CONSTITUTION

Mission Statement/Preamble

We, the Taylor County Association of Kentucky Baptists, shall cooperate in fulfilling the Great Commission through missions, ministry, and fellowship; and shall serve as a resource and equipping center for the churches and as a liaison between the churches and the association.

Article 1. This body shall be called the Taylor County Association of Kentucky Baptists.

Article 2. Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastor, and one additional messenger for each fifty (50) members or fraction thereof,

above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.

Article 3. The business of this body shall be, when assembled, to hear reports from the churches with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.

Article 4. The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The Association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not considered Biblical.

Article 5. The Executive Team shall, in addition to the annual meeting, select a time and place for a spring session for the purpose of electing officers and team leaders for the next Associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator; Assistant Moderator; Clerk; Assistant Clerk; Treasurer; Assistant Treasurer; and Auditor; and Assistant Auditor whose duties shall be as custom imposes on their respective offices. The Executive Team shall also nominate all team leaders at this time. All officers and team leaders shall continue in office until superseded by their successor, but none shall be eligible to the office of Moderator for more than two successive terms. In the absence of moderator and assistant moderator, the clerk shall convene the meeting and a moderator pro tem shall be elected for that one meeting. The treasurer shall serve in absence of clerk.

Article 6. Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the church's articles of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.

Article 7. The Executive Board of the Association shall be composed of all pastors of cooperating churches, missions, and one lay member from each church. All general associational officers and team leaders will by virtue of their office be members of the Executive Board. The retiring Moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions and shall be empowered to fill any vacancy in associational leadership. A quorum of the Executive Board consists of nine (9) members.

Article 8. In the appointment of teams, individuals shall be named instead of churches, and on each team named, one or more members shall be laymen. The Executive Team shall consist of Moderator, Clerk, Treasurer, Team Leaders, and such other members as the occasion demands.

Article 9. This body shall meet annually, according to adjustment, but in case of emergency, The Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for purpose of electing officers for the following associational year.

Article 10. This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present. The labeling terminology, not including any original intent of the article of the constitution, adopted by Southern Baptist Convention, Kentucky Baptist Convention, and/or this association may be incorporated by vote at an annual meeting by a concurrence of two-thirds of the members presents.

Parliamentary Rules: Robert's Rules of Order (latest edition) is a guide of the parliamentary order followed by the association.

LETTER FROM NICKOLAI SYROVATKO

Dear brothers,

I am glad to greet you, members of Executive Committee, and all members of Taylor County Baptist Churches. I give brotherly greetings from Baptist churches of Saint Petersburg and Leningrad area in particular from my assistants at church education. I wrote you during last weeks about our current things and needs and therefore today I want to add and to comment little my messages that I sent you before. I am glad to know that you received my last letter with pictures and books for Sunday school teachers.

First of all, we thank the Lord for this opportunity to forward all friends words of heartfelt thanks for your support at new academic year for needs of church education. Your donations give us real possibility for the continuation of our work and ministry.

I am glad that today can "go" to your annual meeting and give regards from our churches. Like case was really one time at my life and our partnership ministry. It was at 2001 when I studied one term at Campbellsville University. Then we had annual meeting of the churches of Taylor County Baptist Association on September 11th. Now and every year I remember this date first of all as the day of the tragedy at the history of America and the world history also. We pray that the Lord gives His protection on your homes and families and also for all nations. Now I as a geographer stagger by consequences of last storm at New Orleans. At August several countries at Europe lived through big flood. I take always every message about elemental disaster very sickly for me.

Now it is a time at our ministry when we have first meetings and lessons at different training groups. Adults come back past summer vacations and dachas. Senior pastor Victor Sipko with his family lives now at Saint Petersburg. Church leaders and brothers can discuss and pray about a vision of ministries at the near future. I will inform you about decisions of our Brotherly Council. On September 6th, we had special prayer worship at Central Baptist church. The church prayed for the beginning at new learning year at church education. I preached also and invited members at training groups.

Yesterday I began to teach and train at two groups through programs of our common learning day at Central church that we have every Thursday. Today I began to teach at a group of Bible College. It is a program through the Publishing House of "Bible for all." Now I send you this letter and go to Brotherly Council at Central Baptist church. Today we are going to discuss several questions for church meeting. On September 12th, we will begin our Bible lessons for men. I told you about this program that we have also through the Publishing House.

But now I and my assistants continue our work at the same forms and a volume as we had it at past learning year. Today our pastors don't have new conception of church building and can only discuss this question with members of Brotherly council during next several months. Today we have a time for looking of new way for sharing of the Gospel and ministries at modern world. I think and hope that this year will be a period of an organization of new groups of Bible study of different levels. Then we continue to train leaders as helpers for pastors. Next part of my plans is a preparation and printing of curriculum materials for teachers and textbooks for programs of Pastor School and Bible College. These are three big parts of my plans and job for this academic year. Please, up us at your prayers also.

During last years and today Russian Protestant churches and in particular Baptist feel very strong pressure from the side of Orthodox Church. But Orthodox does it during

Sunday's sermons and conversations with people and also through official government. All know that it exist directives for directors of cultural institutions (cinemas, homes of culture, libraries, and other like buildings). Directors cannot give building or rooms for a rent for churches, mission, and religious groups. Sometimes a director agrees to give a hall and to help a church but he is afraid to do it because a government can dismiss unruly person from work. During last half year our three (from seven) Baptist churches only at Saint Petersburg don't have today a place for worships through like cause. It is our prayer need and we ask you to meet up us at your prayers, please.

A few days ago, I received a message from Joe Del Leon. He informed me about his desire to visit Russia with his friend who helped him before at an organization of his ministry in particular at work of Pastor School. The church of Novgorod had Pastor School at past academic year. Several teachers from California taught students and then during summer months helped, the churches of Novgorod are at a reconstruction of buildings. These churches invited them to a holiday of "The Harvest" on September 25th. Then American brothers plan to meet with brothers from Saint Petersburg. They have a time for the visit from September 24th till September 30th. I don't know something more about their trip to our region of Russia.

Before as I am going to finish my letter I want yet one time to thank all brothers, families, and individuals from the churches of Taylor County Baptist Association and in particular from Campbellsville University for Christ's love and care about our ministry on God's field. We thank the Lord for His blessings through the churches of Kentucky at our joint work for His glory.

We pray that God continue to bless you, your families, and keep up also all friends on all ways of today's life and ministries. With Christ's love and better wishes, your sincerely,

Nickolai Syrovatko,

Saint Petersburg

**BAPTIST CAMPUS MINISTRIES
REPORT
2004-2005**

Highlights of Baptist Campus Ministries include:

1. Sent nearly 39 ministry teams into Kentucky Baptist churches

Each summer a letter is sent to over 1,400 Kentucky Baptist Convention churches with information regarding the ministry teams that the Campbellsville University Baptist Campus Ministries is sponsoring. Each of these letters is a “touch” from our Baptist Campus Ministries, an effort by us to connect with churches in the state. We promote the availability of students to come for a date or weekend for the purpose of ministering to/with that church family. The student teams are not promoted as “professional.” Neither is there an attempt to downplay their capability. The idea is to enlist students, train them in various ministry skills, and then procure opportunities for them to put those skills into practice. In the initial letter we include information regarding team make-up and which specific weekends they will be available during the academic year.

In total, there were 387 students involved on our ministry teams. Some of their highlights included; one revival team reporting 30 people praying to accept Christ, a Disciple Now team reported over 100 decisions one weekend—24 of those being children and adults and the other 76 youth, many of whom made professions of faith, still another church reported that a Campbellsville University team had conducted “the best Disciple Now we have ever had.”

Sending students out this way involves the trust of the local church, as well as my trust in the team that they will do well. It also gives opportunity to the local congregation to “grade” the dependability of our student teams. We see this in the evaluation forms that are returned to us. Hopefully, churches will have a good experience, as will the students involved.

2. Averaged over 176 in attendance for the fall and 140 for the spring semester in weekly worship.

Students meet weekly to plan every worship service. Services this year were designed to support our theme, “Witnesses” from Acts 1:8. God blessed our campus in that there were ten students who made professions of faith. We also recorded 92 professions of faith by those other than students. This number reflects decisions made during mission trips and ministry team weekends in Kentucky Baptist churches.

3. Had 131 students involved in mission.

11 students and 1 staff person during Christmas break (three teams)

73 students and six staff during spring break (seven teams)

50 involved in summer missions

Christmas and spring break locations included these American cities: Panama City Beach, Florida; Boston, Campbellsville, Detroit, Lake Wales, Florida; Los Angeles, and New York City. International trips were to these countries: China, Bolivia, Japan, Poland, and Honduras. Our summer servants were to places all over our world.

4. Had nearly 250 participate in a discipleship group.

The combination of dorm Bible studies and small group discipleship efforts followed up nicely the momentum gained last year. Our goal is to see this number rise even higher for this coming year.

5. Raised over \$56,000 to enable Christmas and spring break mission teams, sent \$8,000 to Collegiate Ministries Department of Kentucky Baptist Convention for summer missions, and

sent \$500 to Collegiate Ministries Department to support a selected IMB MANNA Project.

Baptist Campus Ministries students believe in God's provision. At times, we seem to be faced with un-scaleable mountains, but our students have come to depend on God when the task is greater than we can manage.

6. Worked with 15 WMU groups from the Taylor County Baptist Association to provide 18 Commuter Lunches. Average student participation was around 75. Donations collected during these lunches accumulated to the \$500 sent to support the MANNA Project.

7. Organized and sent weekly teams into local nursing home. Students were regular visitors to the Metzmeier Nursing Home. 23 students participated in this ministry during the course of the year.

The ministry of Baptist Campus Ministries on the Campbellsville University campus is very grateful to Taylor County Baptists for their strong support of this critical effort. Baptist Campus Ministries remains the best arm of ministry Kentucky Baptists have to connect with young adults. Thank you for helping us touch our campus and our world.

Respectfully submitted,

HEARTLAND OUTREACH

We had another great summer filled with God's blessings. Our camp season consisted of eight weeks, 640 youth from across the nation, one room additions, three new porches, 11 wheel chair ramps, 24 new decks, 26 new roofs, and at least 14 new believers. We saw homeowners and youth alike get close to our Lord Jesus Christ on a daily basis. Our summer staff consisted of students from Cumberland College, Penn State, and the majority came from Campbellsville University. We truly appreciate your support. If you would like more information on the great summer, feel free to give us a call at 270 469 4949.

Andy Woods,
Chief of Operations.

THE KINGDOM GROWTH TEAM REPORT

The Kingdom Growth Team is grateful for the chance to serve and facilitate the Mission and Evangelism work of the Taylor County Association of Baptists. Together as an Association we can combine efforts and do more in the area of Missions. We ask you to pray for the Mission and Evangelism work in our area and we welcome your suggestions of ministry ideas.

The big news for this year is in the area of Hispanic Missions. It is truly a monumental moment for Taylor County Baptists as we begin on a new ministry initiative. The Association voted to join the "Southern Kentucky Hispanic Ministry" corporation and have committed \$10,000 this year to that ministry. The Southern Kentucky Hispanic Ministry was formed about five years ago between two Associations, including Simpson and Liberty Associations. Their efforts in ministry saw a gradual increase in Hispanic Mission work while revitalizing their Association and individual churches. Now, Taylor County Baptist Association, along with Severns Valley and Lynn Association join the Liberty Association in the 501 © three corporation taking the ministry to a new level. Presently we are searching for a new catalytic missionary to guide local churches in this mission work. The Kentucky Baptist Convention is providing funding, along with each Association, and the North America Mission Board which appoints the missionary while providing medical insurance. This cooperative effort truly has Our Lord's hand in it. Be in prayer and be ready to go where He leads as this ministry takes direction in our area.

Another area of mission work underway in our area involves the Green River Lake region. The Association has placed a request for a Mission Service Corps volunteers to implement a greater ministry and witness throughout the recreational season in the Lake area. This would be in addition to the faithful Lake Ministry already going on the weekends. Pray for God's leadership in this area.

During the past year there have been several mission trips undertaken by members of our churches. George Phillips went to Africa for a prayer walk around a Last Frontier nation and he went to Poland in July. Corrine Rogers went with many others to Brazil, Larry Rowell and a team from Campbellsville Baptist went to Burkina Faso, Michael, and Marilyn Goodwin went to Switzerland to lead in Vacation Bible School. Kentucky Heartland Outreach remains very active with many of our church members participating or helping out with food or facilities. Friendship Baptist sent members to all three Kentucky Changers youth mission activities this year, with the Association's Men on Mission leader, Wendell Bowen, providing significant leadership and work for Changers this year.

We look forward to what God is going to do in the year to come and praise Him for all the ways He remains at work around us. Keep these activities in prayer! Please consider attending the Kentucky Baptist Quarterly Prayer meetings in the coming church year. Where we pray specifically for ongoing mission work and missionaries.

Respectfully submitted,
Bill Henderson

TAYLOR COUNTY WMU

Taylor County WMU focused on our theme for the year of Christ Followers. Our scripture Luke 9:23 says, "Then Jesus said to all the people: If any of you want to be my followers, you must forget about yourself. You must take up your cross each day and follow me."

Becoming Christ Followers requires learning how to be Christ like. We worked to provide opportunities and resources for churches and WMU groups to begin this learning process. As part of our Missions LINK emphasis we promoted leader training as a way to begin this process.

As we look to the new year we will continue our journey as Christ Followers and work to develop a deeper passion for all Christian to follow the path God has for them.

Respectfully submitted,

Sharon Wayne
