CONSTITUTION

Mission Statement Preamble

We the Taylor County Association of Kentucky Baptists, shall cooperate in fulfilling the Great Commission through missions, ministry, and fellowship; and shall serve as a resource and equipping center for the churches and as a liaison between the churches and the association.

Article 1. This body shall be called the Taylor County association of Kentucky Baptists.

Article 2. Each cooperating church shall be entitled to four (4) messengers, one of whom shall be the pastors, and one additional messenger for each fifty (50) members or fraction thereof, above the first one hundred (100) members, plus four (4) messengers from each mission sponsored.

Article 3. The business of this body shall be, when assembled, to hear reports from the church with regard to their condition as to members, prosperity, etc., to consult together for their development and growth in all matters pertaining to the evangelism of the world, and shall hold and control such property as shall come into possession of the association.

Article 4. The body shall exercise no authority over the local churches, and recognizes their complete autonomy. The association reserves the right, as final action, to sever relations with any cooperating church for engaging in practices not Biblical.

Article 5. The Executive Team shall, in addition to the annual meeting, select a time and place for spring session for the purpose of electing officers and team leaders for the next Associational year, at which time the body shall elect by nomination and private ballot, or raising hand vote: Moderator, Assistant Moderator, Clerk, Assistant Clerk, treasurer, assistant Treasurer, Auditor, and Assistant Auditor, whose duties shall be as custom imposes on their respective offices. The Executive Team shall also nominate all team leaders at this time. All officers and team leaders shall continue in office until superseded by their successor, but none shall be eligible to the office of Moderator for more than two successive terms. In the absence of moderator and assistant moderator, the clerk shall convene the meeting and a moderator pro tem shall be elected for that one meeting. The treasurer shall serve in absence of a clerk.

Article 6. Churches desiring fellowship in the association must make application to the executive board at least six (6) months prior to the annual meeting. The application shall be referred to a Credentials Committee who shall be responsible for examining the churches' article of faith and record of mission support. The committee will also be responsible for bringing a preliminary report to the Executive Board and a final report to the Annual Meeting.

Article 7. The Executive Board of the Association shall be composed of all pastors of cooperating churches, missions, and one lay member from each church. All general associational officers and team leaders will by virtue of their office be members of the Executive Board. The retiring moderator will be a member of the Executive Board for the year following his active service as a moderator. Each associational officer shall hold the same office in the sessions of the Executive Board. The Executive Board shall be responsible for the work of the association between the annual sessions and shall be empowered to fill any vacancy in associational leadership. A quorum of the Executive Board consists of nine (9) members.

Article 8. In the appointment of teams, individuals shall be named instead of churches, and on each team named, one or more members shall be laymen. The Executive Team shall consist of Moderator, Clerk, Treasurer, Team Leaders, and such other members as the occasion demands.

Article 9. This body shall meet annually, according to adjustment, but in case of emergency, The Executive Board may call a special session, and also change the time and place of the meeting. In addition to the annual meeting, the body shall meet in spring session for purpose of electing officers for the following associational year.

Article 10. This Constitution may be altered or amended (except Article 4) at any meeting of the body, upon one year's notice, by concurrence of two-thirds of the members present. The labeling terminology, not including any original intent of the article of the constitution, adopted by Southern Baptist Convention, Kentucky Baptist Convention, and/or this association may be incorporated by vote at an annual meeting by a concurrence of two-thirds of the members presents.

LETTER FROM NICKOLAI SYROVATKO

"Grace and peace to you from God our Father and the Lord Jesus Christ." We are glad to greet messengers of annual conference and ask them to give brotherly greetings from Baptist churches of Saint Petersburg and Leningrad area to every church of Taylor County Baptist Association. We pray that God bless leaders and all work of the conference. We also join to prayer of Baptist churches for all 1,500,000 homes in Kentucky. We remember that churches will be performing this prayer ministry during September-October and then have a continuation of these acts at March on the eve of Easter.

We thank God for a privilege to be between His laborers and also resources for our ministries which He gives us through the churches of Taylor County Association, families and individuals. We want and hope that lines of this letter and also previous messages will add a report of leaders of Executive Board to delegates of annual conference.

September is a time when pastors and leaders of different ministries try to complete their plans for next learning year. Unfortunately a list of church needs is always very long and resources are limited. Economical crisis aggravates this position of churches and we must correct today our activities every quarter in the side of an abridgement of numbers or scales of projects.

Brotherly support of your churches gives us a possibility to help our local churches at training teachers and leaders of groups of different kinds and levels. We assist churches at an organization of a process of discipleship and providing methodical materials for groups and a realization of one time projects. As we have big financial difficulties then now we help a local church if she agrees that a task of a search of resources for a development or sharing ministries is her question. Only when we trained new leaders and a church tries to begin or to share her ministry then we take part at joint realization of pilot program and support its. So it is briefly our ideology at a question of upholding church education as the ministry.

At my letters I told you many times about our difficulties at question of church administration what touches on a questions of an effectiveness of ministries. Today I don't want to return to this because this issue is one point between comprehensive plans of our Association. We can take part at a decision of this question in particular through teaching pastors and their assistants but we cannot lead our Association through building structure of leadership of local or regional association. Thus I think that you understand a position of things at life of our churches.

Now is the beginning of new learning year and we pray and ask God to give us possibilities for continuation of our ministry through ways and activities which we developed and hope to retain in the future. We take all successes at our ministry which we had during previous period as a result of our joint efforts at work at God's vineyards. We ask messengers to pass words of brotherly thanks to every member at their local churches and families, please.

Today I don't have a possibility to be face to face with you and to praise together our Savior but at my thoughts I am during these two days of work of the conference together with you.

May God continue to bless churches of Taylor County Baptist Association, families and persons and help them at any need through His grace and favor,
sincerely, brother in Christ,
Nickolai Syrovatko

WMU

WMU has been “Called To Love” this year. Jesus provides us with the perfect example to follow. We have been charged to love with our whole heart, soul, and mind as the first part of our watchword Matthew 22:37-39 commands. Our challenge is to share God’s love and grace with our families, church family, and coworkers, That challenge also includes building bridges to reach people throughout Taylor County, Kentucky, America and the world who need to know about Jesus.

Participation in Operation Christmas Child continues to increase each year. We had the opportunity to participate in the National WMU Annual Meeting in Louisville this year. Taylor County WMU age level groups have participated in many varied ministry projects throughout the year.

Respectfully submitted
Sharon Wayne

2009-2010 REPORT FOR CHRISTIAN WOMEN'S JOB CORPS

The Campbellsville Christian women's Job Corps is in its ninth year of operation. Site Registration was renewed for 2009-2010.

Total Cash donations received: \$1,200.00

Some of the highlights of the past year include:

- * Edwina Rowell became the site director, with the resignation of Debbie Carter effective in March 2009.
- * New members to the Advisory Board were added to replace those who were no longer able to serve.
- * The Campbellsville CWJC site was awarded the National CWJC Site Grant of \$1,468.00. We were the only site to be recognized with this grant. The announcement of our site winning the grant will be made November at the Kentucky Baptist Convention with the award and check being presented by Joy Bolton, Kentucky WMU Director.
- * The prayer ministry has grown to five women who pray as they are kept current with a monthly newsletter and prayer request as needed.
- * CWJC now occupies office space in the Green River Ministries building at 100 Stockyard Street in Campbellsville.
- * The site coordinator continues to meet monthly with the mentors for prayer and planning.
- * Speaking engagements were for the Church Relations Council at Campbellsville University, WMU groups in the Taylor County and Lynn Associations.
- * Campbellsville CWJC has been contacted by a Baptist church in Mt. Washington, Kentucky for help in beginning a possible CWJC ministry there.
- * One CWJC participant moved. However she was able to find work in her new city.
- * One CWJC participant completed the Bible study, Battlefield of the Mind and has begun another Bible study with her mentor.
- * The Bible study held at Ravine Way has had consistent attendance. A study of the Book of John is underway.
- * Plans are being implemented to train new mentors and to expand the number of participants in the program.
- * The site received its certification for the coming year and Edwina Rowell will attend Level 2 Training to keep the site a nationally certified site.

As founder of the Christian Women's Job Corps Campbellsville site, Mrs. Debra Carter has led the organization for the past nine years in the training of Christian women to serve as mentors and help equip those women for life and employment, with the basic life skills necessary for self-sufficiency. Mrs. Carter has conducted the day to day operations to keep the site certified nationally, and to guide the mentors as they ministered to the women who have benefited from moral and spiritual ministry and from having a Christian friend. CMJC provides a loving environment where self-image can be restored and a place where women can develop life skills, set personal, educational and career goals and discover a realistic plan for accomplishing them.

We are asking the Taylor County Baptist Association and Campbellsville University to recognize Mrs. Debra Carter for her faithful Christian service in leading and guiding Christian Women's Job Corps Campbellsville site in providing a ministry to women in Campbellsville/Taylor County that has made a significant difference for this community and the lives of the women touched by CWJC.

The Campbellsville University Christian Women's Job Corps is very appreciative of the support of the Taylor County Baptist Association, along with the individual churches. Thank you for helping to make a life changing difference in the lives of the women we attempt to serve. We ask for your prayers for these women and their mentors and pray that with our offices now located at the Green River Ministries we have a higher profile with the result being we will be able to expand our efforts in our community.

HISPANIC MINISTRY

This was a busy month for different reason. First I had the opportunity to receive a group of 15 people from Florida who came to Horse Cave and Glasgow to evangelism the two cities. The group helped in a revival for three days.

I have the opportunity to preach in Campbellsville every Sunday. I was also in biblical studies in Tompkinsville every Sunday in the afternoon. On Thursday we have Bible studies in Hodgenville. Please pray for this city. I hope to have a church in this city. There are many Hispanics.

I also had the opportunity to be speaking in two Anglo churches of my mission work to the Hispanic churches. I also had a presentation in the school of Tompkinsville as part of a celebrate of missions. Two times a month I visit Glasgow Hispanic church and the lighthouse in Horse Cave. On Saturday I am participating in immigrant's services in Horse Cave and my wife sings in this service.

The next month I hope to continue my work in each location.

I start my last semester at Campbellsville University.

One member of the Glasgow Hispanic church helped with Bible studies in Hodgenville. The most significant accomplishment this month is the 15 people who receive Jesus as Savior during revival.

LIGHTHOUSE COUNSELING CENTER

August 2008-July 2009

Lighthouse Counseling Center at Campbellsville Baptist Church finished its third year of ministry in July 2009 with a continued mission to help persons who acknowledge their need for both a light and a guide. This carefully placed "structure of guidance" exists to help persons who are interested in seeing a professional counselor who serves under the tutelage of the Wonderful Counselor who is both the Light and the Guide.

This past year (August 2008-July 2009), 350 sessions of counseling were held with individuals, couples, and families from all over Central Kentucky. Approximately 64% of these sessions were held with individuals, 29% with couples, and 7% with families. Thirty-five sessions were held supervision other Christian counselors in the area who are working toward licensure. In addition to serving persons from a broad variety of churches, data from the last year reveals that 11 different ministers and their families were served in a total of 60 plus counseling sessions. Of the 350 sessions held, approximately 40 percent were with members or attenders of Campbellsville Baptist Church and 60% were in service to members of other churches and the community at large.

Lighthouse Counseling continues to receive referrals from a variety of individuals, churches, and organizations in our community. Presenting concerns are quite diverse, including depression, anxiety, life management, substance abuse, marriage, family, parenting and pre-marital counseling. In addition, persons have sought help for bulimia, sexual abuse, grief and loss, infidelity, restoration to ministry, post-traumatic stress, spiritual warfare, job loss and adjustment, career, school problems, spiritual concerns, and various relationship issues.

Campbellsville Baptist Church, in partnership with other churches in the Campbellsville and Central Kentucky area, began this counseling ministry a little over three years ago. Beginning the end of July 2006, Dr. Scott Wigginton assumed the position of Minister of Counseling and Director of the newly formed Lighthouse Counseling Center. He currently provides up to ten hours per week of counseling to individuals, couples, and families. To date, Lighthouse has provided just over 1000 hours of face-to-face counseling.

Counseling services are open to all persons in the community regardless of church affiliation. Referrals can be made by calling Dr. Wigginton at (270) 465-8115 (Ext. 216). Fees are \$75 (\$60 for individuals referred by a local church). The "Lighthouse Fund" is a way for area churches, as well as other organization and interested individuals, to tangibly care for persons in our community who need counseling but who could not otherwise afford it. Churches and other interested parties are encouraged to make a yearly donation to the fund to defray the costs of both their members and those from the community who need services. Checks may be sent to "Campbellsville Baptist Church Lighthouse Fund" and marked to the attention of Dr. Scott Wigginton.

The Lighthouse Counseling Ministry is possible because of generous support from Campbellsville Baptist Church, Taylor County Baptist Association, Campbellsville University, and local churches that are willing to help their members with counseling fees. Saloma Baptist Church and pastor Rev. John Chowning have provided significant help with the Lighthouse Fund. The Kentucky Baptist Convention partners with us in helping with pastor's and minister's fees for counseling. In addition, Lighthouse is grateful for our first major foundation gifts which will begin an endowment fund managed by the Kentucky Baptist

Foundation. This fund will ultimately grow to provide help for any person, regardless of income, to have access to affordable and competent Christian counseling in the Central Kentucky area. If you, or someone you know would like to contribute to this fund, please have them contact Dr. Wigginton.

Dr. Scott Wigginton serves in a full-time capacity as Associate Professor of Pastoral Ministries and Counseling at Campbellsville University. A licensed marriage and family therapist, he served from 1993 through 2004 as Executive Director of LifeCare Counseling Center and Counseling Minister at Walnut Street Baptist Church in Louisville, Kentucky. Dr. Wigginton has been married to Elizabeth for over 20 years and they are the proud parents of Auburn, Hope, and Caleb. In addition to his B.A. from Western Kentucky University, he has earned M.Div., Th.M., and Ph.D. Degrees from the Southern Baptist Theological Seminary and is a clinical member and Approved Supervisor of the American Association for Marriage and Family Therapy, a clinical member of the American Group Psychotherapy Association, and a Fellow with the American Association of Pastoral Counselors. Beside counseling and teaching, Dr. Wigginton has written a family column for the Western Recorder, the weekly newspaper for the Kentucky Baptist Convention, since 2001. Before coming to Campbellsville University, he taught adjunctively at The Southern Baptist Theological Seminary for almost 10 years and served full-time as Associate Professor and Chair of the Counseling Area at Boyce College for two years.

THE VISION REPORT

The Vision Committee of the Taylor County Baptist Association met many times during the past year.

A sub-committee was formed to survey the church memberships and on two separate times received limited results. Upon the second attempt Dr. Shane Garrison, Maple Trail Ministries, was asked to give an interpretation of the results.

From the surveys and individual comments were noted:

Communication—with cell phones receiving e-mail, etc.

Number of meetings (i.e. Bylaw states, “This Team shall give a monthly report on the progress or their program.”) With technology other forms of reporting are available.

Are we too small and maybe need to consider joining with another Association.

Move from teams, of which some are not performing, to a specific Ministries/Programs for which there is noted interest.

The Vision Committee voted to present the following motion:

“The Taylor County Baptist Vision Committee moves that the association hold an annual fall meetings. In addition, the Taylor County Baptist Executive Board meet no fewer than five meetings in the calendar year and other meetings of ministries and committees to meet as needed to encourage and further the work of the association.”

To accompany this motion please consider the following changes in the Constitution/Bylaws:

Constitution Article 5—The Executive Team shall, (delete “addition to”) in the annual meeting, select a time and place (delete “for spring session”) for the purpose of electing officers and team leaders for the next associational year. (No further changes).

Constitution Article 9—Delete the last sentence. (“In addition to the annual meeting, the body shall meet in the spring sessions for the purpose of electing officers for the following associational year.”)

Bylaws Article 1, Duties of Officers, part 1—Officers and team leaders (delete “Selected at the spring meeting”) shall assume their duties at the close of the last session of the fall meeting.

Bylaws Article 1, Duties of Officers, part 5—The Director of Missions shall be recommended by the executive team and shall be elected by the executive board or at an annual meeting. His (Her) shall be commensurate with the job description initially adopted the executive board (delete “in march 1999, unless changed by subsequent action”). (No further changes.)

Bylaws Article 11, Teams, part 1—The Executive Team shall be responsible for planning, developing, and promoting a program of activities for the year in all phases of church work. (Delete “This team shall give a monthly report on the progress of these programs.”) No further changes.

Bylaws Article 11, Teams part 3—The Executive Team, after consulting with the Auxiliary teams of the association, (Comma added for grammatical correctness) shall recommend to the association at its annual meeting nominations for leaders (delete, “The Administrative Team, the Spiritual Growth Ministries Team, and the Kingdom Growth Ministries Team, and such”) (add “and” other officers as the body may from time to time assign them.

Bylaws Article 11, Teams, part 5—Delete the first sentence (The standing teams of the association shall be the administrative team. The Spiritual Growth Ministries Team, the Leadership Growth Team, and the Kingdom Growth team.”) (No further changes).

REPORT OF THE RESOLUTION COMMITTEE

The Resolutions Committee of the Taylor County Baptist Association hereby recommends the following points of resolution for approval by the messengers in session for the 2009 annual fall meeting:

NOW, THEREFORE, BE IT RESOLVED, by the messengers of Taylor County Baptist Association, meeting in annual fall session, on this 15 day of September 2009, at Pleasant Hill Baptist Church, Campbellsville, Kentucky, that

1. Appreciation is expressed to the pastors and members of Green River Memorial Baptist and Pleasant Hill Baptist Church for hosting the September 14th and 15th, 2009 fall session of the Taylor County Baptist Association. We commend the hospitality and fellowship extended by the pastors and members of both congregations.
2. Taylor County Baptist Association again expresses opposition to any proposed Sunday sales of Alcoholic beverages in restaurants in the City of Campbellsville.
3. We encourage Taylor County Baptist Association pastors and congregation to continue to vigilant in opposing casino and other forms of expanded gambling in Kentucky. We urge our Governor and members of the Kentucky General Assembly to not pursue such expanded gambling options. We commend Taylor County Baptists and Kentucky Baptists for their strong opposition to expanded gambling in the Commonwealth of Kentucky in the past and pray that such opposition among Baptists will continue in 2009-2010 and beyond. Expanded gambling will lead to increased rates of gambling addiction, breakup of families, incidences of suicide, and impacts the "least of these" the hardest.
4. We encourage our national leaders to make certain that any pending health care reforms are reflective of pro-life concerns with regard to protecting the life of the unborn and to end of life counseling and health care measures.
5. Taylor County Baptist are ask to pray for our elected officials at the local, state, and national levels.
6. We commit to continuing prayer for the men and women who are serving our nation in the military.
7. We encourage all the congregation of Taylor County Baptist Association to join in participating in and praying and preparing for the *Find It Here* outreach campaign that is intended to reach all households in the community with the Gospel of Jesus Christ prior to Easter Sunday 2010.

Respectfully submitted,
Rev. Kyle Franklin
Rev. John Chowing
