors of cooperating churches and missions and one lay member from each church. All general associational officers, auxiliary heads, and committee chairmen will by virtue of their office be members of the Executive Board. The retiring Moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions. Quorum of the Executive Board consists of nine (9) members.
- Article 8.** In the appointment of committees, individuals shall be named instead of churches, and on each committee named, one or more members shall be laymen. The Executive Committee shall consist of Moderator, Clerk, Treasurer, heads of the Associational Organizations, and such other members as the occasion demands.
- Article 9.** This body shall meet annually, according to adjustment, but in case of emergency, the Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for the purpose of electing officers for the following associational year.
- Article 10.** This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present.
- Parliamentary Rules: *Kerfoot's Parliamentary Rules of Order* is a guide of the parliamentary order followed by the association.

SUNDAY SCHOOL

Last year, a challenge goal to increase Sunday School enrollment by 3% was suggested. However, this year's digest of letters statistics show a slight decrease in Sunday School enrollment, 0.8%. We must remember that enrollment must increase if average attendance, baptisms, and offerings are to increase. So, once again, let's strive for that 3% enrollment increase.

The bright spot in our Sunday School report is the 1.73% increase in average attendance.

Four churches are recognized for their growth in Sunday School. Elk Horn had the largest numerical increase by adding seventy-one to their enrollment. Pitman Valley had the largest percentage of growth, 35.56%, in enrollment. Elk Horn also had the largest average attendance growth by increasing their average attendance by thirty-two. Eastside had the largest percentage gain, increasing their average attendance by 100%. We congratulate all eight churches that showed an increase in enrollment, and we challenge the other twelve churches and two missions to show an increase next year.

Our ASSISTeam is ready to assist any church in any area of need that you may have. Please call on us.

Respectfully submitted,
Don Gowin, Associational Sunday School Director

VACATION BIBLE SCHOOL

Once again for the third year the highlight of the Sunday School report is in the area of Vacation Bible School. We had 90.91% participation of our churches in Vacation Bible School. We exceeded our attendance last year by 8.545. We had a total of 2,580 enrolled in summer Bible study, with four Back Yard Bible Clubs recorded. Several professions of faith were the result of the Vacation Bible School.

The Vacation Bible School clinic was attended by sixty people, with nine churches participating in the clinic. Thanks goes to the ASSISTeam for their leadership in conducting this clinic.

The challenge for next year is to increase our enrollment by 3% and to have 100% participation by our churches.

Don Gowin, Associational Vacation Bible School Director

DISCIPLESHIP TRAINING

Study your part, get it by heart,
And speak it out with unction.
This will give the meeting pep,
And help the union function.

In July, 1926, that was the advice given to leaders in the first issue of the monthly B. Y. P. U. magazine. The churches' leaders of the 1920's struggled with discipleship just as we do. However, they never dreamed of the confrontations: homosexual rights, doctor assisted suicide, violent pornography, subsidized abortion . . . , and the list goes on and on.

Studying parts and speaking before the union seemed to be the best way to help disciples grow in the 1920's, but life will never be that way again. B. Y. P. U. became Training Union, which became Church Training, which became Discipleship Training. We now have a name that clearly describes what Jesus did--training disciples.

Thirty new discipleship workbooks are now being placed in our associational office. These materials are displayed here at this meeting, and beginning September 28, they may be checked out through the associational office.

The most popular of these courses have been *Experiencing God*, *Fresh Encounter*, *Search for Significance*, and now *The Mind of Christ*.

There are still eight churches in our association that do not have a Discipleship Training ministry. That is 40% of our churches.

Get a Bible. Get a set of materials. Get busy. Disciple God's people. It is the most rewarding thing you will ever do.

David Henderson

WOMEN'S MISSIONARY UNION REPORT

Women's Missionary Union has, for one hundred six years, been an auxiliary to the Southern Baptist Convention. W. M. U. has provided prayer support, promoted giving, provided missions materials, and while doing this, provided its own way.

W. M. U. historically has cooperated with the Southern Baptist Convention. To restate our missions purpose: As long as there are lost souls in the world, W. M. U. will be in the business. As long as there are people in Southern Baptist Churches who have yet to become involved in missions, W. M. U. will be there.

The W. M. U. emphasis for 1993-1994 is the admonition to "Serve in Christ's Name." This theme was based on Colossians 3:17 (NKJV) "*And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him.*" Our organization gives the opportunity for women and girls to become involved in mission action, social and moral issues, and volunteer mission service.

W. M. U. leaders made decisions in 1993 that will make our organization more simple, flexible, and relevant in the future.

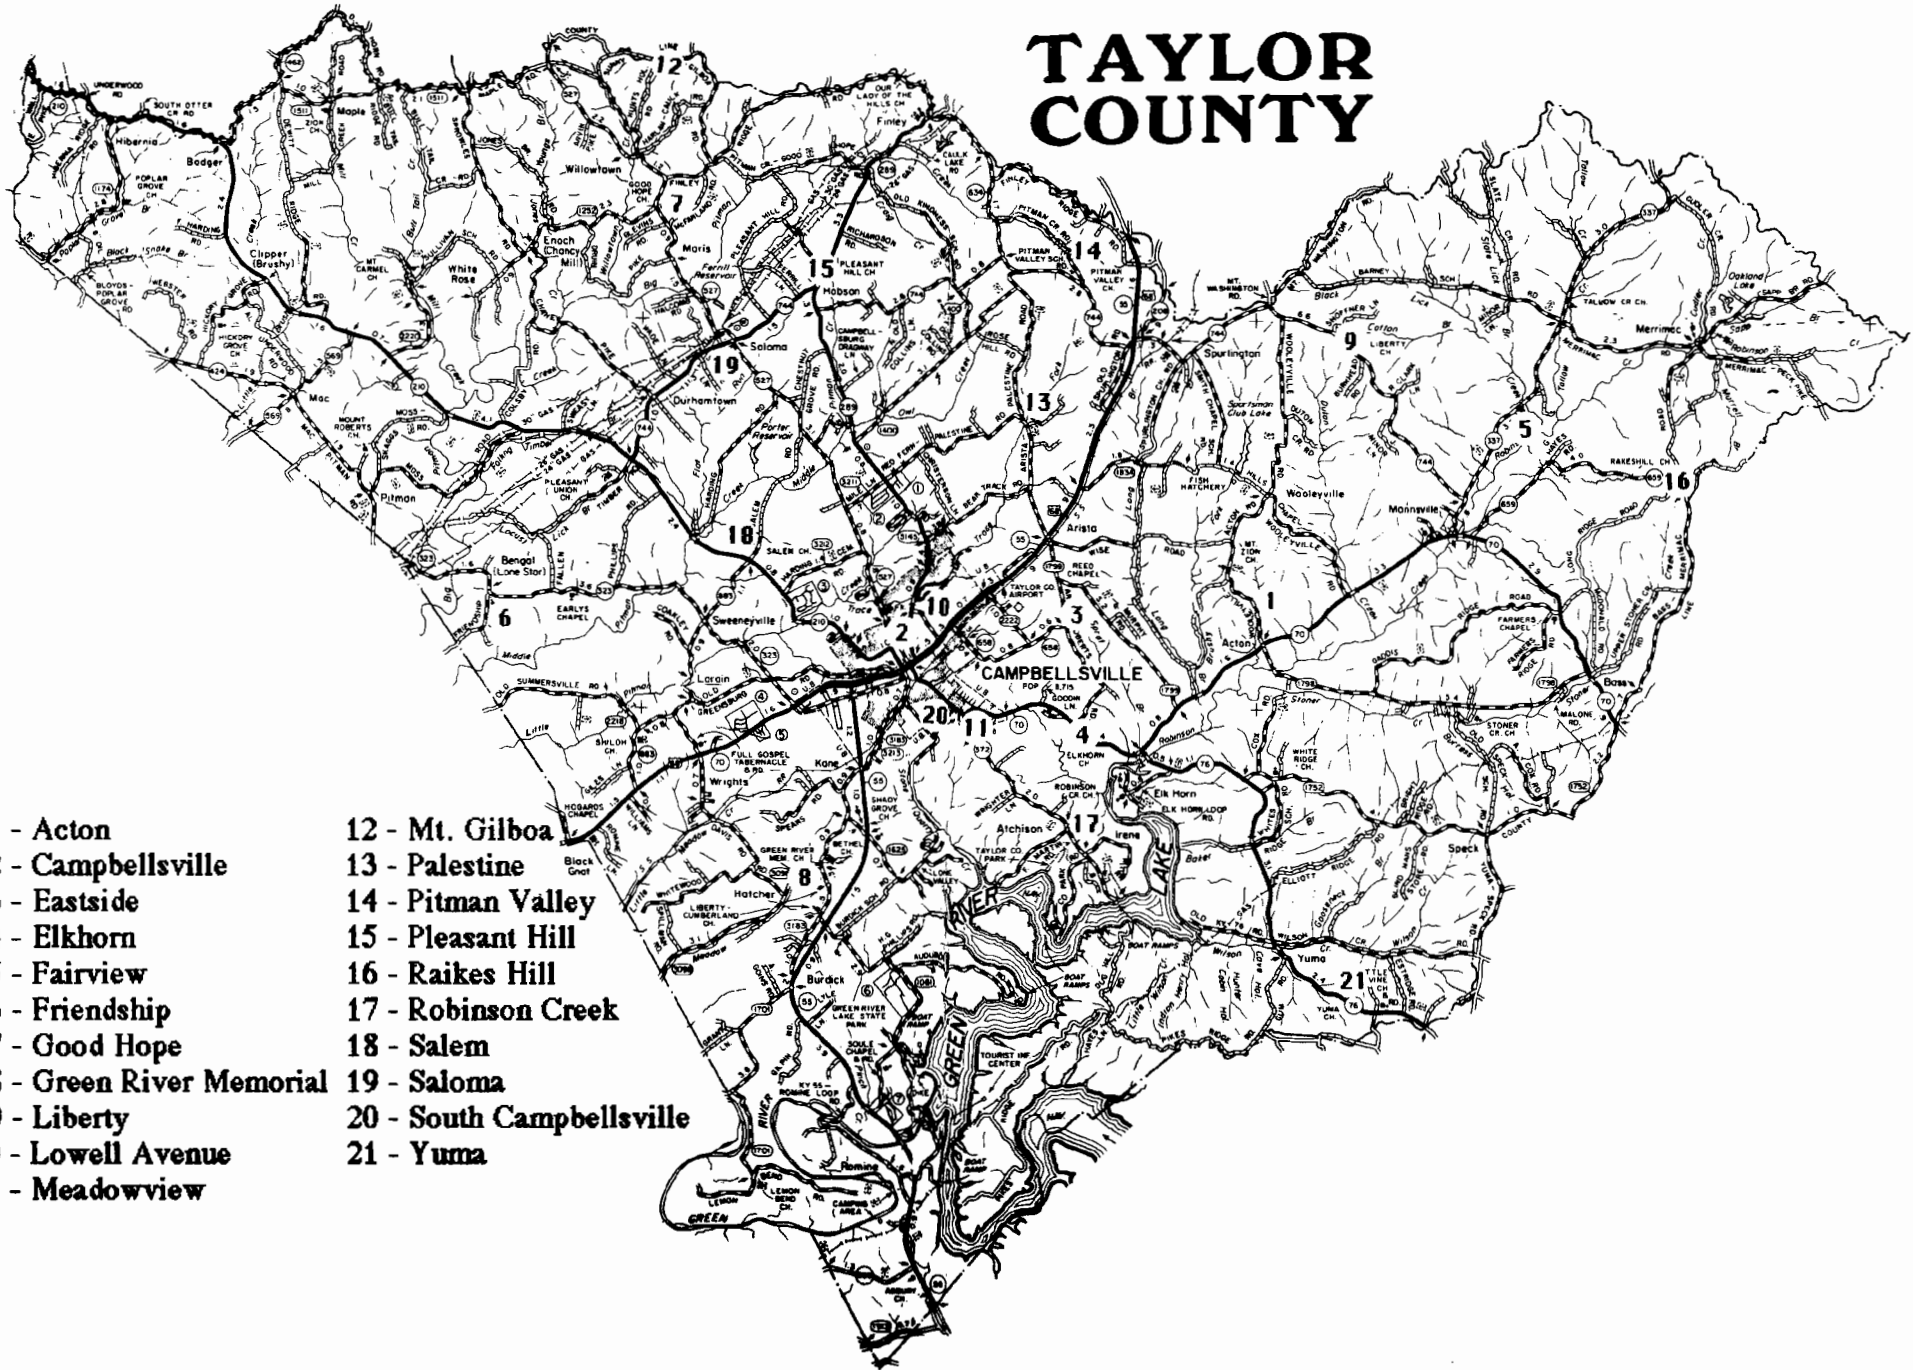

First, there will be a greater emphasis on "church-wide" missions. This will include missions awareness, one-time mission events, short-term activities, and ongoing ministry projects.

Second, the adult organization will allow women to come together as a result of common need, interest, or schedule.

Third, as a national organization, we will focus on hunger for the years 1993-1994 and 1994-1995. As we combine our efforts to make this focus on hunger a priority, we can make a difference "in Christ's Name."

BROTHERHOOD

This year has been one of many opportunities for service. We have had involvement by our people in Building, Witnessing, Disaster Relief, and Royal Ambassador activities.

Brother Glen Canada reports that Royal Ambassador involvement has been very good. A large number attended the Swim and Gym Fellowship at Campbellsville College. We had a good representation at Cedarmore and Jonathan Creek for Royal Ambassador Track Meet.

Brother Larry Koch was involved in Disaster Relief projects this year as was Brother Willard Wise and some of his men in Baptist Builders. A team made a second trip to Troy, Missouri, for a weekend Lay-led Revival. Brother and Mrs. Bill Beard attended this meeting. Visits were made by all team members. Brother David Moyers did an outstanding job with the music. Mrs. Beard played the piano. One eighteen-year-old man made a profession of faith as his girl friend rededicated her life to Christ.

We ended the year on a high note, joining the W. M. U. for a picnic and meeting at Liberty Baptist Church. The program included a report from our Acteens who attended the Acteen National Convention.

YOUTH

The first meeting of the Youth Committee was in September of 1993 and was for planning activities for 1993-1994.

On November 13, 1993, the youth participated in a progressive meal with appetizers at Robinson Creek, spaghetti at Green River Memorial, and dessert at Lowell Avenue. The youth wrote and performed skits pertaining to *True Love Wats*, material regarding sexual purity. These skits were video taped and shown to the entire group. Brother Larry Cook addressed the group of seventy-five youth, charging them to make a commitment to be sexually pure.

Fifty youth were involved in a Creative Ministries seminar at Lowell Avenue on February 26. This was led by the Creative Ministry Team from Campbellsville College BSU. After the seminar the team led in a Creative Ministry worship service.

On April 9, an associational youth party was held at Campbellsville's Christian Life Center. The activities included volleyball, basketball, skating, table games, and relay games led by Campbellsville College Fellowship of Christian Athletes. The FCA also led the approximately one hundred youth in a worship time.

Youth from Green River Memorial, Robinson Creek, Friendship, Palestine, Elk Horn, Lowell Avenue, Pleasant Hill, Yuma, Campbellsville, Saloma, and South Campbellsville have been involved in the events this year. The plans by the committee for next year include another youth rally (One was held in August of 1994, but will be reported next year.) that will hopefully include the contemporary Christian group Truth. We encourage prayer and financial support from and attendance by the youth in all the churches of the association.

MISSION COMMITTEE REPORT

A number of our men and women were involved in weekend lay-led revivals in Troy, Missouri, and the Vincent Baptist Church in the Booneville, Kentucky, area. Some of our Baptist Builders have been involved in several building and repair projects in the Vincent Church. Campbellsville and Lowell Avenue youth have been involved in mission work in Missouri, Elk Horn youth were involved in several Back Yard Bible Clubs, and Brother and Mrs. Beard were involved in a week of mission Bible school work in Warren, Ohio.

Our association sponsored a booth at the annual Fourth of July Celebration on Main Street, giving out gospel tracts and books as well as cups of water. Several Baptist churches sponsored floats in the parade. Campbellsville, Elk Horn, and Robinson Creek continue ministering to the deaf, and one of our ladies continues a Bible study with Chinese children.

Ray Flewellin has experienced a great year in the jail ministry at Columbia, reporting fifty-one rededications and twenty conversions. He conducts a weekly Bible study and holds counseling sessions.

Liberty continues their ministry to migrant workers.

Respectfully submitted,
Tim Najpaver

EVANGELISM COMMITTEE REPORT

Much time has been given this past year in preparation for the *Here's Hope* convention-wide harvest revivals in 1995. The date for Taylor County Association involvement is April 16 through May 7. Association and church committees have been elected and are working.

According to our last report, all but one of our churches have voted to participate in the effort. Our goal is one hundred percent involvement. Many of our churches have already selected their revival teams. Dr. James E. Jones led the pastors in the Roman Road Soul Winning Training.

We will presently be involved in church evangelistic prospect discovery and prayer emphasis. It is recommended that churches conduct Roman Road Soul Winning Training for adults in October or November and for youth in January. It is also recommended that churches implement sixty days of soul winning on January 9 through March 9.

For the past two years, we have shown a decrease in the numbers of professions of faith. We have dropped from a high of two hundred one in 1992 to one hundred sixty in 1993 and one hundred fifty-two in this year's report. Our prayer is that the Lord will send a great revival in our churches this year. "There's gonna be a revival in this land."

Bill Beard

STEWARDSHIP-COOPERATIVE PROGRAM REPORT

"The Lord answered, 'Who then is the faithful and wise manager, who the master puts in charge of his servants to give them their food allowance at the proper time?' It will be good for that servant whom the master finds doing so when he returns. I tell you the truth, he will put him in charge of all his possessions.' But, suppose the servant says to himself, 'My master is taking a long time in coming,' and he then begins to beat the menservants and womenservants and to eat and drink and get drunk. The master of that servant will come on a day when he does not expect him and at an hour he is not aware of. He will cut him in pieces and assign him a place with the unbelievers.

"That servant who knows his master's will and does not get ready or does not do what his master wants will be beaten with many blows. But the one who does not know and does things deserving punishment will be beaten with few blows. From everyone who has been given much, more will be demanded; and from the one who has been entrusted with much, much more will be asked."

Our precious Lord has given each one of our Baptist churches in Taylor County so very much. He has filled our churches with people who win others to Christ. He has given our churches numerous opportunities to share His Good News. With much being given, much will be expected from us this and coming years here in Taylor County.

The good news at present is that giving through the Cooperative Program is up 1.2% over last year, with a total of \$363,064. A vast majority of our churches are making Cooperative Program giving a priority in their mission giving, and we can praise God and be grateful for that increase.

Campbellsville ranks sixth among Kentucky Baptist churches in Cooperative Program giving, and for that we give thanks.

The other good news is that total receipts are up 11.5% over last year, totaling \$2,523,665. Designated gifts among our churches are up 11.53%, Tithes and offerings are up 3.45%.

We must do better, however, in the areas of associational mission gifts (down 7.4%), Christian Education gifts (down 13.5%), and total mission gifts (down 1.0%).

Enrollment in our church programs has mixed news. Vacation Bible School enrollment is up 8.59% and Discipleship Training enrollment is up 9.78%. The bad news is that we slipped this year in total baptisms (down 5%), Sunday School (0.87%), and music ministry (down 11.78%).

We can do better in all of these areas, because the Lord commands us to do better for Him. It is my prayer that God will continue to challenge our Baptist churches as we seek to reach Taylor County and the world for Christ.

Respectfully submitted,
Marc Whitt

MEDIA COMMITTEE REPORT

The word "media" is plural for the word "medium," and in the sense that we use it in our association. *Webster's New World Dictionary* (electronic version) defines medium as "a means of communication that reaches the general public." Taylor County Association has several media that it uses to get information to the public.

- A. The association sponsors a page in the state paper two times each month. This provides announcements to the eight churches (forty percent of the twenty churches) in the association that receive it.
- B. The ACTS Network appears on the local television cable system. Campbellsville and Robinson Creek air weekly services through this network. Also Campbellsville airs its Sunday Morning worship services and other selected services through the local television outlet, WGRB.
- C. The associational office, with its capable librarian Jane Pike, is building quite a large volume of video tapes. These are in the area of up-to-date State, Home, and Foreign Missions and associated offerings; at least twenty-five Discipleship Training programs including *Experiencing God* (adult and youth), *Fresh Encounter*, *LIFE Support*, and *Master Design*; and the new video for teaching the *Roman Road Witness Training* for both youth and adults. The office is in the process of adding new materials for all age groups.

The associational office at 465-5600 or David Henderson at 465-8115 are willing to be of assistance in any way if you need any of these materials.

Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even to the end of the world. (Matthew 28:19, 20)

DIRECTOR OF MISSIONS REPORT

One of the highlights of the year was our Brotherhood Lay-led Revival in Troy, Missouri. Phone calls are still being received from the pastor sharing good news about their growth and appreciation of our involvement for the past two years. This church has experienced a 50% growth since our link-up with them.

The Fourth of July ministry through our association's booth gives us an opportunity to meet and witness to hundreds of people. For eight hours on this hot July day, we gave out cups of cold water, gospel tracts, and information about our churches.

The World Mission Fair sponsored by the Women's Missionary Union was outstanding. Approximately twenty booths represented different areas of the world where our own Taylor County Baptists have ministered.

Another highlight has been the involvement of many of our people in the *Experiencing God* study. Churches of other denominations in our community are promoting the study in their own churches.

We are looking forward to greater involvement with our ministry to Chinese, deaf, and migrants.

Perhaps the greatest emphasis of the year has been on our *Here's Hope* revival effort. Our emphasis this time is on prospect discovery, prayer, and soul winning training.

A number of our people have been involved in the Kentucky Baptist link-up with Baptist work in Russia. The Christian kits for children will be delivered to the region pickup soon.

Associational youth work has been another highlight. The area youth rally sponsored by Taylor County Baptists was the best in years.

Receipts from our churches in the association office were up for the year. We appreciate our Taylor County Baptist family of churches and our opportunity to work together.

Bill Beard, D. O. M.

DIRECT MISSIONS REPORT

Due to the increase in the Church Building Loan Fund, churches can now borrow up to \$20,000 for church building renovations or constructions. The interest is 8%, with the loan to be repaid over a ten year period.

The number of migrant workers entering Kentucky continues to increase. To respond to the physical, social, and spiritual needs of migrants, a Regional Migrant Workshop was held in Greenville and Middletown.

A Deaf Ministry Advisory group met in February to plan toward the year 2000 for the Kentucky Deaf Ministry. Priorities were set on starting new congregations in every Kentucky Baptist Convention region, strengthening congregations, training pastoral leadership, and educating deaf children in the work of the Lord.

Plans are being made to reach unchurched and non-evangelized Kentuckians in mobile homes and other multi-housing areas. One third of the United States population (eighty million) now lives in multi-housing units, but only 4% are involved in any church.

The Direct Missions Department and the Women's Missionary Union joined efforts to support the ministry of Elaine Ozment as a new Literacy Minister/Deaf Consultant in the Direct Missions Department.

Respectfully submitted,
Bill Beard

HOME MISSION REPORT

At the end of last year, the Home Mission Board reported 4,882 mission personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada.

The 2,325 Southern Baptists serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.

Home Missionaries serve among one hundred two ethnic groups, using ninety-eight languages and dialects.

During *Crossover Houston*, the Mass Evangelism Department coordinated one hundred thirty-seven different evangelistic events. These resulted in 1,253 conversions.

Close to 75,000 Southern Baptists participated in volunteer mission projects. Several thousand more were involved in disaster relief efforts.

Over one million teenagers participated in "See You at the Pole" gatherings to pray for the schools of our nation.

The Home Mission Board broke ground for a new national office building that will be completed in 1995.

During the year there were 1,500 new churches started (more than four a day) and 349,073 baptisms.

After taking a close look at the Bold Mission Thrust goals for 2000 A. D., I discovered some areas I thought worthy of special attention. The goal for the number of missions by 2000 is six thousand. We exceeded that goal in 1993 with a total of 7,971! The goal for new church starts was 1,500. That goal was met this year with exactly 1,500.

How are Southern Baptists able to keep so many missionaries in the field touching lives and ministering to so many different groups of people across the United States? Approximately half of the Home Mission Board support comes from individual churches through the Annie Armstrong offering. In 1993, gifts totaled \$36.31 million. Thirty-six percent of the Home Mission Board's income comes through the Cooperative Program.

Respectfully submitted,
Denise Henderson

FOREIGN MISSION REPORT

1993-1994 has been an outstanding year for foreign missions. The Foreign Mission Board report 3,954 missionaries under appointment in one hundred twenty-nine countries. There are also missionaries visiting other nations on short-term visits where missionaries are not granted regular visas and work permits. With these, Southern Baptists have been a Christian influence in one hundred seventy-six nations of the world. With the summer appointments there are more than 4,041 missionaries serving.

Churches affiliated with the national Baptist conventions where our missionaries serve increased to 35,188, an increase of 17,769. These churches reported a record 262,758 baptisms this year. Most of these baptisms occurred on the African continent (95,150), followed by the conventions in the Americas (92,388).

The Lottie Moon Christmas offering reached a record \$82,899,291, \$1.5 million over the previous record in 1991. We are deeply indebted to the WMU for the promotion and prayer support of this offering, which provides almost half of the FMB budget.

The FMB also reported 10,265 short-term volunteers in overseas mission projects, making this a banner year. Many of these were involved through state convention partnerships with overseas conventions. However, an increasing number are serving directly through the FMB. Because of this, the Board has asked the Brotherhood Commission to provide training for these individuals. The goal is to provide training for 3,000 to 3,500 new volunteers this year, increasing each year until approximately 8,000 will be trained each year. Jim Furgeson, director of the FMB volunteers, believes there will be 100,000 volunteers who have served by the year 2000.

May we pray, give, and surrender ourselves to the leadership of the Holy Spirit to enable the Good News of the Gospel to be shared with all people everywhere.

Respectfully submitted,
Jerry Kibbons

A GLANCE BACK IN TIME

A Summary of the 1958 Minutes of Taylor County Association

The following information was taken from the first Annual Minutes of the Taylor County Baptist Association, item 7, pages 12-15. It is believed that this brief glance back at the first Annual meeting might give us a perspective of the roots of our association and the solid foundation upon which much of what we do today was built. Some editor's notes have been added in italics to clarify churches now known by different names. I personally feel humbled, yet challenged, by the dedication which Brother Woodruff Chandler demonstrated in his labor as clerk for the first nine years of this association.

A Summary of the 1958 Minutes of Taylor County Association

REPORT OF THE EXECUTIVE BOARD

1958

During the past year, the Executive Board met every month in the Campbellsville Baptist Church Building, with average attendance of twenty. Many decisions were made to further the work of the association. A few of the most significant discussions are presented here.

September 8, 1957 the District Board of the Taylor County Baptist Association held its first Board meeting, with Dr. J. Chester Badgett, Moderator, and Woodruff T. Chandler, Clerk, presiding.

In December, the Taylor County Baptist Association and Campbellsville Baptist Church agreed to take over Tabernacle No. 2 in Adair County, the association paying \$50.00 and Campbellsville Baptist Church paying \$25.00 per month.

In January meeting the Board voted to participate in Simultaneous Crusade in spring of 1959 and voted to allot \$500.00 to Acton Mission building fund.

In February the Board voted to have associational wide survey with Brother. G. R. Pendegraft in charge.

In March the Board appropriated \$50.00 to purchase piano for Eunice Baptist Mission. (*Editor's note--Tabernacle No. 2 mentioned in December*).

In April the Board sponsored Vacation Bible School Clinic.

In May the Board set first week in November for taking survey of Taylor County.

In June the Board selected Dr. D. L. Druen to bring Introductory Sermon, and Dr. J. Chester Badgett, Missionary sermon, at the annual meeting of the Association.

In July the Board agree to sponsor a booth at Taylor County Fair, under direction of Dr. Roy G. Wilson, Associational Brotherhood President. Voted that reports to Association not exceed 250 words and deadline for returning letters September 15, 1958.

In August the Board voted we bring lunch to the Association, the host church to furnish drinks and lunch for out of town guests.

Respectfully submitted,
Woodruff T. Chandler, Clerk

(M) Missionary Message

For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

(Romans 9:38, 39)
