## CONSTITUTION

### Mission Statement Preamble

We the Taylor County Association of Kentucky Baptists, shall cooperate in fulfilling the Great Commission through missions, ministry, and fellowship; and shall serve as a resource and equipping center for the churches and as a liaison between the churches and the association.

**Article 1.** This body shall be called the Taylor County association of Kentucky Baptists.

**Article 2.** Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastors, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.

**Article 3.** The business of this body shall be, when assembled, to hear reports from the church with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.

**Article 4.** The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not Biblical.

**Article 5.** The Executive Team shall, in addition to the annual meeting, select a time and place for spring session for the purpose of electing officers and team leaders for the next Associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator, Assistant Moderator, Clerk, Assistant Clerk, treasurer, assistant Treasurer, Auditor, and Assistant Auditor, whose duties shall be as custom imposes on their respective offices. The Executive Team shall also nominate all team leaders at this time. All officers and team leaders shall continue in office until superseded by their successor, but none shall be eligible to the office of Moderator for more than two successive terms. In the absence of moderator and assistant moderator, the clerk shall convene the meeting and a moderator pro tem shall be elected for that one meeting. The treasurer shall serve in absence of a clerk.

**Article 6.** Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the churches' article of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.

**Article 7.** The Executive Board of the Association shall be composed of all pastors of cooperating churches, missions, and one lay member from each church. All general associational officers and team leaders will by virtue of their office be members of the Executive Board. The retiring moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions and shall be empowered to fill any vacancy in associational leadership. A quorum of the Executive Board consists of nine (9) members.

**Article 8.** In the appointment of teams, individuals shall be named instead of churches, and on each team named, one or more members shall be laymen. The Executive Team shall consist of Moderator, Clerk, Treasurer, Team Leaders, and such other members as the occasion demands.

**Article 9.** This body shall meet annually, according to adjustment, but in case of emergency, The Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for purpose of electing officers for the following associational year.

**Article 10.** This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present. The labeling terminology, not including any original intent of the article of the constitution, adopted by Southern Baptist Convention, Kentucky Baptist Convention, and/or this association may be incorporated by vote at an annual meeting by a concurrence of two-thirds of the members presents.

## LETTER FROM NICKOLAI SYROVATKO

Dear friends,

I greet everyone at the beginning of new learning year and ask members of Executive Board to give brotherly regards at their and other churches of Taylor County Baptist Association. First of all we pray that God will bless annual meeting on September 8<sup>th</sup>, when you will be discussing and to decide questions which will determine plans of ministries and in particular partnership contacts of churches of Taylor County Baptist Association in fact during next year. What touches on our dreams and plans for next year then they are the same how I informed you during summer months and the same what we are doing during last year-months by month. Sometimes it can seem that similar kinds of works are routine things but exactly these monthly activities definite future successes of our joint ministry. At this point of my letter I want to give one example when one stitch doesn't differ from other stitches but together they determine a quality of wares. Therefore I am glad to do things when we can fulfill God's commands for sharing the Gospel between Russian people.

I pray and hope that God will give new possibilities and resources to our churches for a continuation of our ministry through educational projects at local churches. I pray and ask God to strengthen me spiritually and to use how His tool. I ask all friends to pray for me and our ministry also, please. Sometimes we try to do some auxiliary actions during long period but at one moment begin to understand that we need at other things which determine a success. At like moment we must begin our way to a peak again but from other point and searching a path for a spiritual win. It can compare with a play of a chess-player when he tries to win through building combination from many steps.

Often I have a desire to see everyone from churches of Kentucky who took part at a realization of projects partnership contacts with churches at our regional Brotherhood, who once visited, taught, helped through different ways and continues to pray for us. I want that they will know "that your labor is not vain in the Lord" (I Co. 15:8) and examples of their ministries for the Lord have their continuations today. I ask you to give brotherly greetings and words of thanks for their sowing at any fellowship or phone contacts with pastors and other ministers, please.

Next according to your permission I used bank account and September 1<sup>st</sup> and 3<sup>rd</sup> I withdrew money how monthly funds (\$600--14.500 rubles) for my ministry and family's needs. I thank the churches of Taylor County Baptist Association for this support and pray that God continues to bless your churches, families and individuals at any way of modern life and ministries and needs.

As a final point I remember about your question which touches on Masha's career now. Thanks so much that you pray for us and interest about members of my family. Now Masha is how we say at Russia "new or young specialist." I wrote you that she looks on a variant for her work. At this question "young specialist" has two common ways. The specialist can work at state organizations or at different modern companies and firms. At both cases the specialist can do a career usually if he has some protector or "good familiar" at a structure of an organization. May be like situation existent also at other countries but here at Russia this "principle" is very strong and works on all levels of leaderships and administration structures.

Then it existent other factor which touches on a choice of specialists. This is a salary. Today young specialist can hope to have a salary during first three-four years of his career total \$350-400 per month (state organizations). At the same time living level today is \$600-700 per month. (Most pensioners and many other social groups existent yet at more compound circumstances when they cannot work and have only a pension \$250-300 per month.)

All understand the absurd of similar situation at an economy but Russian government decides his "more important" tasks. Therefore people try to work at modern companies. But at this case it existent other difficulty for your specialists. Employers take only those specialists who have experiences of work not smaller two-three years or ages of who not more 40-50 years. Thus you can have common view about one side of building Russian economy.

Now Masha works during last month at one company which trades flowers at Saint Petersburg through a net of shops. She works at legal section of this company. One Russian law which touches on work every specialist during first three months of his work on any new work place says that this period or the specialist can also go out from this firm. Therefore now we pray for Masha's career and wait when it will go a time for next decision which touches on her work in the future. We ask you to support her at your prayers also, please.

During next a few weeks we will be working with pastors and leaders of their churches that they could complete a formation of groups of training members to ministries by their spiritual gifts. I plan also to continue contacts with churches from Northwest region of Russia with the same purpose. A success of last action will depend on more from leaders of Russian Baptist Union. I ask you to pray for this sharing of our efforts how brotherly help for other local churches when they in principle wait support from churches of Saint Petersburg.

I continue to inform you and friends from other churches about our work at God's vineyards. May God continue to bless everyone and to help at any circumstances of modern life.

*With prayer and Christ's love, sincerely*  
*Nickolai Syrovatko*

## **WMU REPORT**

The theme for WMU this year has been Live the Call. Training at the state and local level provided opportunities for leaders and members to find new ways of involving their churches in living the call. All ages have participated in a variety of ministry projects. We have continued to support Operation Christmas Child and the Hispanic Ministry as an association. An email newsletter has provided churches with new ideas and contacts to coordinate projects involving several churches. Living the call this year has provided a foundation to use for our upcoming year as we are Called to Love.

*Respectfully submitted*  
*Sharon Wayne*

## BAPTIST CAMPUS MINISTRIES

A brief look at our fall semester saw:

Baptist Campus Ministries aiding students returning to campus by carrying luggage, furniture and supplies at every dorm.

Sunday Night Explosion was attended by 250 students. Sunday Night Explosion is the Baptist Campus Ministries kick-off event to introduce the organization to the campus. An Ice Cream Social immediately following Sunday Night Explosion. Additional student participation made this a great event. We also had information available on Baptist Campus Ministries, activities, and mission opportunities. Baptist Campus Ministry Council members acting as site leaders for the KHO workdays during freshman community service days August 20<sup>th</sup> and 21<sup>st</sup>. The annual Baptist Campus Ministries Picnic was held on Tuesday, August 21<sup>st</sup>. Nearly 300 students came by the courtyard for a cookout and games.

Students were able to be ambassadors of hope as they participated on three mission trips during the fall semester. A team of 16 students drove to New Orleans over fall break to be a part of the ongoing relief effort there.

For the first time, at least in the past 14 years, a team of students traveled over Thanksgiving break to do mission work. Fifteen students drove to Charlotte, NC to be a part of the Operation Christmas Child to crate shoeboxes collected from around country.

A third team went to Arlington, TX to be a part of Mission Arlington. This was the eleventh year in a row Campbellsville University sent a team of students to be a part of this inner-city ministry. Each year our students have been able to tell people the story of Christmas, aid in distributing food and clothes, and help parents select some toys for low-income families.

Weekend ministry teams were in Kentucky Baptist churches every available weekend in the fall semester. Revival, Creative Ministry, and Disciple Now teams traveled from the eastern part of the state to west aiding churches in reaching and ministering to their respective communities. These teams saw 16 people profess their faith in Jesus Christ, in addition to a large number of recommitments.

There were sixteen small groups meeting weekly to study, pray and encourage each other.

Students primarily met as "guys only" or "girls only" groups. They studied prayer, the scripture, "Wild at Heart", Spiritual Warfare, "Boy Meets Girl", "Captivating", "The Ragamuffin Gospel", "God's Promises", "When God Writes Your Love Story", and a Beth Moore study. An effort to especially reach and involve freshmen in these groups has been in order to aide them in developing a sense of community at Campbellsville University.

Oasis averaged 121 in attendance for the spring semester. Speakers have included Daven Watkins, Shane Garrison, Jarvis Williams, Melvin Mills, Micah Carter and Trent Creason. We focused on different aspects; love of God, love of self, love of neighbor, love of those who are different from you, etc.

We had four mission teams, seven discipleship groups and six Bible study groups meeting weekly for personal growth and accountability.

*Respectfully submitted,*

*Edwin Pavy*

## LIGHTHOUSE COUNSELING CENTER

*Lighthouses are fascinating places. Built to cast light into dark and often foggy nights, these carefully placed "structures of guidance" are all about bringing persons into safe harbor and thus avoiding the rocky shoals and devastating consequences that often come with both careless and even will-intentioned errors of navigation in difficult weather and storms at sea.*

Lighthouse Counseling Center at Campbellsville Baptist Church finished its second year of ministry in July 2008 with a continued mission to help persons who acknowledge their need for both a light and a guide. This carefully placed "structure of guidance" exists to help persons who are interested in seeing a professional counselor who serves under the tutelage of the Wonderful Counselor who is both the Light and the Guide.

This past year (August 2007--July 2008), 339 sessions of counseling were held with individuals, couples, and families from all over Central Kentucky. Approximately 48% of these sessions were held with individuals, 42% with couples, and 10% with families. In addition to serving persons from a broad variety of churches, data from the past seven months alone reveals that 10 different ministers and their families were served in a total of 50 counseling sessions.

Lighthouse Counseling continues to receive referrals from a variety of individuals, churches, and organizations in our community. Presenting concerns are quite diverse, including: depression, anxiety, life management, substance abuse, marriage, family, parenting and pre-marital counseling. In addition, persons have sought help for bulimia, sexual abuse, grief and loss, infidelity, restoration to ministry, post-traumatic stress, spiritual warfare, job loss and adjustment, career, school problems, spiritual concerns, and various relationship issues.

Campbellsville Baptist Church, in partnership with other churches in the Campbellsville and Central Kentucky area, began this counseling ministry a little over two years ago. Beginning the end of July 2006, Dr. Scott Wigginton assumed the position of Minister of Counseling and Director of the newly formed Lighthouse Counseling Center. He currently provides up to ten hours per week of counseling to individuals, couples, and families.

Counseling services are open to all persons in the community regardless of church affiliation. Referrals can be made by calling Dr. Wigginton at (270) 465-8115 (Ext. 216). Fees are \$75 (\$60 for individuals referred by a local church). The "Lighthouse Fund" is a way for area churches, as well as other organizations and interested individuals, to tangibly care for persons in our community who need counseling but who could not otherwise afford it. Churches and other interested parties are encouraged to make a yearly donation to the fund to defray the costs of both their members and those from the community who need services. Checks may be sent to "Campbellsville Baptist Church Lighthouse Fund" and marked to the attention of Dr. Scott Wigginton.

Thanks to contributors which include: Campbellsville Baptist Church; Taylor County Baptist Association; Campbellsville University; Saloma Baptist Church; Living Grace Church; Rev. John Chowning; Mr. Henry Lee; Mr. Joe Walters; Dennis and Jenny Paiva; Dr. Ted and Sheri Taylor; and Mr. Bobby Eastridge.

Dr. Scott Wigginton serves in a full-time capacity as Associate Professor of Pastoral Ministries and Counseling at Campbellsville University. A licensed marriage and family therapist, he served from 1993 through 2004 as Executive Director of LifeCare Counseling Center and Counseling Minister at Walnut Street Baptist Church in Louisville, Kentucky. Dr. Wigginton has been married to Elizabeth for over 20 years and they are the proud parents of

Auburn, Hope, and Caleb. In addition to his B.A. from Western Kentucky University, he earned M.Div., Th.M., and Ph.D. degrees from the Southern Baptist Theological Seminary and is a clinical member and Approved Supervisor of the American Association for Marriage and Family Therapy, a clinical member of the American Group Psychotherapy Association, and a Fellow with the American Association of Pastoral Counselors. Besides counseling and teaching, Dr. Wigginton has written a family column for the Western Recorder, the weekly newspaper for the Kentucky Baptist Convention, since 2001. Before coming to Campbellsville University, he taught adjunctively at The Southern Baptist Theological Seminary for almost ten years and served full-time as Associate Professor and Chair of the Counseling Area at Boyce College for two years.

## BAPTISTS AND MISSIONS

In the year 2009 Baptists will celebrate 400 years of witness to the Gospel.

In the year 1707 the first Baptist Association in America occurred with the Philadelphia Baptist Association.

In 1804 the Russell Creek Baptist Association came into existence.

In 1957 the Taylor County Association of Kentucky Baptists was organized.

The churches in our Association cooperate to fulfill the Acts 1:8 mandate through missions, ministries, education, fellowship, and evangelism. In meeting this challenge we begin with missionary minded churches doing missions at home and then expand our vision to include Kentucky, America, and the world.

Just as our churches budgets show their commitment to missions: so does our Taylor County Baptist Associational budget.

Our 2008-2009 proposed budget of \$66,458 reveals a 46 percent commitment to missions! Where do you see greater support for missions?

We increased our support for Hispanic Ministries. We can easily reach this goal (six cents per week) with each church giving \$3.00 per member per year for an expanded Hispanic ministries.

During the past year one church gave up to 5% of the undesignated offerings to Associational Missions. Others gave two and three percent. Certainly a worthy starting point for each church is one per cent. With your contributions you participated in these Associational gifts:

\$2,000 Assist the construction of the food pantry building

\$5,000 Disaster Relief--Gulf Coast

\$25,000 Randsell Chapel

\$10,000 Southern Kentucky Hispanic Ministries Inc. per year

\$5,000 Assist church members on mission trips

\$4,800 Russian Ministry of Nikolai Syrovatko a full time publisher and teacher of Sunday school and church education

As God continues to bless the ministry of your church, please consider your commitment to the Taylor County Baptist Association. Our budget gives more consideration to missions than

on personnel costs and high maintenance of a building. We can do this because of the generosity of Lowell Avenue Baptist Church that provides one room for the Associational Office.

With your prayers and financial support we can do more in direct missions than every before.
