CONSTITUTION

Mission Statement/Preamble

We the Taylor County Association of Kentucky Baptists, shall cooperate in fulfilling the Great Commission through missions, ministry, and fellowship; and shall serve as a resource and equipping center for the churches and as a liaison between the churches and the association.

Article 1. This body shall be called the Taylor County Association of Kentucky Baptists.

Article 2. Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastors, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.

Article 3. The business of this body shall be, when assembled, to hear reports from the church with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.

Article 4. The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not Biblical.

Article 5. The Executive Team shall, in addition to the annual meeting, select a time and place for a spring session for the purpose of electing officers and team leaders for the next Association year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator; Assistant Moderator; Clerk; Assistant Clerk; Treasurer; Assistant Treasurer; and Auditor; and Assistant Auditor whose duties shall be as custom imposes on their respective offices. The Executive Team shall also nominate all team leaders at this time. All officers and team leaders shall continue in office until superseded by their successor, but none shall be eligible to the office of Moderator for more than two successive terms. In the absence of moderator and assistant moderator, the clerk shall convene the meeting and a moderator pro tem shall be elected for that one meeting. The treasurer shall serve in absence of clerk.

Article 6. Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the churches' article of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.

Article 7. The Executive Board of the Association shall be composed of all pastors of cooperating churches, missions, and one lay member from each church. All general associational officers and team leaders will by virtue of their office be members of the Executive Board. The retiring Moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions and shall be empowered to fill any vacancy in associational leadership. A quorum of the Executive Board consists of nine (9) members.

Article 8. In the appointment of teams, individuals shall be named instead of churches, and on each team named, one or more members shall be laymen. The Executive Team shall consist of Moderator, Clerk, Treasurer, Team Leaders, and such other members as the occasion demands.

Article 9. This body shall meet annually, according to adjustment, but in case of emergency, The Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for purpose of electing officers for the following associational year.

Article 10. This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present. The labeling terminology, not including any original intent of the article of the constitution, adopted by Southern Baptist Convention, Kentucky Baptist Convention, and/or this association may be incorporated by vote at an annual meeting by a concurrence of two-thirds of the members presents.

Parliamentary Rules: Robert's Rules of Order (latest edition) is a guide of the parliamentary order followed by the association.

TO: Executive Board

It is hereby recommended that the Taylor County Baptist Association research and consider the need for establishing the position or office, or designation to a present office or position, the responsibility of educating, providing, and promoting Discipleship Training in the Association. Because of Jesus' command of Matthew 20: 19, 20, to go and "make disciples" of all the nations, and because some 50% of our Associational churches not having a Discipleship Training program, we exhort and encourage the Association to take the necessary steps to insure that this ministry be given the support and priority deemed necessary.

LETTER FROM NICKOLAI SYROVATKO

I am happy to greet you on the eve of annual meeting of the churches of Taylor County Baptist Association! Today I want only to add my previous last messages by today's greetings from many Russian Baptist Churches and in particular from leaders of church education. We thank your churches for brotherly participation at our joint ministry during last learning year and pray that the Lord continues to lead all kinds of ministries and works of Taylor County Baptist Association and will open new perspective for growing and sharing of ministries. We pray for God's blessings of your families and homes.

Now we have last meetings and discussions before starting of training process at different groups of local churches of our Brotherhood. In particular the day before yesterday we had meeting where senior pastor Victor Sipko, two missionary from America, one evangelist and me discussed a project of teaching of members of local churches by personal evangelism. We pray that this work will be as first step on a way of planting of new churches.

Yesterday, I had a meeting with a director of Sunday school of the church Kolpino. The director is the sister Irina. She begins her ministry as the director of Sunday school for children. I had several meetings with the pastor of this church Vladimir Il'in. He asked me and agrees that I help with church during next several years to organize all process of the ministry of Sunday school for all ages. We ask you to keep up us at your prayers at this work.

Today we had a meeting of leaders of the program of "Bible lessons." Majority part of leaders and members of these groups are from Baptist churches of Saint Petersburg and Leningrad area. A door of this program opens for all people and in particular for unbelievers. This program is a point of common work of Publishing House "Bibles for all." I told you before about my participation at work of these groups. Senior pastor Victor wants to have these lessons as the ministry at Central Baptist church also. But he must tell about possible realization of his desire with a leader of this mission. Here it exists one little problem. He agrees to open church door for this program because Central Baptist church doesn't have groups of Sunday school for adults but he doesn't ready to prepare leaders for Bible groups. It is our need for prayer list.

In fact now I completed to prepare my plan of works for this learning year. It is the same kinds of things and matters. I plan to use majority part of my time and resources for visits to local churches of Leningrad area and also to northwest region of Russia. Central Baptist church lives through a period of decisions of different organizational questions. It is difficult point for Central church and the Association also. Brothers must decide organizational questions and at the same time spiritual questions continue to wait their queue. Central church needs at more numbers of new leaders for all ministries. It is also next need for prayer list.

I continue to work with pastors who needs at my help and care about Sunday school and groups of Bible study. Visits to local churches will give me a possibility to realize my spiritual potential through church pulpit and work with Sunday school and church leaders.

We thank you for sharing of information about our church life, ministries and successes at summer work, printing of text books and other works during last months. We thank everyone for his prayers, care and support of our ministry at God's vineyards. We pray that God will give us new possibilities in the future for a realization of joint project for His glory.

Today I remember again and again my participation at work of the annual meetings of Taylor County Baptist Association. I thank God that I can use experiences from those meeting (and also other contacts) as lessons for me at today's circumstances of my ministry. A time is going and we can see the same pictures as new views then analyze them and to look answers on current questions. When I visited churches of Kentucky and had conversations and other meetings I received very many information and therefore cannot use it at once. It is like reading of Bible texts. Today my thoughts and heart are with brothers from Kentucky. Please, give heartfelt greetings and best wishes for everyone. With Christ's love and God's grace, in Him.

Nickolai Syrovakto,
Christian teacher and the coordinator of church education.

KENTUCKY HEARTLAND OUTREACH

The last year has truly been an amazing year for Kentucky Heartland Outreach. God has truly blessed our work. Through our many programs we have been able to help dozens of families. It is our goal to meet people's physical needs in order to have an opportunity to meet their spiritual needs. With the use of a Grant from the Kentucky Housing Corporation we were able to work on 40+/-homes in the Taylor County/Campbellsville region. These projects include new roofs, wheel chair ramps, vinyl siding, renovation due to fire, and several other projects. This work was completed using Campbellsville University work-study students and sub-contractors in the area.

Our camp season in the summer of 2006 was a huge success. We had youth groups from Pennsylvania, Tennessee, Texas, Washington D. C., North Carolina, Ohio, and Kentucky attend. We hired 13 interns from all over the country as well. Our interns helped us run our camps. They were an amazing groups of young adults. This summer we helped over 35 families in five counties. This summer we saw numerous youth and homeowners come to know our Lord and Savior. We also had a young man accept the call to ministry. God changed many lives, in many different ways. We expect this following year to be even busier than last. We currently have four homes under construction (we completed six homes last year.) We already have youth groups registered for next summer as well. Our staff will be traveling to conferences and convention to recruit youth groups for our camps so that we can help as many families in Central Kentucky as possible. We are also currently helping with the construction of the Food Pantry, and the planning for the Green River Ministries Office Complex.

Without support from the Associations like your, our work would truly be limited. We thank you for your prayers and financial support and pray that God will bless you and all of the great ministries represented by your association.

KINGDOM GROWTH TEAM REPORT

Luke chapter ten provides a description of when Jesus sent out His followers, two by two, to every town and place where He was about to go (NIV). Taylor County Baptist Association has 23 churches being sent out to prepare the way of Jesus in the lives of people to whom He will go. When we cooperate and serve together, we can prepare the way for the Kingdom of God to expand, that is, to grow.

I would like to thank Don Green, Wendell Bowen, and Sharon Wayne for their efforts this past year as Kingdom Growth Team Leaders. I would also like to thank the individual churches and pastors for their every effort to expand the Kingdom of God. In the past year, the Kingdom Growth Team directly helped out with a small Katrina/Disaster Relief donation, a witness training event held at Green River Memorial, and water/tract distribution at the 4th of July parade in Campbellsville. We have emphasized prayer and prayer events because prayer prepares the way of Jesus into the lives of people. There are two prayer events coming up this month: Pray the Interior with Dr. Mackey, which will be held at Campbellsville Baptist on September 20th at 10:30 on September 21st, at 7:00 p.m. Likely your church helped out in many other ways also. Several churches took mission teams to the Gulf Coast or other Disaster Relief activities. Praise the Lord for the number of you who prayed, gave, and went on mission trips!

I know together we can do more. I further realize that I have not been as proactive as I could be, or even as much of a leader in this area as I should be. Yet as a team, we can accomplish more together than individually, since two are better than one and a cord of three stands is not quickly broken. Perhaps this is why Jesus sent the 72 out two by two and not one at a time.

I pray for a year of greater effectiveness for us all, for the Kingdom's sake! To reach this, we need an awareness of what the Kingdom is. It is bigger than our individual churches; it is the cause of Christ worldwide. Our participation is not just what it takes to fill our Sunday school class, our pew, or our small group. It is His Kingdom reign increasing in the world.

Let me offer a comparison. I have a vegetable garden in my side yard. It is nothing large or fancy, but it provides food for my wife, Kris, and me. It will likely give us enough to eat this winter and maybe a few snacks for others, but that is as far as it goes. By comparison, a commercial farm with hundreds of acres of corn, soybean, wheat, and other grains, livestock, etc. feeds whole communities! All the farms together feed the world. The comparison is this: a local church is like a garden, an association is like the farm, and the convention is like all farmers. We work together, we help out the neighbor in need, we share information, equipment, and labor. We toil in the fields, we sow and we water, and thru God=s power He brings the growth.

Come labor together in the Kingdom fields, they are ripe for harvest. It is my prayer for churches of the Association to work together to bigger things than what even the largest churches can do individually for the Kingdom. Together we can do it. After this the Lord appointed seventy-two others and sent them two by two ahead of Him to every town and place where He was about to go. He told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field."

Luke 10: 1-2- NIV

LIGHTHOUSE COUNSELING CENTER Of Campbellsville Baptist Church

Campbellsville Baptist Church, in partnership with other churches in the Campbellsville and Central Kentucky area, has recently begun a new counseling ministry. Beginning the end of July, Dr. Scott Wigginton assumed the position of Minister of Counseling and Director of the newly formed Lighthouse Counseling Center. He will provide up to eight hours per week of counseling to individuals, couples, and families.

Counseling services are open to all persons in the community regardless of church affiliation. Referrals can be made by calling Dr. Wigginton at (270) 465-8115 (Ext. 216.) Fees are \$75.00, with a discount for person referred by churches who participate as partners in a scholarship fund. The "Lighthouse Fund" is a way for area churches, as well as other organizations and interested individuals, to tangibly care for persons in our community who need counseling but who could not otherwise afford it. Seeing this as part of their local missions strategy, participating partners at the \$500 level and above per year will routinely be listed in our brochures and publications.

Dr. Wigginton serves in a full time capacity as Associate Professor of Pastoral Ministries and Counseling at Campbellsville University. A licensed marriage and family therapist, he served from 1993 through 2004 as Executive Director of LifeCare Counseling Center and Counseling Minister at Walnut Street Baptist Church in Louisville, Kentucky. Dr. Wigginton has been married to Elizabeth for over 20 years and they are the proud parents of Auburn, Hope, and Caleb. In addition to his B.A. from Western Kentucky University, he has earned M.Div., Th.M.; and Ph.D degrees from the Southern Baptist Theological Seminary and is a clinical member and Approved Supervisor of the American Association for Marriage and Family Therapy, a clinical member of the American Group Psychotherapy Association, and a Fellow with the American Association of Pastoral Counselors. Besides counseling and teaching, Dr. Wigginton has written a family column for the Western Recorder, the weekly newspaper for the Kentucky Baptist Convention, since 2001. Before coming to Campbellsville University, he taught adjunctively at The Southern Baptist Theological Seminary for almost 10 years and served full-time as Associate Professor and Chair of the Counseling Area at Boyce College for two years.
