CONSTITUTION

- Article 1.** This body shall be called the Taylor County Association of Kentucky Baptists.

- Article 3.** The business of this body shall be, when assembled, to hear reports from the churches with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.
- Article 4.** The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The Association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not considered Biblical.
- Article 5.** The Time, Place, and Preacher Committee shall, in addition to the annual meeting, select a time and place for a spring session for the purpose of electing officers for the next associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator; First Assistant Moderator; Second Assistant Moderator; Clerk; Assistant Clerk; Treasurer; Assistant Treasurer; and Auditor; whose duties shall be as custom imposes on their respective offices. Good Hope Baptist Church

Erected 1796

Then probably called "Church on Pitman"

First Building--Located on what is now called Willowtown Creek

It is believed that the actual site of this original building is located about one hundred yards south of the Highway 1252 and about thirty yards west of the creek. Former Good Hope Pastor Marshall Black and Jim Campbell, then music director of Good Hope, discovered a slightly raised and compacted area approximately twenty feet by twenty feet in the field in that location in 1971. This location matched the description of the location of the building that Brother Black had discovered in his research prior to the one hundred seventy-fifth anniversary of the church. Brother Robert Stapp, a teacher of art at Campbellsville College (now Campbellsville University), made the original drawing from which the above picture was taken from a description Brother Black had discovered and a photograph taken at the site. Brother Stapp also made a drawing of the second building of Good Hope at the same time.

In Revelation 14:13 we find, *"And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."*

Among those listed above was one of our faithful former pastors, Rev. Marshall Black. This man of God not only was a faithful pastor attentive to the needs of his flock, but was also a faithful educator both in the public schools and at the former Campbellsville College, now Campbellsville University.

Also, one of the deceased was one of our outstanding doctors, Dr. Roy G. Wilson, who was also an outstanding churchman serving as deacon, Sunday School teacher, and witness.

Among the fallen churchmen were the following known deacons: Mr. Ray Buckner; Mr. James Hunt, a charter member of his church and willing worker in the association; Mr. Edgar Russell, also a faithful supporter of the associational work; Mr. Lee Gaddie, Mr. Dean Dix, and Mr. Regionald Reynolds. The following women were faithful as deacon wives: Mrs. Doris Taylor and Mrs. Nettie Buckner.

EXECUTIVE BOARD REPORT

August 1995--A letter of appreciation for support by Taylor County Baptist for Sunday School Work in Russia was read. The letter was from Brother Nicholai Syrovatko.

September 1995--It was voted to begin a religious census of Taylor County beginning sometime during the coming year.

October 1995--The Missions Committee reported there are 1,175 Baptist churches in Russia, but only six hundred fifty pastors. Around the oblast where Brother Nicholai Syrovatko serves there are services in twenty-four cities, and sixteen of them have Sunday Schools. Edgar Russell, executive board member and longtime lay leader in the association, was remembered as the executive board placed Gideon Bibles in his memory. Brother Russell went to be with the Lord shortly after the annual fall meeting.

November 1995--Ray Flewellin reported that ten men and four women had recently made decisions as a result of the jail ministry he leads under the sponsorship of the association.

December 1995--Further communications from Nicholai Syrovatko were presented. Brother Syrovatko continued to express appreciation for Taylor County Association's support.

January 1996--Due to weather conditions, the executive board met the third week in January. It was reported that approximately one hundred boys attended the Annual R. A. Swim and Gym held in the Campbellsville College Gym.

February 1996--The executive board voted to send enough money for the Russian Sunday School department to purchase a television with video cassette player/recorder to enable that department to present training videos to people who had no experience in Sunday School work.

March 1996--Director of Missions Bill Beard presented a list of missionaries who would be participating in the World Missions Conference and described some of the activities the association would provide for them. The executive board authorized Brother Beard to secure a credit card for the express purpose of making airline reservations for the missionaries.

April 1996--The Evangelism Committee was given the responsibility to begin work on establishing a census committee.

May 1996--The spring session was at Good Hope, already well into their two hundredth anniversary celebration. After the election of leadership for the coming year, J. Chester Badgett requested personal privilege for two comments. He praised the laymen for their work in the association, but added that pastors need to be more concerned about the proceedings of the association. He further suggested the possibility of eliminating the spring meeting since the Kentucky Baptist Convention ceased training sessions in the spring for associational officers.

June 1996--After noting a deficit for the World Missions Conference, the executive board voted to cover the amount from the Evangelism item in the budget. It was further noted that the love offering was in excess of \$400.00 per missionary.

July 1996--It was reported that three young people from Campbellsville, Jenny Moore, Ruth Campbell, and Laura Campbell, had participated in the Kentucky Baptist All-State Youth Choir. It was announced that David Walters, Chester Badgett, George Gaddie, Jerry Kibbons, and Jim Campbell make up the *Ad Hoc Census Committee* that will be working closely with the Evangelism Committee. Chairman Tom Gupton requested that the executive board remember this committee and undertaking in prayer.

Jim Campbell

RESOLUTIONS COMMITTEE

Resolution of thanks to host churches

Whereas Good Hope, Pitman Valley, and Lowell Avenue Baptist Churches have served as hosts of the Taylor County Baptist Association in 1996; Be it therefore resolved that the Taylor County Baptist Association does hereby express its sincere thanks and appreciation to these churches for opening their doors and greatly adding to the fellowship and spirit of these meetings.

Resolution of congratulations to Rev. Don and Sharon Gowin

Whereas Rev. Don Gowin and his wife, Sharon are completing twenty (20) years of successful ministry at Green River Memorial Baptist Church; and whereas Brother Don's leadership and the strong support of his wife have been a strong influence at Green River Memorial as well as the people of this area; Be it therefore resolved that this Association applauds the efforts of the Gowins and wishes them continued blessings under the Lord's leadership at Green River Memorial.

Resolution of congratulations to Good Hope Baptist Church

Whereas Good Hope Baptist Church, under the capable leadership of Rev. Al Hardy with the invaluable assistance of his wife, Peggy Hardy, has completed two hundred years of "lifting up the name of Jesus" in the Good Hope Community; Be it therefore resolved that the Taylor County Baptist Association congratulates Good Hope Baptist Church, together with all of its former pastors and its congregation on its service to the Lord and especially their leadership in mission giving.

Resolution of support and encouragement for the Kentucky/Russian Baptist partnership and continued support of the Cooperative Program

Whereas several churches in the Taylor County Baptist Association have sent lay missionaries to Russia and others are planning to do so as a part of the "Russian partnership" and whereas there is a tremendous need for increased giving through the Cooperative Program for this Mission effort and many others; Be it therefore resolved that this Association will redouble its efforts in the support of the Russian partnership, in particular, and the Cooperative Program, in general.

Resolution of support to Campbellsville University

Whereas Campbellsville College has now made the transition to a university; and whereas Campbellsville University is continuing its tradition of excellence in Christian education; and whereas President Winters, the Administration, faculty and students are to be commended for the continued growth of this fine institution; Be it therefore resolved that the Taylor County Baptist Association commends the University and the Association pledges its continued support, both in prayers and in financial giving.

Resolution of thanks for support of Taylor County Baptist Association

Whereas the vast majority of churches making up the Taylor County Baptist Association have given their wholehearted support to the general programs of the Southern Baptist Convention; and whereas the need for our continued support has increased rather than diminished; Be it therefore resolved that the Taylor County Baptist Association thanks the individual churches for their support and encourages a greater emphasis on evangelism as well as support of the Cooperative Program. We recognize that reaching souls for Christ is the greatest measure of the success of our churches in this Association.

SUNDAY SCHOOL REPORT

Last year I challenged churches to increase their Sunday School enrollment by three percent (3%) in the 1995-96 church year. Instead of an increase in Sunday School enrollment, there was a five and six hundredths percent (5.06%) decline in total enrollment. Twelve churches did show an increase of three percent (3%) or more in Sunday School enrollment this past year, and that is something for which we need to rejoice in the Lord.

Also, as an association we showed a decrease in average Sunday School attendance of two and fifty-four hundredths percent (2.54%). If you will notice, our Sunday School enrollment and average attendance usually plays an important part in the total number of baptisms each year. When the Sunday School enrollment and average attendance increase, the number of baptisms also increases. When the Sunday School enrollment and average attendance decrease, so does the number of baptisms. This was the case this past year. It is heartbreaking to report the number of baptisms this past year in the association declined by 54 or twenty-seven and sixty-nine hundredths percent (27.69%).

As an association, we need to strive to increase our Sunday School enrollment and average attendance. As this report reflects, our church family grows when our Sunday School grows.

I have appreciated the encouragement and support you as churches have given me this past year as your Associational Sunday School Director.

Respectfully submitted,
Rusty Watkins

VACATION BIBLE SCHOOL REPORT

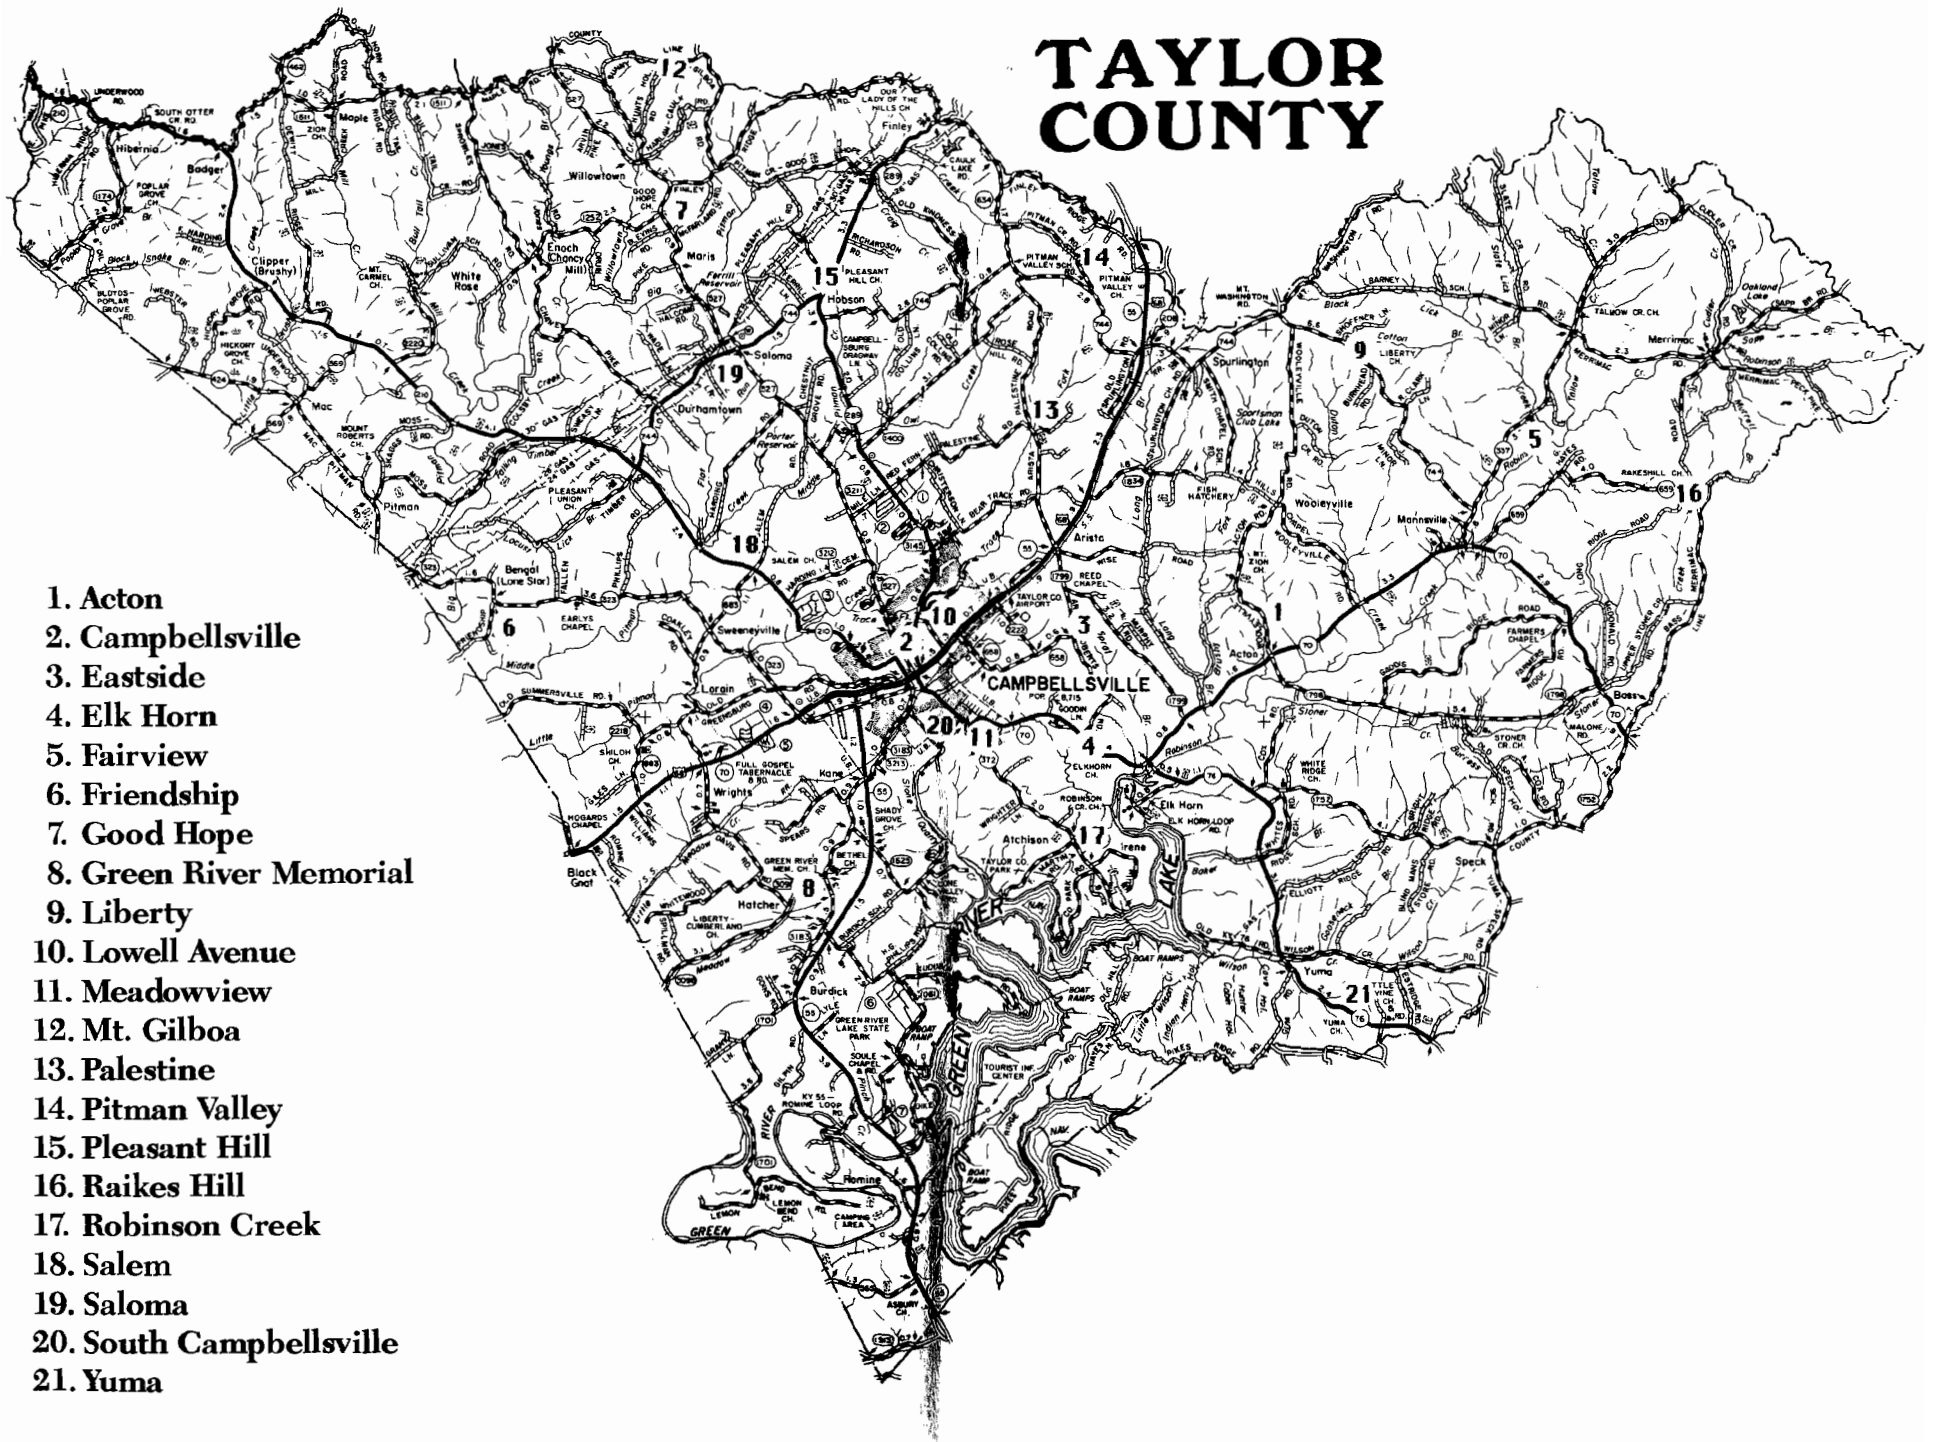

As an association, we had 95.24% participation with only one church not having a Vacation Bible School. However, there was a decrease in enrollment. The total number of children and adults enrolled in V.B.S. this year was 2379 compared to 2749 last year. That is a decrease of three hundred seventy (370) or 14.46%. Only nine churches showed an increase in enrollment over the previous year. Mount Gilboa and Meadowview need to be recognized for increasing their V.B.S. enrollment by more than fifty percent (50%).

Also, Palestine Baptist did Back Yard Bible Clubs and reported an enrollment of one hundred and thirty-seven (137). Back Yard Bible Clubs or Mission V.B.S. is a great way for churches to minister and share the gospel of Jesus Christ with people outside their own congregation. A challenge to churches is to reach outside of your own congregation and conduct a Back Yard Bible Club or Mission V.B.S. next year.

Let's get serious about reaching children and adults with the gospel of Jesus Christ through Vacation Bible School and increase our V.B.S. enrollment by at least three percent (3%) in the upcoming year.

Respectfully submitted,
Rusty Watkins

DISCIPLESHIP TRAINING

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." (Matthew 28:19-20, NIV)

The primary command of the Great Commission is to make disciples. Discipling is not an option for churches. If we fail to do this task, we cease to be a Great Commission church.

Seventy percent of the churches in our association have some type of ongoing discipleship training. We praise God for the good things happening in our churches.

Discipleship Training succeeds for some churches on Sunday evenings. More and more churches are moving to a flexible schedule. The importance is in the training, not in the time of meeting. Presenting the materials from the quarterly or one of the special studies helps to train and equip our members. Small groups, prayer meetings - any type of gathering is an opportunity to do discipleship training.

We probably do more discipleship training than we give ourselves credit. In the new year, let's commit ourselves to make disciples through training and to keep good records of our training events.

H. Ray England

WOMEN'S MISSIONARY UNION

The uncertainty of the changing world around us challenges us to be more receptive to God's message. This message commands us to be a part of what He is doing in the world. Our commitment should cause us to risk embarking on a faith journey beyond what we know and can envision. This year our emphasis has been "Risk the Journey."

Our watchword has been the admonition "... *to lead the blind by ways they have not known, to try to turn darkness into light and make the rough places smooth. These things will I do because the Lord will not forsake them.*" (Isaiah 42: 16, NIV)

The objective of WMU is to inform people in our churches of the unlimited opportunities for personal involvement in God's redemptive work in the world. We have an individual responsibility to move beyond a verbal commitment and obey the Great Commission. We want to help our people realize the urgency of entering doors of opportunity currently open, locally and around the world.

This year in our Association, the WMU gave our young people the opportunity to see and hear first hand what God is doing around the world during the World Mission Conference.

We also took part in the second National Ministry Project--AIDS.

We have embraced the reorganization of Baptist Women and Baptist Young Women into Women on Mission. We also have provided two new coeducational groups: Children in Action and Youth on Mission. This gives everyone the opportunity to "Risk the Journey."

Mary Lou Hadley, WMU Director

BROTHERHOOD

Brotherhood is the mission outreach involving men and boys of a local church. Fifteen churches in our association are on record as having Brotherhood. Fourteen have Royal Ambassador (R. A.) programs. Eleven have Baptist Men's programs. This past year there has been an increase of thirty-five in total involvement. Seven reported Missions Projects, and five reported Mission Action Projects.

Events involving the association Brotherhood this past year included the following: State Brotherhood Convention in October 1995; Baptist Men's Day in all churches and Swim and Gym Fellowship including Racer competition in January 1996; South Central Region R. A. Congress in February 1996; Associational R. A. Track Meet, with thirty-one boys winning trophies, and World Missions Conference in April 1996; State R. A. Track Meet, with sixteen Taylor County Boys winning medals or ribbons in May 1996; and State R. A. Camps in June and July of 1996. The "'96 Christmas Project for McCreary County" has been going on for several months. The W. M. U.--Brotherhood Picnic was canceled because of weather.

Taylor County has also been involved with Campers on Mission and Disaster Relief. In fact, the Disaster Relief Team is involved in Jacksonville, North Carolina, at the present time.

EVANGELISM COMMITTEE

The Evangelism Committee must report a decrease in baptisms during the 1995-1996 church year. In the previous year we baptized one hundred ninety-five (195) people, and this year we baptized one hundred forty-one (141) people. This is a decrease of fifty-four (54) baptisms, or 27.79 percent. Two churches reported no baptisms in the past year, and ten churches showed a decrease in baptisms. However, eight churches showed increases in baptisms with Meadowview and Yuma showing the largest increases. Also, the member-to-baptism ratio increased this year. Last year in the association it took 41.53 members to reach one person for Christ. This year it took 56.9 people (or fifteen more people) to win one person to Christ at a cost of \$15,127.00 to win that one person.

We must work together as an association to try to reach the lost people in our community. The Evangelism Committee has appointed an *Ad Hoc* Census Committee, and they are currently working together on plans to take a county-wide census in April of 1997. They hope to locate many prospects and have the opportunity to win them to the Lord. We encourage each one to support and pray for this project.

Respectfully submitted,
Tom Gupton, Chairman

MISSIONS COMMITTEE

Our youth and adults broke a record this year in mission involvement. We had mission work going on in Ohio, Maryland, Tennessee, Alabama, and in the Clear Creek area in Kentucky.

We continue our Sunday School work in St. Petersburg, Russia, where our association supports a man who organizes and writes material for Sunday Schools. He then gives the pupils a test at the end of three months. There were several from different churches in the association and from Campbellsville University who went to Russia during the spring and summer.

Our World Missions Conference in the spring was a blessing to all who participated. Our missionaries appreciated the preparation that was made for their coming and for the reception on the part of our people. They expressed their appreciation for the love offering from participating churches.

The association again had a booth on Main Street during the Fourth of July celebration. Hundreds of Gospel tracts and cups of refreshing cold water were distributed. We thank everyone who participated.

Respectfully submitted,
David Cable

DIRECTOR OF MISSIONS

We have had a great year in missions involvement with our youth being involved in missions activity in about eight different states. Brother Ed Pavy, director of Campbellsville University Campus Ministries, accompanied a group of students to Russia during the summer. Brother Al Hardy and Murrell Young from the Good Hope Baptist Church also spent two weeks in Russia.

We had a great World Missions Conference in April with ten missionaries with us for the week. We continue our partnership with Russia and are supporting a missionary in the St. Petersburg area. We have discussed the possibility of a Taylor County work day or days at Cedarmore.

Taylor County Baptist Association will conduct a county-wide Religious Survey in April of 1997. Brother George Gaddie is in charge of the survey.

Our association had part in the Campbellsville Fourth of July celebration by having a booth and giving out cups of cold water and Gospel tracts.

I preached seventy sermons, traveled approximately seventy-four hundred miles, helped search committees and various other committees, and had numerous conferences with both individuals and churches.

Respectfully submitted,
Bill Beard, Director of Missions

HOME MISSIONS

The "Olympics 96" in Atlanta gave almost ten thousand Southern Baptists around the nation, volunteering through Atlanta International Ministries '96, a chance to share Christ, entertain, and minister to two million spectators from around the world.

The games brought athletes from one hundred ninety-seven nations to Atlanta. With temperatures higher than most ticket price, volunteers gave cups of cold water in Jesus' name. It was seed planting in hope of bearing fruit in other times and other places.

The volunteers were in all locations to welcome visitors. In the downtown area there were about one hundred professions of faith each week. There were rallies in four Atlanta churches where Olympic athletes shared their testimonies. One gold medalist said, "While winning medals is thrilling, there is no greater for me than knowing God."

About half of the Home Missions Board's support comes from individual Southern Baptist churches through Annie Armstrong Easter Offering. In 1996 the offering totaled \$38,908,339. The goal for 1997 is \$42,000,000. Taylor County churches gave a total of \$20,692 in 1996—a gain of \$402.00 over 1995.

Respectfully submitted,
Hazel J. Lacy

FOREIGN MISSIONS

The following are record reports: New churches--2,612; Total churches overseas--39,073; Lottie Moon Offering--\$85,900,000; and largest Lottie Moon Offering Increase since 1989--3.66%. For the last three years, Southern Baptists have set Lottie Moon Offering records.

The following are totals for 1995: Baptisms--287,806; Member:Baptism ratio overseas--14:1, United States--40:1; Countries served by Missionaries--131; Missionaries appointed--544; Missionaries serving--4,129; Short term Volunteers--15,000; and the average member contributes \$5.94 to the Lottie Moon Christmas Offering. One hundred percent of the Lottie Moon Christmas Offering goes into foreign missions. The 1996 goal of the Lottie Moon Offering is \$100,000,000. Each individual and church needs to increase giving by 12%.

Cooperative Program giving through the Convention has increased each of the last three years, reaching a record \$145,739,489 in 1995. Fifty percent was designated for the Foreign Mission Board.

The 1996 budget of the Foreign Mission Board, supporting almost 4,200 missionaries in 131 countries, is \$192,615,000. The Board uses only 12.8% of its budget for stateside administration and support functions. Of total church gifts, Foreign Missions receives 3.13 cents.

At the 1995 foreign missions rate, total churches will double in ten years from 39,073 churches in 1995 to 78,146 in 2005.

Five Taylor County churches gave over 20% through the Cooperative Program. The average now is about 9% throughout the Convention. Seventeen Taylor County churches are giving above the average. I thank God for all who have kept our Cooperative Program giving "above average."

We gave 3.4% less in 1995 than we did in 1994. By next year we need to start in the positive side. Still, we're doing well.

James E. Jones

Good Hope Baptist Church after 1966 Addition

History of Good Hope Baptist Church 1796-1996

Good Hope Baptist Church has come a long way since the days when only ten or twelve church members lived within a reasonable distance of the church.

Although the Finley community of northern Taylor County is still not heavily populated, a majority of the nearly two hundred people who are a part of the church membership in 1996 have better means of traveling to the little country church than individuals did in 1796. Many travel from the city of Campbellsville.

According to J. E. McFarland, who wrote one of the (if not the) earliest history of the church in 1876, "The ears of these early settlers were often saluted by the gobble of the wild turkey in the woods, the whistle of the deer, and the howl of the wolf."

Changes in the structure have also been significant.

No longer do members sit on log seats (although there are still some of those on the front porch of the church) with Mother Earth as the floor.

No longer do those interested in learning about Jesus's Word gather in a twenty-foot-square cabin made of large round logs with cracks between. This made it unrealistic to meet at the building in the winter; therefore they met at each others' homes.

That first structure had one door, no shutters, no windows, no chimney or stove, and certainly none of our modern conveniences.

After the church congregation occupied the cabin church for a few years, a friendly old man, William McColgan, donated one acre of ground lying about one-half mile northeast of the log cabin meeting place to the church. He appeared to take a great interest in the Baptist cause, although he was a Presbyterian. On this ground the church, though feeble numerically and financially, proceeded to build a second meeting house on which the shingles were hung with wooden pegs. This would seem strange to our generation.

They cut out two doors and a window that were not enclosed with either shutters or glass for several years. They again had Mother Earth for a floor, and on the seats they made some improvements at least from round logs to split ones.

About six years after this, the church raised \$12.00, bought some lumber and nails, laid a floor, and made some doors and shutters. However, the house still remained without a stove, fireplace, or even glass in the windows, and the church had to resort to private houses to hold its meetings in cold weather.

In 1833 and 1834, the church membership had increased to about sixty members. They bought a stove and put it in the house and put sashes in the windows. Then they greased some paper so that it would better let in light. This they used in place of glass.

"We then began to think we were fixing up in fine style," said J. E. McFarland.

The year 1929 brought problems and successes. The treasurer reported more than usual difficulty in collecting pledges. According to the April 1929 minutes, in spite of tight money the church bought its first piano and sold the old organ to complete the piano payment.

In the fall of that year a "carbide light plant" was purchased and installed for \$180. Zeb Smith did the installation work, but the building was erected by the members. This plant was a great improvement over the "coal-oil lamps."

According to the August 1966 minutes, one of the next big changes was to build additional Sunday School space. On the south side of a central hall in the new addition, a cloak room and a class room were added. The north side of the hallway included a nursery with rest room facilities and stairway to the basement. A assembly room was added in the basement with a wide hall leading to the class rooms previously constructed under the east portion of the church.

According to the November 1966 minutes, a graceful steeple was placed atop the new structure. At the same time a new covered ramp was constructed outside the door of the old nursery for convenience of worshippers who had difficulty going up and down steps. The old nursery was converted into office space.

New carpet was put in the auditorium and on the stairways, and the interior walls of the auditorium were dry-walled and painted.

In 1980 the church redecorated the auditorium, adding new pews and furniture. New carpet was also installed.

In 1981 the basement was repaired and redecorated. Construction of four new Sunday School rooms was begun in 1986. Remodeling of the existing basement was completed and city water was installed at that time.

An internally lighted sign, four by eight feet, with a fieldstone base on each side with landscaping surrounding it was installed in 1994.

Building indebtedness is still not a thing of the past as the church recently borrowed thousands more to make changes to accommodate existing growth and anticipated future growth. In the morning service of March 12, 1995, a vote to build a Baptistry and choir loft was taken by secret ballot. It was approved by ninety-four percent of those present.

About a year before the church's two hundredth anniversary celebration, the church agreed to install a new public address system.

In the spring of 1996, new light fixtures were installed in the auditorium. This greatly enhanced the beauty of the Good Hope auditorium. Painting in various areas was also done that spring, and new hardware was installed on existing doors.

A stained glass window was added over the Baptistry as a beautiful finishing touch. The church welcomed approximately four hundred fifty people to the little country meeting house for the two hundredth anniversary celebration on June 2, 1996.
