### **November 1994**

Jane Pike resigned her position as Associational Secretary after having served since January of 1985.

### **December 1994**

Sharon Hunt was employed as Associational Secretary. Jerry Kibbons reported that fourteen churches had given affirmative confirmation of their support of the Russian Sunday School work under the direction of Brother Syrovatko.

### **January 1995**

The Director of Missions expressed concern over the gangs in Taylor County.

### **February 1995**

Missions Committee Chairman Jerry Kibbons read a letter of appreciation from Brother Nicholai Syrovatko for the support that the association is providing the Russian Baptist Sunday School effort.

### **March 1995**

It was reported that thirty-three college students had gone to Newton, Georgia, for mission work. It was decided that the association would again provide a booth at the Fourth of July activities. Tracts and water would be distributed.

### **April 1995**

It was announced that Mount Gilboa would have one person in the Children's Bible Drill in addition to several from Campbellsville. Several of these children were state winners.

### **May 1995**

In addition to the election of leadership for the coming year, J. Chester Badgett presented a resolution in opposition to the promised actions relating to the Women's Missionary Union at the Southern Baptist Convention. The resolution was approved unanimously, and copies of it were sent to various key personnel in the Southern Baptist Convention prior to the Convention in June. (Clerk's Note: Apparently several other resolutions from throughout the convention were sent, because the proposed changes were modified by amendments by the Executive Committee of the convention before they were presented.)

### **June 1995**

Moderator David Henderson had resigned his position to accept the call as Minister of Education of First Baptist Church of New Port Richey, Florida. A letter of commendation was read and approved to send to the association where Brother Henderson was now serving. First Assistant Moderator Darrell Hunt and Second Assistant Moderator Brian Fannin advanced to Moderator and First Assistant Moderator respectively.

### **July 1995**

It was reported that two young people from Campbellsville, Kim Hayes in the orchestra and Ruth Campbell in the choir, were with the Kentucky Baptist All State Youth Music program this summer. It was reported that what our association sends to Russia provides over one-half the funds for expenses in all the Sunday School work that is being conducted in the St. Petersburg Oblast. Ray Flewellin reported that twelve people, including a guard, had received Christ recently in the jail ministry. Also, due to difficulty in getting into the present meeting place, the meeting place of the Executive Board meeting was changed to Lowell Avenue.

### **August 1995**

It was decided that people from the group that recently went to Russia on a mission trip would be asked to present the Missionary message at the Tuesday evening session of the annual meeting in September.

Respectfully submitted,  
Jim Campbell

## RESOLUTIONS COMMITTEE

Resolution of thanks to host churches.

Whereas Mt. Gilboa and South Campbellsville Baptist Churches have served as hosts of the Taylor County Baptist Association; Be it therefore resolved that the Taylor County Baptist Association does hereby express our sincere thanks and appreciation to these churches for hosting our meetings and for their gracious hospitality that has added greatly to the success of the meetings.

Resolution of support to Campbellsville College

Whereas Campbellsville College has continued to teach and train Christian leaders for their future; and

Whereas, Campbellsville College has continued the tradition of excellence established throughout the years; and

Whereas, President Winters and the staff and administration of Campbellsville College have provided excellent and able leadership for the institution and the students as evidenced by a growth of over 106 percent student population in the last eight years;

Be it therefore resolved that the Taylor County Baptist Association commend President Winters, the faculty, the staff, and the administration of Campbellsville College for a job well done, and that we pledge our continued support of this fine Christian institution of learning.

Resolution of thanks for support of Taylor County Baptist Association

Whereas, the churches making up the Taylor County Baptist Association have given their wholehearted support for the general program of the Southern Baptist Convention; and

Whereas, in particular the percentage of baptisms have shown a marked increase over the past year and Whereas, this is probably the most effective way of measuring our duty to carry out the great commission;

Be it therefore resolved that the Taylor County Baptist Association thanks each church and the membership thereof for the continued emphasis in evangelism and their general support of the Cooperative Program. May our emphasis on winning the lost continue till Jesus comes again.

Don Gowin, Chairman

## SUNDAY SCHOOL

Last year a challenge goal to increase Sunday School enrollment by three percent (3%) was suggested. The highlight of this report is that as an association that goal was reached by a three and one-hundredth percent (3.01%) increase in total enrollment. Seven churches showed an increase in enrollment this year that helped reach this goal.

We also showed a slight increase in average Sunday School Attendance of forty-nine hundredths percent (0.49%). This isn't what it ought to be, but an increase is something about which we need to rejoice. Please notice that as our Sunday School Enrollment increased so did our baptisms increase.

Continue to strive to increase our Sunday School enrollment and average attendance. As the Sunday School and Bible teaching organization grows, so grows your church family.

Thank you for your support and encouragement these last fifteen years as your Sunday School Director.

Respectfully submitted,  
Don Gowin

## VACATION BIBLE SCHOOL

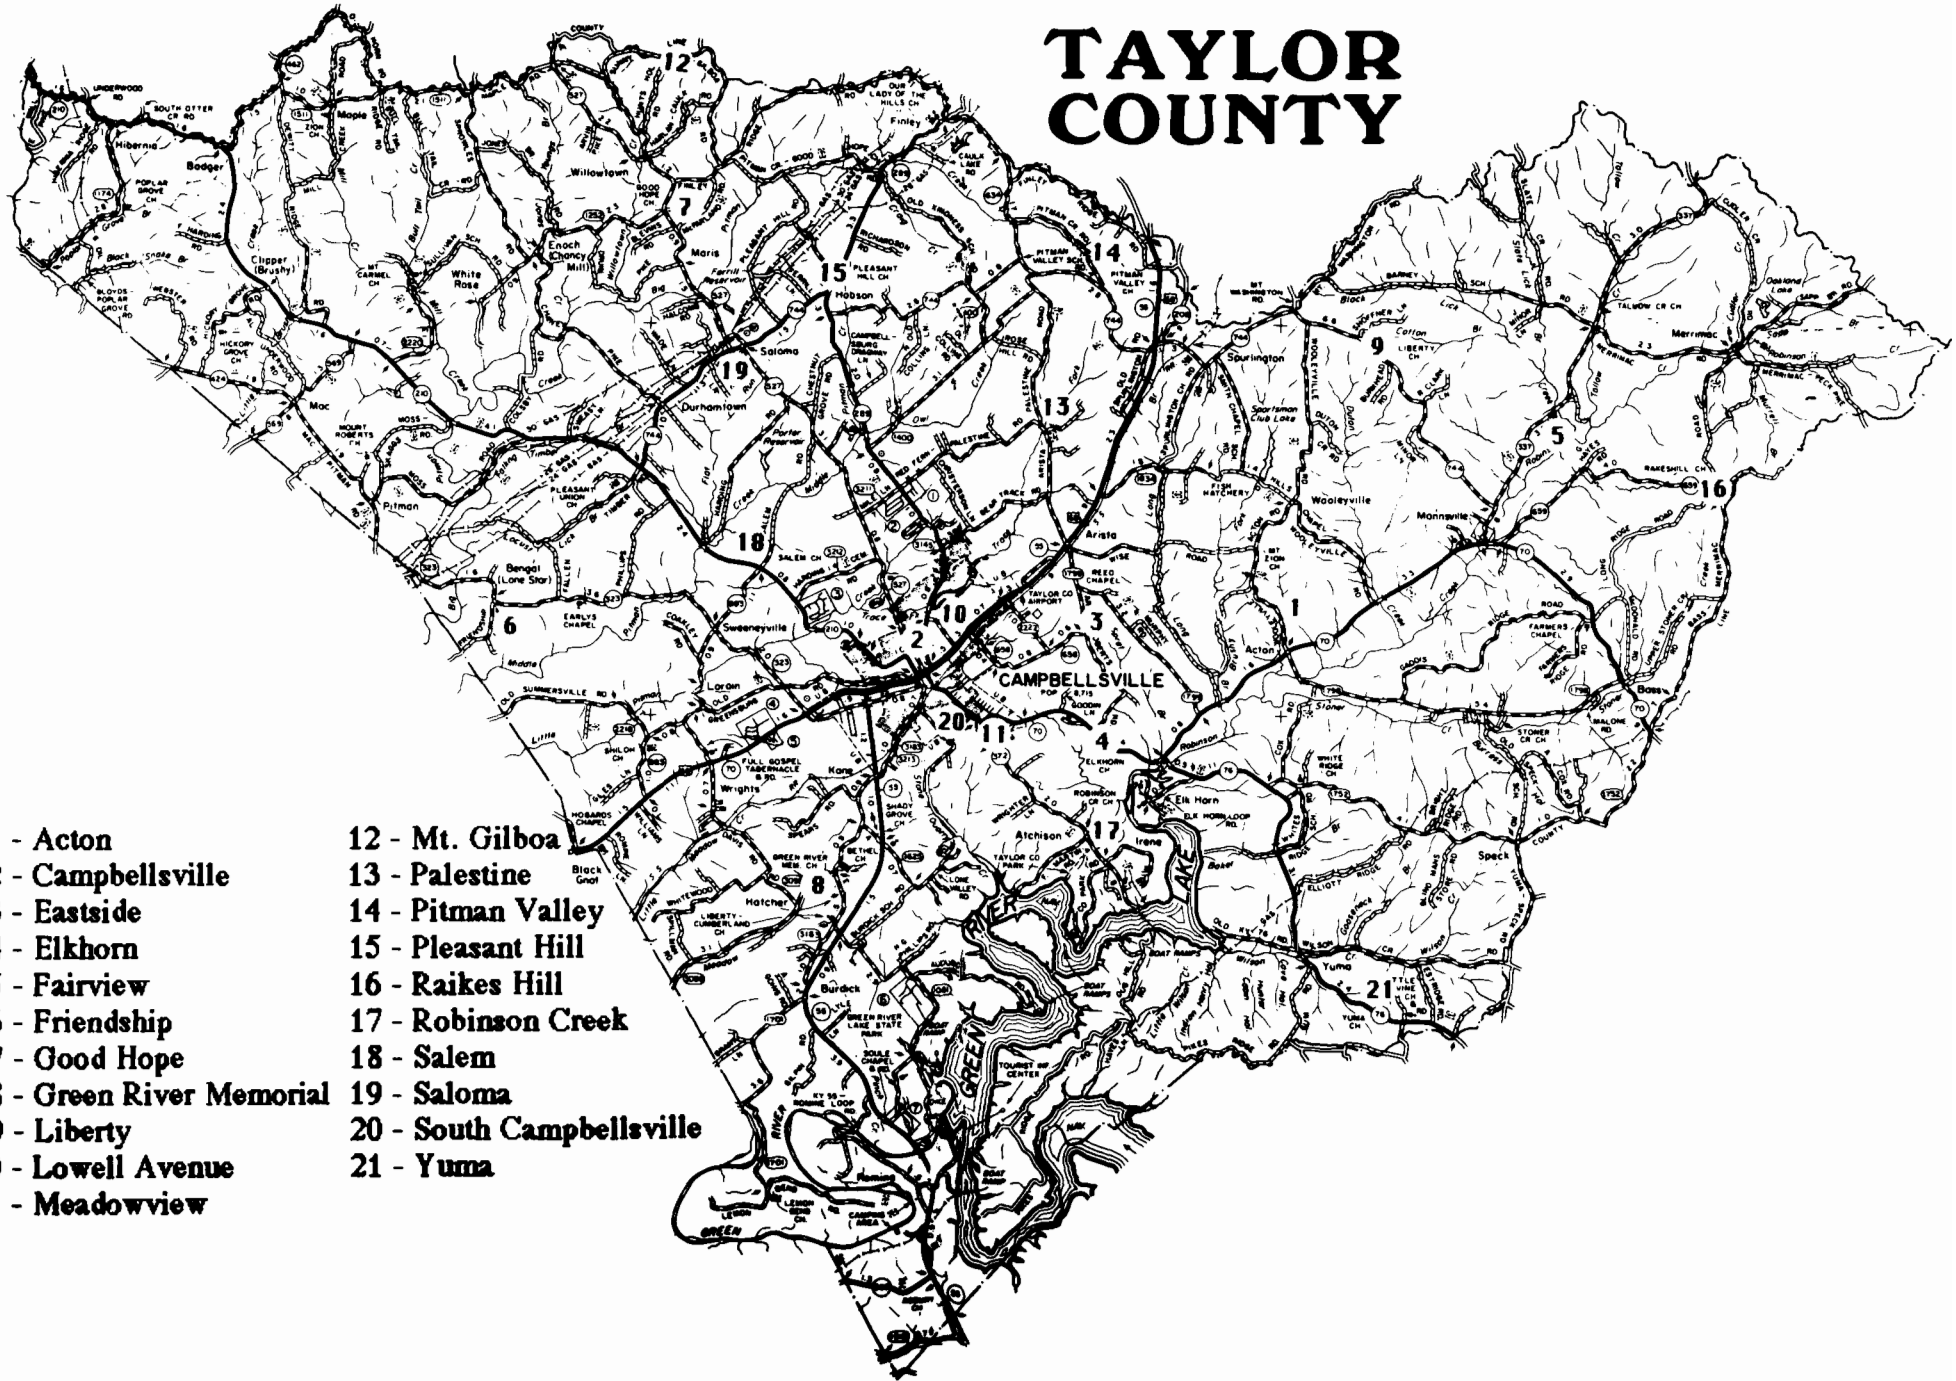

Again this year it is a joy to give the V.B.S. report. We had a 95.23% participation with only one church not having a V.B.S. However again for the fifth year we had an increase in enrollment. That means we are reaching more children and adults in Bible study. This year we increased our enrollment by one hundred sixty-nine (169) or 6.55%. The total enrollment of our V.B.S. this year was 2,749. Raikes Hill Mission needs to be recognized for their increase in numerical attendance of twenty-six (26) over last year and one hundred forty-four percent (144%) of enrollment gain. The number of baptisms and prospects also increased over last year. Another area that is growing and is a great outreach for our churches is Back Yard Bible Clubs and Mission V.B.S. The following churches held Back Yard Bible Clubs or Mission Vacation Bible Schools this summer:

1. Campbellsville Baptist had fifty-five (55) in Back Yard Bible Clubs.
2. Green River Memorial held VBS in Wheelwright, Kentucky, and reported fifty-five (55) in attendance.
3. Palestine Baptist ministered in Northern Ohio and reported attendance of one hundred fifteen (115) in VBS.
4. Pleasant Hill Baptist Church had thirty-six (36) enrolled in a Mission VBS at Raywick in Marion County.

A total of two hundred fifty (250) people were reached through this outreach ministry. A challenge to other churches is for them to plan areas of outreach. Let's continue to grow in reaching people through V.B.S. The challenge for next year is another three percent (3%) increase and one hundred percent (100%) participation.

Respectfully submitted,  
Don Gowin

## DISCIPLESHIP TRAINING

The Discipleship Training Department of the Southern Baptist Convention has defined discipleship as "a lifelong journey of obedience to Christ that transforms a person's values and behavior, and results in ministry in one's home church, and world."

"Discipleship Training has four primary assignments, each of which focuses on a different part of the discipleship process:

1. Assimilate new members into the life of the church.
2. Guide disciples in spiritual maturity.
3. Equip disciples to strengthen family relationships.
4. Equip disciples for leadership and ministry."

Baptists have always been great in evangelism with every pastor and church seeking to win and baptize the lost, but Baptists have been lax in carrying out the rest of the commission. No pastor of a church would want to omit any of the four purposes mentioned above, yet we face the fact from the digest of letters that only ten of the twenty churches and one mission have been concerned enough to have even one unit of discipleship training.

I am convinced that the Discipleship Training should be a part of every unit of work in our association. This part of our work is second only in importance to our Sunday Schools.

It is my conviction that it is the pastor's responsibility to lead his church in discipleship training. The work is not done when we have won the person to Christ. The church owes to every member training in discipleship. The pastor could begin a Discipleship Training unit for his deacons and Sunday School teachers.

J. Chester Badgett

## BROTHERHOOD

Kentucky Brotherhood is rapidly shedding its image of a "meet, eat, burp, and go home" society. Brotherhood in Kentucky is an energetic group of men who want to put their faith into action. That spirit is present in Taylor County Association.

The men and their families of Kentucky and Taylor County have been involved in several ministries that demonstrate Jesus's concern for people.

Brother Beard participated in an "Experiencing God Weekend" in Western Kentucky in a church that was hurting and falling apart and where the pastor was ready to call it quits. As a result, people were broken by the Holy Spirit and revival broke out. Ray Flewellin regularly reports on conversions as he leads at the Columbia Jail ministry.

Kentucky Disaster Relief teams helped flood victims in Albany, Georgia; ministered to the poor people of Haiti following the United States military intervention in that country; helped the people of the Radcliff and Murray areas following tornadoes that devastated those communities last spring; and a team of Kentucky Brotherhood personnel went to the nation of Albania to set up a base camp for a group of college students who shared in evangelistic efforts by showing the "Jesus" film. Elaine Koch ministered to the refugee children of Rwanda following the civil war in that poor nation.

Our men and boys participated in regional congresses, the Swim and Gym fellowship at Campbellsville College, and the state track and Royal Ambassador Racer meets at Jonathan Creek and Cedarmore Baptist Assemblies.

Brotherhood is alive and well in Kentucky.

Respectfully submitted,  
Larry D. Koch

## WOMEN'S MISSIONARY UNION

Unexpected changes have taken place in WMU this year on the national level. These will influence us only if we dwell on them.

Planned changes, needed changes that have been given much prayer and consideration, have come on the state and local levels. We are excited about Baptist Women/Baptist Young Women becoming Women on Mission. Some churches began gearing up for this last year and already have seen a 2.9% increase in enrollment on the local level. More people getting involved in missions and mission projects will renew interest and create more excitement for doing ministry.

1994-95 marked our first National Ministry project--World Hunger. Our churches collected 2,732 cans and \$760.50, all of which went for ministry to the hungry here in Taylor County. Our second National Ministry project for 1995-96 will be "AIDS." I challenge you to get as involved in this project as you did in feeding the hungry.

I urge you as churches, pastors, and WMU members not to let the controversy you read and hear on our Southern Baptist Convention level influence you to lower your Lottie Moon Foreign Mission Offering goals or your efforts to reach these goals.

Our missionaries depend on our prayers that go up for them daily. They depend on this offering for special equipment, supplies, and the money to begin new projects of ministry. We must not fail them as they seek to "give a cup of cold water" in Jesus Name.

Respectfully submitted  
Mary Lou Hadley, WMU Director

## MEDIA REPORT

Media exposure for activities affecting Taylor County Southern Baptists has been plentiful during 1995. Much of this has come as a result of the national evangelistic movement, "Here's Hope."

During "Here's Hope," a publicity committee was organized and met to establish publicity goals as they related to the Association and to the participating churches. Most of the churches were represented on this committee.

Through the efforts of this committee, "Here's Hope's" message of reaching this nation and Taylor County for Jesus Christ was related to the public in many ways. First, Bill Beard and James Jones, who led the local and state efforts, were interviewed "live" on WCKQ-FM's "Trent Ford in the Morning" show. Further exposure to "Here's Hope" was given by Rochelle Simpson's numerous features and articles on the effort through the pages of the *Central Kentucky News-Journal*, mentions in *Western Recorder* and *The Lexington Herald-Leader*, as well as television time on WGRB-TV and Campbellsville College's TV-4.

Advertising for "Here's Hope" was also seen each Monday on the front cover of the *News Journal's* television guide. Sponsored by our association, the ads used various social themes as established by the Home Mission Board and ran for more than two months.

Some of the churches took advantage of the ads prepared by the Home Mission Board by inserting the particulars of their own revivals in our local newspaper.

Jesus used the publicity committee in a wonderful way during "Here's Hope." Much prayer, support and effort helped make "Here's Hope" a tremendous success among the churches of the Taylor County Baptist Association.

Respectfully submitted,  
Marc C. Whitt, Media Director

## EVANGELISM COMMITTEE

The 1995 *Here's Hope--Share Jesus Now* Harvest Revivals helped our association to have a gain of forty-three baptisms, or a twenty-eight and three-tenths percent (28.3%) increase over 1994. Many hours of preparation were put into this revival success. We had a Prayer-Evangelism Rally on February 9 to boost interest in prayer, personal witnessing for sixty days, and a people search for lost and unchurched people. Approximately one hundred people from seventeen churches attended.

Brother James S. Jones, from Calvary Baptist Church in Glasgow, was our challenging speaker for the rally. His message stirred our hearts and renewed our desire to see lost people saved.

However, five of our churches did not report a single baptism during the year, and seven did not baptize as many as they did in 1994. Nine churches showed increases in baptisms. Some increases were as high as three hundred percent (300%), two hundred forty percent (240%), one hundred seventy-four percent (174%), and one hundred sixty-seven percent (167%). We recognize the five churches who baptized the most: Campbellville--thirty-eight (38), Elk Horn--thirty-three (33), Robinson Creek--thirty (30), South Campbellville--twenty-four (24), and Saloma--fifteen (15). We congratulate Saloma for having the lowest member-to-baptism ratio. It took them thirteen and four-tenths (13.4) members to reach one soul.

The 1995-1996 Church Year has already begun, and we pray that the Lord of the Harvest will give us another great year. Pray, visit, and encourage people. You will receive a blessing.

Respectfully submitted,  
Herman Wilkins, Chairman

## MISSIONS COMMITTEE

This Associational year has recorded an increased concern for personal involvement in missions. Beginning in our own Association with weekly ministry in housing projects and Backyard Bible Clubs, then reaching out to the distant land of Russia, Taylor County Baptists have experienced missions "first hand" as never before!

The Pleasant Hill Church conducted a Mission Vacation Bible School at Raywick, Kentucky. Special mission work was done in Wheelwright, Kentucky by the Green River Memorial Church. A number of men from our churches shared ministry through Campers on Mission.

Ohio received the help of mission groups from the Elk Horn and Palestine Churches.

Michigan benefited from the enthusiastic help of Lowell Avenue's summer mission team.

Church work in Utah was strengthened by a financial gift from the Friendship Church. Friendship also sent \$5,000.00 to the Penza Baptist Church in Russia.

As we have already indicated, the Campbellville Church sent out a team of ten people to participate in Russian Missions.

In conclusion, may I challenge each church to "go that they may know" personally about the urgent need of sharing Christ with the lost world. If you go, your life as an individual will never be the same!

Respectfully submitted,  
Landon Hadley

## DIRECTOR OF MISSIONS

We are delighted with the good report of our churches for the 1994-95 Associational year. We had a great year in evangelism with the "Here's Hope" revival emphasis. We appreciate the leadership of Dr. James Jones and those who worked with the "Here's Hope" emphasis.

One of the highlights of the year was the coming of the "Campers On Mission" to spend a week working on the church buildings at Acton, Raikes Hill, Saloma and Liberty. In August, workers returned and worked at Campbellsville College for a week.

Our people are to be commended for their mission giving--especially their gifts through the Cooperative Program and support of Associational work. We rejoice in having a part in the Sunday School work in Russia.

We are preparing for our Associational World Missions Conference scheduled for April 14-21, 1996. We will have missionaries in our association for eight days. We trust that every church in Taylor County Baptist Association will open their doors and hearts to our missionaries from around the world as they share the victories and challenges on the mission fields.

Respectfully submitted,  
Bill Beard, Director of Missions

## HOME MISSIONS

As of December 31, 1994, there were 4,913 missions personnel serving the United States, the Caribbean, Guam, American Samoa, and Canada. We are only eighty-seven (87) short of the Bold Mission Thrust goal of five thousand (5,000) home missions. More than two thousand (2,000) Mission Service Corps volunteers were serving, exceeding another Bold Mission Thrust goal six years early.

The Home Mission Board endorsed more than twenty-three hundred (2,300) chaplains, reporting more than twenty-four thousand (24,000) professions of faith.

During the year there were nearly thirteen hundred (1,300) church starts and 378,463 baptisms, an increase of nearly thirty-thousand (30,000) over 1993.

Nearly eighty thousand (80,000) people served as volunteers, up about five thousand (5,000) from 1993. This represents more than \$100,000,000 in value to the Home Mission Board. More than twenty-five hundred (2,500) volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Missionaries of the Language Church Division serve among one hundred two (102) ethnic groups and ninety-seven (97) Native American tribes, using one hundred two (102) languages and dialects, in addition to sign language

About half of the Home Mission Board's support comes from individual Southern Baptist churches through the Annie Armstrong Easter Offering. In 1994, the offering totaled \$37,177,500, about two percent (2%) more than 1993 and the second largest in Home Mission Board history. One hundred percent of this offering goes to support the world of our home missionaries. Taylor County Churches gave a total of \$20,290 in 1994. We as Christians must continue our support of the Annie Armstrong offering and our missionaries as they continue to spread God's Word.

Respectfully submitted,  
Connie Wise

## DIRECT (STATE) MISSIONS

The Kentucky Baptist Convention continues to be involved in Partnership Missions. We have been involved with Utah-Idaho for the past four years and have voted to continue for one more year. This will make a total of five years that we have been involved in this partnership. Twelve (12) teams have been involved this summer in revivals, Vacation Bible Schools, door to door witnessing, Discipleship Training, and repair of church buildings.

On May 9, 1995, the Executive Board of The Kentucky Baptist Convention voted to enter a three year partnership with the New England Baptist Convention. The first year we will be working in the Greater Boston area and later we will move into the New England area.

Many Churches have taken part in mission projects in Eastern Kentucky. By the end of the year we will have over twenty-five churches that have been involved in mission work. They have been doing Vacation Bible Schools, revivals, Back Yard Bible Clubs, and construction projects.

Since 1994, we have had more than five hundred (500) volunteers participating in our Kentucky-Russia Partnership. During 1995 committed Kentucky Baptist churches, associations, and individuals have been supporting seventy-two (72) Russian Home Missionaries. Kentucky Baptists have also been responsible for building twenty-six (26) new churches and giving \$52,942.00 toward the purchase of Bibles in the Russian language.

Respectfully submitted,  
Bill Beard, Director of Missions

## FOREIGN MISSIONS

This past year has been an outstanding year in foreign missions as God used 4,187 missionaries, serving in over one hundred thirty countries, to help lead over three hundred thousand people to a saving knowledge of Jesus Christ. These missionaries were assisted by over thirteen thousand volunteers from Southern Baptist Convention churches. This past year was also a banner year in the support for foreign missions.

The current year's budget calls for \$186,000,000 with anticipation that forty-six percent (46%), or \$83,161,000 will be given through the Lottie Moon Christmas Offering, while thirty-seven percent (37%), or \$70,920,000 is to come through Cooperative Program gifts. The rest is to come through designated gifts and investment income.

In 1994, \$6,600,000 was given for the board's hunger and relief ministries. This money fed victims of the Yugoslavian war, refugees and orphans of the Rwandan war. It was used for drilling wells in Haiti and for agricultural projects around the world.

God is at work in the world, and we are helping in what is being done. This past year, every church in the association contributed to the foreign mission, giving a total of \$52,738. But, I'm sad to say, we gave \$3,028 less than the year before. Our Cooperative Program gifts, however, were up by \$39,655, an almost eleven percent (11%) increase. We also participated through the Kentucky-Russian Partnership in at least three ways. Through volunteers, through associational support of Sunday School work in the St. Petersburg Oblast, and through the contributions of some of our churches for the construction of church buildings in Russia.

God grant that we will do more in the coming year than we have during this past year.

Respectfully submitted,  
Jerry R. Kibbons
