CONSTITUTION

Mission Statement Preamble

We the Taylor County Association of Kentucky Baptists, shall cooperate in fulfilling the Great Commission through missions, ministry, and fellowship; and shall serve as a resource and equipping center for the churches and as a liaison between the churches and the association.

Article 1. This body shall be called the Taylor County Association of Kentucky Baptists.

Article 2. Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastors, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.

Article 3. The business of this body shall be, when assembled, to hear reports from the church with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.

Article 4. The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not Biblical.

Article 5. The Executive Team shall, in addition to the annual meeting, select a time and place for spring session for the purpose of electing officers and team leaders for the next Associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator, Assistant Moderator, Clerk, Assistant Clerk, Treasurer, Assistant Treasurer, Auditor, and Assistant Auditor, whose duties shall be as custom imposes on their respective offices. The Executive Team shall also nominate all team leaders at this time. All officers and team leaders shall continue in office until superseded by their successor, but none shall be eligible to the office of Moderator for more than two successive terms. In the absence of moderator and assistant moderator, the clerk shall convene the meeting and a moderator pro tem shall be elected for that one meeting. The treasurer shall serve in absence of a clerk.

Article 6. Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the churches' article of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.

Article 7. The Executive Board of the Association shall be composed of all pastors of cooperating churches, missions, and one lay member from each church. All general associational officers and team leaders will by virtue of their office be members of the Executive Board. The retiring moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions and shall be empowered to fill any vacancy in associational leadership. A quorum of the Executive Board consists of nine (9) members.

Article 8. In the appointment of teams, individuals shall be named instead of churches, and on each team named, one or more members shall be laymen. The Executive Team shall consist of Moderator, Clerk, Treasurer, Team Leaders, and such other members as the occasion demands.

Article 9. This body shall meet annually, according to adjustment, but in case of emergency, The Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for purpose of electing officers for the following associational year.

Article 10. This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present. The labeling terminology, not including any original intent of the article of the constitution, adopted by Southern Baptist Convention, Kentucky Baptist Convention, and/or this association may be incorporated by vote at an annual meeting by a concurrence of two-thirds of the members presents.

Parliamentary Rules: Robert's Rules of Order (latest edition) is a guide of the parliamentary order followed by the association.

O Letter from Nikolai Syrovatko

Dear Brothers and Sisters,

I greet you, Pastors, members of Executive Board, church leaders and everyone from local churches of Taylor County Baptist Association. I give also brotherly greetings from many Baptist churches of our regional Brotherhood and also words of thanks for partnership contacts and support of our ministry.

Today I want to add my last letters by information about current things and plans for this learning year. Summer time is a time between two learning years. Therefore I separate all my works during summer months on two parts: first, all action when I took part at worships of local churches, helped teachers at one time projects, led fellowships when helped pastors; second, a preparation to new learning year when I visited local churches with a purpose to discuss with pastors and their assistants some standard circle of questions which touch on our joint work through Bible study groups of different levels.

I told you before about changes at leadership of our Association and Northwest region of Russia. Today we must ascertain that we have the same list of needs and problems, which touch on questions of church administration. During summer months, I tried to seek new possibilities for sharing contacts with potential assistants for work on a field of church education. Noble Roberts helped us at this question. He shared my letters between friends and I think that you know a subject of these letters and some first results of these efforts.

But today new learning year is begun and we can use only those possibilities which we have really now. Brothers from California promised to support our actions and with a purpose to help local churches from areas of Northwest region and in particular at Leningrad oblast. Their support will help us to keep a level of our working contacts. Often these churches wait any help from churches of Saint Petersburg how we wait it from you. This is our reality.

Sometimes I talked with missionaries about their visions and plans for the near future that we can develop joint plans for sharing the Gospel. They cannot say something definite. I understand their. They depend on both leadership of IMB and activities of Russian senior pastors. We will be praying and hope that God will change like situation to better side.

At the same time today I have a list of local churches with their needs and desires of pastors to realize joint projects. I plan to continue during learning year visits to these churches and take part at church life when I can preach, lead bible study groups and organize small seminars for teachers and leaders who try to receive first skills at these ministries. I also continue to prepare textbooks and methodical materials for lessons at groups of different levels. I share these books and brochures between churches where work brothers who were students at our Pastor schools.

I want to use this possibility and ask you and members of annual conference to support our partnership contact during next year, please.

Below I give information about using monthly fund (\$400) from your association:

I use \$240 for my salary. (this is 6.000 rubles; today I cannot take less money because this amount is roughly 30% from the standard of living.)

A tax is \$95. (I pay it through Publishing House of "Bible for All".)

Municipal transport takes \$40.

The rest which I can use for all needs and other actions is \$25.

Today we have situation when most leaders must think and seek resources for their ministries. If churches support pastors then other leaders, don't have this help. Churches need at my help but cannot pay salary. Therefore I have only needs and an opportunity to ask friends about support first of all for my family and then for current things. I ask you to believe that I don't have other real variant for an existence and therefore pray and then appeal to you with this request about financial support.

Dear brothers and sisters, thank so much for your prayers, attention, and help for Russian Baptist churches. I ask you to take this letter as a testimony of God's child about his life and ministry at one from regions of modern world. I ask to share brotherly greetings from Russia through your friends at other churches of Kentucky where members can know, remember and pray for us. We pray that God continues to bless you, your families, and also invite to visit our churches in the future.

With Christ's love and best wishes for you on all ways of life and ministries,

Nickolai Syrovakto,

Coordinator of Church Education

For St. Petersburg and Leningrad Province

2007 ASSOCIATIONAL HISPANIC REPORT

2007 has seen some major changes in the face of Hispanic ministry in Central and South Central Kentucky. February saw our beloved Bro. Rolando Muniz enter the hospital for major surgery. We said good by to Bro. Muniz as he went home to be with the Lord in March of 2007.

Easter Sunday of 2007, Campbellsville Baptist Church began holding Hispanic worship services. Worship services continue to be held at 7:45 each Sunday morning. They have been averaging about 12 to 16 Hispanics and about the same number of Anglos.

Summer of 2007, a soccer league for Hispanics was begun by Campbellsville Baptist Church. The league saw six teams with a total of 96 participants. Games were played five consecutive Saturdays on the Taylor County Elementary Soccer Field. The week following the soccer league, over 50 contacts were made, not only to those who participated in the league, but also to friends of those who participated. With each contact, Spanish literature, tracts, and home made cookies were delivered. The Book of John and a New testament was given as well as information about worship services held in Spanish at Campbellsville Baptist Church each Sunday.

The Summer of 2007 also saw Taylor County Baptist Association hosting a summer missionary from Mexico, Alfa Esqaval. Bro. Rolando had made arrangements with the Baptist University of the America of San Antonis, Texas for five associations in Central Kentucky, including Taylor County Baptist Association, to share a summer missionary.

Ms. Esqaval's term lasted eight weeks. While here, she performed a variety of invaluable ministries for us, including translating for worship services in the area, visitation to Hispanic prospects, translating written children's Bible stories, speaking and giving her testimony for Hispanic worship services and leading Bible Studies for Hispanic women.

In June of 2007, the Southern Kentucky Hispanic Ministries, Inc. (SKHM) called Bro. Heriberto Torres to fill the position left vacant by the death of Bro. Rolando. Bro. Torres moved to Kentucky from Tennessee in August of this year.

- Please continue to pray regarding Hispanic Ministry in Center Kentucky
- Pray that we will follow God's leadership in this ministry.
- Pray that many of our Hispanic friends will come to know Christ as their Savior and their Lord.
- Pray...and in the words of Sarai Muniz, "expect big things."

KINGDOM GROWTH TEAM REPORT

In this past year, we have seen a number of great ministries going on in our area. Some are sponsored by individual churches, but often more than one church partners to reach our world for Jesus Christ. It is in working together that we accomplish more for the Lord. Thanks to everyone who has a heart for missions and evangelism, who labors in the harvest fields.

Last year, the Kingdom Growth team attempted to sponsor a project to help with our Hispanic Ministries. We were to have had a soccer tournament, with Bro. Rolando Muniz helping us. Plans were made and resources lined up when we encountered the tragic loss of Bro. Rolando unexpectedly. We are deeply grateful for the S.I.M. ministry at Campbellsville Baptist for stepping in and expanding the vision to include an adult soccer league for the summer with a full tournament! Praise the Lord and thanks to everyone who made that a reality! The Lord alone knows the impact in His Kingdom because of your faithfulness!

We appreciate everyone who helps with the Green River Lake Ministry, especially Saloma Baptist for coordinating the ministry through the summer. We're sure if you participated in one of the services you received a blessing. We are still praying that God's will for a Mission Service Corps Missionary who might be able to be involved in on going ministry in the Green River Lake Area.

For everyone who participated in a mission trip this year, we thank you for being faithful to God's call. Whether it was Costa Rica, Switzerland, or Mississippi., small groups or large ones, we praise the Lord for you. Thanks also to Campbellsville Baptist for hosting the Association's booth at the 4th of July Outreach, and for those who provided water, ice, etc.

What might 51st year for Taylor County Baptist hold? I pray that we will work together, to reach people for Jesus Christ and disciple them. I pray we would find avenues where we can partner for ministry. I pray that a new Kingdom-mindedness would surface and be reflected by a significant increase in baptisms. To God Be the Glory.

Psalm 115:1 "Not to us, O LORD, not to us but to your name be the glory, because of your love and faithfulness." (NIV)

Respectfully submitted for the Kingdom Growth Team,
Bill Henderson

LIGHTHOUSE COUNSELING CENTER *AT Campbellsville Baptist Church*

In its first year of operation, the Lighthouse Counseling Ministry logged 323 sessions with over eleven local churches making referrals. Sixty percent of sessions were with members or attenders of Campbellsville Baptist Church while forty percent were from other churches and our local community. Forty-eight sessions were held with area ministers, with at least seven different ministers participating.

Besides area ministers, other referral sources have included: International Mission Board of the Southern Baptist Convention; Kentucky Baptist Convention; local physicians and nurses; faculty, staff, and students from Campbellsville University; Christian Women's Job Corps; former counselors of Cornerstone Counseling; and the Campbellsville Independent and Taylor County School systems.

Presenting concerns have been quite diverse, including: depression, anxiety, life management, substance abuse, marriage, family, parenting and pre-marital counseling. In addition, persons have sought help for bulimia, sexual abuse, grief and loss, infidelity, restoration to ministry, post-traumatic stress, spiritual warfare, job loss and adjustment, career, school problems, spiritual concerns, and various relationship issues.

Campbellsville Baptist Church, in partnership with other churches in the Campbellsville and Central Kentucky area, began this counseling ministry a little over a year ago. Beginning the end of July 2006, Dr. Scott Wigginton assumed the position of Minister of Counseling and Director of the newly formed Lighthouse Counseling Center. He typically provides up to eight hours per week of counseling to individuals, couples, and families.

Counseling services are open to all persons in the community regardless of church affiliation. Referrals can be made by calling Dr. Wigginton at (270) 465-8115 (Ext. 216). Fees are \$75 (\$60 for individuals referred by a local church). The "Lighthouse Fund" is a way for area churches, as well as other organizations and interested individuals, to tangibly care for persons in our community who need counseling but who could not otherwise afford it. Churches and other interested parties are encouraged to make a yearly donation to the fund to defray the costs of both their members and those from the community who need services. Checks may be sent to "Campbellsville Baptist Church Lighthouse Fund." Thanks to the Taylor County Baptist Association and Campbellsville University who are already generous supporters of this ministry.

Dr. Scott Wigginton serves in a full-time capacity as Associate Professor of Pastoral Ministries and Counseling at Campbellsville University. A licensed marriage and family therapist, he served from 1993 through 2004 as Executive Director of Life Care Counseling Center and Counseling Minister at Walnut Street Baptist Church in Louisville, Kentucky. Dr. Wigginton has been married to Elizabeth for over 20 years and they are the proud parents of Auburn, Hope, and Caleb. In addition to his B.A. from Western Kentucky University, he has earned M.Div., Th.M., and Ph.D. degrees from The Southern Baptist Theological Seminary and is a clinical member and Approved Supervisor of the American Association for Marriage and Family Therapy, a clinical member of the American Group Psychotherapy Association, and a Fellow with the American Association of Pastoral Counselors. Besides counseling and teaching, Dr. Wigginton has written a family column for the Western Recorder, the weekly newspaper for the Kentucky Baptist Convention, since 2001. Before coming to Campbellsville University, he taught adjunctively at The Southern Baptist Theological Seminary for almost 10 years and served full-time as Associate Professor and Chair of the Counseling area at Boyce College for two years.

BAPTIST CAMPUS MINISTRIES ANNUAL REPORT 2006-2007

Highlights of Baptist Campus Ministries ministry include:

1. Connected with Kentucky Baptists by sending 29 ministry teams into Kentucky Baptist churches and ministries. These included: Willisburg, Owingsville, Thornhill, Clifty Grove, Saloma, Pellville, Friendship, Morgantown, Providence, Sebree, Hartford, Northside, Grace, Chapel Hill, Zion, Hyland, Mt. Olivet, New Trinity, Muldraugh Hill, Greasy Creek, and Southside Baptist Churches.
These teams reported 25 professions of faith in the churches where they ministered.
2. Averaged 163 during the fall semester and 102 during the spring semester in our weekly worship. Our theme verses were Jeremiah 29: 12-13, which focused our efforts on prayer.
3. There were 156 students involved in some sort of short term mission.
 - 11 during fall break (two teams)
 - 19 during Christmas break (three teams)
 - 68 during spring break
 - 58 summer missionariesFall, Christmas, and Spring break teams went to: Louisville, HR Ministries—Princeton (fall and spring); Mission Arlington, Texas; China; Ghana; Dearborn, Michigan; Anchorage, Alaska; BeachReach in Panama City Beach, Florida; Jamaica, and Europe (five countries). Our summer servants served all over the world.
4. Had 250 students involved in a small group or Bible study during the course of the year. Each BCM Council member became a small group leader, each having between three and ten other students in a small group. Other students became involved in leading small groups as well.
5. Sent \$8,500 to the Kentucky Baptist Collegiate Ministries Department to support summer missions, \$600 to the same office to support the MANNA Project (Ministering Aid to Needy Nations Abroad), and raised \$50,000 in support of its mission causes during fall, Christmas, and spring breaks.
6. Worked with ten Taylor County Association churches who so graciously provided food for one of our Commuter Lunches. With the donations collected, we were able to meet our MANNA goal.
7. Saw 55 students volunteer to be a part of the local Big Brothers, Big Sisters program working through the local public schools.
8. Hosted a workshop for students and area youth ministers which featured Dr. Chap Clark, author of Hurt: Inside the World of Today's teenagers.
9. Over new effort we made this year was to designate the first Thursday of February, March and April as "E-Nights." These were intentional efforts to use some out of the ordinary efforts in order to reach students with the Gospel. We held an electronic game night in the Student Activities Center, a night at Sports Spot, and cookout on the courtyard. Each of these attracted students not typically attending our weekly worship. The plan of salvation was explicitly given at each event.

I want to thank Taylor County Baptists for your continuing support of our ministry at Campbellsville University. "Connect" is the one word theme of Kentucky Baptists. As we are able to meet, involve, and disciple our collegians we are making a crucial connection that will benefit our local churches for into the future.

 - I. We are grateful for the approximately \$1.4 million in Cooperative Program funding that we received this past year from the Kentucky Baptist Convention. These COP funds are used to help make Campbellsville University education affordable to Baptist students. Campbellsville University provided this past year about \$4.5 million in Campbellsville University funds for Baptist students, thus, \$1.4 million in COP funds leverages about \$4.5 million in Campbellsville University funds that go to Baptist students in Campbellsville University provided financial aid.
 - II. We are very thankful for our Kentucky Baptist affiliation and encourage Baptist pastors, youth ministers, lay people, and young people to come and visit the campus. We work to make a Campbellsville University education affordable for every students, over 90% of our full time undergraduate students receive financial aid, and that we are often just as affordable as state universities.
 - III. Campbellsville University is committed to “Connecting with Kentucky Baptists.”
