DIRECTOR OF MISSIONS REPORT

It has been a privilege to serve as your Interim Director of Missions.

Over these months I have been impressed with the commitment to ministry as I visited among our churches.

Participation in Pastor and Deacon ordination services has been very encouraging as new and additional folk move into significant places of leadership.

The “historical” listing reflects the interest which our churches have exhibited in down-to-earth, hands-on ministries in Jesus’ name.

We are fortunate to have an ongoing significant connection with Campbellsville University’s administration and student life.

There has been much accomplished in Jesus’ name throughout the history of Taylor County Baptist Association and we trust that the challenge of reaching the lost for Christ, discipling, and overall companion ministries will increase in the coming years.

One of my focus areas of ministry is in the realm of “multi-housing” at which we have numerous clusters in our association area. My continuing request is that there will be an increased interest and participation in addressing this much needed avenue of potential ministry. Every area of Jesus’ ministry mandates is graphically reflected in this specific area of outreach concern. Jesus commanded us as His followers to “go into all the world” beginning at our Jeruselems.

My prayer for Taylor County Baptist Association is that we will rise to the task set before us in this new association year and in so doing to fulfill indeed the Lord’s great commission!

Respectfully Submitted,
Bro. Ken Forman

LETTER FROM NICKOLAI STROVATKO

A dinner meeting in honor of Brother Nickolai Syrovatko, our missionary in St. Petersburg, Russia, was held on Monday, April 4 in Campbellsville Baptist Church fellowship hall.

We have assisted in Nickolai in his ministry as the Coordinator of Church Education for St. Petersburg and Leningrad Province for many years. His full time service includes teaching, preaching, publishing Christian education literature, and leading conferences in the churches throughout the region and beyond in other parts of Russia.

We are grateful for the dedication of this dear brother in Christ and for the privilege of assisting him in his ministry in Russia.

Do remember him and his family as you pray.

To messengers of annual meeting of the churches of Taylor County Baptist Association

“Thus far has the Lord helped us” (1Sam. 7:12)

“Your will be done on earth as it is in heaven.” (Matt. 6:10)

Dear brothers and sisters in the Lord,

I am glad to greet everyone at this special day of life and ministry of Taylor County Baptist Association when you put together results of ministries during last year., thank God for His grace and blessings, look for His will and ask His leadership in the near future.

We join to your prayers and thank God for possibilities for our ministry through educational projects. We thank members of Executive Board, pastors and members of local churches for brotherly care, help and support which we take as showing of Christ's love to neighbors.

I informed at my previous letters about current works during summer months and our efforts on a way of a preparation to new learning year – from September. In particular I told about visits of brothers from Kentucky. Days of joint work during weeks of July and August were for us a time of special blessings of God when pastors, teachers, young people and adults together with guests from Kentucky took part at fellowships and praised the Lord at worships and other meetings. Today I use a possibility and give words of thanks from Sunday school teachers and assistants from many local churches of Saint Petersburg and Leningrad area for Partnership contacts between our churches as well.

We continue our ministry at an environment of contemporary world which has had different definitions from a side of politicians, economists, scientific, religious leaders and simple persons. Although those entire individuals see today's world through their visual angle but all they express an anxiety about spiritual condition of a society.

Here at Russia a government of all levels of state power, Duma (the parliament) and other social groups try to decide “eternal” items again and again through their intellects and strengths and don’t want to seek God. Therefore we ask all our Christian friends to pray for the repentance of people of Russia begin from the president and finish a person from a street. Please pray for us and take part at sharing of the Gospel through joint ministry with Russian Baptists if you feel God gives like possibility for you today.

We pray God continue to bless you, your churches, families through every ministry and beginning which He gives you today and will open in the future. With Christ’s love, sincerely,

Nickolai Syrovatko,
Coordinator of Church Education
For St. Petersburg and Leningrad Province

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union's emphasis "Called to Love" can be summed up with two commands found in Matthew 22:37-39: love God and love people. Taylor County WMU continues to reach out to all peoples and ages through organizations in our churches. Groups are using God's gifts to share His love throughout Taylor County and the world. Our new emphasis "Unhindered" will help us focus on God's love and keep us from being slowed, blocked, or hampered by wrong attitudes, methods, or motives.

LIGHTHOUSE COUNSELING CENTER

An old French proverb says, "Hope is the dream of a soul awake." Someone else suggested, "Hope is faith holding out its hand in the dark." Hope, however you think about it, is the commodity in which we deal as Christian ministers. As a counselor, helping persons find and trade in their fragile "small h" hopes for the reality of "large H" Hope found only in Christ is the Great Calling to which the Wonderful Counselor awakens us!

Lighthouse Counseling Center at Campbellsville Baptist Church finished its fourth year of ministry in July 2010 with a continued mission to help persons who acknowledge their need for both a light and a guide. This carefully placed "structure of guidance" exists to help persons who are interested in seeing a professional counselor who serves under the tutelage of the Wonderful Counselor who is both the Light and the Guide.

This past year (August 2009-July 2010), 467 sessions of counseling were held with individuals, couples, and families from all over Central Kentucky. This represents 117 sessions more than last year or an increase of 25%. Approximately 48% of these 467 sessions were held with individuals, 34% with couples, 9.5% with families, with the remaining 8.5% being supervision of other Christian marriage and family therapists pursuing licensure. In addition to serving persons from a broad variety of churches, data from the last year reveals that 13 different ministers and their families were served in a total of 82-plus counseling sessions. In fact, 17.5% of sessions held were with ministers or their families. Of the 467 sessions held, approximately 43% were with members or attenders of Campbellsville Baptist Church and 57% were in service to members of other churches and the community at large.

Lighthouse Counseling continues to receive referrals from a variety of individuals, churches, and organizations in our community. Presenting concerns are quite diverse, including: depression, anxiety, life management, substance abuse, marriage, family, parenting and pre-marital counseling. In addition, persons have sought help for bulimia, sexual abuse, grief and loss, infidelity, restoration to ministry, post-traumatic stress, spiritual warfare, job loss adjustment, career, school problems, spiritual concerns, and various relationship issues.

Campbellsville Baptist Church, in partnership with other churches in the Campbellsville and Central Kentucky area, began this counseling ministry a little over four years ago. Beginning the end of July 2006, Dr. Scott Wigginton assumed the position of Minister of Counseling and Director of the newly formed Lighthouse Counseling Center. He currently provides up to ten hours per week of counseling to individuals, couples, and families. To date, Lighthouse has provided close to 1500 hours of face-to-face counseling.

Counseling services are open to all persons in the community regardless of church affiliation. Referrals can be made by calling Dr. Wigginton at (270) 465-8115 (Ext. 216). Fees are \$75 (\$60 for individuals referred by a local church). The "Lighthouse Fund" is a way for area churches, as well as other organizations and

interested individuals, to tangibly care for persons in our community who need counseling but who could not otherwise afford it. Churches and other interested parties are encouraged to make a yearly donation to the fund to defray the costs of both their members and those from the community who needs services. Checks may be sent to “Campbellsville Baptist Church Lighthouse Fund” and marked to the attention of Dr. Scott Wigginton.

The Lighthouse Counseling Ministry is possible because of generous support from Campbellsville Baptist Church, Taylor County Baptist Association, and other individuals, churches, and organizations. The Kentucky Baptist Convention partners with us in helping with pastor’s and minister’s fees for counseling. In addition, Lighthouse is grateful for a gift from CBC member Myrna Martin which will begin an endowment fund managed by the Kentucky area. If you, or someone you know would like to contribute to this fund, please have them contact Dr. Wigginton.

Dr. Scott Wigginton serves in a full-time capacity as Associate Professor of Pastoral Ministries & Counseling at Campbellsville University. A licensed marriage and family therapist, he served from 1993 through 2004 as Executive Director of LifeCare Counseling Center and Counseling Minister at Walnut Street Baptist Church in Louisville, Kentucky. Dr. Wigginton has been married to Elizabeth for 25 years and they are the proud parents of Auburn, Hope, and Caleb. In addition to his B.A. from Western Kentucky University, he has earned M.Div., Th.M., and Ph.D. degrees from The Southern Baptist Theological Seminary and is a clinical member and Approved Supervisor of the American Association for Marriage and Family Therapy, a clinical member of the American Group Psychotherapy Association, and a Fellow with the American Association of Pastoral Counselors. Besides counseling and teaching, Dr. Wigginton has written a family column for the Western Recorder, the weekly newspaper for the Kentucky Baptist Convention, since 2001. Before coming to Campbellsville University, he taught adjunctively at The Southern Baptist Theological Seminary for almost 10 years and served full-time as Associate Professor and Chair of the Counseling Area at Boyce College for two years.

Dr. Scott Wigginton

REPORT OF THE RESOLUTION COMMITTEE

The Resolutions Committee of the Taylor County Baptist Association hereby recommend the following points of resolution for approval by the messengers in session for the 2010 annual fall meeting:

NOW, THEREFORE BE IT RESOLVED, by the messengers of Taylor County Baptist Association, meeting in annual fall session, on the 14th day of September 2010, at Palestine Baptist Church, Campbellsville, Kentucky, that:

1. Appreciation is expressed to the pastors and members of Salem Baptist Church and Palestine Baptist Church for hosting the September 13th and 14th, 2010 fall session of the Taylor County Baptist Association. We commend the hospitality and fellowship extended by the pastors and members of both congregations.
2. Taylor County Baptist Association once again expresses opposition to any proposed Sunday sales of alcoholic beverages in restaurants in the City of Campbellsville.
3. We encourage Taylor County Baptist Association pastors and congregations to continue to be vigilant in opposing casino and other forms of expanded gambling in Kentucky. We urge our Governor and members of the Kentucky General Assembly to not pursue such expanded gambling options. We commend Taylor County Baptist and Kentucky Baptists for their strong opposition to expanded gambling in the Commonwealth of Kentucky in the past and pray that such opposition among Baptists will continue in 2010, 2011 and beyond. Expanded gambling leads to increased rates of gambling addiction, breakup of families, incidences of suicide, and impacts the "least of these" the hardest.
4. We encourage our national leaders to reconsider national health care legislation to make certain that resulting national health care policies are adequately reflective of pro-life concerns with regard to protecting the life of the unborn and to end of life counseling and health care measures.
5. Taylor County Baptists are asked to pray for our elected official at the local, state and national levels.
6. We commit to continuing prayer for the many men and women who are serving our nation in the military.
7. We encourage members of Taylor County Baptist Association churches to study the issues and make informed decisions on voting for the candidates of their choice on Tuesday, November 2, 2010.

Respectfully submitted,
TCBA Resolutions Committee

**KENTUCKY BAPTIST CONVENTION
MISSION GROWTH TEAM OFFICE:
CHURCH PLANTING AND ASSOCIATIONAL MISSIONS**

The Mission Growth Team Office has continued implementing the changes that are being implemented due to downsizing and less budget funds. By the end of the 2010-2011 budget year the Mission Growth Team will have reduced in staff by three full time employees due to retirements. These positions will not be replaced. In addition, five part time contract/consultants have been or will be released by the end of the budget year (August 31, 2011).

Despite the loss of human resources and the anticipated reduction of approximately \$250,000 from the team budget, amazing work has been performed by the entire team. These include responding to flood and tornado disasters, increasing outreach to prisons and jails, conducting partnership projects in numerous parts of the world, assisting numerous missionaries in Kentucky, challenging Baptist in Kentucky to move their prayer lives to a new level of intensity, reaching out to numerous ethnic groups, planting churches and providing resource and training to Kentucky's Director of Missions.

The MGT Office has been involved in assisting churches in planting several new churches, provided two Basic Training Journey events for potential and new church planters and teams, provided numerous church planting consultations to sponsoring churches, conducted 21 assessments of church planters. Numerous resources have been developed to assist church planters and sponsoring churches.

The MGT has conducted two new DOM Orientations, the Annual DOM Leadership Event, worked with three associations in an assessment process, trained five DOM Search Teams. Working with eight associations, the MGT Office has assisted in developing Go Metro USA partnerships in Cleveland and Pittsburgh. Two additional teams of associations are in formation to work with two additional non Southern metropolitan areas.

The MGT Office worked with KBC staff and designed the Find It Here 2011 God's Plan for Salvation process which saw about 35,000 Kentucky Baptist pray and fast for lost people and provide the lost with a special edition of the Gospel of John and Romans marked Scripture portion. Nearly 200,000 of these special Scriptures have now been distributed in Kentucky to target lost, prisons, jails, and nursing homes. Numerous individuals made professions of faith during this process.

The MGT Office has assisted Seminary Extension Centers, administered the Associational Missions Assistance Program and the Church Loan program. In addition, the Mission Growth Team Office has worked across teams to develop a biblical storying intentional relational discipling process and several coaching networks. Cooperative, special prayer emphasis and equestrian ministries have also been conducted by the MGT Office.

One of the exciting projects the MGT conducted was a week long mission trip to

San Jan Puerto Rico where the Team assisted a new church plant by prayer walking numerous neighborhoods and distributed marked Scripture portions to about 1,000 homes. The Sunday after we left, the new churches' facilities overflowed with visitors and members.

Linda George and Kay Sue Leppert have provided tremendous support for all we do as a Mission Growth Team and as we do the work of the Team Office. Larry Martin continues to be a valuable field asset as the primary focuses on equestrian ministry, cowboy churches, special prayer emphasis and cooperative ministries.

KENTUCKY BAPTIST CONVENTION MULTIETHNIC MISSIONS AND MINISTRIES DEPARTMENT

Having a state team that will work with the VBS leaders of the state will increase the instances of collaboration between churches.

During the Super Saturday 2010, we trained over 300 church Hispanic church members about the importance of discipleship. During the Super Saturday 2011 we plan not only to train the Hispanic congregation on the subject of serving God as a family.

As the church planting field grows, the need for training and equipping leaders is imminent. Therefore, during 2010 we trained 15 ethnic leaders through Basic Training. In 2011, we had the opportunity to train 18 Hispanic leaders in a Basic Training instance that was offered in Spanish by Hispanic Basic Training facilitators. Being able to offer a basic training in Spanish by local Hispanic leaders shows that the state is generating equipped leaders that are preparing to equip future leaders.

During 2010, the partnership with the Florida Baptist Convention was extended for three more years. The partnership with Florida has been instrumental in training and equipping Hispanic congregations. In 2010, we had six church-to-church projects where door-to-door evangelism took place, training on how to disciple other and conferences to guide Hispanic families about stewardship and how to be a Christian family that influences others. In addition, during 2010 we had 6 state to state projects where Florida sends leaders to offer their expertise training to local congregations in a variety of church health subjects.

During 2010, we held the first youth camp for Hispanics. This was a great instance where this age group got the opportunity to form friends bonds with other Christian fellows and where trained through a series of conferences on how to share their faith with boldness. In 2011 the Camp will take place on June 17&18 at FBC, Harrodsburg.

During 2010 was a year we saw new ministries' bloomed, 13 new Hispanic missions opened, two African American churches were planted as well as a prison ministry and one multiethnic mission.

During 2010 the Hispanic congregations where involved in the Find it Here efforts, this was a great time for collaboration among the local churches and the local associations where Hispanic leaders had an opportunity to meet with local leaders to plan and strategize. In 2011, Hispanic congregations are already involved in the second instance of this evangelistic effort and are excited about what God will do in the lives of the 3 people they are praying for.

During 2011, we had the opportunity to train over 200 members of the Hispanic congregations during the annual Evangelism and WMU conference. This was a great opportunity to instill in the DNA of the growing Hispanic congregations the need of doing missions, teaching about missions and promoting missions in their congregations.

In the spring of 2011, we had the opportunity to train and equip Vacation Bible School directors and leaders of the Hispanic congregations of the state. In the just held in April of 2011, we had the opportunity to train Hispanic VBS leaders and talked with some of the leaders about the possibility of forming a state steam that will participate in the national VBS training in 2012.

Prayer Strategies

Developed prayer & fasting materials for "Find It Here."

Partnered with 11 associations to plan and implement "prayer rallies." The format varied, but generally included a time of teaching and a corporate prayer experience.

Trained 2,011 people representing 635 churches during 2010 for "Find It Here" prayerwalking.

Network with prayer leaders in 21 associations and 626 churches. We praise God for the renewed emphasis on prayer by churches and associations.

Respectfully Submitted,

TO THE EXECUTIVE BOARD OF TAYLOR COUNTY BAPTIST ASSOCIATION

Dear brothers,

We are glad God gives us a possibility for our communications and today we can greet everyone from the churches of Taylor Association. Still recently we went at New Year and today we live by usual working rhythm which we have into circumstances of our lives. We thank God He joined us into the body of Christ's church and helps us through churches of Kentucky at our ministries.

Although we can serve only through our spiritual gifts but we live into quickly changeable world and therefore we must be resourceful person whom God called to fulfill His commands. At the same time a success of a fulfillment of a task depends on training and personal experiences. Paul understood very nice this point and wrote about this to his young minister Timothy.

I told you many time about my experiences concerning of discipleship at Russian Baptist churches. Therefore today I exactly can point main event of last month. This is my trip to south region of Russia – Caucasus. This region has seven national republics and unfortunately gives most part of all criminal and terrorism acts into Russia. Once from those republics is North Ossetia. All those republics are poor areas where people don't have work and youth cannot study. A metropolis of the republic is Vladicaucasus. Russian Baptist Union has here several churches.

Four years ago one mission from Moscow, Saint Petersburg Christian University and a teacher (Yuri Shibaev) from Brjansk had a conversation with pastors from Vladicaucasus and offered them to realize a program of a training of pastors with a purpose to plant new churches at this region. Two years ago this program has started. Then they asked me to help at building of learning process. In particular they asked me to teach through learning course "Programs of church education." This group has 18 student and several listeners who serve and therefore can study when have free time.

Unfortunately today we have at our Russian Baptist Union few like groups of students who study through program of Bible College. First of all this program is very expensive. Then now churches decide many different questions which touch on in fact survival.

Therefore we continue to train new church leaders through seminars, training of ministers for a special work and other onetime sessions. I must note one nuance at a realization of those projects. If four-five years ago we can invite those whom we want to teach to Central Baptist church then today I and other leaders of our regional Brotherhood must visit local churches and train new ministers there. Last variant is cheaper as the meeting of all students as one place. We understand this way of a preparation of new generation of church leaders is less effective but problems of economy define often our choice for acts at today's reality.

I continue to help pastors of local churches through sermons, leadership of groups of Bible study, conversations with unbelievers and guests. A preparation of methodical materials and lessons for groups is as usual a part of my work.

I use this possibility and want to thank all friends from TCBA and CU for brotherly help which they rendered and continue to assist at a question of my preparation to visit to churches of Kentucky. Indisputably this event at our joint partnership ministry has big meaning for me and my assistants. We pray God helps me during every step on a way to your churches.

We thank churches, families and individuals for their financial support on regular base and additionally for a decision of different needs and in particular support at an organization of my trip. We pray God continues to bless abundantly communities of Taylor Association, families and everybody in straightened circumstances.

With God's blessings and Christ's love, sincerely,
Nickolai Syrovatko,
Coordinator of Church Education
For St. Petersburg and Leningrad Province
